

MEN'S, WOMEN'S AND CHILDREN'S ALTERATION CHARGES

All alterations must be paid for in full before alterations are performed. Garments must be new or dry cleaned prior to fitting.

Merchandise, marked as Anniversary sale merchandise, is considered regular price.

All merchandise that has been marked down is considered "Sale" merchandise.

There will be a charge for alterations due to weight gain/loss.

At Nordstrom, our goal is to offer our customers advice on apparel items that fit best initially.

Alteration charges for leather, knits, beaded garments and any non-listed items will be quoted by the fitter based on fabric and construction.

* Plain sleeve is a one-piece construction without detailing that is vented or non-vented. The price of any sleeve with trim, braid, buttonholes, cuff or detailing will be quoted by the fitter.

** We reserve the right to accept only basic alterations on Customer Owned Goods (not purchased at Nordstrom) based on garment construction and our ability to meet the customer's satisfaction. Delivery time will be quoted by the fitter.
