Celebrate Neurodiversity!

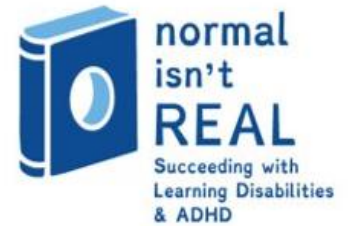

October 17th 6-8 p.m. Ripich Commons 1st Floor

Biddeford campus screening of the film
Normal Isn't Real + Panel Discussion

October 18th 6-8 p.m. CHP Lecture Hall

Portland campus & livestreamed online screening
of *Normal Isn't Real* + Panel Discussion
Reception follows in the Proctor Pavillion
Portland campus event open to the public

Normal Isn't Real features the stories of four young adults with Learning Disabilities/ADHD sharing their journeys to success in work and school and the strategies they use to manage their challenges. The screening will be followed by a panel discussion of neurodiversity and learning. The panel, which will include the filmmaker, Krys Kornmeier, will be focused on personal stories of resilience and success with learning disabilities and ADHD.
