CURRENT BUSINESS

Weeding Party

Jane, Kathleen, Carol Sewell, Diana, and Pam met at the Clubhouse on June 19 to weed the Flagpole Garden, the border behind the Flagpole Garden, and the hosta border by the pool. More recently, Maintenance staff helpfully weed whacked the bank behind the flagpole border.

Jane observed that the CH Office garden is over-run with weeds and needs cleaning up. She asked for two volunteers to undertake the weeding next week. Diana and Pam volunteered.

Burn Pile Update

A new burn pile has been created at the Maintenance Department. CH owners have deposited garden refuse at the new site and no problems have been experienced. People seem satisfied with it. The lot where the previous burn pile was located has been blocked off.

Food Composting

The new State of Vermont ruling on disposal of food scrap waste will be taken up at the next Board of Directors meeting. The Board will inform us of procedures and requirements.

Plant Giveaway at Annual Meeting

The Board of Directors will discuss where and when the Annual Meeting will take place. Jane asked if the Committee could provide 40 plants. We will have about two weeks' notice as to how many will attend the meeting.

NEW BUSINESS

Birchwood Flagpole Garden: Cheryl Rusin has planted hosta in front of the three hydrangea she planted last year.

MEMBER CONCERNS

We observed that the Clubhouse gardens, as well as the entrance garden and the flower baskets all look lovely.
