GORGEOUS, MODERN MOUNTAIN HOME WITH YEAR-ROUND VIEWS

Built in 2022 with no expenses spared. Tucked away in a lovely community with a private mountain — feels sequestered, but is close to it all with easy access. Main level features a primary bedroom with a luxurious ensuite bathroom, two guest bedrooms, a guest bathroom, and an easy-flowing open plan through the kitchen, living room, and out to the covered back deck. Light-filled windows throughout. Enjoy entertaining in your very own chef's kitchen with expansive quartz countertops and an eat-in kitchen island. Relish cozy nights on the massive covered deck with an outdoor wood-burning fireplace. The finished basement, great for flex space or an in-law suite, includes two more bedrooms, a full bath, and a large spacious family room with separate entrance. Perfect for mountain living or short-term rentals. 10 minutes to downtown Asheville or Black Mountain; minutes to hiking and biking trails. Truly a magical property!
