Beautiful Entryway with Mature Landscaping

Picturesque and spectacularly landscaped, this inviting home in the beautiful Mills River area will wow you from start to finish. Set on over an acre of fully fenced property in the quiet neighborhood of Pennsylvania Knoll, this beautiful home offers the simplicity of one-level living in a private setting that's just minutes to dining, shopping, and the growing allure of Mills River. An open and vaulted living space welcomes you as you head through the front door, with convenient kitchen-dining-living access, an oversized stone island, perfect for entertaining, and hardwood flooring throughout the main living area. The spacious primary suite — complete with a walk-in closet and ensuite bath — sizable second and third bedrooms, and laundry round out the first level, with an amazing bonus flex room above the spacious two-car garage. The true splendor of this property awaits out the back doors, with a wonderful covered deck and expansive back yard, complete with stone firepit and plenty of room to roam. This home truly offers more than can be mentioned and awaits its wonderful new owners!
