Immaculate Energy Star-Certified Home

Asheville, NC 28803

This Immaculate Energy Star-Certified Home is a must-see! Located just three miles south of downtown Asheville, it offers an open floor plan and multiple outdoor spaces ideal for gardening and entertaining. Inside, you'll find stone countertops, stainless steel appliances, a gas log fireplace, and abundant natural light throughout. The spacious primary suite features a tranquil bathroom with a large soaking tub and a tiled walk-in shower. The home also includes a generously sized laundry room and a convenient side entry that opens into a mudroom with built-in cubbies. Step outside to enjoy a welcoming front porch overlooking raised garden beds and a variety of fruit trees. The partially fenced backyard includes a shaded stone patio, perfect for relaxing or hosting, all surrounded by mature landscaping. Designed with flexibility in mind, the lower level has its own exterior entrance and has already been plumbed for a future kitchen—ideal for creating a second living space or guest quarters.
