DRIVING DIRECTIONS

FROM I-40 E: Take Exit 64 for Black Mountain. Turn onto NC-9 S and continue for approximately 6.7 miles. Turn left into the High Rock Acres neighborhood. Continue straight and then follow the road to Glade Lane. Turn left onto Glade Lane and continue to 55 Glade Lane. Directional sign will be at the bottom of Glade Lane, and the For Sale sign will be in the yard.

Recently remodeled, private retreat on approximately 14 acres in the beautiful High Rock Acres neighborhood, just 12 minutes from downtown Black Mountain. The main home offers one-level living with 3 bedrooms and 2.5 bathrooms, featuring a brand-new kitchen with all-new appliances and new hardwood flooring throughout. The primary suite feels like a spa retreat, complete with an updated bathroom and its own private sitting area—perfect for quiet mornings or winding down at the end of the day.

Expansive decks showcase stunning year-round mountain views and create the perfect setting for outdoor dining, entertaining, or simply relaxing. Behind the home, gardeners will love the flat garden space—an uncommon find with mountain views—featuring seasonal blooms, native and non-native plantings, and flowers that provide color three seasons of the year. The low-maintenance yard means more time to enjoy the private hiking trails, including a short walk to a waterfall on the adjacent five-acre property. And when the sun goes down, the skies open up to incredible stargazing—you can see the Milky Way and countless shooting stars right from the deck.

A spacious detached 1-bedroom, 1-bath apartment above the garage offers exceptional versatility—ideal for hosting guests in comfort, accommodating extended family with privacy, or generating rental income as a separate living space.
