FEATURES

- Beautifully maintained single-level home in the established Glen Cove neighborhood
- Spacious and functional layout with welcoming foyer
- Generous living room with cozy fireplace; abundant natural light
- Split-bedroom floor plan for added privacy and flexibility
- Primary suite features a walk-in closet, plus a bathroom with a glass-doored, tiled shower, a soaking tub, dual sinks, and a skylight
- Primary bedroom, second bedroom, and half bathroom are all located in one wing of home
- Third and fourth bedrooms plus the full bathroom are found in other wing of home (home is listed as a three-bedroom due to septic system, but there are four functional bedrooms)

Great Floor Plan Flows Easily from Room to Room

- Gleaming kitchen with stainless steel appliances, ample storage and island seating area
- Dedicated dining room and breakfast nook
- Outdoor living spaces include:
 - › Open-air, stamped concrete patio
 - › Detached, covered, screened-in patio
 - › Fully fenced, large, and flat backyard
- Spacious two-car garage and large driveway with plenty of parking and storage options
- Heated, cooled, and plumbed third bay on the right side of the home (currently used as a workshop)

UPGRADES

- KITCHEN:

- › Bosch dishwasher
- › Bosch wall oven
- › Frigidaire gas stovetop
- › Frigidaire wall-mounted microwave

Primary Suite's Walk-in Shower

- PRIMARY BATHROOM:

- › Granite countertop
- › Deep soaking tub with integrated seat and handheld shower sprayer
- › Bidet toilet with remote
- › Walk-in shower with sliding glass door and rainhead shower
- › In-floor heat under ceramic tile (programmable)
- › Safety grab bars in shower, toilet area

- PRIMARY BEDROOM:

- › Walk-in closet
- › Access door to patio

- LAUNDRY AREA:

- › LG stacked washer and dryer
- › Stainless steel table for folding clothes

- LIVING ROOM/FOYER:

- › Mounted shelving for pictures
- › Two in-floor plugs for lamps; controlled by wall switch
- › Foyer skylights with solar-powered, remote-activated shades

- OUTDOOR:

- › Wooden fence with two gates; connects on one side to the neighbor's chain link fence
- › Drainage from heating/humidifier system improved to drain water farther out in yard
- › Front garden areas recently had stones reset, and a few flowering trees will be added this week
- › Evergreens were planted on home's left side (where the neighbor's trees had to be removed)

Established Neighborhood • Landscaped Yard Brings the Curb Appeal

Welcome to this beautifully maintained single-level home in the established Glen Cove neighborhood. Enjoy a thoughtfully designed floor plan that starts with the welcoming foyer and continues to the generous, light-filled living room with a cozy fireplace, and two wings — one with the primary suite, a second bedroom, and a half bath; the other with two additional bedrooms and a full bath — ideal for privacy and flexibility. The primary includes a walk-in closet and an ensuite bathroom with a tiled shower, large soaking tub, dual sinks and a skylight. The kitchen has gleaming counters, stainless steel appliances and plenty of storage. Dining options abound with a formal dining room, a kitchen dining nook and a breakfast bar. There's great outdoor living, too, with a concrete patio, a detached, screened-in porch, and a fully fenced backyard. Large driveway and two-car garage offer plenty of storage and parking, while a third bay on the right side of the home can be used as a workshop.
