Step into this sweet 3 BR/2 BA home that features an inviting open floor plan, perfect for both entertaining and everyday living. Vaulted ceilings and hardwood floors add a sense of spaciousness and warmth throughout the main living areas. The kitchen, dining, and living areas flow seamlessly together, creating an ideal space for gathering. Outside, discover a huge and truly magical backyard, complete with mature landscaping, vibrant blooming flowers, and a fully fenced-in section perfect for pets or play. The extra-tall crawlspace offers bonus potential as a small workshop or storage area. Additional features include a two-car garage, large bedroom closets, and a peaceful setting that feels like your own private oasis. Don't miss this perfect blend of functionality and outdoor serenity!
