This beautiful townhome lives like a home—it's an end unit that shares only one side with the next unit. Updated 3 BR/2.5 BA home boasts a completely new main level with lovely engineered hardwood flooring. The spacious living room features new custom built-in bookshelves and cabinetry. Open-concept kitchen is bright and opens to a private side patio. Stainless appliances, Shaker cabinetry, granite countertops, undercabinet lighting, and a sleek tile backsplash add to the beautiful setting. Entertaining is easy whether it is on the adjacent side patio or in the dining area. Laundry is off the kitchen, allowing easy access. The large primary suite with dual closets, a dressing area with a granite vanity, and a private shower is a great place to get away from the daily grind. Two additional bedrooms offer many options for you. Top-quality plantation shutters throughout. The common area is filled with mature shade trees and beautifully kept grounds. Easy access to Historic Main Street amenities! *(Note: All photos with furnishings are virtually staged.)*
