STUNNING, FULLY RENOVATED HOME
IN CANE CREEK VALLEY

Set on just under an acre with beautiful mature landscaping, this 3,100+ SF home offers 3 BR/3 BA, and a fully finished basement for versatile living. The main level features gorgeous engineered hardwood floors, an open and airy living/dining area, and a beautiful fireplace with wood stove. The completely reimagined and redesigned kitchen boasts brand-new appliances, cabinetry, quartz countertops, a beautiful wet bar with wine fridge, and modern finishes. The spacious, main-level primary suite offers a luxurious bathroom and a walk-in closet, plus desirable separation from two additional main-level bedrooms on the opposite end of the home. The beautifully finished lower level provides abundant living space, a full bathroom, and ample storage space. With exceptional curb appeal in a quiet and private community, this thoughtful and thorough renovation makes this home a must-see!
