DELIGHTFUL HOME IN LAUREL PARK'S SOUGHT-AFTER TIMBER CREEK

Conveniently located just a few miles from downtown Hendersonville, this one-owner home has never been on the market before! Tons of main-level living space with a soaring vaulted ceiling and two living rooms. There's a gas fireplace and sliding doors leading out to a large back deck with a hot tub. Nice kitchen with granite countertops, stainless steel appliances and a breakfast nook as well as a separate formal dining room. Large primary bedroom with a renovated bathroom, walk-in shower, and huge walk-in closet. Main level has two additional bedrooms + a fully renovated bathroom; the finished basement has another bedroom and a full bath! The garages and workshop spaces are amazing. Main level has a two-car garage with epoxy floors and built-in storage, while the basement garage has room for two more cars (if parked tandem) plus a huge workshop space. If you like to tinker, this is the house for you! The yard is large, but fairly low maintenance with old-growth trees, and the deck overlooks a lush forest filled with rhododendrons. There are two separate driveways. A truly awesome home. Come see for yourself!
