Welcome home to this beautifully maintained two-bedroom, two-bathroom townhome located in highly sought-after North Asheville, offering the perfect blend of comfort, convenience, and low-maintenance living. The primary suite is spacious and private—in the rear of the home—with plenty of closet space, great views, and a well-appointed bathroom. The sizable second bedroom also has a full bathroom just outside in the hallway; would make an excellent office space as well. The kitchen, dining area and living room offer plenty of natural light—plus, there is a wood-burning fireplace that adds sparkle and coziness to any chilly day. Enjoy relaxing on the rear porch with its long-range views and retractable sunshade. Downstairs is a tandem, two-car garage and plenty of storage for bikes, boats, and seasonal decorations; could also be fitted for a workshop. Within walking distance to both the Grove Park Inn and the North Asheville Tailgate Market, and an easy drive to downtown.
