IS PROUD TO CERTIFY

AUTHOR OF

AS A

WINNER

This month, you wrote a novel. You approached it word by word, and you showed up day after day. You pushed through the doubt, the discomfort, and the frustration you might have felt with yourself and your imperfection: all to do the work.

In a year of pandemic, protest, and hope for change, we're so proud to have spent this month with you—building creativity and resilience.
Congratulations, Winner.
