The license provided hereunder shall terminate immediately at the time that Customer ceases to be a Qualified Customer or when the Customer chooses to terminate their membership in the “Syncfusion Plus” program.

7.4 Syncfusion shall have the right to terminate Customer’s license if Customer fails to pay any required license fee(s) or otherwise fails to comply with the license terms and conditions set forth herein. In the event that Customer’s failure to comply with the license terms and conditions is not payment-related, or a material breach of the Agreement, Syncfusion shall give written notice to Customer of such default, and if such default has not been remedied within thirty (30) days after such notice, the license granted hereunder shall terminate. Specific termination timelines are as follows:

- (a) In the event Customer fails to renew the subscription, or is no longer a Qualified Customer under the Syncfusion Plus program, then all licensed rights granted under this Agreement will immediately terminate and Syncfusion shall not be required to give any written notice of such termination.

Customer alone shall be responsible for the accuracy and adequacy of information and data furnished for processing and any use made by Customer of the output of the Licensed Program or any reliance thereon by Customer or users of Customer products.

10.2 Customer shall also be responsible for the continued operation and maintenance of the computer equipment and the third-party software used with the Licensed Program. For these reasons, Customer agrees to be solely responsible for the design, repair and configuration of Customer's equipment, machinery, systems, and/or products. Customer assumes all risks and liability for results obtained by the use of and/or implementation of the designs developed by Customer that are in any way influenced by the use of the Licensed Program(s) or the provision of services, whether such designs are used singly or in combination with other designs or products. Customer shall protect, indemnify, hold harmless, and defend Syncfusion of and from any loss, cost, damage or expense, including attorneys' fees, arising from any claim asserted against Syncfusion that is in any way associated with the matters set forth in this Section 10.

10.3 Without limitation of Section 10.21 or 10.2 above, Customer acknowledges and agrees Syncfusion assumes no liabilities, and has no liability, whatsoever under any circumstances for any claim relating to the subject matter of this Agreement regardless of the form of action, whether in contract or tort, including claims of negligence or claims of intellectual property infringement against Syncfusion.

11. Maintenance and Support:

11.1 Maintenance and Support services are provided in accordance with the terms of Syncfusion's then-current support and maintenance policies. A current version of those policies is available from Syncfusion upon request.

11.2 Syncfusion requires that each copy of the Licensed Program be assigned to an individual Author for the purpose of efficiently providing Maintenance and Support services. Accordingly, Customer will be required to provide information to Syncfusion that it reasonably requests to identify each individual Author in order for Syncfusion to provide such Maintenance and Support services under a Maintenance and Support services subscription.

11.3 Syncfusion reserves the right, in its sole discretion, to limit or suspend the provision of services under a Maintenance and Support services subscription in the event that Syncfusion determines that Customer is abusing its Maintenance and Support services subscription. Examples of such abuse include, but are not limited to, (i) Customer personnel making excessive use of Syncfusion support resources, (ii) Customer personnel making unreasonable demands of Syncfusion support personnel, or (iii) Customer maintaining a number of subscriptions that is fewer than the number in use by Customer's personnel.

12. Proprietary Rights:

12.1 Customer acknowledges and agrees Customer will not provide any information that could be considered personal identifiable information by any law in any jurisdiction. Providing such information is a material breach of this Agreement that will result in immediate termination of the Agreement. Customer agrees to indemnify Syncfusion for any damages, in any form, resulting from the transmission of any personal identifiable information.

12.2 Information and data supplied by either party to the other party may include confidential or proprietary information. Confidential or proprietary information ("Confidential Information") means any information or data (including without limitation any formula, pattern, compilation, program, device, method, technique, or process) that is disclosed by one party (the "Disclosing Party") to the other party (the "Receiving Party") pursuant to this Agreement.

- (a) Confidential Information of Syncfusion includes, but is not limited to, the terms of this Agreement, the Licensed Product, the structure, organization, design, algorithms, methods, templates, data models, data structures, flow charts, logic flow, and screen displays associated with the Licensed Program(s), the Documentation, and pricing information.

SYNCFUSION DASHBOARD PLATFORM SOFTWARE LICENSE AGREEMENT

been independently developed by the Receiving Party (as evidenced by the Receiving Party's written records) without access to any Confidential Information of the Disclosing Party.

12.3 Each party agrees: (i) to hold the Disclosing Party's Confidential Information in strict confidence; and (ii) except as expressly authorized by this Agreement, not to, directly or indirectly, use, disclose, copy, transfer or allow access to the Confidential Information. Notwithstanding the foregoing, a Receiving Party may disclose Confidential Information of the Disclosing Party as required by law or court order; in such event, such party shall inform the other party via telephone, email, or facsimile, prior to any such required disclosure.

13. Export: Customer acknowledges that the Licensed Product may be subject to export controls. Customer agrees that any Licensed Product and Licensed Assemblies licensed hereunder will not be exported (or re-exported from the country where it was first installed), directly or indirectly, separately or as part of a system, without Customer, at its own cost, first obtaining all necessary licenses from the United States Department of Commerce and any other appropriate agency of the United States Government as may be required by law. Customer acknowledges that it shall be solely responsible for determining the extent of any such licenses required, and for any costs associated with complying with the requirements of this Section 12. You may not access, download, use or export the Licensed Product in violation of U.S. export laws or regulations, or in violation of any other applicable laws or regulations. You agree to comply with all export laws, restrictions, and regulations of any United States or applicable agency or authority, and to not directly or indirectly provide or otherwise make available any Licensed Product in violation of any such restrictions, laws or regulations, including, without limitation, laws, restrictions, or regulations pertaining to the development, design, manufacture or production of nuclear, chemical or biological weapons or missile technology. Neither the Licensed Product Syncfusion provides nor the underlying information or technology may be downloaded or otherwise provided or made available, either directly or indirectly, into any country subject to U.S. trade sanctions, (Supplement Number 1 to Part 740, Export Administration Regulations, Country Group E:1), to individuals or entities controlled by such countries, or to nationals or residents of such countries other than nationals who are lawfully admitted permanent residents of countries not subject to such sanctions. By agreeing to these Terms of Use, you agree to the foregoing and represent and warrant that you are not located in, under the control of, or a national or resident of any such country or on any such list.

14. Government Contracting: If the Licensed Product is used in connection with providing goods and/or services to the United States government or other government contracting or subcontracting services, Customer shall ensure that no government agency or entity shall acquire any rights of any nature in the Licensed Program(s). Notwithstanding the foregoing, Customer may freely license its products that include Licensed Assemblies.

15. Taxes: The License Fees and any other amounts payable pursuant to the terms and conditions herein are exclusive of all national, state, regional, local, municipal or other taxes and fees including, but not limited to, excise, sales, use, property, ad valorem, intangibles, goods and services and value added taxes, customs duties and registration fees, now in force or enacted in the future, and all such taxes and fees, except taxes based on Syncfusion's net worth, capital or net income, shall be paid directly by the Customer, or if paid by Syncfusion, Customer will reimburse Syncfusion.

16. Notice: Any notice or other communication given hereunder shall be in writing. Notice shall be considered delivered and effective upon receipt when sent by U.S. Mail, postage prepaid, or certified mail, return receipt requested, addressed to the parties as set forth above. Either party, upon written notice to the other, may change any name or address to which future notice shall be sent. All Syncfusion notices can be delivered to Attn: General Counsel, 2501 Aerial Center Parkway, Suite 200, Morrisville, North Carolina 27560.

17. Audit:

17.1 General Audit: Customer shall prepare and maintain, in accordance with sound, generally accepted accounting practices, complete and accurate books of account and records (specifically including, without limitation, the originals or copies of documents supporting entries in the books of account) covering all transactions arising out of or relating to this Agreement. Syncfusion (and in its discretion a duly authorized independent certified public accounting firm of its choosing), shall have the right, no more than twice per calendar year, during regular business hours, during the period of time that Customer possesses any copy of the Licensed Product, and for two (2) years thereafter, to audit said books of account and records and examine all other documents and material in the possession or under the control of Customer with respect to the subject matter and the terms of this Agreement. All such books of account, records and documents shall be kept available by Customer for at least two (2) years after the last copy of the Licensed Product has been deleted from all of its computer servers or destroyed. If the result of any audit of Customer's books and records demonstrates that Customer's payments were less than the amount which should have been paid, Customer shall make payment of any discrepancy revealed by said audit within fifteen (15) days after Syncfusion's

SYNCFUSION DASHBOARD PLATFORM SOFTWARE LICENSE AGREEMENT

demand therefore and, if the discrepancy is in amount equal to three percent (3%) or more of the payments actually made with respect to payments due hereunder, Customer shall reimburse Syncfusion for the cost of such audit.

17.2 Under-licensing / Verification of end-users: As set forth in Section 4 above, each individual end-user must have an assigned copy of the Licensed Product. Syncfusion reserves the sole right to make a determination as to how many end-users it believes that Customer allows to access the Licensed Product if Syncfusion believes that Customer is under-licensed, and to require that Customer obtain additional copies of the Licensed Product if in Syncfusion's opinion Customer is under-licensed. For the avoidance of doubt, Syncfusion will make this determination based on its proprietary methods and not based on Customer's representations regarding how many users Customer believes need to have access to the Licensed Product. In addition, the cost of a Maintenance and Support Services subscription is dependent upon the number of end-users at the time such Maintenance and Support Services subscription is renewed. Therefore, Customer acknowledges and agrees that it must cooperate with Syncfusion in providing whatever information Syncfusion reasonably requires in order to determine the size of Customer's development teams without necessitating that Syncfusion make an on-site audit as allowed under Section 16.1 above. Failure to provide such cooperation is a material breach under this Agreement that is not subject to cure, and Syncfusion reserves the right to terminate all rights licensed under this Agreement for such breach.

18. General:

18.1 Customer may not assign any of its obligations, rights, or remedies hereunder and any such attempted assignment shall be null and void.

18.2 The waiver or failure of either party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further right hereunder. This Agreement constitutes the complete understanding between the parties with respect to the subject matter herein and supersedes all proposals, all previous negotiations and agreements, written or oral, express or implied, between the parties with respect to the subject matter herein. This Agreement may not be waived, altered, amended or modified except in writing, directly referencing the Agreement, and signed by authorized representatives of both parties.

18.3 It is expressly agreed that the parties are acting hereunder as independent contractors. Under no circumstances shall any of the employees of one party be deemed the employees of the other for any purpose.

18.4 If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Agreement.

18.5 Customer acknowledges and agrees that Syncfusion shall have the right, but no obligation, to provide communication to the Customer, in multiple forms, to include email, without a violation of any email regulation or law, to include but not limited to CAN-SPAM. Customer may opt of marketing emails by contacting sales@syncfusion.com.

18.6 Syncfusion shall have the right, but no obligation, to use Customer's name and Customer's commonly-known logo in a list of some or all of Syncfusion's other licensees. Such list will only identify Customer by name and/or logo, but will not make any statement about the relationship between Syncfusion and Customer without Customer's permission. Syncfusion will remove Customer's name and/or logo from any such list upon sixty (60) days written notice from Customer.

18.7 The obligations of Customer under Sections 5, 8, 9, 11, 12, and 13 hereof are of a special and unique character which gives them a particular value to Syncfusion and its third-party vendors for which neither Syncfusion nor its third-party vendors can be reasonably or adequately compensated in damages in the event Customer breaches such obligations. Therefore, Syncfusion and its third-party vendors shall, in addition to other remedies which may be available, each be entitled to injunctive and other equitable relief in the event of the breach or threatened breach of such obligations.

18.8 This Agreement shall be governed by the substantive laws of the state of North Carolina without regard to any conflict of law provisions. This Agreement will not be governed by the United Nations Convention of Contracts for the International Sale of Goods, or by the Uniform Commercial Code, the application of which is expressly excluded. The parties agree that sole jurisdiction and venue for any dispute relating to the Agreement shall be in a federal or state court in Wake County, North Carolina.

18.9 Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules. The number of arbitrators shall be three (3), with one (1) arbitrator being named by each party and the third arbitrator being chosen by the other two (2) arbitrators. The place of arbitration shall be Raleigh, North Carolina, and the laws of North Carolina shall apply. Judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

18.10 This Agreement shall be binding on You by Your clicking on the "YES" button. If the parties hereto execute this Agreement in writing by an exchange of faxed signed copies hereof, it shall be binding by such exchange of signed copies. In the event of such an exchange, this Agreement shall become binding on both parties and shall constitute admissible evidence of the existence and binding effect of this Agreement.

The terms and conditions of this Agreement apply to any and all Vendor software included with or imbedded in the Licensed Program(s).
