- Consumes only 14.5 Watts
- High color quality
- Rated life of 15,000 hours
- 55 lumens/watt
- 10 Year Limited Warranty

Lamp Description	FNL-A19-60-W27-120-ND
<b>MSRP</b>	\$9.99
<b>General Characteristics</b>	
Lamp Type	Acandescent™ - Self Ballasted Induction
Driver Type	Electronic
Bulb Size	A19
Beam	Omnidirectional
Base	Medium - E26
Wattage Replacement	60W Incandescent
Rated Life	15,000 hours
Operating Temperature	0 Degrees to 122 Degrees F (-18 to +50 Degrees C)
Application	Standard
Operating Position	Universal
<b>Electrical Characteristics - Rated</b>	
Energy Used	14.5 Watts
Input Voltage	120 Volts
Input Line Frequency	60 Hz
<b>Photometric Characteristics - Rated</b>	
Lumens	800
CCT - Correlated Color Temperature	Warm White 2700K
CRI - Color Rendering Index	83
Efficacy	55
<b>Dimensions</b>	
Nominal Weight	4.2 oz (120 g)
MOD - Maximum Overall Diameter	2.4 in (60 mm)
MOL - Maximum Overall Length	4.5 in (114 mm)

*Application Notes:*  
 Suitable for damp locations, however do not use where directly exposed to water.  
 Not for use with dimmers, emergency exit features, emergency lighting, electronic timers, photosensors for motion
