Welcome to the Parent Portal. Here you will be able to monitor and support your child's progress and success in school. We believe that families have a major influence on their children's achievement in school and through life. When schools, families, and the community work together to support learning, children tend to do better in school, stay in school longer, and like school more. Thank you for your support.

Please login below using the username and password that your child's school has provided you. If you do not have this information, you should contact your school's administration.

From this portal, you can:

- view your child's classroom progress
- view his or her future goals
- monitor attendance
- view career paths
