These bagged meals will be distributed in the parent drop-off areas of the schools and available to those who drive, walk or bike up to collect the food and return home. [Click here](#) to locate the nearest food site to your home.

In addition to these meals, our partners at Feeding South Florida have also stepped up to help our children by providing boxed food on Tuesday and Friday of this week. These meals are intended to feed the families of our students and will be available during the 11 a.m. to 1 p.m. distribution times.

Please be aware that the breakfasts and lunches provided, along with the boxed food for families may contain allergens, and we ask those adults picking up the food to be diligent to ensure they do not take food if allergies may be a concern.
