

Due to the COVID-19 pandemic, Skyview High School scholars are working remotely from home. The following information will guide you on how to access your courses and get credit for school attendance and continue your quest to obtain a high school diploma.

**Apex** is vital to your attendance. You will be able to access your APEX courses by going to [www.apexvs.com](http://www.apexvs.com). Your username will be given to you via response from a phone call. **If you have not been contacted by a teacher, please call your advisory teacher or Mr. Sanders.** Once you log in, it will prompt you to establish a new password. Make sure you remember your password as only you will have the ability to see it. If you do not log on and complete the activities in Apex, you are not present.

**Reading Plus** is also vital to your attendance. One story a day assures that you will be marked present for the day. To log into Reading Plus, go to [www.login.readingplus](http://www.login.readingplus). Use the same username and password that you used while accessing the program at school. Your School Code is **rpskyvi1**

Teachers will be available on line from 8:00 am to 4:00 pm to provide assistance with resets, reviews, tutorial, and practices. Faculty contact information is listed below:
