

Public Notice
Stewart Creek High School

Public views, including those of parents, and private schools, are sought on the proposed Federal Plans for the 2016-2017 school year for the expenditure of the following funds:

- Title I, Part A (Basic for remedial help for pupils, needing assistance in reading / language arts, and / or math in order to meet proficiency standards);
- Title II, Part A (Improving Teacher Quality to promote professional development and Highly Qualified Teacher status);
- Title II Part D (Enhancing Education Through Technology);
- Title IV (Safe and Drug Free Schools to support drug and substance abuse prevention);
- Individuals with Disabilities Act (Title VI-B IDEA, Part B 611, PL 108.446 for the provision of special education and related services): and
- IDEA VI-B (Capacity Building and Improvement).

Stewart Creek High School will provide some special education and related services in conformance with Federal and State mandates.

All comments will be considered prior to submission of the amended projects to the North Carolina Department of Public Instruction in Raleigh, NC. Projects are open for public review and comments during the week of November 10 – November 14 in the office of the Principal of Stewart Creek High School located at 2701-F Freedom Drive, Charlotte, NC 28208.
