Hi, We are Firelaunchers and we have the solution to all these problems. Yes,

Introducing.....

Insta Ads - Logo

Punchline- Focusing on one of the hot IM niche.

Did you Know?

- Instagram is the king of engagement.
- Instagram has more than 400 million users, and 90 percent are younger than 35.
- There are more than 1,000 comments per second on Instagram, and most comments are made within 10 hours of a post.
- Nearly half of all Instagram users access their accounts daily, and 20 percent of all Internet users are on the social network.

- Since Facebook acquired Instagram in 2012, Instagram's growth is exploding with 400 million active users, 30 billion photos shared, and an average of 80 million photos posted per day.
- According to Forrester research, Instagram user interactions with brands is 400% higher than on Facebook and Twitter, delivering 58 times more engagement per follower than Facebook and 120 times more engagement per follower than Twitter.
- Estimated number of Instagram users in U.S is 77.6 Million and Monthly U.S Instagram users are expected to cross 111 Million by 2019
- When Instagram introduced videos, more than 5 million were shared in 24 hours
- Pizza is the most popular Instagrammed food, behind sushi and steak
- 32% of US teens cite Instagram as their favourite social network
- Over last two years, the average engagement per Instagram post has grown by 416 percent.

Considering the above facts...you can IGNORE INSTAGRAM AT YOUR OWN PERIL!!!
