M Y C P S T O R Y

Last year, I taught 2nd grade at Clarence Farrington. This year, I am very excited to be the art teacher for the school. This coming school year, I hope to do a t-shirt screen printing project with the 5th and 6th graders.

I want to integrate a project into the curriculum that students would really invest in and get excited about.

I will teach the graphic design process and how to develop a well-designed logo. As an assignment, students will individually design a school logo. Students will then vote and determine the winning logo that will be printed onto shirts that will be sold to raise money for the art program at Clarence Farrington.

With the limited budget provided, this project would otherwise be impossible without the generous support of Project: Classroom. I cannot emphasize enough the opportunity and support that Project: Classroom provides for the students at Clarence Farrington. Thank you!

- Annie Noel, Art Teacher at Clarence Farrington

There are still 44 tags remaining for Project: Classroom. Many are big-ticket items. Therefore, we encourage you to join together with some friends or your small group and purchase an item for a teacher at Clarence Farrington.

Stop by the display in the lobby this weekend to pick up a tag! Please return all items next weekend, July 28/29.
