

Confidence means learning to see yourself the way God sees you.

Read Jeremiah 17:7

DAY
1

Hard Times, Tough People

Think of something you have done that was really hard and you nailed it when you didn't think you could. Did you know that God was right there to help you? Now, you get to use what you learned to help others. What is something you have learned that could help someone else? It could be riding a bike, reading, or drawing. Grab some paper to either draw a picture or write about something you could do for someone that could use your help!

Know that God could use you to help others during their hard times.

DAY
2

Praying Hard

Sometimes we can be so overwhelmed about what is going on around us that we don't know what to do! The best thing we can do is talk to someone who is always there: God! You can be confident that He will always be there to listen, no matter where you are. Let's take some time to talk to Him now.

"Dear God, Thank You for always being there for me no matter what, where, or when. I know that I can always trust You. I am confident that You will always hear me and love me forever. Amen."

DAY
3

Be Confident in the Word

Ask a parent to help you look up Jeremiah 17:7. Read it together a few times. Now, talk together about ways that you can trust God. Parents, talk to you kids about a time that you trusted God and He took care of you!

Look for opportunities to put your trust in God when you can't do it alone!

DAY
4

Confidence is . . .

Jesus came to Earth because God loves us so much that He sent His only Son to save us! We can be confident that we are loved! Who is someone that you could show God's love to this week? How can you show them that they are loved? Think through some ways that you could show someone close to you that you love them like Jesus does!

Know that we can be confident of Jesus' love for us.

*You can be confident
because God loves you.*

Confidence means learning to see yourself the way God sees you.

Read Jeremiah 29:11

DAY

1

Uh-Oh

Sometimes not everything goes according to plan. Even so, God is always with us. Talk with a parent about what you could do right when a situation goes wrong! (Parents: Talk through the scenarios below with your kid. Help them figure out what doing the right thing looks like.)

1. You are at school and see your friend left their tablet on the bus. Do you: keep it OR find your friend and give it back?
2. Your friend is really scared because they are moving to a new town. What could you do or say to encourage them?

Know you can always ask God to help you do the right thing.

DAY

2

That's the Plan!

In this week's Bible story God told Joshua to march around the city of Jericho seven times and the walls would fall and his people could take over the city. Joshua listened to the plans God made and it was so much better than he could have imagined! Ask God to help you this week when things don't go as planned.

"Dear God, Sometimes I think I have a really good idea and it doesn't work. I can get super disappointed and upset. Please remind me of the story of Joshua and the walls of Jericho. Thank you for having the best plan. Amen."

DAY

3

Ah, Success!

Grab an adult and look up Jeremiah 29:11. Read it together a few times. Now, look for the word "success" or "prosper" within the verse. With a parent, ask these questions: What have you done in your life that has been a success? What is something at which you want to succeed? Imagine all you can do if you make God part of your plan!

Think about something you want to do that you could ask God to help you with.

DAY

4

Plan a Walk

On the left side below are the plans for a great walk. Uh oh, the plan is all jumbled! Use the numbers in front of each sentence and put them in order on the lines on the right. Then, go for a walk!

1. Open door and step outside. _____
2. Have fun! _____
3. Ask an adult. _____
4. Put on shoes. _____

Look for ways that you can add God to your plans!

Answers: 3,4,1,2

God's plan is the best plan.

Confidence means learning to see yourself the way God sees you.

Read Ephesians 2:10

DAY

1

Blow Your Horns!

This month you've heard stories when God used the sound of trumpets to help Joshua and Gideon win their battles. Grab some paper and tape. Create a horn by rolling up the paper. Leave enough space in the middle that you can talk through it. Tape the edge of the paper leaving you with a horn shape! Now, practice blowing your horn! Then, save this project for tomorrow.

Know that God uses special people and special things to carry out His plans.

DAY

3

Small but Mighty

Although you might be young, God can still use you! God used a lot of young people to carry out His amazing plans! Grab some art supplies and create a masterpiece that you can share with a neighbor or friend. This could be a card, paper flower, a portrait, or something you know they love. With the help of an adult (if needed) deliver your encouraging creation.

Remember that God can use you to help others!

DAY

2

Loud and Clear

With the help of an adult, grab your Bible and look up Ephesians 2:10. Read through the verse once. Then, grab your horn from yesterday. If you didn't make one, feel free to pause and do that now. Read through the verse again, but use your horn as you read it. Start off by whispering the verse and then get louder and louder! You can try it without the horn too. See if you can hear the difference!

Look for ways that you could do "good works" to show others God's love.

DAY

4

Use Me!

No matter your age or size, God can use you if you ask Him to! Let's talk to God and ask Him to use you today!

"Dear God, I know that You can use me to help others. Show me, today, how I can help someone around me. Give me the opportunity to be part of your plan. I love You, God, amen."

*God can use you
no matter what.*

Confidence means learning to see yourself the way God sees you.

Read Philippians 4:13

Impossible? I think not.

This month we learned that with God, nothing is impossible! Let's review what we learned. Fill in the blanks below from the word box.

Word Bank: Son, Rain, Enemies, Seven

1. God sent His only _____ to earth to save us.
2. God tells Joshua and his men to march around Jericho for _____ days and the walls will fall.
3. Gideon trusted God and they defeated their _____ with fire and a trumpet.
4. God finally sent _____ to Israel to prove that He is indeed God, and not Baal.

Know that, with God, anything is possible if you believe!

(1) Son, (2) seven, (3) enemies, (4) rain

DAY
2

Memory Motions

With the help of an adult, look up this week's verse, Philippians 4:13. Read the verse together a few times. Create motions to go with your verse to help you remember! Share your new moves with a sibling or family member.

Ask God to give you the strength to do the impossible.

DAY
3

Impossible Playlist

Use your singing voice and sing a song about something that you have learned this month. Make up a song about God doing impossible things, God encouraging others to do things that seem hard, or even something that you did that seemed impossible at the time! Bonus points: Sing it in front of your family! Bravo!

Remember that God uses others to do the impossible and He can use you too.

DAY
4

Not So Impossible

We see so many stories of God doing amazing and "impossible" things like: destroying a city with marching feet and a trumpet, sending rain to a country for the first time in years, and sending His only Son to Earth! God even gives us the opportunity to do some pretty amazing things! Let's pray and thank Him for all He has taught us and all the opportunities we will have to do amazing things.

"Dear God, You have done so many amazing things. You have sent people just like me to do things that seem impossible until You step in. Thank You for showing me that the impossible can be done when You are part of the plan. Amen."

God can do the impossible.

Draw a picture of yourself in the space below.

**“I can do all this by the power of Christ.
He gives me strength.”**
