

# FUSION 2026

Hey Students & Parents,

We are so excited for Fusion 2026! Fusion is Indiana's can't-miss youth conference for 9th–12th graders, hosted annually at Indiana Wesleyan University in Marion, Indiana. This powerful weekend is designed to help students grow in their relationship with Jesus and be equipped to make an impact for Christ in their schools, homes, and communities.

Throughout the weekend, students will experience dynamic worship, engaging teaching, and unforgettable moments together. We look forward to seeing students deepen their relationship with God, build meaningful connections with their peers, and strengthen trust and community with their leaders. With an incredible 2026 lineup featuring Switchfoot, SEU Worship, Drew Worsham, DJ 2, and the IWU Worship Collective, we are expectant for how God will move.
