II. Overview of Plan

The Plan is a short term disability income protection benefit plan (“Plan” or “Short Term Disability Plan”) sponsored by us to replace a portion of your income in the event a sickness or injury prevents you from working for a period of time. This Plan does not provide benefits for occupational injuries or sicknesses. Detailed information about your eligibility for coverage, what benefits are payable, how to file a claim, and other features of this Plan are contained in this document, which is referred to as your Certificate of Coverage.

The Plan is funded as defined in the Summary of Benefits section of this Certificate of Coverage. We have engaged Unum to be the Third Party Administrator. Neither Unum nor any of its affiliates or related insuring entities insures the benefits under this Plan, or has any responsibility to fund benefits under the Plan.

We reserve the right to modify, amend, suspend or terminate, in whole or in part, any of the provisions of this Plan at any time for any reason or for no reason. When making a benefit determination under the Plan, we have discretionary authority to determine your eligibility for benefits and to interpret and enforce the terms and provisions of the Plan. We may delegate some or all of this authority to Unum at any time.

“We”, “us”, and “our”, as used in this summary, refer to the Employer identified on the cover page. The Employer is the Plan’s sponsor.

This Certificate of Coverage is written in plain English. If you do not understand any of the terms in it, or desire more information, you should contact us using the contact information on the cover page. Many of the terms used in this Certificate of Coverage are defined in the Definitions Section. Be sure to read all the definitions so that you will understand the Plan fully.

Benefit premium payments are required for your coverage while you are receiving payments under this plan.

Your payment may be reduced by deductible sources of income and in some cases by the income you earn while disabled.

WEEKLY EARNINGS:

“Weekly Earnings” means your gross weekly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan (401K), Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, shift deferential or any other extra compensation, or income received from sources other than Powell.

MAXIMUM PERIOD OF PAYMENT:

Twelve (12) weeks

OCCUPATIONAL INJURIES:

Your Short Term Disability Plan does not cover disabilities due to an occupational (workers comp) sickness or injury.

WHO PAYS FOR THE COST OF PLAN FUNDING?

- You pay the cost of your coverage on a pre-tax basis.
- Contributions are arranged so your Employer reimburses you for the cost of the coverage.
- Your Employer reimburses you for the cost of your Employer-paid coverage in your taxable income.

METHOD OF PREMIUM OF CALCULATION

Your per pay period base compensation divided by \$100 multiplied by the monthly premium rate.

PRE-EXISTING CONDITION:

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the three (3) months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage

IV. Eligibility

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are in an eligible group, the date you are eligible for coverage is the later of:

- the Plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

If we fund the benefits under the Plan, you will be covered at 12:01 a.m. at our primary place of business on the date you are eligible for coverage.

If you pay any portion of the cost of funding benefits under the Plan, you will be covered at 12:01 a.m. at our primary place of business on the date you apply for coverage and are eligible for coverage.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury or sickness, your coverage will begin on the date you return to active employment.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the Plan ends on the earliest of:

- the date the Plan is terminated by us;
- the date you are no longer in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions to the Plan; or
- the last day you are in active employment.

WHAT HAPPENS IF YOU ARE ON A LAYOFF OR LEAVE?

If you are on a layoff or leave, including a Family and Medical Leave, coverage will commence and continue in accordance with our Human Resource procedures on layoffs and leaves. Similarly, changes in your coverage while you are on a layoff or leave may occur as described in our Human Resource procedures on layoffs and leaves.

V. Benefit Provisions

HOW DOES UNUM DEFINE DISABILITY?

DEFINITION OF DISABILITY

You are disabled when Unum determines that:

- you are limited from performing the **material and substantial duties** of your **regular occupation** due to your **sickness** or **injury**; and
- you have a 20% or more loss in weekly earnings due to that same sickness or injury.
- You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

If you have a vaginal delivery, you will be considered disabled for a minimum period of six (6) weeks beginning on the date of the birth, unless you return to work prior to the end of the six (6) weeks.

If you have a Cesarean section, you will be considered disabled for a minimum period of eight (8) weeks beginning on the date of your Cesarean section, unless you return to work prior to the end of the eight (8) weeks.

We or our claims representative may require you to be examined by a physician, other medical practitioner and/or vocational expert of our or its choice. This examination will be at no cost to you and can be required as often as it is reasonable to do so. We may also require you to be interviewed in person by us or our representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period** in order to be eligible for benefits. A new elimination period will be applied to each disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive weekly payments when your claim is approved, providing the elimination period has been met. After the elimination period, if you are disabled for less than one week, you will receive 1/7th of your payment for each day of disability.

HOW MUCH WILL YOUR BENEFIT AMOUNT BE WHEN YOU ARE DISABLED AND NOT WORKING?

We will follow this process to figure your payment:

1. Multiply your **weekly earnings** by the weekly benefit percentage amount as stated in the Summary of Benefits.

2. The maximum **weekly benefit** is as stated in the Summary of Benefits.
3. Compare the answer from Item 1 with the maximum weekly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **weekly payment**.

Your weekly payment may be reduced based on your disability earnings.

If, at any time after the elimination period, you are disabled for less than 1 week, we will send you 1/7th of your weekly payment for each day of disability.

WHAT ARE YOUR WEEKLY EARNINGS?

"**Weekly earnings**" means your gross weekly income from us in effect just prior to your date of disability. See Summary of Benefits for a description of how weekly earnings are calculated.

WHAT WILL WE USE FOR WEEKLY EARNINGS IF YOU BECOME DISABLED DURING A LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a layoff or leave of absence and are covered under this Plan, we will use your weekly earnings in effect just prior to the date your absence begins.

WHAT BENEFIT WILL YOU RECEIVE IF YOU ARE WORKING AND DISABLED?

We will send you the weekly payment if you are disabled and your weekly disability earnings, if any, are less than 20% of your weekly earnings.

If you are disabled and your weekly disability earnings are from 20% through 80% of your weekly earnings, you will receive payments based on the percentage of income you are losing due to your disability. We will follow this process to figure your payment:

1. Subtract your disability earnings from your weekly earnings.
2. Divide the answer in Item 1 by your weekly earnings. This is your percentage of lost earnings.
3. Multiply your weekly payment as shown above by the percentage of lost earnings (answer in Item 2).

This is the amount we will pay you for each week.

We may require you to send proof of your disability earnings each week. We will adjust your weekly payment based on your disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Payments that you receive as disability income payments are deductible sources of income and will be subtracted from your gross disability payment if they are paid pursuant to or under any:

1. The amount that you receive or are entitled to receive under:
 - State Compulsory Benefit act or law.
 - other group insurance plan.
 - an occupational disease law.
 - any other act or law with similar intent
2. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
 - the United States Social Security Act.
 - the Canada Pension Plan.
 - the Quebec Pension Plan.
 - any similar plan or act.
3. The amount that you receive as retirement payments because you are receiving retirement payments under:
 - the United States Social Security Act.
 - the Canada Pension Plan.
 - the Quebec Pension Plan.
 - any similar plan or act.
4. The amount the insured receives:
 - Title 46, United States Code Section 688 (The Jones Act).
 - from a third party (after subtracting attorney's fees) by judgment, settlement, or otherwise.
 - as disability
5. The amount that you:
 - receive as disability payments under your Employer's Retirement Plan
 - voluntarily elect to receive as retirement payments under your Employer's retirement plan.
 - receive as retirement payments when you reach the later of age 62 or Normal retirement age, as defined in your Employer's retirement plan.
6. The amount that is received:
 - Under a salary continuation or accumulated sick leave plan.
 - Under a vacation or Paid Time Off (PTO) plan. (salaried employees)

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

Only deductible sources of income that are payable as a result of the same disability will be subtracted from the weekly payment.

Retirement Plan payments will be those benefits that are based on our contribution to the Retirement Plan. Disability benefits that reduce the retirement benefit under the Plan will not be subtracted from the weekly payment.

You must notify us whenever you receive payments that are deductible sources of income. You must repay us for any overpayment of your claim resulting from your failure to notify us in a timely manner of such income.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- 401(k) loans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME AND OTHER DEDUCTIONS RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum monthly payment is the greater of:

- \$25;

Unum may apply this amount toward an outstanding overpayment.

HOW LONG WILL YOU RECEIVE PAYMENTS?

You will receive a payment each week you qualify for benefits up to the **maximum period of payment**.

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the Plan;
- the date you fail to submit proof of continuing disability;
- when you are able to work in your regular occupation on a part-time basis but choose not to;
- the date your disability earnings exceed the amounts allowable under the plan; or
- after six (6) months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total of six months or more during any twelve consecutive months of benefits;
- the date you die.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

If you have a **recurrent disability**, we will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously covered under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within fourteen (14) consecutive days or less from the end of your prior claim

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of the disability.

Any disability which occurs after fifteen (15) or more consecutive days from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

VI. Exclusions and Limitations

Benefits will not be paid for any disabilities caused by, contributed to by, or resulting from your:

- occupational sickness or injury,
- intentionally self-inflicted injuries, while sane or insane,
- elective cosmetic surgery,
- active participation in a riot,
- loss of a professional license, occupational license or certification,
- commission of a crime for which you have been convicted, or
- attempt to commit a crime,
- participation in the Military.

The Plan will not cover a disability due to war, declared or undeclared, or any act of war.

We will not pay a benefit for any period of disability during which you are incarcerated.

VII. Claim and Appeal Information

WHEN DO YOU NOTIFY US OF A CLAIM?

We encourage you to notify Unum of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent to Unum within 30 days after the date your disability begins. In addition, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than one year after the time proof is otherwise required except in the absence of legal capacity.

You must notify Unum immediately when you return to work in any capacity. Unless we have given you different delivery instructions, you should use the contact information on the cover page when notifying Unum of your claim.

HOW DO YOU FILE A CLAIM?

You will be asked the name of your company, the policy number (604714), your physician's name, physician contact information, your address, your supervisor's name, a brief description of your medical condition, last day worked, first day missed work along with other questions concerning your claim.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital, institution or other source where you received treatment, including all attending physicians' names and addresses.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum and us authorization to obtain additional medical information, and to provide non-medical information as part of your proof of claim, or proof of continuing disability. We will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

TO WHOM WILL PAYMENTS BE MADE?

Payments will be made to you.

WHAT HAPPENS IF YOUR CLAIM IS OVERPAID?

We have the right to recover any overpayments due to:

- fraud;
- any error made in processing a claim; and
- your receipt of deductible sources of income.

You must repay us for any overpayment in your claim. Alternatively, we may reduce or eliminate future payments instead of requiring repayment.

FRAUD WARNING

We take fraud very seriously. If you, with intent to defraud or knowing that you are facilitating a fraud against us, submit an application or file a claim containing a false or deceptive statement, we will assert all legal and equitable rights against you and pursue all legal and equitable remedies we have against you.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

Unless special circumstances apply, all administrative appeal procedures offered by us must be completed before you begin any legal action regarding your claim. In no event, can you start any legal action regarding your claim more than three years from the time proof of claim is required, unless other timeframes apply under federal law.

CLAIM AND APPEAL PROCEDURES

Upon receipt of the required proof of claim, a decision on your claim will be made promptly. If you fail to supply the needed information, your claim will be denied.

We will notify you in writing if a claim or any part of a claim is denied. The denial letter will state:

- the specific reason(s) for the denial with reference to the applicable Plan provision(s);
- a description of any additional material or information that is necessary to complete the claim;
- an explanation of why the additional material or information is necessary;
- a statement describing your access to documents; and
- a statement describing your appeal rights.

If you are not satisfied with the reason(s) for the denial, you or your representative may ask to have the claim reviewed by us. Your appeal must be in writing and must be sent to Unum within 180 days of your denial notice. Your appeal should include all supporting materials or information that will help us to review the claim. We will review your appeal and all new information submitted and notify you or your representative of our decision promptly. In some cases, we may request that you provide additional information to assist in the review.

CLAIMS PROCEDURES

You will receive notice of the decision on your claim no later than 45 days after the Claim is filed. This time period may be extended twice by 30 days if an extension is necessary due to matters beyond the control of the Plan and you are notified of the circumstances requiring the extension of time and the date by which a decision is expected. If an extension is necessary due to your failure to submit the information necessary to decide the Claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEALS PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). You will be notified in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal review period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, your appeal may be decided without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was

obtained by the Plan in connection with the denial of your claim, you will be provided with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a civil suit under federal law;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, and copies of the latest annual report (Form 5500 Series) and

updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department

of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

DISCRETIONARY ACTS

In exercising our discretionary powers under the Plan, we, as the Plan Administrator, will have the broadest discretion permissible under ERISA and any other applicable laws, and our decisions will constitute final review by the Plan of your claim by the Plan. Benefits under the Plan will be paid only if we decide in our discretion that the applicant is entitled to them. We also have discretion to determine eligibility for benefits and to interpret the terms and conditions of the Plan.
