## During your stay you will enjoy:

- ▶ Daily English study with other students aged 30 and older
- ▶ Carefully selected American homestay families, ideally suited for mature and independent students
- ▶ Specialized elective classes and workshops (for students choosing our General, Intensive, or Academic courses)
- ▶ A wide selection of weekday activities and weekend excursions
- ▶ Concierge services including a full-time housing staff, airport transfers, and counseling staff to assist you in exploring all that Boston has to offer.

 Airport transfer from Logan International Airport, (BOS)

For adult students looking for a more mature learning experience FLS International is pleased to present FLS Study 30+.

The FLS Study 30+ program gives you the opportunity to study with like-minded adults, socialize, explore American culture and develop new contacts from around the world.

Our location in the heart of downtown Boston, within walking distance of the Financial District, the Theatre District, and Boston Common, is the ideal location for you to study and grow professionally in one of America's most attractive and livable cities.

Our Study 30+ classes are designed for mature students with life and work experience. Choose your intensity of study – from our Vacation English program allowing you maximum flexibility to explore Boston and the surrounding area to our Academic English program, giving you the most study possible in your time in America.

Tuition starts as low as

**\$360**

per week for Vacation English!
