

Wireless Adapter (CarPlay, Android Auto)

Model No.: SmartGo Air

Version: 1.0

| Wireless CarPlay Adapter | Wireless Android Auto Adapter | 2.4G Wireless | 5G WiFi | BT5.0

The flykantech.com **SmartGo Air** is a cutting-edge wireless adapter designed to enhance your driving experience by converting your Vehicle's Wired connectivity to wireless. With its dual functionality, it seamlessly supports both **CarPlay** and **Android Auto**, transforming them into a wireless experience. Equipped with advanced processing capabilities, the SmartGo Air guarantees smooth operation and responsiveness, making it an essential accessory for Tech-savvy drivers. Its maximum computing power of 0.5 Tops enhances processing efficiency, ensuring reliable performance on the road. Built-in 64MB DDR2 RAM provides stability, while dual-band WiFi with **2.4G** 802.11 a/b/g/n/ac/ax and **5.8G** 802.11 a/n/ac/ax ensures fast and stable connections. Additionally, **Bluetooth 5.0** allows for seamless pairing with your devices for an uninterrupted experience. Constructed from high-quality ABS, the SmartGo Air is designed to withstand the rigors of everyday use, all while maintaining a sleek black finish that blends seamlessly with your vehicle's interior.

Applications

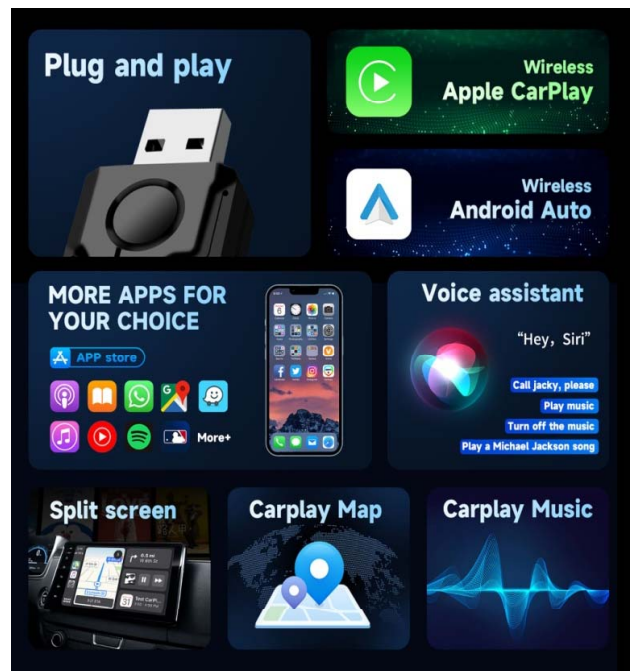

This adapter is perfect for Busy Professionals, commuters, and anyone looking to upgrade their Driving experience. Whether you're navigating through traffic, enjoying your favorite playlists, or using Navigation Apps, the SmartGo Air provides the convenience of wireless connectivity for a smarter, more connected drive.
