

AMENDED IN ASSEMBLY JUNE 27, 2025

AMENDED IN ASSEMBLY JUNE 24, 2025

SENATE BILL

No. 129

Introduced by Committee on Budget and Fiscal Review

January 23, 2025

An act to amend Section 19878 of, and to add Sections 19816.22 and Section 20825.18 to, the Government Code, to amend Section 1872.83 of the Insurance Code, and to amend Section 62.5 of, to add Section 6717.2 to, and to repeal Section 62.6 of, the Labor Code, relating to labor, and making an appropriation therefor, to take effect immediately, bill related to the budget.

LEGISLATIVE COUNSEL'S DIGEST

SB 129, as amended, Committee on Budget and Fiscal Review. Labor.

(1) Existing law creates the Department of Human Resources in an effort to better serve the human resources and personnel needs of the state. Existing law establishes the In-Home Supportive Services (IHSS) program, which is administered by the State Department of Social Services, counties, and other entities, under which qualified aged, blind, or disabled persons are provided with supportive services in order to permit them to remain in their own homes.

This bill would require the Department of Human Resources, in collaboration with the State Department of Social Services, to appoint a statewide bargaining advisory committee to review the full cost of care for IHSS provided through the IHSS program under a statewide collective bargaining model. The bill would require the advisory committee to submit reports, between January 1, 2027, and January 1, 2029, to the Legislature containing completed analyses covering key issues associated with any transition of IHSS to statewide bargaining,

~~as specified. To inform the advisory committee's work, the bill would require the State Department of Social Services to provide a report to the advisory committee on approaches for cost containment associated with a statewide collective bargaining model in the In-Home Supportive Services program, no later than July 1, 2027. The bill would authorize the Department of Human Resources to enter into any contracts necessary for the performance of its duties under these provisions. The bill would state the intent of the Legislature that, upon submission of the completed analyses, the process of transitioning IHSS to a statewide collective bargaining model may commence and this may occur no earlier than January 1, 2030.~~

~~(2)~~

(1) Existing law, the State Civil Service Act, regulates employment with the state and vests in the Department of Human Resources all powers, duties, and authority necessary to operate the state civil service system. Existing law requires the department to designate positions of a high administrative and policy-influencing character for inclusion in or removal from the category of civil service appointment called "career executive assignments," subject to review by the State Personnel Board, as provided.

Under existing law, when an employee is disabled, whether temporarily or permanently, the employee is entitled, subject to certain conditions, to receive specified nonindustrial disability benefits, unless a memorandum of understanding conflicts with this requirement. Existing law defines "employee" for purposes of those provisions as a permanent or probationary full-time, part-time, or intermittent state officer or employee, as specified.

This bill would, effective October 1, 2025, for a disability benefit period commencing on or after July 1, 2025, additionally include a state officer or employee appointed to a career executive assignment in that definition of "employee." The bill would require these employees claiming benefits for a certain disability benefit period to file a completed claim no later than 41 days following the effective date of this provision.

~~(3)~~

(2) The Public Employees' Retirement Law (PERL) creates the Public Employees' Retirement System (PERS) for the purpose of providing pensions and benefits to state employees and their beneficiaries and prescribes the rights and duties of employers participating in the system. Under PERL, benefits are funded by investment income and employer

and employee contributions, which are deposited into the Public Employees' Retirement Fund, a continuously appropriated trust fund administered by the system's board of administration.

PERL prescribes methods for the calculation and payment of the state employer contribution for its employees who are PERS members. PERL provides for an annual adjustment of the state's contribution in the budget and quarterly appropriations to the Public Employees' Retirement Fund from the General Fund and other funds that are responsible for payment of the employer contribution.

Existing law makes additional General Fund appropriations to the Public Employees' Retirement Fund for the 2020–21, 2021–22, 2022–23, 2023–24, and 2024–25 fiscal years. Supplemental payments connected with appropriations for those fiscal years are to be apportioned to the state employee member categories generally, as directed by the Department of Finance, and to specified state employee member categories, including to the state miscellaneous member category, the industrial member category, the state safety member category, and the state peace officer/firefighter member category.

The California Constitution establishes the Budget Stabilization Account in the General Fund and requires the Controller, in each fiscal year, to transfer from the General Fund to the Budget Stabilization Account amounts that include a sum equal to 1.5% of the estimated amount of General Fund revenues for that fiscal year. These provisions further require, until the 2029–30 fiscal year, that the Legislature appropriate a percentage of these moneys, the amount of which is generated pursuant to specified calculations, for certain obligations and purposes, including addressing unfunded liabilities for state-level pension plans.

This bill would appropriate \$584,000,000 from the General Fund for the purposes identified in the constitutional provisions described above, to supplement the state's appropriation to the Public Employees' Retirement Fund. The bill would specify that this appropriation represents a portion of the amount identified in a specific provision of the Budget Act of 2025. The bill would require the Department of Finance to provide the Controller with a schedule establishing the timing of specific transfers. The bill would require the supplemental payment to the Public Employees' Retirement Fund to be apportioned to specified state employee member categories, not to exceed \$273,983,000 to the state miscellaneous member category, \$16,164,000 to the state industrial member category, \$32,150,000 to the state safety member category,

and \$261,703,000 to the state peace officer/firefighter member category. The bill would require the appropriation described above to be applied to the unfunded state liabilities for the state employee member categories that are in excess of the base amounts for the 2025–26 fiscal year.

(4)

(3) Existing law establishes the Department of Industrial Relations in the Labor and Workforce Development Agency to perform specified functions, including fostering, promoting, and developing the welfare of the wage earners of California, to improve their working conditions and to advance their opportunities for profitable employment.

Existing law requires the director of the department to levy and collect assessments from specified employers, as specified, for purposes of collecting the aggregate amount determined by the Fraud Assessment Commission pursuant to specified provisions. Existing law requires revenues derived from the assessments to be deposited in the Workers' Compensation Fraud Account in the Insurance Fund and to only be expended, upon appropriation by the Legislature, for the investigation and prosecution of workers' compensation fraud and the willful failure to secure payment of workers' compensation, as prescribed. Existing law requires the director to promulgate reasonable rules and regulations governing the manner of collection of the assessments, as specified.

This bill would make technical changes to the above-described assessment provisions, and conforming changes related to those provisions.

Existing law, the Administrative Procedure Act (APA), governs the procedures for the adoption, amendment, or repeal of regulations by state agencies and for the review of those regulatory actions by the Office of Administrative Law.

Existing law exempts from the rulemaking provisions of the APA regulations adopted by the director governing, among other things, the manner of collection of surcharges levied by the director upon specified employers for purposes of deposit in specified funds, including the Workers' Compensation Administration Revolving Fund.

This bill would also exempt from the rulemaking provisions of the APA regulations adopted pursuant to those promulgated by the director governing the manner of collection of the above-described assessments.

(5)

(4) Existing law authorizes the Occupational Safety and Health Standards Board to adopt, amend, or repeal occupational safety and health standards and orders. Existing law requires the Division of

Occupational Safety and Health to propose to the board for its review and adoption, a standard that protects the health and safety of employees who engage in lead-related construction work and meets all requirements imposed by the federal Occupational Safety and Health Administration. Existing law requires the division to submit to the board a rulemaking proposal to revise the lead standards of the general industry safety orders and the construction safety orders, as specified, consistent with scientific research and findings. A violation of these standards and regulations under specific circumstances is a crime.

This bill would subject the work performed under any construction contract, including subcontracts, on the Golden Gate Bridge for the Suspension Bridge Seismic Retrofit Project that is awarded on or after January 1, 2025, and on or before December 31, 2025, to the division's lead standard regulations that were in effect on December 31, 2024. Because a violation of these provisions constitutes a crime, this bill would impose a state-mandated local program.

(5) Existing law, the Budget Act of 2025, allocates \$3,300,000 from a specified schedule for state operations and personnel for statewide collective bargaining for In-Home Supportive Services providers.

This bill would provide that, notwithstanding that provision in the Budget Act of 2025, those moneys are available for use and may be encumbered only if one of specified conditions is met.

(6) This bill would make legislative findings and declarations as to the necessity of a special statute for Golden Gate Bridge, Highway and Transportation District.

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

(8) This bill would declare that it is to take effect immediately as a bill providing for appropriations related to the Budget Bill.

Vote: majority. Appropriation: yes. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 19816.22 is added to the Government~~

1 ~~(2) A report to be submitted pursuant to subdivision (b) shall~~
2 ~~be submitted in compliance with Section 9795.~~

3 ~~(d) To inform the advisory committee's work, the State~~

5 ~~committee on approaches for cost containment associated with a~~
6 ~~statewide collective bargaining model in the In-Home Supportive~~
7 ~~Services program, no later than July 1, 2027.~~

8 ~~(e) The department may enter into any contracts necessary for~~
9 ~~the performance of its duties under this section.~~

10 ~~(f) It is the intent of the Legislature that, upon submission of~~
11 ~~the completed analyses included in the reports described in~~
12 ~~subdivision (b), the process of transitioning in-home supportive~~
13 ~~services to a statewide collective bargaining model may commence~~
14 ~~and this may occur no earlier than January 1, 2030.~~

2 provisions of a memorandum of understanding require the
3 expenditure of funds, the provisions shall not become effective
4 unless approved by the Legislature in the annual Budget Act.

5 ~~SEC. 3.~~

16 a portion of the amount identified in paragraph (3) of subdivision
17 (d) of Section 35.50 of the Budget Act of 2025. The appropriation
18 shall be consistent with the requirements of this section and at the
19 direction of the Department of Finance. The Department of Finance
20 shall provide to the Controller a schedule establishing the timing
21 of specific transfers to be used as described in subdivision (b).

22 (2) The supplemental payment to the Public Employees'

39 subdivision (a) that are in excess of the base amounts for the
40 2025–26 fiscal year.

1 ~~SEC. 4.~~

2 *SEC. 3.* Section 1872.83 of the Insurance Code is amended to
3 read:

4 1872.83. (a) The commissioner shall ensure that the Fraud
5 Division aggressively pursues all reported incidents of probable
6 workers' compensation fraud, as defined in Sections 11760 and
7 11880, and in subdivision (a) of Section 1871.4, and in Section
8 549 of the Penal Code, and forwards to the appropriate disciplinary
9 body the names, along with all supporting evidence, of any
10 individuals licensed under the Business and Professions Code who
11 are suspected of actively engaging in fraudulent activity. The Fraud
12 Division shall forward to the Insurance Commissioner or the
13 Director of Industrial Relations, as appropriate, the name, along
14 with all supporting evidence, of any insurer, as defined in
15 subdivision (c) of Section 1877.1, suspected of actively engaging
16 in the fraudulent denial of claims.

17 (b) To fund increased investigation and prosecution of workers'
18 compensation fraud, and of willful failure to secure payment of
19 workers' compensation, in violation of Section 3700.5 of the Labor
20 Code, there shall be an annual assessment as follows:

21 (1) The aggregate amount of the assessment shall be determined
22 by the Fraud Assessment Commission, which is hereby established.
23 The commission shall be composed of seven members consisting
24 of two representatives of organized labor, two representatives of
25 self-insured employers, one representative of insured employers,
26 one representative of workers' compensation insurers, and the
27 President of the State Compensation Insurance Fund, or ~~his or her~~
28 *their* designee.

29 The Governor shall appoint members representing organized
30 labor, self-insured employers, insured employers, and insurers.
31 The term of office of members of the commission shall be four
32 years, and a member shall hold office until the appointment of a
33 successor. The President of the State Compensation Insurance
34 Fund shall be an ex officio, voting member of the commission.
35 Members of the commission shall receive one hundred dollars
36 (\$100) for each day of actual attendance at commission meetings
37 and other official commission business, and shall also receive their
38 actual and necessary traveling expenses incurred in the performance
39 of commission duties. Payment of per diem and travel expenses
40 shall be made from the Workers' Compensation Fraud Account

1 in the Insurance Fund, established in paragraph (4), upon
2 appropriation by the Legislature.

3 (2) In determining the aggregate amount of the assessment, the
4 Fraud Assessment Commission shall consider the advice and
5 recommendations of the Fraud Division and the commissioner.

6 (3) The aggregate amount of the assessment shall be collected
7 by the Director of Industrial Relations pursuant to Section 62.5 of
8 the Labor Code. The Fraud Assessment Commission shall annually
9 advise the Director of Industrial Relations, not later than March
10 15, of the aggregate amount to be assessed for the next fiscal year.

11 (4) The amount collected, together with the fines collected for
12 violations of the unlawful acts specified in Sections 1871.4, 11760,
13 and 11880, Section 3700.5 of the Labor Code, and Section 549 of
14 the Penal Code, shall be deposited in the Workers' Compensation
15 Fraud Account in the Insurance Fund, which is hereby created,
16 and may be used, upon appropriation by the Legislature, only for
17 enhanced investigation and prosecution of workers' compensation
18 fraud and of willful failure to secure payment of workers'
19 compensation as provided in this section.

20 (c) For each fiscal year, the total amount of revenues derived
21 from the assessment pursuant to subdivision (b) shall, together
22 with amounts collected pursuant to fines imposed for unlawful
23 acts described in Sections 1871.4, 11760, and 11880, Section
24 3700.5 of the Labor Code, and Section 549 of the Penal Code, not
25 be less than three million dollars (\$3,000,000). Any funds
26 appropriated by the Legislature pursuant to subdivision (b) that
27 are not expended in the fiscal year for which they have been
28 appropriated, and that have not been allocated under subdivision
29 (f), may be applied to satisfy for the immediately following fiscal
30 year the minimum total amount required by this subdivision or,
31 subject to appropriation by the Legislature, may be used to augment
32 funding in the immediately following fiscal year. The money shall
33 not be transferred to the General Fund.

34 (d) After incidental expenses, at least 40 percent of the funds
35 to be used for the purposes of this section shall be provided to the
36 Fraud Division of the Department of Insurance for enhanced
37 investigative efforts, and at least 40 percent of the funds shall be
38 distributed to district attorneys, pursuant to a determination by the
39 commissioner with the advice and consent of the division and the
40 Fraud Assessment Commission, as to the most effective distribution

1 of moneys for purposes of the investigation and prosecution of
2 workers' compensation fraud cases and cases relating to the willful
3 failure to secure the payment of workers' compensation. Each
4 district attorney seeking a portion of the funds shall submit to the
5 commissioner an application setting forth in detail the proposed
6 use of any funds provided. A district attorney receiving funds
7 pursuant to this subdivision shall submit an annual report to the
8 commissioner with respect to the success of ~~his or her~~ *their* efforts.
9 Upon receipt, the commissioner shall provide copies to the Fraud
10 Division and the Fraud Assessment Commission of any application,
11 annual report, or other documents with respect to the allocation of
12 money pursuant to this subdivision. Both the application for
13 moneys and the distribution of moneys shall be public documents.
14 Information submitted to the commissioner pursuant to this section
15 concerning criminal investigations, whether active or inactive,
16 shall be confidential.

17 (e) If a district attorney is determined by the commissioner to
18 be unable or unwilling to investigate and prosecute workers'
19 compensation fraud claims or claims relating to the willful failure
20 to secure the payment of workers' compensation, the commissioner
21 shall discontinue distribution of funds allocated for that county
22 and may redistribute those funds according to this subdivision.

23 (1) The commissioner shall promptly determine whether any
24 other county could assert jurisdiction to prosecute the fraud claims
25 or claims relating to the willful failure to secure the payment of
26 workers' compensation that would have been brought in the
27 nonparticipating county, and, if so, the commissioner may award
28 funds to conduct the prosecutions redirected pursuant to this
29 subdivision. These funds may be in addition to any other fraud
30 prosecution funds or claims relating to the willful failure to secure
31 the payment of workers' compensation prosecution otherwise
32 awarded under this section. Any district attorney receiving funds
33 pursuant to this subdivision shall first agree that the funds shall be
34 used solely for investigating and prosecuting those cases of
35 workers' compensation fraud or claims relating to the willful failure
36 to secure the payment of workers' compensation that are redirected
37 pursuant to this subdivision and submit an annual report to the
38 commissioner with respect to the success of the district attorney's
39 efforts. The commissioner shall keep the Fraud Assessment

1 Commission fully informed of all reallocations of funds under this
2 paragraph.

3 (2) If the commissioner determines that no district attorney is
4 willing or able to investigate and prosecute the workers'
5 compensation fraud claims or claims relating to the willful failure
6 to secure the payment of workers' compensation arising in the
7 nonparticipating county, the commissioner, with the advice and
8 consent of the Fraud Assessment Commission, may award to the
9 Attorney General some or all of the funds previously awarded to
10 the nonparticipating county. Before the commissioner may award
11 any funds, the Attorney General shall submit to the commissioner
12 an application setting forth in detail ~~his or her~~ *their* proposed use
13 of any funds provided and agreeing that any funds awarded shall
14 be used solely for investigating and prosecuting those cases of
15 workers' compensation fraud or claims relating to the willful failure
16 to secure the payment of workers' compensation that are redirected
17 pursuant to this subdivision. The Attorney General shall submit
18 an annual report to the commissioner with respect to the success
19 of the fraud prosecution efforts of ~~his or her~~ *their* office.

20 (3) Neither the Attorney General nor any district attorney shall
21 be required to relinquish control of any investigation or prosecution
22 undertaken pursuant to this subdivision unless the commissioner
23 determines that satisfactory progress is no longer being made on
24 the case or the case has been abandoned.

25 (4) A county that has become a nonparticipating county due to
26 the inability or unwillingness of its district attorney to investigate
27 and prosecute workers' compensation fraud or the willful failure
28 to secure the payment of workers' compensation shall not become
29 eligible to receive funding under this section until it has submitted
30 a new application that meets the requirements of subdivision (d)
31 and the applicable regulations.

32 (f) If in any fiscal year the Fraud Division does not use all of
33 the funds made available to it under subdivision (d), any remaining
34 funds may be distributed to district attorneys pursuant to a
35 determination by the commissioner in accordance with the same
36 procedures set forth in subdivision (d).

37 (g) The commissioner shall adopt rules and regulations to
38 implement this section in accordance with the rulemaking
39 provisions of the Administrative Procedure Act (Chapter 3.5
40 (commencing with Section 11340) of Part 1 of Division 3 of Title

2 of the Government Code). Included in the rules and regulations shall be the criteria for redistributing funds to district attorneys and the Attorney General. The adoption of the rules and regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare.

(h) The department shall report to the Governor, the Legislature, to the committees of the Senate and Assembly having jurisdiction over insurance, and the Fraud Assessment Commission on the activities of the Fraud Division and district attorneys supported by the funds provided by this section in the annual report submitted pursuant to Section 12922.

The annual report shall include, but is not limited to, all of the following information for the department and each district attorney's office:

(1) All allocations, distributions, and expenditures of funds.

(2) The number of search warrants issued.

(3) The number of arrests and prosecutions, and the aggregate number of parties involved in each.

(4) The number of convictions and the names of all convicted fraud perpetrators.

(5) The estimated value of all assets frozen, penalties assessed, and restitutions made for each conviction.

(6) Any additional items necessary to fully inform the Fraud Assessment Commission and the Legislature of the fraud-fighting efforts financed through this section.

(i) In order to meet the requirements of subdivision (g), the department shall submit a biannual information request to those district attorneys who have applied for and received funding through the annual assessment process under this section.

(j) Assessments levied or collected to fight workers' compensation fraud and insurance fraud are not taxes. Those funds are entrusted to the state to fight fraud and the willful failure to secure the payment of workers' compensation by funding state and local investigation and prosecution efforts. Accordingly, any funds resulting from assessments, fees, penalties, fines, restitution, or recovery of costs of investigation and prosecution deposited in the Insurance Fund shall not be deemed "unexpended" funds for any purpose and, if remaining in that account at the end of any

1 fiscal year, shall be applied as provided in subdivision (f) and to
2 offset or augment subsequent years' program funding.

3 ~~SEC. 5.~~

4 *SEC. 4.* Section 62.5 of the Labor Code is amended to read:

5 62.5. (a) (1) The Workers' Compensation Administration
6 Revolving Fund is hereby created as a special account in the State
7 Treasury. Money in the fund may be expended by the department,

33 indemnity paid during the most recent year for which information
34 is available, and the assessment to be paid by insured employers
35 to be expressed as a percentage of premium. In no event shall the

40 (1), shall not generate revenues in excess of fifty-seven million

dollars (\$57,000,000) on and after the 2013–14 fiscal year, adjusted for each fiscal year as appropriate to fund any increases in the appropriation as approved by the Legislature, and to reconcile any over/under assessments from previous fiscal years pursuant to Sections 15606 and 15609 of Title 8 of the California Code of Regulations. For the 2013–14 fiscal year only, the revenue cap established in this paragraph shall be reduced by an amount equivalent to the balance transferred from the Cal-OSHA Targeted Inspection and Consultation Fund established in Section 62.7, less any amount of that balance loaned to the State Public Works Enforcement Fund, to the Occupational Safety and Health Fund pursuant to subdivision (d).

(5) The regulations adopted pursuant to paragraph (1) to (4), inclusive, shall be exempt from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).
