If a person is sentenced to imprisonment in the custody of the Department of Corrections and the court has received a written evaluation report pursuant to the provisions of this subsection, the report shall be furnished to the Department of Corrections with the judgment and sentence. Any evaluation and assessment report submitted to the court pursuant to the provisions of this subsection shall be handled in a manner which will keep such report confidential from the general public's review. Nothing contained in this subsection shall be construed to prohibit the court from ordering judgment and sentence in the event the defendant fails or refuses to comply with an order of the court to obtain the evaluation and assessment required by this subsection. If the
defendant fails or refuses to comply with an order of the court to obtain the evaluation and assessment, the Department of Public Safety shall not reinstate driving privileges until the defendant has complied in full with such order. 2. Nothing in this subsection shall prohibit the prosecution of a person pursuant to Section 852.1 of Title 21 of the Oklahoma Statutes who is in violation of any provision of this section or Section 11-904 of this title.

M. Any plea of guilty, nolo contendere or finding of guilt for a violation of this section or a violation pursuant to the provisions of any law of this state or another state prohibiting the offenses provided for in this section, Section 11-904 of this title, or paragraph 4 of subsection A of Section 852.1 of Title 21 of the Oklahoma Statutes, shall constitute a conviction of the offense for
the purpose of this section; provided, any deferred judgment shall only be considered to constitute a conviction for a period of ten (10) years following the completion of any court-imposed probationary term.

N. If qualified by knowledge, skill, experience, training or education, a witness shall be allowed to testify in the form of an opinion or otherwise solely on the issue of impairment, but not on the issue of specific alcohol concentration level, relating to the following:

2. Whether a person was under the influence of one or more impairing substances and the category of such impairing substance or substances.
