11 Provisions:

- 12 1. On February 14, 2006, the United States District Court
- 13 in the case of Plata v. Newsom (No. C01-1351-JST)
- 14 suspended the exercise by the Secretary of the Depart-

- 20 of Corrections and Rehabilitation were to be performed
- 21 by a Receiver appointed by the court commencing
- 22 April 17, 2006, until further order of the court. The
- 23 Director of the Division of Correctional Health Care
- 24 Services of the Department of Corrections and Reha-
- 25 bilitation is to administer this item to the extent direct-
- 26 ed by the Receiver.
- 27 2. Notwithstanding any other law, the Department of
- 28 Corrections and Rehabilitation is not required to
- 29 competitively bid for health services contracts in cases
- 30 in which contracting experience or history indicates
- 31 that only one qualified bid will be received.
- 32 3. Notwithstanding Section 13324 of the Government
- 33 Code or Section 32.00 of this act, a state employee
- 34 shall not be held personally liable for any expenditure
- 35 or the creation of any indebtedness in excess of the
- 36 amounts appropriated therefor as a result of complying
- 37 with the directions of the Receiver or orders of the
- 38 United States District Court in Plata v. Newsom.
- 39 4. The amounts appropriated in Schedules (1) and (4)
- 40 are available for expenditure by the Receiver appointed

by the Plata v. Newsom court to carry out its mission to deliver constitutionally adequate medical care to inmates.

5. The amounts appropriated in Schedules (2), (3), and (5) are available for expenditure by the Department of Corrections and Rehabilitation to provide mental health and dental services only.

8. The amount appropriated in Schedule (4) reflects a reduction of \$13,923,000 based on estimated abatement amounts that will be received by the Department of Corrections and Rehabilitation from the Pharmaceutical Fiscal Intermediary. Notwithstanding any other law, upon order of the Department of Finance, the amount in Schedule (4) may be adjusted to align with actual or estimated abatement amounts that are received or projected to be received from the Pharmaceutical Fiscal Intermediary and to meet cashflow needs resulting from the delay in receipt of abatement amounts. To the extent an adjustment is made pursuant to this provision related to cashflow needs, the Department of Finance may order subsequent adjustments to the amount in Schedule (4) of this item consistent with receipt of abatement amounts.
9. The Department of Corrections and Rehabilitation shall provide biannual reporting to the Legislature on abatements received and adjustments made pursuant to Provision 8 by July 31 and January 31 of each year, beginning July 31, 2025, through January 1, 2028.

- 1       10. The Department of Corrections and Rehabilitation  
2       shall work in collaboration with other state agencies,  
3       community-based service providers, and other stake-  
4       holders as determined by the department, to develop  
5       a report focused on alternatives to incarceration for  
6       individuals who are advanced in age, disabled, or have  
7       significant medical needs. Alternatives may include  
8       identifying community correctional reentry centers,  
9       Medi-Cal offset possibilities, and the development of  
10      new community-based programs, among other alterna-  
11      tives as determined by the department. The report may  
12      also identify potential changes the department has or  
13      is considering to existing programs, such as the com-  
14      passionate release, medical parole, and elderly parole  
15      programs, to the extent any changes are considered,

17      natives shall address the growing number of incarcer-  
18      ated individuals who are advanced in age, disabled,  
19      or have significant medical needs. In evaluating the

25      The department shall provide the report to the Legisla-  
26      ture on or before March 1, 2026.
- 27      11. The reports required by Provision 10 of this item shall

- 30      12. Upon order of the Department of Finance, the Con-

32      cies into the Mental Health Staffing Special Deposit  
33      Fund as ordered by the United States District Court  
34      for the Eastern District in Coleman v. Newsom. Pay-  
35      ment shall be made from the General Fund. The De-  
36      partment of Corrections and Rehabilitation shall pro-  
37      vide quarterly reports to the Joint Legislative Budget  
38      Committee on any fines paid to the court pursuant to  
39      this provision.

13. The amount appropriated in Schedules (1) and (4) incorporates General Fund offsets of \$5,000,000 and \$6,000,000, respectively, based on anticipated federal reimbursements for the California Advancing and Innovating Medi-Cal Justice Involved Initiative (CalAIM). Notwithstanding any other law, upon order of the Department of Finance, the amounts available in Schedules (1) and (4) of this item may be adjusted to align with actual or estimated reimbursement amounts under CalAIM.

~~14. It is the intent of the Legislature to reduce excess inpatient mental health bed capacity in the state prison system while maintaining compliance with court orders. The Department of Corrections and Rehabilitation shall provide a report no later than January 10, 2026 to the relevant budget subcommittees of the Legislature in each house, the Joint Legislative Budget Committee, and the Legislative Analyst's Office detailing the feasibility of reducing excess inpatient mental health bed capacity to the levels projected to be necessary in court-approved population projections.~~

27. It is the intent of the Legislature to defer an ongoing base increase of \$240,773,000 from 2025–26, as follows:
  - (a) In 2026–27, \$96,309,000 of the 2025–26 compact payment will be provided on an ongoing basis. In 2027–28, a one-time back payment of \$240,773,000 ~~from~~ will be made for the deferral made in 2025–26. In 2028–29, the remaining \$144,464,000 of the compact payment originally scheduled for 2026–27 will be provided on an ongoing basis.
28. It is the intent of the Legislature to defer \$129,692,000 one-time from the General Fund from 2025–26 until 2026–27.
29. For 2025–26, the Director of Finance may authorize a *no-interest*, short-term loan from General Fund resources, upon the request of the University of California, to assist cash flow resources for purposes of remediating state payment deferrals.
  - (a) A loan may be authorized pursuant to this section no sooner than 30 days after notification in writing of the necessity therefor is provided to the chairpersons of the committees in each house of the Legislature that consider appropriations and the Chairperson of the Joint Legislative Budget Committee, or not sooner than whatever lesser time that notification the chairperson of that joint committee, or the chairperson’s designee, may in each instance determine.
30. (a) As specified in Section 93000 of the Education Code, it is the intent of the Legislature that the University of California replace an additional 902

1 nonresident undergraduate full-time equivalent  
2 students annually from 2022–23 through 2026–27  
3 with an equal number of resident undergraduate  
4 full-time equivalent students combined at the  
5 Berkeley, Los Angeles, and San Diego campuses.  
6 The total combined annual replacement of nonres-  
7 ident students should be 902 full-time equivalent  
8 students, with Berkeley, Los Angeles, and San  
9 Diego each contributing towards the 902 full-time  
10 equivalent student replacement total annually. If  
11 the University of California replaces more than  
12 902 nonresident undergraduate full-time students  
13 in the 2025–26 enrollment target, those additional  
14 students can be counted towards the 2026–27  
15 target. Nonresident undergraduate full-time  
16 equivalent student replacement above that annual  
17 902 target from 2022–23, 2023–24, and 2024–25  
18 can be counted towards the replacement of 902  
19 nonresident undergraduate full-time equivalent  
20 students in 2025–26.

21 (b) If the actual reduction in nonresident undergradu-  
22 ate enrollment in 2025–26 at these campuses is  
23 fewer than 902 full-time equivalent students, the  
24 Director of Finance shall reduce funding for the  
25 University of California by the portion of the ap-  
26 propriation in the deferred allocation that is at-  
27 tributable to each student under the target reduc-  
28 tion level, as specified in Section 93000 of the  
29 Education Code.

30 (c) It is the intent of the Legislature to defer ongoing  
31 nonresident replacement funding of \$31,000,000  
32 from 2025–26 to 2026–27. In 2027–28, it is the  
33 intent of the Legislature to provide a one-time  
34 back payment of \$31,000,000.

35 31. (a) It is the intent of the Legislature that the Univer-  
36 sity of California shall increase resident undergrad-  
37 uate enrollment by 2,947 full-time equivalent  
38 students (FTES) in 2025–26 over the estimated  
39 2024–25 baseline level of 206,588 FTES to a total  
40 enrollment of 209,535.

- (b) If the University of California enrolls fewer resident undergraduate FTES than specified in subdivision (a), the Director of Finance may reduce funding proportional to each student under the specified level. Funding shall be reduced at the 2025–26 state marginal cost rate of \$11,640 per FTES. If the University of California enrolls more resident undergraduate FTES than specified in subdivision (a), those additional students will be counted towards the 2026–27 target.
  - (c) It is the intent of the Legislature that the University of California also increase resident undergraduate enrollment by 2,968 FTES in 2026–27, for a total level of 212,503 resident undergraduate FTES in 2026–27.
  - (d) The systemwide growth identified in this provision is inclusive of the additional 902 resident undergraduate FTES resulting from the replacement of nonresident undergraduate FTES identified in Provision 30 of this item.
32. Of the funds appropriated in this item, \$1,500,000 shall be available on an ongoing basis to support students with disabilities. Campuses shall use these funds to improve services for these students, with a focus on increasing the number of professional staff serving them, thereby reducing their associated caseload.

	70,560,000

Provisions:

1. The amount appropriated in this item shall not be construed to control or influence collective bargaining between the state employer and employee representatives.
2. The funds appropriated in this item are for compensation increases and increases in benefits related thereto of employees whose compensation, or portion thereof, is chargeable to special funds, to be allocated by budget executive order by the Director of Finance to the several state offices, departments, boards, bureaus, commissions, and other state agencies, in augmentation of their respective appropriations or allocations, in accordance with approved memoranda of understanding or, for employees excluded from collective bargaining, in accordance with salary and benefit schedules established by the Department of Human Resources.
3. Notwithstanding any other law, upon approval of the Director of Finance, expenditure authority may be transferred between this item and Item 9800-001-0988 as necessary to fund costs for approved memoranda of understanding or, for employees excluded from collective bargaining, in accordance with salary and benefit schedules established by the Department of Human Resources.
4. It is the intent of the Legislature that all proposed augmentations for increased employee compensation

costs, including, but not limited to, base salary increases, pay increases to bring one group of employees into a pay equity position with another group of public employees, and recruitment and retention differentials, be budgeted and considered on a comprehensive, statewide basis. Therefore, the Legislature declares its intent to reject any proposed augmentations that are not included in Items 9800-001-0001, 9800-001-0494, and 9800-001-0988, given that these are the items where the funds to implement comprehensive statewide compensation policies, including those adopted pursuant to collective bargaining, are considered. This provision does not apply to augmentations for increased employee compensation costs resulting from mandatory judicial orders to raise pay for any group of employees or augmentations for increased compensation costs, or approvals for departments to provide increased employee compensation levels, that are included in bills separate from the Budget Act.

5. In the event that the Legislature does not approve separate legislation to authorize implementation of any of the pending agreements, the Director of Finance shall not allocate any funds related to those pending agreements pursuant to Provision 2, and the expenditure of funds for those pending agreements shall not be deemed to have been approved by the Legislature.
6. As of July 31, 2026, the unencumbered balances of the above appropriation shall no longer be available for expenditure.

1 Employees' Retirement System or dental benefit pre-  
2 miums approved by the Department of Human Re-  
3 sources for the 2026 calendar year. Within 30 days of

2 be absorbed within the 2025–26 fiscal year  
3 appropriation authority of impacted depart-  
4 ments.

5 (3) The addendum does not present substantial  
6 additions that are reasonably outside the pa-  
7 rameters of the original memorandum of un-  
8 derstanding.

9 (b) An addendum to a properly ratified memorandum  
10 of understanding that results in any expenditure

32 greater than \$1,000,000 (all funds) associated  
33 with each bargaining unit affected by the  
34 agreement during the 2025–26 fiscal year.

35 (2) The agreement results in costs that cannot be  
36 absorbed within the 2025–26 fiscal year ap-  
37 propriation authority of impacted depart-  
38 ments.

39 (3) The addendum presents substantial additions  
40 that are not reasonably within the parameters
