D. 1. The licensed operator, at the time of inspection of the rebuilt vehicle pursuant to Section 1111 of this title, shall identify the make, model, and year for the body to accurately describe the
rebuilt vehicle. At the time of the inspection, an appropriate identifying number shall be permanently stamped, burned, pressed, or attached on the rebuilt vehicle. The assigned identifying number shall be recorded on the certificate of title for the rebuilt vehicle. The dealer's or manufacturer's vehicle identification number on the rebuilt vehicle shall be preserved in the computer files of Service Oklahoma for at least five (5) years.

F. When registering for the first time in this state a vehicle which was not originally manufactured for sale in the United States, to obtain a certificate of title, Service Oklahoma shall require the applicant to deliver:

1. As evidence of ownership, if the vehicle has not previously been titled in the United States, the documents constituting valid proof of ownership in the country in which the vehicle was originally purchased, together with a notarized translation of any such documents; and

upon the public streets, roads, or highways, for mini-trucks
registered pursuant to Section 1151.3 of this title, or for medium-
speed electric vehicles.

G. When registering in this state a vehicle which was titled in
another state and which title contains the name of a secured party
on the face of the other state certificate of title, or such state
certificate is being held by the secured party in that state or any
other state, Service Oklahoma or the licensed operator shall
complete a lien entry form as prescribed by Service Oklahoma. The
owner of such vehicle shall file an affidavit with Service Oklahoma
or the licensed operator stating that title to the vehicle is being
held by a secured party, has not been issued pursuant to the laws of
the state where titled, and that there is an existing lien or
encumbrance on the vehicle. The current name and address of the
secured party or lienholder shall also be stated in the affidavit.
The form of the affidavit shall be prescribed by Service Oklahoma
and contain any other information deemed necessary by Service
Oklahoma. A statement of the lien or encumbrance shall be included on the Oklahoma certificate of title and the lien or encumbrance shall be deemed continuously perfected as though it had been perfected pursuant to Section 1110 of this title. For completing the lien entry form and recording the security interest on the certificate of title, Service Oklahoma or the licensed operator shall collect a fee of Three Dollars ($3.00) which shall be in addition to other fees provided by the Oklahoma Vehicle License and Registration Act. The fee, if collected by the licensed operator pursuant to this subsection, shall be retained by the licensed operator through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title.

H. The charge for each certificate of title issued, except for junked titles as defined in paragraph 4 of subsection B of this section, shall be Eleven Dollars ($11.00), which charge shall be in addition to any other fees or taxes imposed by law for such vehicle. One Dollar ($1.00) of each such charge shall be deposited in the Oklahoma Tax Commission Reimbursement Fund through December 31, 2022, and beginning January 1, 2023, it shall be deposited in the Service Oklahoma Reimbursement Fund. However, the charge shall not apply to any vehicle which is to be registered in this state pursuant to the provisions of Section 1120 or 1133 of this title and which was registered in another state at least sixty (60) days prior
to the time it is required to be registered in this state. When an insurer requests a salvage or junk title in the name of the insurer resulting from the settlement of a total loss claim and upon presentation of appropriate proof of loss documentation as required by Service Oklahoma, such transfer may be processed as one title transaction, without first requiring issuance of a replacement certificate of title in the name of the vehicle owner. The fee shall be Twenty-two Dollars ($22.00). Two Dollars ($2.00) of this fee shall be deposited in the Oklahoma Tax Commission Reimbursement Fund, beginning July 1, 2023, the fee shall be deposited in the Service Oklahoma Reimbursement Fund.

I. The vehicle identification number of a junked vehicle shall be preserved in the computer files of Service Oklahoma for a period of not less than five (5) years. The charge of junked titles as defined in paragraph 4 of subsection B of this section shall be Four Dollars ($4.00). The fee remitted to the Tax Commission shall be deposited in the Oklahoma Tax Commission Reimbursement Fund through December 31, 2022, and beginning January 1, 2023, this fee shall be deposited in the Service Oklahoma Reimbursement Fund.

J. If a vehicle is sold to a resident of another state destroyed, dismantled, or ceases to be used as a vehicle, the owner shall immediately notify Service Oklahoma. Absent evidence to the contrary, failure to notify Service Oklahoma shall be prima facie
evidence that the vehicle has been in continuous operation in this state.

K. If a vehicle is stolen, the owner shall immediately notify the appropriate law enforcement agency. Immediately after receiving such notification, the law enforcement agency shall notify Service Oklahoma.

L. Except for all-terrain vehicles, utility vehicles and motorcycles used exclusively for off-road use, no title for an out-of-state vehicle, except any commercial truck or truck-tractor registered pursuant to Section 1120 of this title which is engaged in interstate commerce or any trailer or semitrailer registered pursuant to Section 1133 of this title which is engaged in interstate commerce, shall be issued without an inspection of such vehicle and payment of a fee of Four Dollars ($4.00) for such inspection; provided, Service Oklahoma may enter into reciprocal agreements with other states for such inspections to be performed at locations outside the boundaries of this state for vehicles which:

1. Are offered for sale at auction;

2. Have been solely used as vehicles for rent under the ownership of a licensed motor vehicle dealer or a person engaged in the business of renting motor vehicles; or

3. Have not been registered in this or any other state for more than one (1) year.
The inspection shall include a comparison of the vehicle identification number on the vehicle with the number recorded on the ownership records and the recording of the actual odometer reading on the vehicle. The four-dollar fee shall be collected by the licensed operator or Service Oklahoma when the title is issued. The licensed operator shall retain Two Dollars ($2.00) through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title. The remaining Two Dollars ($2.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund through December 31, 2022, and beginning January 1, 2023, this fee shall be deposited in the Service Oklahoma Reimbursement Fund.

Service Oklahoma may allow the inspection to be performed at a location out-of-state by another state's department of motor vehicles or state police.

M. No title for any out-of-state vehicle offered for sale at salvage pools, salvage disposal sales, or an auction, or by a dealer or a licensed automotive dismantler and parts recycler, shall be issued without an inspection to compare the vehicle identification number on the vehicle with the number recorded on the ownership record and to record the actual odometer reading on the vehicle. Upon request of the seller, person or entity conducting an auction, dealer or licensed dismantler, the inspection shall be conducted at the location or place of business of the sale, auction, dealer, or
the dismantler. The inspection shall be conducted by any licensed operator or a duly authorized employee thereof; provided, if the vehicle identification number on the vehicle offered for sale at salvage pools, salvage disposal sales or a classic or antique auction does not match the number recorded on the ownership record, the inspection may be conducted at the location of or place of business of such sale or auction by any state, county or city law enforcement officer. Service Oklahoma may enter into reciprocal agreements with other states for such inspections to be performed at locations outside the boundaries of this state for vehicles which:

1. Are offered for sale at auction;

2. Have been solely used as vehicles for rent under the ownership of a licensed motor vehicle dealer or a person engaged in the business of renting motor vehicles; or

3. Have not been registered in this or any other state for more than one (1) year.

The inspection shall be certified upon forms prescribed by Service Oklahoma. The name and other identification of the authorized person conducting the inspection shall be legibly printed or typed on the form. Prior to any inspection by any employee of a licensed operator, the licensed operator shall notify Service Oklahoma of the name and any other identification information requested by Service Oklahoma of the authorized person. A signature specimen of the authorized person shall be submitted to Service Oklahoma by the
employing licensed operator. If the authorization to inspect vehicles is withdrawn or the employer-employee relationship is terminated, the licensed operator, immediately, shall notify Service Oklahoma and return any remaining inspection forms to Service Oklahoma. The fee for the inspection shall be Four Dollars ($4.00). The licensed operator shall retain Three Dollars ($3.00) of the fee through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title. Fees received by a licensed operator or an authorized employee thereof shall be handled and accounted for in the manner as prescribed by law for any other fees paid to or received by a licensed operator. Out-of-state vehicles brought into this state by a person licensed in another state to sell new or used vehicles to be sold within this state at a motor vehicle auction which is limited to dealer-to-dealer transactions shall not be required to be inspected, unless the vehicle is purchased by an Oklahoma dealer. Any person licensed in another state to sell new or used motor vehicles, who offers a motor vehicle for sale within this state at a motor vehicle auction which is limited to dealer-to-dealer transactions, shall not be within the definition of "owner" in Section 1102 of this title, for purposes of Section 1101 et seq. of this title.

N. A licensed motor vehicle dealer, upon payment of a fee of Fifteen Dollars ($15.00), may reassign an out-of-state certificate
of title to a used motor vehicle provided such dealer obtains the appropriate inspection form required by either subsection L or M of this section and attaches the form to the out-of-state certificate of title. Licensed operators shall be allowed to retain Two Dollars and twenty-five cents ($2.25) of the fee plus an additional Two Dollars ($2.00) or Three Dollars ($3.00) as provided in subsections L and M of this section for performance of the inspection, through June 30, 2025. Beginning July 1, 2025, the fees shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title. Two Dollars ($2.00) of the fee shall be deposited in the Service Oklahoma Reimbursement Fund. An out-of-state vehicle which has been rebuilt shall be inspected pursuant to the provisions of Section 1111 of this title. Service Oklahoma shall train licensed operators in interpreting vehicle identification numbers to assure that it accurately describes the vehicle and to detect rollback or alteration of the odometer. Failure of a licensed operator to inspect the vehicle and make the required notations shall be a misdemeanor punishable by a fine of not more than One Thousand Dollars ($1,000.00) for the first offense and Five Thousand Dollars ($5,000.00) for the second offense or subsequent offense, or by imprisonment in the county jail for not more than six (6) months, or by both such fine and imprisonment.

O. The ownership of any unrecovered vehicle which has been declared a total loss by an insurer because of theft shall be
transferred to the insurer by an unrecovered-theft vehicle title; provided, the ownership of any such vehicle which has been declared a total loss by an insurer licensed by the Insurance Department of the State of Oklahoma and maintaining a multi-state motor vehicle salvage processing center in this state shall be transferred to the insurer by a salvage or an unrecovered-theft title without the requirement of a visual inspection of the vehicle identification number by the insurer. Upon recovery of the vehicle, the ownership shall be transferred by an original title, salvage title, or junked title, as may be appropriate based upon an estimate of the amount of loss submitted by the insurer.

P. When an insurance company makes a total loss settlement on a total loss vehicle and the insurance company or a salvage pool authorized by the insurance company is unable to obtain the properly endorsed certificate of ownership or other evidence of ownership acceptable to Service Oklahoma within thirty (30) days following acceptance by the owner of an offer of an amount in settlement of a total loss, that insurance company or salvage pool, on a form provided by Service Oklahoma and signed under penalty of perjury, may request Service Oklahoma to issue the applicable salvage title for the vehicle. The request shall include information declaring that the requester has made at least two written attempts to obtain the certificate of ownership or other acceptable evidence of title.
Q. The owner of any vehicle which is incapable of operation or use on the public roads and has no resale value, except as parts, scrap or junk, may deliver the certificate of title to the vehicle to Service Oklahoma for cancellation. Upon verification that any perfected lien against the vehicle has been released, the certificate of title shall be canceled without any fee, charge, or cost required from the owner. The vehicle identification numbers on the certificates of title shall be preserved in the computer files of Service Oklahoma for at least five (5) years from the date of cancellation of the certificate of title. Service Oklahoma shall prescribe and provide an affidavit form to be completed by the owner of any vehicle for which the certificate of title is canceled. No title or registration shall subsequently be issued for a vehicle for which the certificate of title has been surrendered pursuant to this subsection. Service Oklahoma shall prescribe a form for the transfer of ownership of a vehicle for which the certificate of title has been canceled.

R. The owner of a vehicle which is not within the last ten (10) model years, not roadworthy and not capable of repair for operation or use on the roads and highways, or a vehicle which is being sold to a scrap metal dealer pursuant to Section 11-92 of Title 2 of the Oklahoma Statutes, shall transfer the vehicle only upon a certificate of ownership prescribed by Service Oklahoma, if the certificate of title to the vehicle is lost, has been canceled, or
otherwise not available. The prescribed ownership form shall include the names and addresses of the buyer and seller, the driver license number or Social Security number of the seller, the make and model of the vehicle, and the public vehicle identification number. If there is no public vehicle identification number, the vehicle shall be inspected by a law enforcement officer to verify the absence of the number on the vehicle and the prescribed ownership form shall include a signed statement, by such officer, verifying the absence of the number.

The certificate of ownership shall be completed in triplicate. The buyer and seller shall each retain a copy. Within thirty (30) days of the transaction, the seller shall submit one copy to Service Oklahoma or a licensed operator accompanied with a fee of Four Dollars ($4.00). One Dollar ($1.00) shall be retained by the licensed operator and Three Dollars ($3.00) shall be deposited in the Oklahoma Tax Commission Reimbursement Fund in the State Treasury through December 31, 2022, and beginning January 1, 2023, this fee shall be deposited in the Service Oklahoma Reimbursement Fund. Beginning July 1, 2025, Three Dollars ($3.00) shall continue to be deposited in the Service Oklahoma Reimbursement Fund and One Dollar ($1.00) shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title.

Upon receipt of the certificate, Service Oklahoma shall verify that any perfected lien upon the vehicle has been released. If the
lien is not released, Service Oklahoma shall mail notice of the
transfer to the lienholder at the lienholder's last-known address.
If a certificate of title has been issued, it shall be canceled and
the vehicle identification number shall be preserved in the computer
of Service Oklahoma for at least five (5) years. The buyer of the
vehicle may not be sued and shall not be liable for monetary damages
to the lienholder, however, the vehicle shall be subject to a valid
repossession by a lienholder.

S. Service Oklahoma shall notify the chief administrative
officer of the agency or department responsible for issuing motor
vehicle certificates of title in each state in the United States of
the types of motor vehicle certificate of title effective in
Oklahoma on and after January 1, 1989.

T. When registering for the first time in this state a
remanufactured vehicle which has not been registered in any other
state since its remanufacture, before issuing a certificate of
title, Service Oklahoma shall require the applicant to deliver a
statement of origin from the remanufacturer.

U. If a vehicle is sold to a foreign buyer pursuant to the
provisions of the Automotive Dismantlers and Parts Recycler Act, the
licensed seller shall stamp the title with: "EXPORT ONLY.
NONTRANSFERABLE IN THE UNITED STATES." The licensed seller shall
supply Service Oklahoma the title number, the vehicle identification
number and the foreign buyer's bid identification number on a form
prescribed by Service Oklahoma. Service Oklahoma shall cancel the
title, and the vehicle identification number shall be preserved in
the computer files of Service Oklahoma for a period of not less than
five (5) years.

V. Service Oklahoma shall not be considered a necessary party
to any lawsuit which is instigated for the purpose of determining
ownership of a vehicle, wherein Service Oklahoma's only involvement
would be to issue title, and the court shall issue an order
dismissing Service Oklahoma from the pending action. In the event
no other party or lienholder can be identified as to ownership or
claim, Service Oklahoma shall accept an affidavit of ownership from
the party claiming ownership and issue proper title thereon.

SECTION 9. AMENDATORY 47 O.S. 2021, Section 1107.4, as
amended by Section 118, Chapter 282, O.S.L. 2022 (47 O.S. Supp.
2022, Section 1107.4), is amended to read as follows:

Section 1107.4 A. Upon the transfer of a vehicle, the
transferor may file a written notice of transfer with Service
Oklahoma or a licensed operator. On receipt of a written notice of
transfer, Service Oklahoma shall indicate the transfer on the
vehicle records maintained by Service Oklahoma. The written notice
of transfer shall contain the following information:

1. The vehicle identification number of the vehicle;

2. The number of the license plate issued to the vehicle, if
any;
3. The full name and address of the transferor;

4. The full name and address of the transferee;

5. The date the transferor delivered possession of the vehicle to the transferee; and

6. The signature of the transferor.

B. There shall be assessed a fee of Ten Dollars ($10.00) when filing the notice of transfer. Seven Dollars ($7.00) of the fee shall be retained by the licensed operator through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title. Three Dollars ($3.00) of the fee shall be apportioned to the Service Oklahoma Reimbursement Fund.

C. After the date of the transfer of the vehicle as shown on the records of Service Oklahoma, the transferee of the vehicle shown on the records is rebuttably presumed to be:

1. The owner of the vehicle; and

2. Subject to civil and criminal liability arising out of the use, operation, or abandonment of a vehicle, to the extent that ownership of the vehicle subjects the owner of the vehicle to civil or criminal liability pursuant to law.

D. This section does not impose or establish any civil or criminal liability on the owner of a vehicle who transfers ownership of the vehicle but does not file a written notice of transfer with Service Oklahoma.
SECTION 10. AMENDATORY 47 O.S. 2021, Section 1110, as amended by Section 122, Chapter 282, O.S.L. 2022 (47 O.S. Supp. 2022, Section 1110), is amended to read as follows:

Section 1110. A. 1. Except for a security interest in vehicles held by a dealer for sale or lease, a vehicle registered by a federally recognized Indian tribe as provided in subsection G of this section, and a vehicle being registered in this state which was previously registered in another state and which title contains the name of a secured party on the face of the other state certificate or title, and except as otherwise provided in subsection B of Section 1105 of this title, a security interest in a vehicle as to which a certificate of title may be properly issued by Service Oklahoma shall be perfected only when a lien entry form, and the existing certificate of title, if any, or application for a certificate of title and manufacturer's certificate of origin containing the name and address of the secured party and the date of the security agreement and the required fee are delivered to Service Oklahoma or to a licensed operator. As used in this section, the term "dealer" shall be defined as provided in Section 1-112 of this title and the term "security interest" shall be defined as provided in paragraph (35) of Section 1-201 of Title 12A of the Oklahoma Statutes. When a vehicle title is presented to a licensed operator for transferring or registering and the documents reflect a lienholder, the licensed operator shall perfect the lien pursuant to
subsection G of Section 1105 of this title. For the purposes of this section, the term "vehicle" shall not include special mobilized machinery, machinery used in highway construction or road material construction and rubber-tired road construction vehicles including rubber-tired cranes. The filing and duration of perfection of a security interest, pursuant to the provisions of Title 12A of the Oklahoma Statutes, including, but not limited to, Section 1-9-311 of Title 12A of the Oklahoma Statutes, shall not be applicable to perfection of security interests in vehicles as to which a certificate of title may be properly issued by Service Oklahoma, except as to vehicles held by a dealer for sale or lease and except as provided in subsection D of this section. In all other respects Title 12A of the Oklahoma Statutes shall be applicable to such security interests in vehicles as to which a certificate of title may be properly issued by Service Oklahoma.

2. Whenever a person creates a security interest in a vehicle, the person shall surrender to the secured party the certificate of title or the signed application for a new certificate of title, on the form prescribed by Service Oklahoma, and the manufacturer's certificate of origin. The secured party shall deliver the lien entry form and the required lien filing fee within twenty-five (25) days as provided hereafter with certificate of title or the application for certificate of title and the manufacturer's certificate of origin to Service Oklahoma or to a licensed operator.
If the lien entry form, the lien filing fee and the certificate of title or application for certificate of title and the manufacturer's certificate of origin are delivered to Service Oklahoma or to a licensed operator within twenty-five (25) days after the date of the lien entry form, perfection of the security interest shall begin from the date of the execution of the lien entry form, but otherwise, perfection of the security interest shall begin from the date of the delivery to Service Oklahoma or to a licensed operator.

3. a. For each security interest recorded on a certificate of title, or manufacturer's certificate of origin, such person shall pay a fee of Ten Dollars ($10.00), which shall be in addition to other fees provided for in the Oklahoma Vehicle License and Registration Act. Upon the receipt of the lien entry form and the required fees with either the certificate of title or an application for certificate of title and manufacturer's certificate of origin, a licensed operator shall, by placement of a clearly distinguishing mark, record the date and number shown in a conspicuous place, on each of these instruments. Of the ten-dollar fee, the licensed operator shall retain Two Dollars ($2.00) for recording the security interest lien through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator.
operator pursuant to subsection E of Section 1141.1 of this title.

b. It shall be unlawful for any person to solicit, accept or receive any gratuity or compensation for acting as a messenger and for acting as the agent or representative of another person in applying for the recording of a security interest or for the registration of a motor vehicle and obtaining the license plates or for the issuance of a certificate of title therefor unless Service Oklahoma has appointed and approved the person to perform such acts; and before acting as a messenger, any such person shall furnish to Service Oklahoma a surety bond in such amount as Service Oklahoma shall determine appropriate.

4. The certificate of title or the application for certificate of title and manufacturer's certificate of origin with the record of the date of receipt clearly marked thereon shall be returned to the debtor together with a notice that the debtor is required to register and pay all additional fees and taxes due within thirty (30) days from the date of purchase of the vehicle.

5. Any person creating a security interest in a vehicle that has been previously registered in the debtor's name and on which all taxes due the state have been paid shall surrender the certificate
of ownership to the secured party. The secured party shall have the
duty to record the security interest as provided in this section and
shall, at the same time, obtain a new certificate of title which
shall show the secured interest on the face of the certificate of
title.

6. The lien entry form with the date and assigned number
thereof clearly marked thereon shall be returned to the secured
party. If the lien entry form is received and authenticated, as
herein provided, by a licensed operator, the licensed operator shall
make a report thereof to Service Oklahoma upon the forms and in the
manner as may be prescribed by Service Oklahoma.

7. Service Oklahoma shall have the duty to record the lien upon
the face of the certificate of title issued at the time of
registering and paying all fees and taxes due on the vehicle.

8. When there is an active lien from a commercial lender in
place on a vehicle, licensed operators shall be prohibited from
transferring the certificate of title on that vehicle until the lien
is satisfied.

B. 1. A secured party shall, within seven (7) business days
after the satisfaction of the security interest, furnish directly or
by mail a release of a security interest to Service Oklahoma and
mail a copy thereof to the last-known address of the debtor. If the
security interest has been satisfied by payment from a licensed used
motor vehicle dealer to whom the motor vehicle has been transferred,
the secured party shall also, within seven (7) business days after such satisfaction, mail an additional copy of the release to the dealer. If the secured party fails to furnish the release as required, the secured party shall be liable to the debtor for a penalty of One Hundred Dollars ($100.00). Following the seven (7) business days after satisfaction of the lien and upon receipt by the lienholder of written communication demanding the release of the lien, thereafter the penalty shall increase to One Hundred Dollars ($100.00) per day for each additional day beyond seven (7) business days until accumulating to One Thousand Five Hundred Dollars ($1,500.00) or the value of the vehicle, whichever is less, and, in addition, any loss caused to the debtor by such failure.

2. Upon release of a security interest the owner may obtain a new certificate of title omitting reference to the security interest, by submitting to Service Oklahoma or to a licensed operator:

   a. a release signed by the secured party, an application for new certificate of title and the proper fees, or

   b. by submitting to Service Oklahoma or the licensed operator an affidavit, supported by such documentation as Service Oklahoma may require, by the owner on a form prescribed by Service Oklahoma stating that the security interest has been satisfied and stating the reasons why a release cannot be obtained, an
application for a new certificate of title and the proper fees.

Upon receiving such affidavit that the security interest has been satisfied, Service Oklahoma shall issue a new certificate of title eliminating the satisfied security interest and the name and address of the secured parties who have been paid and satisfied. Service Oklahoma shall accept a release of a security interest in any form that identifies the debtor, the secured party, and the vehicle, and contains the signature of the secured party. Service Oklahoma shall not require any particular form for the release of a security interest.

The words "security interest" when used in the Oklahoma Vehicle License and Registration Act do not include liens dependent upon possession.

C. Service Oklahoma shall file and index certificates of title so that at all times it will be possible to trace a certificate of title to the vehicle designated therein, identify the lien entry form, and the names and addresses of secured parties, or their assignees, so that all or any part of such information may be made readily available to those who make legitimate inquiry of Service Oklahoma as to the existence or nonexistence of security interest in the vehicle.

D. 1. Any security interest in a vehicle properly perfected prior to July 1, 1979, may be continued as to its effectiveness or
duration as provided by Sections 1-9-510 and 1-9-515 of Title 12A of
the Oklahoma Statutes, or may be terminated, assigned or released as
provided by Sections 1-9-512, 1-9-513 and 1-9-514 of Title 12A of
the Oklahoma Statutes, as fully as if this section had not been
enacted, or, at the option of the secured party, may also be
perfected under this section, and, if so perfected, the time of
perfection under this section shall be the date the security
interest was originally perfected under the prior law.

2. Upon request of the secured party, the debtor or any other
holder of the certificate of title shall surrender the certificate
of title to the secured party and shall do such other acts as may be
required to perfect the security interest under this section.

E. If a manufactured home is permanently affixed to real
estate, an Oklahoma certificate of title may be surrendered to
Service Oklahoma or a licensed operator for cancellation. When the
document of title is surrendered, the owner shall provide the legal
description or the appropriate tract or parcel number of the real
estate and other information as may be required on a form provided
by Service Oklahoma. Service Oklahoma may not cancel a document of
title if a lien has been registered or recorded. Service Oklahoma
or the licensed operator shall notify the owner and any lienholder
that the title has been surrendered to Service Oklahoma and that
Service Oklahoma may not cancel the title until the lien is
released. Such notification shall include a description of the lien
and such notification to the owner shall be accompanied by the return of title surrendered. Permanent attachment to real estate does not affect the validity of a lien recorded or registered with Service Oklahoma before the document of title is canceled pursuant to this section. The rights of a prior lienholder pursuant to a security agreement or the provisions of a credit transaction and the rights of the state pursuant to a tax lien are preserved. Service Oklahoma or the licensed operator shall forward the information to the county assessor of the county where the real estate is located and indicate whether the original document of title has been canceled. A fee of Five Dollars ($5.00) shall accompany the application for cancellation of title. When the fee is paid by a person making an application directly with Service Oklahoma, the fee shall be deposited in the Oklahoma Tax Commission Revolving Fund. Beginning January 1, 2023, the fee shall be deposited in the Service Oklahoma Revolving Fund. A fee paid to a licensed operator shall be retained by the licensed operator through June 30, 2025. Beginning July 1, 2025, the fee shall be retained by the licensed operator pursuant to subsection E of Section 1141.1 of this title. The owner of a manufactured home upon which the document of title has been properly surrendered may apply to Service Oklahoma for issuance of a new original certificate of title upon submission of:
1. An attestation from the homeowner indicating ownership of
the manufactured home and the nonexistence of any security interest
or lien of record in the manufactured home; and

2. A title opinion by a licensed attorney, determining that the
owner of the manufactured home has marketable title to the real
property upon which the manufactured home is located and that no
documents filed of record in the county clerk's office concerning
the real property contain a mortgage, recorded financial statement,
judgment, or lien of record. Persons or entities to whom the title
opinion is addressed may rely on the title opinion. A security
interest in a manufactured home perfected pursuant to this section
shall have priority over a conflicting interest of a mortgagee or
other lien encumbrancer, or the owner of the real property upon
which the manufactured home became affixed or otherwise permanently
attached. The holder of the security interest in the manufactured
home, upon default, may remove the manufactured home from such real
property. The holder of the security interest in the manufactured
home shall reimburse the owner of the real property who is not the
debtor and who has not otherwise agreed to access the real property
for the cost of repair of any physical injury to the real property,
but shall not be liable for any diminution in value to the real
property caused by the removal of the manufactured home, trespass,
or any other damages caused by the removal. The debtor shall notify
the holder of the security interest in the manufactured home of the
street address, if any, and the legal description of the real property upon which the manufactured home is affixed or otherwise permanently attached and shall sign such other documents, including any appropriate mortgage, as may reasonably be requested by the holder of such security interest.

F. In the case of motor vehicles or trailers, notwithstanding any other provision of law, a transaction does not create a sale or security interest merely because it provides that the rental price is permitted or required to be adjusted under the agreement either upward or downward by reference to the amount realized upon sale or other disposition of the motor vehicle or trailer.

G. A security interest in vehicles registered by a federally recognized Indian tribe shall be deemed valid under Oklahoma law if validly perfected under the applicable tribal law and the lien is noted on the face of the tribal certificate of title.

SECTION 11. AMENDATORY 47 O.S. 2021, Section 1115, as amended by Section 132, Chapter 282, O.S.L. 2022 (47 O.S. Supp. 2022, Section 1115), is amended to read as follows:

Section 1115. A. Unless provided otherwise by statute, the following vehicles shall be registered annually: manufactured homes, vehicles registered with a permanent nonexpiring license plate pursuant to Section 1113 of this title, and commercial vehicles registered pursuant to the installment plan provided in subsection H of Section 1133 of this title. The following schedule
shall apply for such vehicle purchased in this state or brought into this state by residents of this state:

1. Between January 1 and March 31, the payment of the full annual fee shall be required;
2. Between April 1 and June 30, the payment of three-fourths (3/4) the annual fee shall be required;
3. Between July 1 and September 30, the payment of one-half (1/2) the annual fee shall be required; and
4. Between October 1 and November 30, one-fourth (1/4) the annual fee shall be required.

License plates or decals for each year shall be made available on December 1 of each preceding year for such vehicles. Any person who purchases such vehicle or manufactured home between December 1 and December 31 of any year shall register it within thirty (30) days from date of purchase and obtain a license plate or Manufactured Home License Registration Decal, as appropriate, for the following calendar year upon payment of the full annual fee. Unless provided otherwise by statute, all annual license, registration and other fees for such vehicles shall be due and payable on January 1 of each year and if not paid by February 1 shall be deemed delinquent.

B. 1. All vehicles, other than those required to be registered pursuant to the provisions of subsection A of this section, shall be registered on a staggered system of registration and licensing on a
monthly series basis to distribute the work of registering such
vehicles as uniformly and expeditiously as practicable throughout
the calendar year unless otherwise provided in this section. After
the end of the month following the expiration date, the license and
registration fees for the new registration period shall become
delinquent.

2. All fleet vehicles registered pursuant to new applications
approved pursuant to the provisions of Section 1120 of this title
shall be registered on a staggered system monthly basis.

3. Applicants seeking to establish Oklahoma as the base
jurisdiction for registering apportioned fleet vehicles shall have a
one-time option of registering for a period of not less than six (6)

D. 1. A licensed operator may be permitted, upon application, to sell or transfer an existing license to operate a designated Service Oklahoma location.
