The determination of financial qualification provided in paragraphs 2 and 3 of this subsection shall be based on the income of the student, not the income of the parent(s), if a student is determined to be independent of the student's parents for federal financial aid purposes, was in the permanent custody of the Department of Human Services at the time the student enrolled in the program, or was in the court-ordered custody of a federally
recognized Indian tribe, as defined by the federal Indian Child Welfare Act, at the time the student enrolled in the program.

If the income from taxable and nontaxable sources of the student's parent(s), excluding income received from nontaxable military benefits or income received from the federal Social Security Administration due to the death or disability of the student's parent(s), does not exceed the limitations provided in paragraph 1 of this subsection, the student shall be determined to have met the financial qualification provided in paragraph 1 of this subsection.

3. The determination of financial qualification provided in this subsection shall be based on the income of the student, not the income of the parent(s), if the student is determined to be independent of the student's parent(s) for federal financial aid purposes. A determination of financial qualification shall not be required for the student who meets the criteria set forth in this subsection at the time the student applies for participation in the program.

4. The financial qualification of a student provided in subsections D and E of this section shall be certified by the contact person or by the State Regents on the agreement form provided by the State Regents. The form shall be retained in the

J. The school district where an Oklahoma Promise Opportunity Scholarship program student is enrolled when the student begins participation in the program and any subsequent school district where the student enrolls, shall forward information regarding participation by the student in the program to the school where the student transfers upon request of the school for the student's records.

K. Students participating in the program shall provide their Social Security number or their student identification number used by their school to the State Regents. The State Regents shall keep the numbers confidential and use them only for administrative purposes.

SECTION 6. This act shall become effective July 1, 2023.

SECTION 7. It being immediately necessary for the preservation of the public peace, health, or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval."
