

GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2023

SENATE BILL 508
RATIFIED BILL

AN ACT TO MAKE TECHNICAL, CLARIFYING, AND OTHER AMENDATORY MODIFICATIONS TO THE CURRENT OPERATIONS APPROPRIATIONS ACT OF 2023 AND TO OTHER LEGISLATION.

The General Assembly of North Carolina enacts:

PART I. GENERAL PROVISIONS

LOCAL GOVERNMENT BUDGETS/SETTLEMENT PROJECTS

SECTION 1.1.(a) G.S. 159-13.2 reads as rewritten:

"§ 159-13.2. Project ordinances.

(a) Definitions. – The following definitions apply in this section:

- (1) ~~In this section "capital project" means a~~ Capital project. – A project financed in whole or in part by the proceeds of bonds or notes or debt instruments or a project involving the construction or acquisition of a capital asset.
- (2) ~~"Grant project" means a~~ Grant project. – A project financed in whole or in part by revenues received from the federal and/or State government or other grant or settlement funds source for operating or capital purposes as defined by the grant contract.
- (3) Project ordinance. – The ordinance adopted pursuant to this section governing the life of any of the following:
 - a. Capital project.
 - b. Grant project.
 - c. Settlement project.
- (4) Settlement project. – A project financed in whole or in part by revenues received pursuant to an order of the court or other binding agreement resolving a legal dispute.

(b) Alternative Budget Methods. – ~~A local government unit~~ or public authority may, in its discretion, authorize and budget for a capital project or a project, grant project, or settlement project either in its annual budget ordinance or in a project ordinance adopted pursuant to this section. A project ordinance authorizes all appropriations necessary for the completion of the project and neither it nor any part of it need be readopted in any subsequent fiscal year. Neither a bond order nor an order authorizing any debt instrument constitutes a project ordinance.

(c) Adoption of Project Ordinances. – ~~If a local government unit~~ or public authority intends to authorize a capital project or a project, grant project, or settlement project by a project ordinance, it shall not begin the project until it has adopted a balanced project ordinance for the life of the project. A project ordinance is balanced when revenues estimated to be available for the project equal appropriations for the project. A project ordinance shall clearly identify the project and authorize its undertaking, identify the estimated revenues that will finance the project, and make the appropriations necessary to complete the project. A local government or public authority may incur obligations and make disbursements authorized by the budget appropriations

before receiving estimated revenues and may use available fund balance from the general fund or enterprise fund associated with the project to fund the disbursements.

...
(f) Inclusion of Project Information in Budget. – Each year the budget officer shall include in the budget information in such detail as ~~he the budget officer~~ or the governing board may require concerning each ~~grant project or capital project~~ capital project, grant project, or settlement project (i) expected to be authorized by project ordinance during the budget year and (ii) authorized by previously adopted project ordinances which will have appropriations available for expenditure during the budget year."

SECTION 1.1.(b) G.S. 159-11(d) reads as rewritten:

"(d) The budget officer shall include in the budget a proposed financial plan for each intragovernmental service fund, as required by G.S. 159-13.1, and information concerning ~~capital projects and projects, grant projects projects, and settlement projects~~ capital projects, grant projects, and settlement projects authorized or to be authorized by project ordinances, as required by G.S. 159-13.2."

SECTION 1.1.(c) G.S. 159-13(a) reads as rewritten:

"(a) Not earlier than 10 days after the day the budget is presented to the board and not later than July 1, the governing board shall adopt a budget ordinance making appropriations and levying taxes for the budget year in such sums as the governing board may consider sufficient and proper, whether greater or less than the sums recommended in the budget. The budget ordinance shall authorize all financial transactions of the local government or public authority except for all of the following:

- (1) Those capital, grant, or settlement projects authorized by a project ~~ordinance, ordinance, as defined in G.S. 159-13.2.~~
- (2) Those accounted for in an intragovernmental service fund for which a financial plan is prepared and ~~approved, and approved.~~

...
The budget ordinance may be in any form that the governing board considers most efficient in enabling it to make the fiscal policy decisions embodied therein, but it shall make appropriations by department, function, or project and show revenues by major source."

SECTION 1.1.(d) G.S. 159-26 reads as rewritten:

"§ 159-26. Accounting system.

(a) System Required. – Each ~~local government unit~~ or public authority shall establish and maintain an accounting system designed to show in detail its assets, liabilities, equities, revenues, and expenditures. The system shall also be designed to show appropriations and estimated revenues as established in the budget ordinance and each project ordinance as originally adopted and subsequently amended.

(b) Funds Required. – Each ~~local government unit~~ or public authority shall establish and maintain in its accounting system such of the following funds and ledgers as are applicable to it. The generic meaning of each type of fund or ledger listed below is that fixed by generally accepted accounting principles. ~~[The funds and ledgers are as follows:]~~ The funds and ledgers are as follows:

- ...
(2) Special Revenue Funds. – One or more separate funds shall be established as separate accounts in the appropriate fund for each function, district, or project if more than one function, district, or project is accounted for in each of the following classes:
- (i)~~a.~~ Functions – Functions or activities financed in whole or in part by property taxes voted by the ~~people, people.~~
 - (ii)~~b.~~ Service – Service districts established pursuant to the Municipal or County Service District ~~Acts, and Acts.~~

(iii)c. ~~grant project ordinances. If more than one function is accounted for in a voted tax fund, or more than one district in a service district fund, or more than one grant project in a project fund, separate accounts shall be established in the appropriate fund for each function, district, or project.~~ Grant projects, as defined in G.S. 159-13.2.

d. Settlement projects, as defined in G.S. 159-13.2.

...
(c) Basis of Accounting. – Except as otherwise provided by regulation of the Commission, ~~local governments~~ units and public authorities shall use the modified accrual basis of accounting in recording transactions.

(d) Encumbrance Systems. – Except as otherwise provided in this subsection, no ~~local government~~ unit or public authority is required to record or show encumbrances in its accounting system. Each city or town with a population over 10,000 and each county with a population over 50,000 shall maintain an accounting system that records and shows the encumbrances outstanding against each category of expenditure appropriated in its budget ordinance. Any other ~~local government~~ unit or any public authority may record and show encumbrances in its accounting system. In determining a unit's population, the most recent federal decennial census shall be used.

(e) Commission Regulations. – The Commission may prescribe rules and regulations having the force of law as to:

(1) Features of accounting systems to be maintained by ~~local governments~~ units and public authorities.

...."

SECTION 1.1.(e) G.S. 159-28 reads as rewritten:

"§ 159-28. Budgetary accounting for appropriations.

(a) Incurring Obligations. – No obligation may be incurred in a program, function, or activity accounted for in a fund included in the budget ordinance unless the budget ordinance includes an appropriation authorizing the obligation and an unencumbered balance remains in the appropriation sufficient to pay in the current fiscal year the sums obligated by the transaction for the current fiscal year. No obligation may be incurred for a capital ~~project or a project, grant project-project, or settlement project~~ authorized by a project ordinance, as defined in G.S. 159-13.2, unless that project ordinance includes an appropriation authorizing the obligation and an unencumbered balance remains in the appropriation sufficient to pay the sums obligated by the transaction. Nothing in this section shall require a contract to be reduced to writing.

...
(b) Disbursements. – When a bill, invoice, or other claim against a local government or public authority is presented, the finance officer shall either approve or disapprove the necessary disbursement. If the claim involves a program, function, or activity accounted for in a fund included in the budget ordinance or a capital ~~project or a project, grant project-project, or settlement project~~ authorized by a project ordinance, as defined in G.S. 159-13.2, the finance officer may approve the claim only if both of the following apply:

...."

SPECIAL NEEDS PILOT PROGRAM REPORTING ADJUSTMENT

SECTION 2.5. Section 7.53 of S.L. 2023-134 reads as rewritten:

"SECTION 7.53. Of the funds appropriated to the Department of Public Instruction, the sum of nine hundred seventy-five thousand dollars (\$975,000) in nonrecurring funds for each year of the 2023-2025 fiscal biennium shall be used to contract with Amplio Learning Technologies, Inc., to create a new pilot program (Program) for a special education digital intervention software platform in Alamance County Schools, Catawba County Schools, and Nash County Schools to increase opportunities for students with special needs. The Program shall focus primarily on students receiving interventions for speech language and reading development, including English language learners, to provide more optimized progress for the interventions. To provide more effective and efficient opportunities for Medicaid billing for speech language pathologists (SLP) services and dyslexia-related services, the platform chosen should include digital evidence-based curricula specifically aligned to speech, language, and literacy intervention goals. The chosen solution should include real-time automatic measurements, data collection, and documentation, as well as goal tracking and administrative dashboards. The platform chosen should be a web-based application accessible on multiple devices allowing flexible application across classroom-based, small group, and individual intervention models and utilized by a variety of intervention team members, including special educators, SLPs, Reading Interventionists, SLP assistants, and educational aides. The Department of Public Instruction shall report on the results of the Program to the Joint Legislative Education Oversight Committee and the Fiscal Research Division by October 15, 2025. The report shall include at least (i) a comparison of Medicaid reimbursements paid out to participating public school units compared against public school units that did not participate in the Program and (ii) a comparison of Medicaid reimbursements paid out to public school units after participating in the Program compared against Medicaid reimbursements paid out to participating public school units prior to their participation in the Program."

DELAY IN-PERSON INSTRUCTION REQUIREMENT FOR OPPORTUNITY SCHOLARSHIP FUNDS

SECTION 2.7. Section 7.80 of S.L. 2023-134 is amended by adding a new subsection to read:

A parent shall be provided notice of the opportunity to opt out of any protected information survey given as part of the Center for Disease Control and Prevention's Youth Risk Behavior Surveillance System or National Youth Tobacco ~~Survey~~, ~~Survey~~ or the North Carolina Youth Tobacco Survey."

SCHOOL RESOURCE OFFICERS IN NONPUBLIC SCHOOLS

SECTION 2.8A.(a) G.S. 17C-6(a) is amended by adding a new subdivision to read:

"(22) Establish initial and in-service educational and training standards for school resource officers, as set forth in G.S. 115C-105.58."

SECTION 2.8A.(b) G.S. 17E-4(a) is amended by adding a new subdivision to read:

"(18) Establish initial and in-service educational and training standards for school resource officers, as set forth in G.S. 115C-105.58."

SECTION 2.8A.(c) Article 8C of Chapter 115C of the General Statutes is amended by adding a new section to read:

"§ 115C-105.58. School resource officer.

(a) For the purposes of this section, a school includes any of the following:

(1) A public school within a public school unit.

(2) A nonpublic school authorized under Part 1 or Part 2 of Article 39 of this Chapter.

(b) A school resource officer is any law enforcement officer assigned to one or more schools at least 20 hours per week for more than 12 weeks per calendar year, to assist with all of the following, consistent with any written agreement between the governing body of the school and the law enforcement agency governing the school resource officer:

(1) School safety.

(2) School security.

(3) Emergency preparedness.

(4) Emergency response.

(5) Any additional responsibilities related to school safety or security assigned by the officer's employer while the officer is acting as a school resource officer.

(c) All school resource officers shall comply with training requirements, including in-service training, as established by subsection (d) of this section.

(d) The North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission, in consultation with the Center for Safer Schools and the Department of Health and Human Services, Division of Mental Health, Developmental Disabilities, and Substance Use Services, shall establish initial and in-service educational and training standards for school resource officers."

SECTION 2.8A.(d) The North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission shall amend their rules consistent with this section. Until such time that the amended rules required by this subsection become effective, school resource officers assigned to nonpublic schools by their employing agency shall be required to meet the training requirements pursuant to 12 NCAC 10B .0510 and 12 NCAC 09B .0313 for school resource officers assigned to public schools.

SECTION 2.8A.(e) G.S. 153A-103 reads as rewritten:

"§ 153A-103. Number of employees in offices of sheriff and register of deeds.

Subject to the limitations set forth below, the board of commissioners may fix the number of salaried employees in the offices of the sheriff and the register of deeds. In exercising the authority granted by this section, the board of commissioners is subject to the following limitations:

(1) Each sheriff and register of deeds elected by the people has the exclusive right to hire, discharge, and supervise the employees in his office. However, the board of commissioners must approve the appointment by such an officer of a relative by blood or marriage of nearer kinship than first cousin or of a person who has been convicted of a crime involving moral turpitude.

(2) Each sheriff and register of deeds elected by the people is entitled to at least two deputies who shall be reasonably compensated by the county, provided that the register of deeds justifies to the Board of County Commissioners the

necessity of the second deputy. Each deputy so appointed shall serve at the pleasure of the appointing officer.

- (3) In addition to the number of salaried employees fixed by the board of commissioners, each sheriff is entitled to the number of school resource officers required to satisfy any agreements entered into under G.S. 162-26.5(b).

Notwithstanding the foregoing provisions of this section, approval of the board of commissioners is not required for the reappointment or continued employment of a near relative of a sheriff or register of deeds who was not related to the appointing officer at the time of initial appointment."

SECTION 2.8A.(f) G.S. 159-13(b) reads as rewritten:

"(b) The following directions and limitations shall bind the governing board in adopting the budget ordinance:

...

- (20) If a sheriff or police chief executes an agreement to provide school resource officers pursuant to G.S. 160A-288.5(b) or G.S. 162-26.5(b), respectively, and the governing board receives the funds pursuant to the agreement, the governing board shall appropriate the funds for that purpose.

Notwithstanding subdivisions (9), (10), (12), (14), (17), or (18) of this subsection, any fund may contain an appropriation to another fund to cover the cost of (i) levying and collecting the taxes and other revenues allocated to the fund, and (ii) building maintenance and other general overhead and administrative expenses properly allocable to functions or activities financed from the fund."

SECTION 2.8A.(g) Article 13 of Chapter 160A of the General Statutes is amended by adding a new section to read:

"§ 160A-288.5. Police chief may provide school resource officers to schools.

(a) The police chief may enter into an agreement to provide school resource officers who meet the requirements in G.S. 115C-105.58.

(b) If the police chief enters into an agreement with a nonpublic school pursuant to subsection (a) of this section, the nonpublic school must provide funds at least equal to the compensation, benefits, and related expenses of any school resource officer assigned to the school."

SECTION 2.8A.(h) Article 3 of Chapter 162 of the General Statutes is amended by adding a new section to read:

"§ 162-26.5. Sheriff may provide school resource officers to schools.

(a) The sheriff may enter into an agreement to provide school resource officers who meet the requirements in G.S. 115C-105.58.

(b) If the sheriff enters into an agreement with a nonpublic school pursuant to subsection (a) of this section, the nonpublic school must provide funds at least equal to the compensation, benefits, and related expenses of any school resource officer assigned to the school."

SECTION 2.8A.(i) This section is effective when it becomes law and applies to agreements entered into or renewed on or after that date.

WATER SAFETY ACT CHANGES

SECTION 2.10. Section 8.16 of S.L. 2023-134 reads as rewritten:

"**SECTION 8.16.(a)** Water Research Funding. – Funds appropriated in this act to the North Carolina Collaboratory (Collaboratory) for the 2023-2024 fiscal year for research and other programs related to per- and poly-fluoroalkyl substances (PFAS) and the Collaboratory's general research programs shall be allocated as follows:

- (1) Twenty million dollars (\$20,000,000) in nonrecurring funds for programs related to management of aqueous film-forming foams (AFFF) containing PFAS used by local fire departments and for other PFAS-related research. For purposes of this act, "local fire department" means a fire department operated, regulated, or managed by one or more units of State or local government, including those located at or serving public airports. These funds are allocated to the Collaboratory for the following purposes:
 - a. To conduct a voluntary ~~buyback~~ takeback program for stocks of PFAS-containing AFFF owned or stored by local fire departments. The program may also include the purchase and distribution of replacement PFAS-free foams.

- b. To develop, acquire, analyze, and deploy facilities and technologies to safely store and destroy PFAS-containing AFFF, including technologies available outside of the State.
- c. To provide competitive research grants for (i) human exposure and other studies intended to assess the long-term health risk to firefighters and other emergency response personnel and their family members from exposure to PFAS-containing AFFF and related PFAS-containing materials and (ii) other research related to PFAS in water and air, PFAS toxicology and human exposure, and the mitigation, removal, or destruction of PFAS and PFAS-containing materials.
- d. To fund upgrades to laboratory space at the Textile Protection and Comfort Center at North Carolina State University to accommodate aerosol studies that simulate airborne PFAS particulate exposure.

...
"SECTION 8.16.(d) Public Water Supply Fluoridation Study. – The ~~Commission for Public Health~~ Secretaries' Science Advisory Board shall perform a review of the National Toxicity Program's September 2022 draft report titled "Monograph on the State of the Science Concerning Fluoride Exposure and Neurodevelopmental and Cognitive Health Effects: A Systematic Review," as well as the studies reviewed in the report, and any other studies the ~~Commission Board~~ finds relevant to an assessment of the association between fluoride exposure and IQ in children. Based on this review, the ~~Commission Board~~ shall determine whether sufficient evidence exists for a link between fluoride in the public water supply and cognitive decline or any other neurological detriment in children.

"SECTION 8.16.(e) The ~~Commission~~ Secretaries' Science Advisory Board shall make a report to the General Assembly on or before ~~February~~ December 1, 2024, of its findings and recommendations, including a recommendation on whether the current standard for fluoride established in the ~~Commission's rules~~ rules of the Commission for Public Health (i) is protective of public health and (ii) should be lowered. If the ~~Commission Board~~ makes the determination regarding a link between fluoride in public water supplies and neurological impacts in children as described in subsection (a) of this section, then the ~~Commission Board~~ shall direct the Department of Health and Human Services to create a list of the private and public water utilities in the State, their fluoride concentration, the number of children or households to which they provide water, and any other information that it deems pertinent. The Department shall include with the list a ranking of the risk to children of the water supplied by each utility.

EXTEND DURATION OF ADULT CARE HOME ACCREDITATION PILOT PROGRAM

SECTION 3.2A. Section 9E.6 of S.L. 2021-180, as amended by Section 3.1 of S.L. 2021-189, reads as rewritten:

"...

"SECTION 9E.6.(b) Pilot Program. – The Sheps Center shall oversee the administration of a ~~two-year~~ three-year pilot program to be conducted by the Pilot Program Accrediting Body and the Sheps Center to evaluate the effectiveness of an accreditation process for adult care homes that would deem adult care homes eligible for ongoing licensure and exempt accredited adult care homes from routine inspections if they meet required standards and requirements. The goal of the pilot program is to study the effectiveness of accreditation through an evaluation of quality outcome measures to be developed by the Sheps Center for the purpose of determining whether accreditation achieves compliance with licensure requirements and improves or maintains quality of care compared with a control group. In conducting the pilot program, the Sheps Center shall collaborate with the Pilot Program Accrediting Body, the Department, the NCSLA, the NCALA, the Stakeholder Advisory Group appointed under subsection (c) of this section, and any other qualified entity or State agency that may be of assistance in accomplishing the objectives of the pilot program. The Department shall have access to all of the following upon request:

- (1) Unredacted records maintained by the Pilot Program Accrediting Body related to surveys conducted by the Pilot Program Accrediting Body.
- (2) Deidentified data related to quality outcome measures collected or generated by the Sheps Center.

...

"SECTION 9E.6.(e) Adult Care Home Accreditation Grant Program. – As part of the pilot program, the NCSLA and the NCALA, in consultation with the Sheps Center, the Pilot Program Accrediting Body, and the Stakeholder Advisory Group, shall jointly establish and operate a grant program that provides grant awards to a maximum of 150 Pilot ACHs located in this State to cover (i) the cost of accreditation for up to 75 Pilot ACHs and ACHs, (ii) the cost of serving as a control group member member, and (iii) the cost of providing outcome data for up to 75-150

Pilot ACHs. The Sheps Center shall establish, in consultation with the Pilot Program Accrediting Body, the NCSLA, the NCALE, and the Stakeholder Advisory Group, criteria to be utilized for selecting adult care homes to participate in the adult care home accreditation grant program authorized by this section. The established criteria must ensure that a diverse group of Pilot ACHs are selected to participate as control group members or program participants in the grant program. Pilot ACHs shall not use their grant awards for any purpose other than to contract with the Pilot Program Accrediting Body or otherwise defray the expenses of serving as either a program participant or control group member of the pilot program.

"SECTION 9E.6.(h) Evaluation of Quality Outcome Measures. – Using quality outcome measures established by the Sheps Center, the Sheps Center shall compare outcomes between the program participants and control group members for a period of ~~two~~three years from the onset of the pilot program. The Pilot Program Accrediting Body, program participants, and control group members shall cooperate with the Sheps Center in its efforts to gather and report data necessary to measure and compare care and resident outcomes as required by this subsection. The Sheps Center shall submit the following reports to the Joint Legislative Oversight Committee on Health and Human Services, the Department, and to the Stakeholder Advisory Group:

- (1) On or before April 30, 2023, an interim report on its findings and determinations with respect to the comparisons conducted in accordance with this subsection.
- (2) On or before ~~July 31, 2024~~, July 31, 2025, a final report on its findings and determinations with respect to the comparisons conducted in accordance with this subsection.

"SECTION 9E.6.(i) Evaluation of Pilot Program. – The pilot program shall terminate no later than ~~August 1, 2024~~, August 1, 2025. No later than 90 days after the submission of its final report under subdivision (h)(2) of this section, the Sheps Center shall conduct and submit to the Joint Legislative Oversight Committee on Health and Human Services and the Department an evaluation of the effectiveness of the pilot program for a licensure accreditation process for adult care homes that could inform future changes to the licensure process and requirements. The evaluation shall include, but not be limited to, an assessment of the following information from the pilot program:

- (1) A determination by the Sheps Center that a sufficient number of pilot ACHs and control group member AHCs participated and provided data over a sufficient period of time to enable a reliable evaluation of the pilot program.
- (2) The determination of the Sheps Center on the impact accreditation has on adult care home resident outcomes, or whether it demonstrably improves or at least maintains resident outcomes, based on the quality measures established by the Sheps Center.
- (3) The completion of unannounced surveys by the Pilot Program Accrediting Body within 12 months from the prior accreditation effective date.
- (4) The timely notification to surveyed facilities of identified deficiencies with the accreditation program's standards.
- (5) The monitoring of the correction of identified deficiencies at the facility with the program standards of the pilot accrediting body.
- (6) Other relevant factors identified during the pilot program.

SECTION 4.5. Section 10.6 of S.L. 2021-180 reads as rewritten:

"SECTION 10.6. Funds appropriated in this act from the State Fiscal Recovery Fund to the Department of Agriculture and Consumer Services for support of North Carolina food banks shall be allocated as follows:

- ...
- (3) Five million dollars (\$5,000,000) to Reinvestment Partners, a nonprofit organization, for its Produce Prescription Program, which provides a monthly forty dollar (\$40.00) per household benefit for each eligible Food and Nutrition Services recipient enrolled by the recipient's health care provider, to serve individuals impacted by the COVID-19 emergency. ~~Individuals receiving assistance pursuant to this subdivision are limited to three months of food assistance.~~ Reinvestment Partners shall not use any of the funds allocated under this subdivision for administrative costs."

DAM SAFETY LAW OF 1967 PERMIT FEE REVISION

SECTION 4.6.(a) G.S. 143-215.28A(a1), as enacted by Section 4 of S.L. 2023-138, reads as rewritten:

"(a1) A nonrefundable application processing and compliance fee in the amount of two and one-quarter percent (2.25%) of the actual cost of construction, repair, alteration, breach, or removal of the applicable dam shall be paid for the processing of applications for approvals of construction, repair, alteration, breach, or removal of dams issued under this Part as follows: (i) an initial fee of five hundred dollars (\$500.00) or one-half of the processing and compliance fee based on the engineer's estimated cost of construction, repair, alteration, or removal of the dam, whichever amount is greater, shall be submitted with the application and (ii) the remainder of the processing and compliance fee based on the engineer's ~~estimated~~ actual cost of construction, repair, alteration, breach, or removal of the dam, whichever amount is greater, shall be paid when the as-built plans are submitted to the Department. The maximum fee shall not exceed fifty thousand dollars (\$50,000) for the construction, repair, alteration, breach, or removal of a dam. In addition, the following provisions shall apply:

- (1) Each application for construction, repair, alteration, breach, or removal of a dam shall be deemed incomplete and shall not be reviewed until the initial fee of five hundred dollars (\$500.00) or one-half of the processing and compliance fee is paid.
- (2) For purposes of determining the actual cost of construction, repair, alteration, breach, or removal, the cost shall (i) include all labor and materials costs associated with the project for the applicable dam and (ii) not include the costs associated with acquisition of land or right-of-way, design, quality control, electrical generating machinery, or constructing a roadway across the dam.
- (3) Immediately upon completion of construction, repair, alteration, breach, or removal of a dam, the owner shall file a certification with the Director, on a form prescribed by the Department, and accompanying documentation, which shows actual cost incurred by the owner for construction, repair, alteration, breach, or removal of the applicable dam.
 - a. The owner's certification and accompanying documentation shall be filed with the as-built plans and the engineer's certification.

- b. If the Director finds that the owner's certification and accompanying documentation contain inaccurate cost information, the Director shall either withhold final impoundment approval, if applicable, or revoke final impoundment approval, if applicable, until the owner provides accurate documentation and that documentation has been verified by the Department.
- (4) Final approval to impound shall not be granted until the owner's certification and the accompanying documentation are filed in accordance with subdivision (3) of this subsection and the remainder of the application processing and compliance fee has been paid as provided by this subsection.
- (5) Payment of the application processing and compliance fee shall be by check or money order made payable to the Department and reference the applicable dam."

SECTION 4.6.(b) This section is effective when it becomes law and applies retroactively to applications for the construction, repair, alteration, breach, or removal of a dam received by the Department on or after October 10, 2023.

CLARIFY MODIFICATION OF THE FLOODPLAIN REGULATION STATUTES TO DEEM CERTAIN AIRPORT PROJECTS PERMITTED AS ENACTED IN S.L. 2023-137

SECTION 4.7.(a) G.S. 143-215.52(c) is repealed.

SECTION 4.7.(b) G.S. 143-215.56(i) is repealed.

SECTION 4.7.(c) Part 6 of Article 21 of Chapter 143 of the General Statutes is amended by adding a new section to read:

§ 143-215.57A. Certain airport projects deemed permitted.

(a) Notwithstanding any other provision of this Part, Chapter 166A of the General Statutes, or any other applicable statute, an airport project shall be deemed permitted for use of an eligible flood hazard area for purposes of this Part if the applicable airport authority has received a no-rise certificate for that airport project, and the no-rise certificate has been accepted by the Department. No additional permit or authorization shall be required pursuant to this Part for an airport project deemed permitted pursuant to this section.

(b) For purposes of this section, the following definitions apply:

(1) Airport authority. – Any authority that is authorized or governed by Chapter 63 of the General Statutes or other laws enacted by the General Assembly to acquire, establish, construct, maintain, improve, and/or operate airports or other air navigation facilities; provided, however, that this definition of "airport authority" shall not include any local government as defined by this section.

(2) Airport facility. – All properties, facilities, buildings, structures, and activities that satisfy or otherwise fall within the scope of one or more of the definitions or uses of the words or phrases "air navigation facility," "airport," or "airport protection privileges" under G.S. 63-1; the definition of "aeronautical facilities" in G.S. 63-79(1); the phrase "airport facilities" as used in G.S. 159-48(b)(1); the phrase "aeronautical facilities" as defined in G.S. 159-81 and G.S. 159-97; and the phrase "airport facilities and improvements" as used in Section 13 of Article V of the North Carolina Constitution. Airport facilities shall include, without limitation, any and all of the following:

a. The airport and all of its terminals and terminal shops and support buildings.

b. Runways, taxiways, clear zones, and other paved or unpaved areas, or open or restricted landing areas on the airport.

- c. Airport offices and administrative buildings.
 - d. Buildings, structures, equipment, and facilities intended to support aircraft operations, including, without limitation, hangars and other aircraft maintenance buildings, storage buildings or areas, and including, without limitation, anything shown on any airport development plan submitted to the Federal Aviation Administration.
 - e. Navigational and signal systems, including any structures, mechanisms, landing lighting and lights, beacons, marks, communicating systems, or other instrumentalities or devices used or useful as an aid, or constituting an advantage or convenience to the safe taking off, navigation, and landing of aircraft, or the safe and efficient operation or maintenance of an airport or restricted landing area.
 - f. Parking owned or operated by the airport to serve the airport's operations, whether located on the airport or as satellite parking.
 - g. Drainage ditches or pipes, stormwater structures, and related stormwater outfalls.
 - h. Retail and commercial development outside of the terminal area but located on the airport, including rental car facilities, hotels, industrial facilities, freestanding offices, and other similar buildings constructed on the airport, whether or not owned or operated by the airport.
 - i. All appurtenant areas used or suitable for airport buildings or other airport facilities, including all appurtenant rights-of-way.
 - j. Easements through, or other interests in, airspace over land or water, interests in airport hazards outside the boundaries of the airport or restricted landing area, and other protection privileges, the acquisition or control of which is necessary to ensure safe approaches to the landing areas of the airport and restricted landing areas and the safe and efficient operation thereof.
 - k. Any combination of any or all of such properties, facilities, buildings, structures, activities, and easements.
- (3) Airport project. – The construction, reconstruction, repair, or other similar action of any airport facility, including any structure or area used in connection with an airport facility.
- (4) Eligible flood hazard area. – A flood hazard area to which both of the following criteria apply:
- a. Use of the area will be consistent with the technical criteria contained in 44 C.F.R. § 60.3 for flood-prone areas, as demonstrated by a no-rise certificate accepted by the Department.
 - b. No local government has a clearly demonstrated statutory authority to issue a permit for use of the flood hazard area pursuant to this Part.
- (5) No-rise certificate, no-rise certification, no-rise/no-impact certification, or any other similarly denominated certificate or action. – A demonstration through hydrologic and hydraulic analyses performed in accordance with standard engineering practice that the proposed encroachment would not result in any increase in flood levels within the community during the occurrence of the base flood discharge.
- (6) Permit – Any permit, license, or similar approval that grants the right to use of one or more flood hazard areas consistent with the requirements of this Part."

SECTION 4.7.(d) This section is effective retroactively to October 10, 2023.

TOWN OF HOOKERTON WATER AND SEWER GRANT MODIFICATION

SECTION 4.8. Section 12.2(f) of S.L. 2023-134 reads as rewritten:

"**SECTION 12.2.(f)** Other Grants. – Of the funds allocated by subsection (a) of this section for project grants, the Department of Environmental Quality shall transfer the sum of thirty-six million three hundred thirty thousand five hundred ninety dollars (\$36,330,590) to the Office of State Budget and Management to provide a grant to the following entities for the purposes specified:

- ...
- (8) Four hundred fifty thousand dollars (\$450,000) for a directed grant to the Town of Hookerton to repay a USDA loan. Any amount remaining after the repayment of the loan shall be used by the Town of Hookerton for water or wastewater projects.
-"

ADD HAYWOOD COUNTY TO AGRICULTURE COST SHARE PROGRAM FOR NONPOINT SOURCE POLLUTION CONTROL

SECTION 4.9. Section 10.7(a) of S.L. 2023-134 reads as rewritten:

"**SECTION 10.7.(a)** Funds appropriated in this act for the Agriculture Cost Share Program for Nonpoint Source Pollution Control from the State Capital and Infrastructure Fund shall be used to provide cost share assistance to farmers engaged in farming in the watershed of the Upper French Broad River in Transylvania, Henderson, Buncombe, Haywood, and Madison Counties for the installation of fences, alternative livestock watering systems, pasture management, and other measures deemed appropriate by the local Soil and Water Conservation District to keep livestock out of existing streams and watercourses that constitute or drain into the Upper French Broad River."

NCAMPI GRANT RECIPIENT MODIFICATION

SECTION 4.10. Section 10.2(b) of S.L. 2023-134 reads as rewritten:

"**SECTION 10.2.(b)** Establishment. – There is created within the Department of Agriculture and Consumer Services (Department), the North Carolina Agricultural Manufacturing and Processing Initiative (NCAMPI). Funds allocated to NCAMPI by this section will be used for the following activities:

- ...
- (3) Remaining NCAMPI funds to provide grants to ~~local governments and nonprofit economic development entities to support the creation or expansion of agricultural manufacturing facilities.~~ Grant funds may be used agriculture manufacturing facilities for site development, infrastructure costs (including water, wastewater, or transportation improvements), building construction or rehabilitation costs, or equipment. equipment, or to local governments providing infrastructure for agricultural manufacturing facilities. As a part of the application, applicants must demonstrate in a manner determined by the Department that they have applied for or otherwise sought other sources of applicable funding for the proposed project. New facilities and expansions of existing facilities will be eligible for grants under this subdivision. Shared-use facilities and incubators are ineligible for grants under this subdivision. Before entering into a grant agreement, the Department must find that the total benefits of the project to the State outweigh its anticipated costs and render the grant appropriate for the project."

LOCAL APPROVAL OF EROSION AND SEDIMENTATION CONTROL PLAN CLARIFICATION

SECTION 4.11.(a) G.S. 113A-61(b1), as amended by Section 12.10(c) of S.L. 2023-134 and Section 2(d) of S.L. 2023-142, reads as rewritten:

"(b1) A local government shall not deny a draft erosion and sedimentation control plan based solely upon the applicant's need to ~~obtain~~obtain: (i) other development approvals for the project, as that term is defined by ~~G.S. 160D-102(13)~~. A local government shall G.S. 160D-102, or (ii) other environmental permits, authorizations, or certifications for the project, aside from a permit required for stormwater discharges from construction sites pursuant to 40 C.F.R. § 122.26; the local government shall, however, condition approval of a draft erosion and sedimentation control plan upon the applicant's compliance with federal and State water quality laws, regulations, and rules, including the applicant's receipt of other environmental permits, authorizations, or certifications that may be required for the project. A local government shall disapprove an erosion and sedimentation control plan if implementation of the plan would result in a violation of rules adopted by the Environmental Management Commission to protect riparian buffers along surface waters. A local government may disapprove an erosion and sedimentation control plan or disapprove a transfer of a plan under subsection (b3) of this section upon finding that an applicant or a parent, subsidiary, or other affiliate of the applicant:

In the exercise of its powers as set forth in G.S. 84-23, the Council shall thereupon take disciplinary or other action with reference to the delinquent as it considers necessary and proper."

DEPARTMENT OF INSURANCE CHANGES

SECTION 6.3.(a) G.S. 58-21-85 reads as rewritten:

"§ 58-21-85. Surplus lines tax.

...

- (b) Payment of the premium receipts tax shall be due:
- (1) For risk purchasing groups, at the same time the licensee files a quarterly report with the Commissioner.
 - (2) For surplus lines ~~insurers~~-licensees receiving invoices issued by the North Carolina Surplus Lines Stamping Office SLIP system, 30 days after the end of each quarter.

...."

SECTION 6.3.(b) G.S. 58-58-120 reads as rewritten:

"§ 58-58-120. Notice of nonpayment of premium required before forfeiture.

No life insurance corporation doing business in this State shall, within one year after the default in payment of any premium, installment, or interest, declare forfeited or lapsed any policy hereafter issued or renewed, except policies on which premiums are payable monthly or at shorter intervals and except group insurance contracts and term insurance contracts for one year or less, nor shall any such policy be forfeited or lapsed by reason of nonpayment, when due, of any premium, interest, or installment or any portion thereof required by the terms of the policy to be paid, within one year from the failure to pay such premium, interest, or installment, unless a written or printed notice stating the amount of such premium, interest, installment, or portion thereof due on such policy, the place where it shall be paid, and the person to whom the same is payable has been duly addressed and mailed, postage paid, to the person whose life is insured, or to the assignee or owner of the policy, or to the person designated in writing by such insured, assignee or owner, if notice of the assignment has been given to the corporation, at his or her last known post-office ~~address in this State, address,~~ by the corporation or by any officer thereof or person appointed by it to collect such premium, at least 15 and not more than 45 days prior to the day when the same is payable, as regards policies which do not contain a provision for grace or are not entitled to grace in the payment of premiums and at least five and not more than 45 days prior to the day when the same is payable as regards policies which do contain a provision for grace or are entitled to grace in the payment of premiums. The notice shall also state that unless such premium, interest, installment, or portion thereof then due shall be paid to the corporation or to the duly appointed agent or person authorized to collect such premium, by or before the day it falls due, the policy and all payments thereon will become forfeited and void, except as to the right to a surrender value or paid-up policy, as in the contract provided. If the payment demanded by such notice shall be made within its time limit therefor, it shall be taken to be in full compliance with the requirements of the policy in respect to the time of such payment; and no such policy shall in any case be forfeited or declared forfeited or lapsed until the expiration of 30 days after the mailing of such notice. The affidavit of any officer, clerk, or agent of the corporation, or of anyone authorized to mail such notice, that the notice required by this section has been duly addressed and mailed by the corporation issuing such policy, shall be presumptive evidence that such notice has been duly given. No action shall be maintained to recover under a forfeited policy unless the same is instituted within three years from the day upon which default was made in paying the premium, installment, interest, or portion thereof for which it is claimed that forfeiture ensued."

OFFICE OF STATE FIRE MARSHAL TECHNICAL CHANGES

INSURING STATE PROPERTY, OFFICIALS, AND EMPLOYEES

SECTION 6.4.(a) Article 31 of Chapter 58 of the General Statutes reads as rewritten:

"Article 31.

"Insuring State Property, Officials and Employees.

...

"§ 58-31-2. Certain buildings of North Carolina Global TransPark exempt.

...

(c) The North Carolina Global TransPark Authority shall notify the ~~Commissioner of Insurance~~Office of the State Fire Marshal in writing that the Authority is entering into a contract or modifying a contract for which the exemption under this section would apply at least 30 days prior to entering into or modifying that contract. The Authority shall consult with the ~~Commissioner of Insurance~~Office of the State Fire Marshal regarding the adequacy of insurance for fire losses required by this section during this period.

"§ 58-31-5. Appropriations; fund to pay administrative expenses.

Upon the expiration of the existing fire insurance policies on said properties and in making appropriations for any biennium after the next biennium, the ~~Commissioner~~State Fire Marshal shall file with the Department of Administration his or her estimate of the appropriations which will be necessary in order to set up and maintain an adequate reserve to provide a fund sufficient to protect the State, its departments, institutions, and agencies from loss or damage to any of said properties up to fifty per centum (50%) of the value thereof. Appropriations made for the creating of such fire insurance reserves against property of the Department of Agriculture and Consumer Services, or the Department of Transportation or any special operating fund shall be charged against the funds of such departments.

The State Property Fire Insurance Fund is authorized and empowered to pay all the administrative expenses occasioned by the administration of Article 31 of Chapter 58 of the General Statutes.

"§ 58-31-10. Payment of losses on basis of actual cost of restoration or replacement; rules; insurance and reinsurance; sprinkler leakage insurance.

(a) In the case of total or partial loss of any property of any State agency or institution, the ~~Commissioner~~State Fire Marshal shall determine the amount of loss and certify that amount to the agency or institution concerned and to the Director of the Budget and Council of State. The Director of the Budget and Council of State may authorize transfers from the Fund to the agency or institution that suffered the loss in amounts that are necessary to pay for the actual cost of restoration or replacement of the property. In the event there is not a sufficient amount in the Fund to pay for the actual cost of restoration or replacement, the Director of the Budget and the Council of State may supplement the Fund by transferring amounts from the Contingency and Emergency Fund.

(b) The ~~Commissioner~~State Fire Marshal, with the approval of the Council of State, is authorized to adopt rules necessary to carry out the purpose of this Article, which rules shall be binding on all State agencies and institutions. The ~~Commissioner~~State Fire Marshal, with the approval of the Director of the Budget and the Council of State, is authorized to purchase from qualified insurers insurance or reinsurance necessary to protect the Fund against loss on any one building and its contents in excess of fifty thousand dollars (\$50,000), and the premiums for this coverage shall be paid from the Fund.

(c) Upon the request of any State agency or institution, sprinkler leakage insurance shall be provided on designated property of the agency or institution that is insured by the Fund. Premiums for this coverage shall be paid by the requesting agency or institution in accordance with rates fixed by the ~~Commissioner~~State Fire Marshal. Losses covered by this insurance may be paid out of the Fund in the same manner as other losses. The ~~Commissioner~~State Fire Marshal, with the approval of the Director of the Budget and the Council of State, is authorized to purchase from qualified insurers insurance or reinsurance necessary to protect the Fund against loss with respect to sprinkler leakage insurance coverage.

"§ 58-31-12. Policy forms.

The ~~Commissioner~~State Fire Marshal, with the approval of the Council of State, may adopt insurance forms for coverages provided by the State Property Fire Insurance Fund under this Article.

...

"§ 58-31-20. Use and occupancy and business interruption insurance.

Upon request of any State department, ~~agency~~agency, or institution, use and occupancy and business interruption insurance shall be provided on state-owned property of such department, ~~agency~~agency, or institution which is insured by the State Property Fire Insurance Fund. Premiums for such insurance coverage shall be paid by each requesting department, ~~agency~~agency, or institution in accordance with rates fixed by the ~~Commissioner~~State Fire Marshal. Losses covered by such insurance may be paid for out of the State Property Fire Insurance Fund in the same manner as fire losses. The ~~Commissioner~~State Fire Marshal, with the approval of the Governor and Council of State, is authorized and empowered to purchase from insurers admitted to do business in North Carolina such insurance or reinsurance as may be necessary to protect the State Property Fire Insurance Fund against loss with respect to such insurance coverage.

"§ 58-31-25. Professional liability insurance for officials and employees of the State.

The ~~Commissioner~~State Fire Marshal may acquire professional liability insurance covering the officers and employees of any State department, ~~institution~~institution, or agency upon the request of such State department, ~~institution~~institution, or agency. Premiums for such insurance coverage shall be paid by the requesting department, ~~institution~~institution, or agency at rates fixed by the ~~Commissioner~~State Fire Marshal from funds made available to it for the purpose. The ~~Commissioner~~State Fire Marshal, in placing a contract for such insurance is authorized to place such insurance through the Public Officers and Employees' Liability Insurance Commission, and shall exercise all efforts to place such insurance through the said commission prior to attempting to procure such insurance through any other source.

The ~~Commissioner~~State Fire Marshal, pursuant to this section, may acquire professional liability insurance covering the officers and employees of a department, ~~institution~~institution, or agency of State government only if the coverage to be provided by such policy is coverage of claims in excess of the protection provided by Articles 31 and 31A of Chapter 143 of the General Statutes.

The purchase, by any State department, ~~institution~~institution, or agency of professional liability insurance covering the law-enforcement officers, ~~officers~~officers, or employees of such department, ~~institution~~institution, or agency shall not be construed as a waiver of any defense of sovereign immunity by such department, ~~institution~~institution, or agency. The purchase of such insurance shall not be deemed a waiver by any employee of the defense of sovereign immunity to the extent that such defense may be available to him.

The payment, by any State department, ~~institution~~institution, or agency of funds as premiums for professional liability insurance through the plan provided herein, covering the law-enforcement officers or officials or employees of such department, ~~institution~~institution, or agency is hereby declared to be for a public purpose.

...

"§ 58-31-35. Information furnished ~~Commissioner~~State Fire Marshal by officers in charge.

It is the duty of the different officers or boards having in their custody any property belonging to the State to inform the ~~Commissioner~~State Fire Marshal, giving him or her in detail a full description of same, and to keep him or her informed of any changes in such property or its location or surroundings.

...

"§ 58-31-45. Report required of ~~Commissioner~~State Fire Marshal.

The ~~Commissioner~~State Fire Marshal must submit to the Governor a full report of his or her official action under this Article, with such recommendations as commend themselves to the ~~Commissioner~~State Fire Marshal.

...

"§ 58-31-52. State motor vehicle safety program.

(a) Findings, Policy, and Purpose. – Motor vehicle accidents exact a terrible toll of human tragedy and suffering as well as national resources within the United States. The same is true, on a smaller scale, within North Carolina State government. Every year State employees or members of the general public are killed or injured, and a significant portion of the State's financial resources is expended as a direct result of accidents involving State-owned vehicles. Accordingly, it is North Carolina policy that the State-owned motor vehicle fleet and vehicles used on behalf of the State be operated and maintained in such a manner as to minimize deaths, injuries, and costs. The purpose of this section is to direct the ~~Commissioner of Insurance Office of the State Fire Marshal~~ to develop a program to provide policy, requirements, procedures, technical information, and standards for administering a State vehicle safety program which will apply to all State personnel involved in the administration and operation of vehicles on behalf of the State.

(b) The ~~Commissioner~~ State Fire Marshal shall develop and adopt a State motor vehicle safety program to assure that State-owned motor vehicles are operated and maintained in a safe manner.

(c) In developing the program, the ~~Commissioner~~ State Fire Marshal shall include the following:

...

(d) The requirements and procedures established under the program apply to all agencies and persons operating vehicles on behalf of the State, unless specifically exempted by the ~~Commissioner~~ State Fire Marshal. Agencies may adopt more stringent requirements and procedures than those adopted by the ~~Commissioner~~ State Fire Marshal under this section. The administration of the program in each agency is the responsibility of each agency head or that person's designee.

(e) The provisions of Chapter 150B of the General Statutes do not apply to the program developed and adopted under this section.

"§ 58-31-55. Insurance and official fidelity bonds for State agencies to be placed by Department; exception; costs of placement.

Except as provided in G.S. 58-32-15, all insurance and all official fidelity and surety bonds authorized for State departments, institutions, and agencies shall be effected and placed by the Department, and the cost of such placement shall be paid by the State department, institution, or agency involved upon bills rendered to and approved by the ~~Commissioner~~ State Fire Marshal.

...

"§ 58-31-65. Owner-controlled or wrap-up insurance authorized.

(a) To the extent it is determined necessary and in the best interest of this State, the ~~Department~~ Office of the State Fire Marshal may obtain design and construction insurance or provide for self-insurance against property damage caused by this State, its departments, agencies, boards, and commissions and all officers and employees of this State in connection with the construction of public works projects. Workers' compensation and general liability insurance may be purchased to cover both general contractors and subcontractors doing work on a specific contracted work site. In connection with the construction of public works projects, the ~~Department~~ Office of the State Fire Marshal may also use an owner-controlled or wrap-up insurance program if all of the following conditions are met:

...

(2) The program maintains completed operations coverage for a term during which coverage is reasonably commercially available as determined by the ~~Commissioner~~ State Fire Marshal, but in no event for fewer than three years.

...."

SECTION 6.4.(b) G.S. 58-78A-16, as enacted in Section 10.1(d) and Section 10.1(e) of S.L. 2023-151, is recodified as G.S. 58-31-41.

STATE INSURANCE FOR PUBLIC EDUCATION

SECTION 6.4.(c) Part 1 and Part 2 of Article 31A of Chapter 58 of the General Statutes read as rewritten:

"Part 1. Public Education Property.

...

"§ 58-31A-5. Duty of the ~~Commissioner~~ State Fire Marshal to operate insurance system for public education property.

The ~~Commissioner~~ State Fire Marshal shall have the duty to manage and operate a system of insurance for public education property. The ~~Commissioner~~ State Fire Marshal may offer a system of property insurance to any charter schools approved pursuant to G.S. 115C-218.5.

"§ 58-31A-10. Flood insurance.

Premiums for flood insurance coverage for public education buildings shall be paid by each public education board in accordance with rates fixed by the ~~Commissioner~~ State Fire Marshal, and the ~~Commissioner~~ State Fire Marshal may purchase from insurers admitted to do business in North Carolina such insurance or reinsurance as may be necessary to protect the State Public Education Insurance Fund against loss with respect to such insurance coverage.

"§ 58-31A-15. Authority and rules for organization of system.

The ~~Commissioner~~ State Fire Marshal is hereby authorized, directed, and empowered to establish a division to manage and operate a system of insurance for public education property. The ~~Commissioner~~ State Fire Marshal shall adopt such rules and regulations as may be necessary to provide all details inherent in the insurance of public education property. The ~~Commissioner~~ State Fire Marshal shall employ any staff necessary, which in his or her opinion is necessary to insure and protect effectively public education property, and he or she shall fix their compensation consistent with the policies of the State Human Resources Commission.

"§ 58-31A-20. State Public Education Property Insurance Fund; decrease of premiums when fund reaches five percent of total insurance in force.

(a) There is established a State Public Education Property Insurance Fund (Fund) as a special fund in the State treasury for the purpose of providing a reserve against property loss of public education boards. The State Treasurer shall be the custodian of the Fund and shall invest its assets in accordance with the provisions of G.S. 147-69.2 and G.S. 147-69.3. All funds paid over to the State Treasurer by the ~~Commissioner~~ State Fire Marshal for premiums on insurance by public education boards and all money received from interest or from loans and deposits and from any other source connected with the insurance of the property shall be held by the State Treasurer in the Fund for the purpose of paying all insurable hazards for which the Fund shall be liable and the expenses necessary for the proper conduct of the insurance of such property, together with such premiums for reinsurance that the ~~Commissioner~~ State Fire Marshal may deem necessary to reinsure as provided by this Article.

(b) When the balance of the Fund reaches the sum of five percent (5%) of the total insurance in force, then annually thereafter the ~~Commissioner~~ State Fire Marshal shall proportionately decrease the premiums on insurance to an amount which will be sufficient to maintain the Fund at five percent (5%) of the total insurance in force, and in the event in the judgment of the ~~Commissioner~~ State Fire Marshal the income from the investments of the Fund are sufficient to maintain the same at five percent (5%) of the total insurance in force, no premium shall be charged for the ensuing year. However, no public education board shall cease to pay premiums until five annual payments of premiums have been made on a building or property insured whether or not through such payments the Fund shall be increased beyond five percent (5%) of the total insurance in force, unless such building or property shall cease to be insurable under this Article within such five-year period.

"§ 58-31A-25. Insurance of property by public education boards; notice of election to insure and information to be furnished; outstanding policies.

All public education boards may insure all public education property titled to that board against the direct loss or damage by insurable hazards in public education buildings and other public education properties in the Fund. Any property covered by an insurance policy in effect on the date when the property of a public education board is insured in the Fund shall be insured by the Fund as of the expiration of the policy. Each public education board shall give notice of its election to insure in the Fund at least 90 days prior to such insurance becoming effective and shall furnish to the ~~Commissioner~~ State Fire Marshal a full and complete list of all outstanding property insurance policies, giving in complete detail the name of the insurers, the amount of the insurance and expirations thereof. While the said insurance policies remain in effect, the Fund shall act as coinsurer of the properties covered by such insurance to the same extent and in the same manner as is provided for coinsurance under the provisions of the standard form of property insurance as provided by law, and in the event of loss shall have the same rights and duties as required by participating insurance companies.

"§ 58-31A-30. Inspections of insured public education properties.

The ~~Commissioner~~ State Fire Marshal shall provide for periodic inspections of all public education properties in the State of North Carolina insured under the provisions of this Article, in addition to the inspections required by G.S. 115C-525(b). The person making inspections required under G.S. 115C-525(b) shall furnish a copy to the ~~Commissioner~~ State Fire Marshal, and the local superintendent shall furnish to the ~~Commissioner~~ State Fire Marshal their corrective action plan. The inspections shall be for safety of buildings and particularly buildings used to provide instruction to students. The inspections shall be the basis for offering such engineering advice as may be thought to be necessary to safeguard students in public education buildings from death and injury from school fires or explosions and to protect the properties from loss, and the public education properties shall be required so far as possible, and reasonable, to carry out and put into effect any recommendations made by the ~~Commissioner~~ State Fire Marshal.

"§ 58-31A-35. Information to be furnished prior to insuring in Fund; providing for payment of premiums.

Public education boards shall, at least 90 days before insuring in the Fund, furnish to the ~~Commissioner~~ State Fire Marshal a complete and detailed list of all public education buildings and contents of those buildings and other insurable public education property, together with an estimate of the present value of the property. Valuation for purposes of insuring in the Fund shall be reached by agreement in accordance with the procedure established for adjustment of losses. Public education boards and the tax-levying authority shall be required to provide for the payment of premiums for insurance on the school properties of each public education board, respectively, to the extent of not less than eighty percent (80%) of the current insurable value of the said properties, including the insurance in property insurance companies and the insurance provided by the Fund.

"§ 58-31A-40. Determination and adjustment of premium rates; certificate as to insurance carried; no lapse; notice as to premiums required, and payments of premiums.

(a) The ~~Commissioner~~ State Fire Marshal shall determine the annual premium rate to be charged for insurance of public education properties pursuant to this Article, and rates shall be adjusted from time to time so as to provide insurance against damage or loss resulting from insurable hazards to public education buildings and properties of the public education boards at the lowest cost possible in keeping with the payment of cost of administration under this Article, and the creation of adequate reserves to pay losses which may be incurred. The ~~Commissioner~~ State Fire Marshal shall furnish to each public education board annually and, at such times as changes may require, a certificate showing the amount of insurance carried on each item of insurable property. This insurance shall not lapse but shall remain in force until the public education board requests that the insurance be canceled or until such property becomes uninsurable in the manner set out in G.S. 58-31A-45. From time to time, the public education board shall be notified as to the amount of the premiums required to be paid for insurance and

the amounts to be provided for in the annual budget of the public education board. The tax-levying authorities shall provide by taxation or otherwise a sum sufficient to pay the required premiums.

(b) The public education board shall, within 30 days from notice of the rate of the premium, pay to the ~~Commissioner~~State Fire Marshal the amount of the premiums on the insurance, and in the event that there are no funds available to make a payment on the premiums as required by this subsection, the premium shall be paid out of the first funds available to the public education board. Delayed payments shall bear interest at the rate of six percent (6%) per annum.

"§ 58-31A-45. Adjustment of losses; determination and report of appraisers; payment of amounts to treasurers of local school administrative units; disbursement of funds.

...
(b) In the event of loss or damage by insurable hazards to public education buildings and properties of the public education boards, to the property insured, when an agreement as to the extent of the loss or damage cannot be arrived at between the ~~Commissioner~~State Fire Marshal and the public education board with control charge of the property, the amount of the loss or damage shall be determined by three appraisers selected as follows: the ~~Commissioner~~State Fire Marshal shall select one appraiser, the public education board in control of the property shall select one appraiser, and the two appraisers selected by the ~~Commissioner~~State Fire Marshal and the public education board shall select a third appraiser. The selected appraisers shall be disinterested persons and shall be qualified from experience to appraise and value the property. If the appraisers appointed by the ~~Commissioner~~State Fire Marshal and the public education board shall fail to agree upon a third appraiser within 15 days of their selection, then, on request of the ~~Commissioner~~State Fire Marshal or the public education board, a third appraiser shall be selected by any regular resident superior court judge of the superior court district or set of districts as defined in G.S. 7A-41.1 in which the property is located. The selected appraisers shall file their written report with the ~~Commissioner~~State Fire Marshal and with the public education board. The costs of the appraisal shall be paid from the Fund. Upon the determination of the loss by the appraisers, the ~~Commissioner~~State Fire Marshal shall pay the amount of the loss or damage to the education property to the finance officer of the public education board, upon proper warrant of the ~~Commissioner~~State Fire Marshal. The funds shall be paid out by the finance officer for the disbursement of the funds to the public education board.

"§ 58-31A-50. Maintenance of inspection and engineering service; cancellation of insurance.

The ~~Commissioner~~State Fire Marshal is authorized and empowered to maintain an inspection and engineering service deemed by it to be appropriate and necessary to reduce the hazards of fire in public education buildings insured in the Fund and to expend for such purpose not in excess of ten percent (10%) of the annual premiums collected from the public education boards. The ~~Commissioner~~State Fire Marshal is authorized and empowered to cancel any insurance on any public education property when, in his or her opinion, because of dilapidation and depreciation of the property, the property is no longer insurable. The public education board shall be notified at least 30 days prior to cancellation, and in the event the public education board demonstrates the property can be restored to insurable condition, the ~~Commissioner~~State Fire Marshal may continue insurance coverage, provided, that the findings and results of the inspection of public education property by the agents of the ~~Commissioner~~State Fire Marshal shall be reported to the public education board and to the tax-levying authority for that public education board that carry insurance with the Fund at least 30 days prior to finalization of a local budget for that fiscal year to ensure that all public education property shall be properly taken care of and made safe from fire hazards.

"§ 58-31A-55. Other property insurance.

The ~~Commissioner~~ State Fire Marshal shall adopt rules for providing property insurance on property insured by the Fund against all risks of direct physical loss not otherwise insured against pursuant to this Article. Losses covered by this additional insurance shall be paid out of the Fund in the same manner as fire and extended coverage losses. Each public education board that elects to purchase this additional insurance shall pay a premium in accordance with rates fixed by the ~~Commissioner~~ State Fire Marshal. This additional insurance shall be subject to the provisions and stipulations on policy forms approved by the ~~Commissioner~~ State Fire Marshal.

"Part 2. Student-Athletic Catastrophic Insurance.

"§ 58-31A-60. Catastrophic insurance for covered activities.

...
(b) The ~~Commissioner of Insurance~~ State Fire Marshal shall have the duty to offer catastrophic insurance coverage for covered persons to participating schools for covered activities.

(c) Premiums for catastrophic insurance for covered activities shall be paid by each participating school in accordance with rates fixed by the ~~Commissioner~~ State Fire Marshal, and the ~~Commissioner~~ State Fire Marshal may purchase from insurers admitted to do business in North Carolina such insurance as may be necessary."
