HOUSE BILL DRH10409-ST-34

Short Title:	Stalking/Enhanced Penalties.	(Public)
Sponsors:	Representative Baker.	
Referred to:		

1	A BILL TO BE ENTITLED					
2	AN ACT TO ENHANCE THE PENALTIES FOR SEXUAL BATTERY AND STALKING					
3	WHEN THE PERPETRATOR IS A LOCAL GOVERNMENT ELECTED OFFICIAL AND					
4	THE VICTIM IS A FELLOW GOVERNING BOARD MEMBER OR SUBORDINATE					
5	EMPLOYEE.					
6	The General Assembly of North Carolina enacts:					
7	SECTION 1. G.S. 14-27.33 reads as rewritten:					
8	"§ 14-27.33. Sexual battery.					
9	(a) A person is guilty of sexual battery if the person, for the purpose of sexual arousal,					
10	exual gratification, or sexual abuse, engages in sexual contact with another person:					
11	(1) By force and against the will of the other person; or					
12	(2) Who has a mental disability or who is mentally incapacitated or physically					
13	helpless, and the person performing the act knows or should reasonably know					
14	that the other person has a mental disability or is mentally incapacitated or					
15	physically helpless.					
16	(b) Any person who commits the offense defined in this section is guilty of a Class A1					
17	misdemeanor. Any person who commits the offense defined in this section while serving as a					
18	public official as defined in G.S. 14-234.3 and the victim also was serving on the same governing					
19	board or was an employee of that governing board at the time of the offense is guilty of a Class					
20	<u>H felony.</u> "					
21	SECTION 2. G.S. 14-277.3A reads as rewritten:					
22	"§ 14-277.3A. Stalking.					
23	(a) Legislative Intent. – The General Assembly finds that stalking is a serious problem in					
24	this State and nationwide. Stalking involves severe intrusions on the victim's personal privacy					
25	and autonomy. It is a crime that causes a long-lasting impact on the victim's quality of life and					
26	creates risks to the security and safety of the victim and others, even in the absence of express					
27	threats of physical harm. Stalking conduct often becomes increasingly violent over time.					
28	The General Assembly recognizes the dangerous nature of stalking as well as the strong					
29	connections between stalking and domestic violence and between stalking and sexual assault.					
30	Therefore, the General Assembly enacts this law to encourage effective intervention by the					
31	criminal justice system before stalking escalates into behavior that has serious or lethal					
32	consequences. The General Assembly intends to enact a stalking statute that permits the criminal					
33	justice system to hold stalkers accountable for a wide range of acts, communications, and					
34	conduct. The General Assembly recognizes that stalking includes, but is not limited to, a pattern					
35	of following, observing, or monitoring the victim, or committing violent or intimidating acts					

36 against the victim, regardless of the means.
