

Senate Bill No. 249—Senators Woodhouse, Ratti, Cannizzaro, Cancela, Parks; Atkinson, Denis, Farley, Ford, Manendo, Segerblom and Spearman

Joint Sponsors: Assemblymen Monroe-Moreno, Cohen, Diaz, Neal, Flores; Fumo and Joiner

CHAPTER.....

AN ACT relating to education; requiring instruction in financial literacy for certain pupils enrolled in public schools; requiring a pupil enrolled in a public high school to receive instruction in economics; creating the Account for Instruction in Financial Literacy in the State General Fund; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a pupil enrolled in a public high school to enroll in a certain number of credits in certain subject areas. (NRS 389.018) **Section 2** of this bill requires a pupil enrolled in a public high school to enroll in one-half unit of credit in economics and limits American government to one-half unit of credit, but allows a school district to authorize a school to offer a combined course in American government and economics for one unit of credit in certain circumstances. **Section 7** of this bill makes those provisions effective on July 1, 2022.

Existing law requires instruction in financial literacy for pupils enrolled in high school in each school district and in each charter school that operates as a high school. (NRS 389.074) **Section 3** of this bill additionally requires instruction in financial literacy for pupils enrolled in grades 3 to 12, inclusive. **Section 3** requires the Council to Establish Academic Standards for Public Schools to include the standards of content and performance for instruction in financial literacy in the standards of content and performance established by the Council. **Section 3** also requires that instruction in financial literacy: (1) be age-appropriate; (2) include certain topics; and (3) be provided within a course of study for which the Council has established the relevant standards of content and performance. **Section 1** of this bill creates the Account for Instruction in Financial Literacy in the State General Fund and provides that money in the Account generally may be used only for providing the instruction in financial literacy required by **section 3**.

Existing law requires the board of trustees of each school district and the governing body of each charter school to ensure that teachers employed by the school district or charter school have access to certain professional development training. (NRS 391A.370) **Section 4** of this bill requires each school district and the governing body of a charter school in which pupils are enrolled in any grade of grades 3 to 12, inclusive, to provide professional development training regarding financial literacy to teachers who teach in a subject area in which instruction in financial literacy is provided. The professional development training required by **section 4** may be provided by a school district or governing body or through an agreement with an institution of higher education or a regional training program for professional development of teachers and administrators.

Section 4.5 of this bill makes an appropriation to carry out the provisions of this bill. **Section 5** of this bill requires the Council to Establish Academic Standards

for Public Schools to establish standards of content and performance for the instruction in financial literacy and to revise the standards of content and performance for instruction in American government by December 1, 2017, and requires the State Board of Education to adopt and revise such standards of content and performance by February 1, 2018.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 388 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Account for Instruction in Financial Literacy is hereby created in the State General Fund, to be administered by the Superintendent of Public Instruction. The Superintendent of Public Instruction may accept gifts and grants of money from any source for deposit in the Account. Any money from gifts and grants may be expended in accordance with the terms and conditions of the gift or grant, or in accordance with subsection 2. The interest and income earned on the sum of the money in the Account and any unexpended appropriations made to the Account from the State General Fund must be credited to the Account. Any money remaining in the Account at the end of the fiscal year does not revert to the State General Fund, and the balance in the Account must be carried forward to the next fiscal year.

2. Except as otherwise provided in subsection 1, the money in the Account may be used only for providing the instruction in financial literacy required by NRS 389.074. The State Board shall adopt regulations governing the distribution of money in the Account for this purpose.

Sec. 2. NRS 389.018 is hereby amended to read as follows:

389.018 1. The following subjects are designated as the core academic subjects that must be taught, as applicable for grade levels, in all public schools, the Caliente Youth Center, the Nevada Youth Training Center and any other state facility for the detention of children that is operated pursuant to title 5 of NRS:

- (a) English language arts;
- (b) Mathematics;
- (c) Science; and
- (d) Social studies, which includes only the subjects of history, geography, economics and government.

2. Except as otherwise provided in this subsection, a pupil enrolled in a public high school must enroll in a minimum of:

- (a) Four units of credit in English language arts;
- (b) Four units of credit in mathematics, including, without limitation, Algebra I and geometry, or an equivalent course of study that integrates Algebra I and geometry;
- (c) Three units of credit in science, including two laboratory courses; and
- (d) Three units of credit in social studies, including, without limitation:
 - (1) **One-half unit of credit in** American government;
 - (2) **Two units of credit in** American history ~~†~~ **and**
 - ~~(3) **World†**, world history or geography ~~†~~; and~~
 - (3) **One-half unit of credit in economics.**

↪ A pupil is not required to enroll in the courses of study and credits required by this subsection if the pupil, the parent or legal guardian of the pupil and an administrator or a counselor at the school in which the pupil is enrolled mutually agree to a modified course of study for the pupil and that modified course of study satisfies at least the requirements for a standard high school diploma or an adjusted diploma, as applicable. ***A school district may authorize one or more public high schools in the school district to offer a combined course in American government and economics for one unit of credit which satisfies the requirements of subparagraphs (1) and (3) if the curriculum of an advanced placement course is used for American government in the combined course.***

3. Except as otherwise provided in this subsection, in addition to the core academic subjects, the following subjects must be taught as applicable for grade levels and to the extent practicable in all public schools, the Caliente Youth Center, the Nevada Youth Training Center and any other state facility for the detention of children that is operated pursuant to title 5 of NRS:

- (a) The arts;
- (b) Computer education and technology;
- (c) Health; and
- (d) Physical education.

↪ If the State Board requires the completion of course work in a subject area set forth in this subsection for graduation from high school or promotion to the next grade, a public school shall offer the required course work. Except as otherwise provided for a course of study in health prescribed by subsection 1 of NRS 389.021 and the instruction prescribed by subsection 1 of NRS 389.064, unless a subject is required for graduation from high school or promotion to

the next grade, a charter school is not required to comply with this subsection.

Sec. 4. Chapter 391A of NRS is hereby amended by adding thereto a new section to read as follows:

Each school district and the governing body of a charter school in which pupils are enrolled in any grade of grades 3 to 12, inclusive, shall provide professional development training regarding financial literacy to teachers who teach in a subject area in which instruction in financial literacy is provided. Such professional development training may be provided by the school

district or governing body or through an agreement with an institution of higher education or a regional training program for professional development of teachers and administrators.

Sec. 4.5. 1. There is hereby appropriated from the State General Fund to the Clark County School District to carry out the provisions of this act the following sums:

For the Fiscal Year 2017-2018..... \$700,000
For the Fiscal Year 2018-2019..... \$1,000,000

2. There is hereby appropriated from the State General Fund to the Washoe County School District to carry out the provisions of this act the following sums:

For the Fiscal Year 2017-2018..... \$200,000
For the Fiscal Year 2018-2019..... \$300,000

3. There is hereby appropriated from the State General Fund to the Department of Education to carry out the provisions of this act the following sums:

For the Fiscal Year 2017-2018..... \$100,000
For the Fiscal Year 2018-2019..... \$200,000

4. Any balance of the sums appropriated by subsections 1, 2 and 3 remaining at the end of the respective fiscal years must not be committed for expenditure after June 30 of the respective fiscal years by the entity to which the appropriation is made or any entity to which money from the appropriation is granted or otherwise transferred in any manner, and any portion of the appropriated money must not be spent for any purpose after September 21, 2018, and September 20, 2019, respectively, by either the entity to which the money was appropriated or the entity to which the money was subsequently granted or transferred, and must be reverted to the State General Fund on or before September 21, 2018, and September 20, 2019, respectively.

5. Money appropriated pursuant to subsection 1 or 2 must be used to support instruction in financial literacy or economics, including, without limitation, by providing professional development training regarding financial literacy to teachers who teach in a subject area in which instruction in financial literacy is provided.

6. Money appropriated pursuant to subsection 3 must be used to award grants of money to school districts other than the Clark County School District and Washoe County School District and to the sponsors of charter schools that submit an application to the Department of Education. The amount granted to each school district and charter school must be based upon the number of pupils enrolled in each such school district or charter school, as applicable,

who are enrolled in a subject area in which instruction in financial literacy is provided, and not on a competitive basis.

7. The sums appropriated by this section must be accounted for separately from any other money and used only for the purposes specified in this section.

Sec. 5. The Council to Establish Academic Standards for Public Schools created by NRS 389.510 shall establish the standards of content and performance for instruction in financial literacy and revise the standards of content and performance for instruction in American government on or before December 1, 2017. The State Board of Education shall adopt standards of content and performance for instruction in financial literacy and revise standards of content and performance for instruction in American government on or before February 1, 2018.

Sec. 6. (Deleted by amendment.)
