At such time when an investigation has concluded and the law enforcement agency has rendered its decision as to final disciplinary action, the portions of the recordings previously withheld as provided for in this subparagraph shall be available for public inspection and copying. The audio and video recordings withheld as provided for in this subparagraph shall be
available for public inspection and copying before the conclusion of the investigation if the investigation lasts for an unreasonable amount of time; and

10. a. Audio and video recordings from recording equipment attached to the person of a law enforcement officer that depict:

(7) any exercise of authority by a law enforcement officer that deprives a citizen of his or her liberty,

(9) recordings in the public interest that may materially aid a determination of whether law enforcement officers are appropriately performing their duties as public servants, or

(10) any contextual events occurring before or after the events depicted in divisions (1) through (9) of this subparagraph.

b. Notwithstanding the provisions of subparagraph a of this paragraph, the law enforcement agency may, before releasing any audio or video recording provided for in this paragraph, redact or obscure specific portions of the recording that:

(1) depict the death of a person or a dead body, unless the death was effected by a law enforcement officer,

(2) depict nudity,

(3) would identify minors under the age of sixteen (16) years or would undermine any requirement to keep certain juvenile records confidential as provided for in Title 10A of the Oklahoma Statutes,

(4) depict acts of severe violence resulting in great bodily injury, as defined in Section 11-904 of Title 47 of the Oklahoma Statutes, against
persons that are clearly visible, unless the act of severe violence was effected by a law enforcement officer,

(6) include personal medical information that is not already public,

(8) identify alleged victims of sex crimes or domestic violence,

(9) identify any person who provides information to law enforcement or the information provided by that person when that person requests anonymity or where disclosure of the identity of the person or the information provided could reasonably be expected to threaten or endanger the physical
safety or property of the person or the physical
safety or property of others,

(10) undermine the assertion of a privilege to keep
the identity of an informer confidential as
provided for in Section 2510 of Title 12 of the
Oklahoma Statutes,

(11) include personal information other than the name
or license plate number of a person not
officially arrested, cited, charged or issued a
written warning. Such personal information shall
include any government-issued identification
number, date of birth, address or financial
information,

(12) include information that would materially
compromise an ongoing criminal investigation or
ongoing criminal prosecution, provided that:

(a) ten (10) days following the formal
arrangement or initial appearance, whichever
occurs first, of a person charged in the
case in question, the recording shall be
made available for public inspection and
copying with no redaction of the portions
that were temporarily withheld by reliance
on this division. Provided, before
potential release of a recording as provided for in this subdivision, the prosecutor or legal representative of the person charged may request from the appropriate district court an extension of time during which the recording may be withheld under the provisions of this division. When a request for an extension of time has been filed with the court, the recording in question may be withheld until the court has issued a ruling. Such requests for an extension of the time during which the recording may be withheld may be made on the grounds that release of the recording will materially compromise an ongoing criminal investigation or criminal prosecution or on the grounds that release of the recording will materially compromise the right of an accused to a fair trial that has yet to begin. Courts considering such requests shall conduct a hearing and consider whether the interests of the public outweigh the interests asserted by the parties. In response to such requests, the court shall
order that the recording be made available
for public inspection and copying with no
redaction of the portions that were
temporarily withheld by reliance on this
division or order an extension of time
during which the recording may be withheld
under the provisions of this division.
Provided further, each such time extension
shall only be ordered by the court for an
additional six-month period of time or less
and cumulative time extensions shall not add
up to more than eighteen (18) months, or
(b) in the event that one hundred twenty (120)
days expire from the date of the events
depicted in the recording without any person
being criminally charged in the case in
question and release of a recording or
portions of a recording have been denied on
the grounds provided for in this division,
an appeal of such denial may be made to the
appropriate district court. In situations
where one hundred twenty (120) days have
expired since the creation of the recording,
criminal charges have not been filed against
a person and the recording is being withheld on the grounds provided for in this division, courts considering appeals to the use of the provisions of this division for temporarily withholding a recording shall conduct a hearing and consider whether the interests of the public outweigh the interests of the parties protected by this division. In response to such appeals, the district court shall order that the recording be made available for public inspection and copying with no redaction of the portions that were temporarily withheld by reliance on this division or order an extension of time during which the recording may be withheld under the provisions of this division. An order granting an extension of time shall be applicable to the recording against all appellants for the duration of the extension. Provided, each such time extension shall only be ordered by the district court for an additional twelve-month period of time or less and cumulative time extensions shall not add up to more
than three (3) years. Provided, charges
being filed against a person in the case in
question automatically cancels any extension
of time. A new request for an extension of
time following an arraignment or initial
appearance may be requested by the parties
on the grounds and under the terms provided
for in subdivision (a) of this division.

The options presented in this division to
potentially withhold a recording or portions of a
recording on the grounds provided for in this
division shall expire in totality four (4) years
after the recording was made at which time all
recordings previously withheld on the grounds
provided for in this division shall be made
available for public inspection and copying, or

(13) reveal the identity of law enforcement officers
who have become subject to internal investigation
by the law enforcement agency as a result of an
event depicted in the recording. The option to
protect the identity of a law enforcement officer
shall not be available to the law enforcement
agency after the law enforcement agency has
concluded the investigation and rendered a
decision as to final disciplinary action. At such time when an investigation has concluded and the law enforcement agency has rendered its decision as to final disciplinary action, the portions of the recordings previously withheld as provided for in this division shall be available for public inspection and copying. The audio and video recordings withheld on the grounds provided for in this division shall be available for public inspection and copying before the conclusion of the investigation if the investigation lasts for an unreasonable amount of time.

B. 1. Except for the records listed in subsection A of this section and those made open by other state or local laws, law enforcement agencies may deny access to law enforcement records except where a court finds that the public interest or the interest of an individual outweighs the reason for denial. The provisions of this section shall not operate to deny access to law enforcement records if such records have been previously made available to the public as provided in the Oklahoma Open Records Act or as otherwise provided by law.

2. a. A law enforcement agency shall deny access to any audio or video recording that depicts the death of a
law enforcement officer who was acting in the course of his or her official duties including any related acts or events immediately preceding or subsequent to the acts or events that caused or otherwise relate to the death, except where a court finds that the public interest or the interest of an individual outweighs the reason for denial. Provided, however, a law enforcement agency may allow a family member of the deceased law enforcement officer to hear or view such audio or video recording under protocols established by the law enforcement agency. For the purposes of this subparagraph, “family member” means a spouse, adult child, parent or sibling of the deceased law enforcement officer.

b. Nothing in subparagraph a of this paragraph shall be construed to prohibit the prosecution and defense counsel from access to such audio or video recordings or the use of such recordings as evidence in a legal proceeding.

C. Nothing contained in this section imposes any new recordkeeping requirements. Law enforcement records shall be kept for as long as is now or may hereafter be specified by law. Absent a legal requirement for the keeping of a law enforcement record for
a specific time period, law enforcement agencies shall maintain
their records for so long as needed for administrative purposes.

D. Registration files maintained by the Department of
Corrections pursuant to the provisions of the Sex Offenders
Registration Act shall be made available for public inspection in a
manner to be determined by the Department.

E. The Council on Law Enforcement Education and Training
(C.L.E.E.T.) shall keep confidential all records it maintains
pursuant to Section 3311 of Title 70 of the Oklahoma Statutes and
deny release of records relating to any employed or certified full-
time officer, reserve officer, retired officer or other person;
teacher lesson plans, tests and other teaching materials; and
personal communications concerning individual students except under
the following circumstances:

1. To verify the current certification status of any peace
officer;

2. As may be required to perform the duties imposed by Section
3311 of Title 70 of the Oklahoma Statutes;

3. To provide to any peace officer copies of the records of
that peace officer upon submitting a written request;

4. To provide, upon written request, to any law enforcement
agency conducting an official investigation, copies of the records
of any peace officer who is the subject of such investigation;
5. To provide final orders of administrative proceedings where an adverse action was taken against a peace officer; and
6. Pursuant to an order of the district court of the State of Oklahoma.

F. The Department of Public Safety shall keep confidential:

1. All records it maintains pursuant to its authority under Title 47 of the Oklahoma Statutes relating to the Oklahoma Highway Patrol Division, the Communications Division, and other divisions of the Department relating to:
   a. training, lesson plans, teaching materials, tests and test results,
   b. policies, procedures and operations, any of which are of a tactical nature, and
   c. the following information from radio logs:
      (1) telephone numbers,
      (2) addresses other than the location of incidents to which officers are dispatched, and
      (3) personal information which is contrary to the provisions of the Driver’s Privacy Protection Act, 18 United States Code, Sections 2721 through 2725; and

2. For the purpose of preventing identity theft and invasion of law enforcement computer systems, except as provided in Title 47 of the Oklahoma Statutes, all driving records.
SECTION 2. It being immediately necessary for the preservation of the public peace, health or safety, an emergency is hereby declared to exist, by reason whereof this act shall take effect and be in full force from and after its passage and approval.
