4.2 This chapter must be construed and applied to:

4.3 (1) facilitate electronic estate planning documents and signatures consistent with other
4.4 law; and

4.5 (2) be consistent with reasonable practices concerning electronic documents and
4.6 signatures and continued expansion of those practices.

4.7 Sec. 4. **[533.10] SCOPE.**

4.8 (a) Except as provided in paragraph (b), sections 533.10 to 533.19 apply to an electronic
4.9 nontestamentary estate planning document and an electronic signature on a nontestamentary
4.10 estate planning document.

4.11 (b) Sections 533.10 to 533.19 do not apply to a nontestamentary estate planning document
4.12 if the document precludes use of an electronic record or electronic signature.

4.13 (c) Sections 533.10 to 533.19 do not affect the validity of an electronic record or
4.14 electronic signature that is valid under:

4.15 (1) the Uniform Electronic Transactions Act, chapter 325L;

4.16 (2) the Uniform Probate Code, chapter 524; or

4.18 Sec. 5. **[533.11] PRINCIPLES OF LAW AND EQUITY.**

4.19 The law of this state and principles of equity applicable to a nontestamentary estate
4.20 planning document apply to an electronic nontestamentary estate planning document except
4.21 as modified by sections 533.10 to 533.19.

4.22 Sec. 6. **[533.12] USE OF ELECTRONIC RECORD OR SIGNATURE NOT**
4.23 **REQUIRED.**

4.24 (a) Sections 533.10 to 533.19 do not require a nontestamentary estate planning document
4.25 or signature on a nontestamentary estate planning document to be created, generated, sent,
4.26 communicated, received, stored, or otherwise processed or used by electronic means or in
4.27 electronic form.

4.28 (b) A person is not required to have a nontestamentary estate planning document in
4.29 electronic form or signed electronically even if the person previously created or signed a
4.30 nontestamentary estate planning document by electronic means.

5.1 (c) A person may not waive the provisions of this section.

5.2 **Sec. 7. [533.13] RECOGNITION OF ELECTRONIC NONTESTAMENTARY**
5.3 **ESTATE PLANNING DOCUMENT AND ELECTRONIC SIGNATURE.**

5.4 (a) A nontestamentary estate planning document or a signature on a nontestamentary
5.5 estate planning document may not be denied legal effect or enforceability solely because it
5.6 is in electronic form.

5.7 (b) If other law of this state requires a nontestamentary estate planning document to be
5.8 in writing, an electronic record of the document satisfies the requirement.

5.9 (c) If other law of this state requires a signature on a nontestamentary estate planning
5.10 document, an electronic signature satisfies the requirement, except as expressly prohibited
5.11 by Minnesota Statutes.

5.12 **Sec. 8. [533.14] ATTRIBUTION AND EFFECT OF ELECTRONIC RECORD AND**
5.13 **ELECTRONIC SIGNATURE.**

5.14 (a) An electronic nontestamentary estate planning document or electronic signature on
5.15 an electronic nontestamentary estate planning document is attributable to a person if it was
5.16 the act of the person. The act of the person may be shown in any manner, including by
5.17 showing the efficacy of a security procedure applied to determine the person to which the
5.18 electronic record or electronic signature was attributable.

5.19 (b) The effect of attribution to a person under subsection (a) of a document or signature
5.20 is determined from the context and surrounding circumstances at the time of its creation,
5.21 execution, or adoption and as provided by other law.

5.22 **Sec. 9. [533.15] NOTARIZATION AND ACKNOWLEDGMENT.**

5.23 If other law of this state requires a signature or record to be notarized, acknowledged,
5.24 verified, or made under oath, the requirement is satisfied with respect to an electronic
5.25 nontestamentary estate planning document if an individual authorized to perform the
5.26 notarization, acknowledgment, verification, or oath attaches or logically associates the
5.27 individual's electronic signature on the document together with all other information required
5.28 to be included under the other law, and in conformity with the laws of the state in which
5.29 the execution occurs.

6.1 Sec. 10. [533.16] WITNESSING AND ATTESTATION.

6.2 (a) If other law of this state bases the validity of a nontestamentary estate planning
6.3 document on whether it is signed, witnessed, or attested by another individual, the signature,
6.4 witnessing, or attestation of that individual may be electronic.

6.5 (b) If other law of this state bases the validity of a nontestamentary estate planning
6.6 document on whether it is signed, witnessed, or attested by another individual in the presence
6.7 of the individual signing the document, the presence requirement is satisfied if the individuals
6.8 are in each other's electronic presence.

6.9 Sec. 11. [533.17] RETENTION OF ELECTRONIC RECORD; ORIGINAL.

6.10 (a) Except as provided in paragraph (b), if other law of this state requires an electronic
6.11 nontestamentary estate planning document to be retained, transmitted, copied, or filed, the
6.12 requirement is satisfied by retaining, transmitting, copying, or filing an electronic record
6.13 that:

6.14 (1) accurately reflects the information in the document after it was first generated in
6.15 final form as an electronic record or under section 533.18; and

6.16 (2) remains accessible to the extent required by the other law.

6.17 (b) A requirement under paragraph (a) to retain a record does not apply to information
6.18 the sole purpose of which is to enable the record to be sent, communicated, or received.

6.19 (c) A person may satisfy paragraph (a) by using the services of another person.

6.20 (d) If other law of this state requires a nontestamentary estate planning document to be
6.21 presented or retained in its original form, or provides consequences if a nontestamentary
6.22 estate planning document is not presented or retained in its original form, an electronic
6.23 record retained in accordance with paragraph (a) satisfies the other law.

6.24 (e) This section does not preclude a governmental agency from specifying requirements
6.25 for the retention of a record subject to the agency's jurisdiction in addition to those in this
6.26 section. In this section, "governmental agency" means an executive, legislative, or judicial
6.27 agency, department, board, commission, authority, institution, or instrumentality of the
6.28 federal government or of a state or of a county, municipality, or other political subdivision
6.29 of a state.

7.1 Sec. 12. **[533.18] CERTIFICATION OF PAPER COPY.**

7.2 An individual may create a certified paper copy of an electronic nontestamentary estate
7.3 planning document by affirming under penalty of perjury that a paper copy is a complete,
7.4 true, and accurate copy of the document. A certified paper copy of an electronic
7.5 nontestamentary estate planning document is presumed to be a true and accurate copy of
7.6 the executed electronic record, absent clear and convincing evidence to the contrary, and
7.7 must be given the same effect as an original.

7.8 Sec. 13. **[533.19] ADMISSIBILITY IN EVIDENCE.**

7.9 Evidence relating to an electronic nontestamentary estate planning document or an
7.10 electronic signature on the document may not be excluded in a proceeding solely because
7.11 it is in electronic form.
