self-service pet grooming facilities only provide assistance demonstrating how to operate equipment properly and safely. If a self-service pet grooming facility also offers pet grooming services, then such facility shall be considered a pet grooming facility. For purposes of this section, locations used for temporary events, such as pet shows and exhibitions, are not considered a pet grooming facility. Further, a pet grooming facility shall not include a home-based breeder as defined by paragraph (a) of subdivision four of section four hundred of the agriculture and markets law.

§ 540. Standard of care. 1. The primary concern of every pet grooming facility licensed pursuant to this article, shall be the safety and well-being of the pets in their care. No pet shall be left unaccompanied while restrained or unrestrained on a grooming table, in a bathing area or in a dryer. Pets shall be cared for according to the minimum standards of subdivisions one, two, three and four of section four hundred one of the agriculture and markets law, and any other sections of the agriculture and markets law relating to the care of pets.

2. Every pet grooming facility where pets are groomed shall display contact information for the secretary of state and a copy of their license as required by section five hundred forty-two of this article.

§ 541. Record keeping. 1. Each pet grooming facility shall keep and maintain records regarding each animal cared for and the owner thereof. Such records shall include the name, contact number, and address of the owner, the services provided, and the date such services were provided. Further, each pet grooming facility shall request from pet owners proof of annual vaccinations and a record of any known medical issues, conditions or injuries for each pet groomed.

2. Records for each animal shall be maintained for a minimum period of one year from the date of service. During normal business hours, such records shall be made available to persons authorized by law to enforce the provisions of this article.

§ 542. License required. 1. Any person intending to own or operate a pet grooming facility as defined in this article shall hold a license issued by the secretary of state as required by this article.

2. The secretary of state, in cooperation and consultation with the department of agriculture and markets, shall adopt such rules and regulations not inconsistent with the provisions of this article, as may be necessary with respect to the form and content of applications for licenses, the reception thereof, the investigation of applicants, and the other matters incidental or appropriate to the powers and duties of the secretary of state as prescribed by this article and for the proper administration and enforcement of the provisions of this article. Such rules and regulations shall also ensure that applicants for licenses have sufficient skills to safeguard the health and safety of the animals in their care.

3. The secretary of state shall create and maintain an online roster of licensees. Such record shall include disciplinary action, suspension of license and revocation.

4. (a) If the applicant provides the necessary business information, then the secretary of state shall issue such applicant a license as a licensed pet grooming facility upon payment of a forty dollar annual registration fee. At minimum, each licensee shall provide:

(i) the name of the pet grooming facility;

(ii) the principal address, contact number, and names of all the owners of the business; and

1 (iii) any other information that the department of state deems neces-
2 sary and appropriate.

3 (b) The department of state shall provide each pet grooming facility
4 which has complied with the license requirements as provided for in
5 this article with an identification card, which shall have an iden-
6 tification number and expiration date.

7 5. A licensed pet grooming facility shall display its license in a
8 conspicuous place in such facility.

9 § 543. License refusal, suspension or revocation. 1. The secretary of
10 state may decline to grant or renew, or may suspend or revoke a pet
11 grooming facility's license for a false statement as to a material
12 matter in the application for such license, for persistent improper
13 record keeping or business practices, or for a violation of any
14 provision of this law or any law relating to the humane treatment of
15 animals.

16 2. The secretary of state shall conduct a hearing before revoking or
17 suspending any license or before issuing any order directing the cessa-
18 tion of unauthorized activities. At least ten days prior to the date set
19 for the hearing, the holder of such license shall be notified in writing
20 of any charges made and shall afford such person an opportunity to be
21 heard in person or by counsel in reference hereto. The hearing on such
22 charges shall be at such time and place as the department of state shall
23 prescribe. Any pet grooming facility whose license is revoked, denied,
24 or suspended may reapply after demonstrating to the secretary of state
25 their ability to provide for the humane and appropriate care and safety
26 of pets in their care.

27 3. Any action of the secretary of state pursuant to this section shall
28 be subject to judicial review in a proceeding pursuant to article seven-
29 ty-eight of the civil practice law and rules.

30 § 544. Inspections. The secretary of state or his or her authorized
31 agents shall be authorized to jointly coordinate with the commissioner
32 of agriculture and markets or his or her authorized agents to inspect
33 pet grooming facilities to ensure compliance with the provisions of this
34 article or if a complaint warrants such inspection. Nothing herein
35 shall limit the ability of the department of agriculture and markets to
36 enforce the provisions of the agriculture and markets law as applicable
37 to such facility. Authority to conduct such inspections to enforce the
38 provisions of this article and report thereon may be delegated by the
39 secretary of state to a municipality.

40 § 545. Violations. 1. In addition to denial, revocation, suspension or
41 refusal of renewal of a license, as otherwise provided in this article,
42 any violation of a provision of this article is a civil offense, for
43 which a penalty of not less than one hundred dollars nor more than five
44 hundred dollars for each violation may be imposed, provided however for
45 violations not affecting the health and safety of a person or a pet at
46 the pet grooming facility, the secretary of state may allow for a cure
47 period or other opportunity for ameliorative action, the successful
48 completion of which will prevent the imposition of penalties on the
49 party or parties subject to enforcement. The secretary of state shall
50 implement an appeals process for such licensed pet grooming facility who
51 wishes to contest the imposition of a penalty related to a civil
52 offense.

53 2. The provisions of this article may be concurrently enforced by the
54 secretary of state and by any municipality to which the secretary of
55 state has delegated authority. Moneys collected thereunder shall be
56 retained by the local municipality.

1 3. Nothing in this article shall be construed to limit or restrict any
2 municipality with a population of one million or more from enacting or
3 enforcing a local law, rule, regulation or ordinance governing pet
4 groomers, provided however, that any such local law, rule, regulation,
5 or ordinance shall be no less stringent than the applicable provisions
6 of this article.

7 § 2. This act shall take effect on the one hundred eightieth day after
8 it shall have become a law. Effective immediately, the addition, amend-
9 ment and/or repeal of any rule or regulation necessary for the implemen-
10 tation of this act on its effective date are authorized to be made and
11 completed on or before such effective date.
