1 When a report of abuse, neglect, or dependency is received, the director of the (a) 2 department of social services shall make a prompt and thorough assessment, using either a family 3 assessment response or an investigative assessment response, in order to ascertain the facts of the case, including collecting information concerning the military affiliation of the parent, guardian, 4 5 custodian, or caretaker of the juvenile alleged to have been abused or neglected, the extent of the 6 abuse or neglect, and the risk of harm to the juvenile, in order to determine whether protective 7 services should be provided or the complaint filed as a petition. When the report alleges abuse, 8 the director shall immediately, but no later than 24 hours after receipt of the report, initiate the 9 assessment. When the report alleges neglect or dependency, the director shall initiate the 10 assessment within 72 hours following receipt of the report. When the report alleges abandonment 11 of a juvenile or unlawful transfer of custody under G.S. 14-321.2, the director shall immediately 12 initiate an assessment. When the report alleges abandonment, the director shall also take 13 appropriate steps to assume temporary custody of the juvenile, and take appropriate steps to 14 secure an order for nonsecure custody of the juvenile. The assessment and evaluation shall 15 include a visit to the place where the juvenile resides, except when the report alleges abuse or neglect in a child care facility as defined in Article 7 of Chapter 110 of the General Statutes. 16 17 When a report alleges abuse or neglect in a child care facility as defined in Article 7 of Chapter 18 110 of the General Statutes, a visit to the place where the juvenile resides is not required. When 19 the report alleges abandonment, the assessment shall include a request from the director to law 20 enforcement officials to investigate through the North Carolina Center for Missing Persons and 21 other national and State resources whether the juvenile is a missing child. 22 . . .

(d1) Whenever a juvenile is removed from the home of a parent, guardian, custodian, stepparent, or adult relative entrusted with the juvenile's care due to physical abuse, the director shall conduct a thorough review of the background of the alleged abuser or abusers. This review shall include a criminal history check and a review of any available mental health records. If the review reveals that the alleged abuser or abusers have a history of violent behavior against people, the director shall petition the court to order the alleged abuser or abusers to submit to a complete mental health evaluation by a licensed psychologist or psychiatrist.

31 Within five working days after receipt of the report of abuse, neglect, or dependency, (f) 32 the director shall give written notice to the person making the report, unless requested by that 33 person not to give notice, as to whether the report was accepted for assessment assessment, the 34 basis for that decision, and whether the report was referred to the appropriate State or local law 35 enforcement agency. In the event the director decides not to accept the report for an assessment, 36 the person making the report shall be informed in writing of the procedures necessary to request 37 a review by the Division of the director's decision. A request for review shall be made within five 38 working days of receipt of the written notification. The Division shall review the director's 39 decision within five working days of receiving a request for review and may affirm the decision 40 or direct the department to initiate an assessment of the report. Nothing in this section shall prevent the person making the report from requesting a review by the director of the department 41 42 and from the director conducting such a review.

43 (g) Within five working days after completion of the protective services assessment, the 44 director shall give subsequent written notice to the person making the report, unless requested by 45 that person not to give notice, as to whether there is a finding of abuse, neglect, or dependency, 46 whether the county department of social services is taking action to protect the juvenile, and what 47 action it is taking, including whether or not a petition was filed. The person making the report 48 shall be informed of procedures necessary to request a review by the prosecutor or Division of 49 the director's decision not to file a petition. If the identified concerns are not remedied 5 by the county director within the time frame specified by the Secretary, the Secretary shall notify 6 the board of county commissioners, the county manager, and the board of social services and 7 direct the director of social services to remedy the violation by taking immediate action in a 8 manner prescribed by the Secretary that is consistent with State law and applicable rules. Nothing 9 contained herein shall prohibit the Secretary from exercising any other authority under this 10 section. 11 A director's failure to comply with the directive of the Secretary made pursuant to this section falls outside the scope of the county department's agency relationship with the Department of 12 13 Health and Human Services. The Department of Health and Human Services shall not be liable 14 for any claim that may arise from the director's failure to comply with any law or rule identified by the Secretary pursuant to this section. This subsection shall not be construed to waive, modify, 15 16 or eliminate any immunity or other legal defenses that would otherwise be available to the county, 17 director, or any other county official or employee. 18 ...." 19 **SECTION 1.17.(c)** This section is effective when it becomes law. 20 SECTION 1.18.(a) Article 9A of Subchapter I of Chapter 7B of the General Statutes 21 is amended by adding a new section to read: "§ 7B-909.2. Post-adoption contact agreements; orders from minors in department of social 22 23 services custody. 24 (a) Prior to executing a relinquishment, the parent or parents of a minor adoptee who is 25 in the custody of a county department of social services pursuant to an order entered under this 26 Subchapter and the prospective adoptive parent or parents may voluntarily participate in a 27 court-approved mediation program to reach a voluntarily mediated post-adoption contact 28 agreement. The court with jurisdiction over the proceeding involving the minor under this 29 Subchapter may make the referral to mediation when the county department notifies the court it 30 would accept a relinquishment that specifies the prospective adoptive parent or parents. A biological parent who has not reached 18 years of age shall have legal capacity to enter a 31 32 post-adoption contact agreement and shall be as fully bound by the agreement and order as if the 33 biological parent had attained 18 years of age. 34 The Administrative Office of the Courts shall develop and make available appropriate (b) 35 standardized forms for implementation of this section. 36 Jurisdiction and venue for approval of such agreement shall be before the district court (c) 37 with jurisdiction over the proceeding involving the minor under this Subchapter. 38 Other people may be invited to participate in the mediation by mutual consent of the (d) 39 parent or parents executing a relinquishment and the prospective adoptive parent or parents. However, these invitees shall not be parties to any agreement reached during that mediation and 40 41 shall not receive copies of any agreement. 42 Mediation proceedings and information relating to those proceedings under this (e) section shall be confidential. Information or the statements of any person participating in the 43 mediation shall not be disclosed or used in any subsequent proceeding. Regardless, evidence that 44 would otherwise be admissible at trial shall not be rendered inadmissible as a result of its use in 45 46 a mediation proceeding. Except for the voluntary mediated agreement, there shall be no record 47 made of any mediation proceedings under this section and the mediator shall destroy all of his or 48 her notes immediately after the mediation. 49 The voluntarily mediated agreement shall be reviewed by the court having jurisdiction (f)of the minor under this Subchapter within two business days of when the agreement is signed to 50 determine whether the agreement should be incorporated into a court order. 51
