LEGISLATIVE COUNSEL'S DIGEST

SB 711, as amended, McNerney. ~~School nutrition: guardian meal reimbursement.~~ *Taxation: federal conformity.*

*Under the Personal Income Tax Law and the Corporation Tax Law, various provisions of the federal Internal Revenue Code, as enacted as*

*of a specified date, are referenced in various sections of the Revenue and Taxation Code. Those laws provide that for taxable years beginning on or after January 1, 2015, the specified date of those referenced Internal Revenue Code sections is January 1, 2015, unless otherwise specifically provided. Existing law requires, for any introduced bill that proposes changes in any of those dates, that the Franchise Tax Board prepare a complete analysis of the bill that describes all changes to state law that will automatically occur by reference to federal law as of the changed date. It further requires the Franchise Tax Board to immediately update and supplement that analysis upon any amendment to the bill, and requires that analysis be made available to the public and be submitted to the Legislature for publication in the daily journal of each house of the Legislature.*

*This bill would change the specified date of those referenced Internal Revenue Code sections to January 1, 2025, for taxable years beginning on or after January 1, 2025, and thereby would make numerous substantive changes to both the Personal Income Tax Law and the Corporation Tax Law with respect to those areas of preexisting conformity that are subject to changes under federal laws enacted after January 1, 2015, and that have not been, or are not being, excepted or modified. This bill would make certain other changes in federal income tax laws applicable, with specified exceptions and modifications, and make specified supplemental, technical, or clarifying changes for purposes of the Personal Income Tax Law or the Corporation Tax Law, or both, or the administration of those laws, with respect to, among other things, tax credits, deductions, net operating losses, Roth IRAs, and capital assets.*

*This bill would also repeal obsolete provisions.*

*This bill would declare that it is to take effect immediately as an urgency statute.*

~~Existing law requires each school district, county superintendent of schools, and charter school to make available a nutritionally adequate breakfast, as defined, and a nutritionally adequate lunch, as defined, free of charge during each schoolday to any pupil who requests a meal, without consideration of the pupil's eligibility for a federally funded free or reduced-price meal, as provided. Existing law defines "schoolday" for these purposes to mean any day that pupils in kindergarten or grades 1 to 12, inclusive, are present at a schoolsite for purposes of instruction or educational activities, including, among other~~

things, pupil attendance at summer school, including incoming kindergarten pupils, as provided.

This bill would, contingent upon an appropriation for its purposes and to the extent authorized by federal law, require the State Department of Education to establish a process for state reimbursement, adjusted annually for inflation, for federal summer meal program operators, as defined, for meals served to guardians of eligible pupils receiving a meal pursuant to a summer meal program, as provided. The bill would require the department to develop related guidance, as specified, and, if necessary, to apply for a waiver of federal law to secure federal reimbursement for these meals. The bill would require the department to distribute information about the federal Summer Electronic Benefits Transfer for Children Program to guardians whose children are eligible for specified summer food programs. The bill would require a guardian of an eligible pupil to be present at the summer meal program site in order for the summer meal program operator to receive state-funded reimbursement for that meal, unless noncongregate rules are in place. The bill would require summer meal program operators receiving state-funded reimbursement to report to the department the number of meals served to guardians by meal site no later than 30 days after the end of summer meal site operations.

Vote: ~~majority~~<sup>2/3</sup>. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 12206 of the Revenue and Taxation Code  
2     is amended to read:

3     12206. (a) (1) There shall be allowed as a credit against the  
4     “tax,” described by Section 12201, a state low-income housing  
5     tax credit in an amount equal to the amount determined in  
6     subdivision (c), computed in accordance with Section 42 of the  
7     Internal Revenue Code, relating to low-income housing credit,  
8     except as otherwise provided in this section.

9     (2) “Taxpayer,” for purposes of this section, means the sole  
10    owner in the case of a “C” corporation, the partners in the case of  
11    a partnership, and the shareholders in the case of an “S”  
12    corporation.

13    (3) “Housing sponsor,” for purposes of this section, means the  
14    sole owner in the case of a “C” corporation, the partnership in the

1 case of a partnership, and the “S” corporation in the case of an “S”  
2 corporation.

3 (b) (1) The amount of the credit allocated to any housing  
4 sponsor shall be authorized by the California Tax Credit Allocation  
5 Committee, or any successor thereof, based on a project’s need  
6 for the credit for economic feasibility in accordance with the  
7 requirements of this section.

8 (A) Except for projects to provide farmworker housing, as  
9 defined in subdivision (h) of Section 50199.7 of the Health and  
10 Safety Code, that are allocated credits solely under the set-aside  
11 described in subdivision (c) of Section 50199.20 of the Health and  
12 Safety Code, the low-income housing project shall be located in  
13 California and shall meet either of the following requirements:

14 (i) The project’s housing sponsor has been allocated by the  
15 California Tax Credit Allocation Committee a credit for federal  
16 income tax purposes under Section 42 of the Internal Revenue  
17 Code, relating to low-income housing credit.

18 (ii) It qualifies for a credit under Section 42(h)(4)(B) of the  
19 Internal Revenue Code, relating to special rule where 50 percent  
20 or more of building is financed with tax-exempt bonds subject to  
21 volume cap.

22 (B) The California Tax Credit Allocation Committee shall not  
23 require fees for the credit under this section in addition to those  
24 fees required for applications for the tax credit pursuant to Section  
25 42 of the Internal Revenue Code, relating to low-income housing  
26 credit. The committee may require a fee if the application for the  
27 credit under this section is submitted in a calendar year after the  
28 year the application is submitted for the federal tax credit.

29 (C) (i) For a project that receives a preliminary reservation of  
30 the state low-income housing tax credit, allowed pursuant to  
31 subdivision (a), on or after January 1, 2009, the credit shall be  
32 allocated to the partners of a partnership owning the project in  
33 accordance with the partnership agreement, regardless of how the  
34 federal low-income housing tax credit with respect to the project  
35 is allocated to the partners, or whether the allocation of the credit  
36 under the terms of the agreement has substantial economic effect,  
37 within the meaning of Section 704(b) of the Internal Revenue  
38 Code, relating to determination of distributive share.

39 (ii) This subparagraph shall not apply to a project that receives  
40 a preliminary reservation of state low-income housing tax credits

1 under the set-aside described in subdivision (c) of Section 50199.20  
2 of the Health and Safety Code unless the project also receives a  
3 preliminary reservation of federal low-income housing tax credits.

4 (2) (A) The California Tax Credit Allocation Committee shall  
5 certify to the housing sponsor the amount of tax credit under this  
6 section allocated to the housing sponsor for each credit period.

7 (B) In the case of a partnership or an “S” corporation, the  
8 housing sponsor shall provide a copy of the California Tax Credit  
9 Allocation Committee certification to the taxpayer.

10 (C) (i) A taxpayer shall be eligible to claim the credit  
11 commencing in the taxable year the building is placed in service  
12 and the federal credit period commences, notwithstanding that the  
13 certification pursuant to subparagraph (A) has not been issued by  
14 the California Tax Credit Allocation Committee, provided that the  
15 housing sponsor has filed a taxpayer certification with the  
16 California Tax Credit Allocation Committee and delivered a copy  
17 to the taxpayer. The amount of credit claimed by the taxpayer shall  
18 not exceed the pro rata share with respect to the amount of credit  
19 that the taxpayer purchased or is allocated per the partnership  
20 agreement, as applicable, of the lesser of either of the following:

21 (I) The applicable percentages for each of the four credit years,  
22 as specified in subdivision (c), multiplied by the qualified basis of  
23 the building set forth in the preliminary reservation.

24 (II) The amount of credit the project is eligible for as stated in  
25 the taxpayer certification.

26 (ii) The California Tax Credit Allocation Committee may, but  
27 is not required to, review the taxpayer certification and other  
28 information provided by the housing sponsor to confirm both of  
29 the following:

30 (I) The calculations set forth in the taxpayer certification.

31 (II) The amount of credits allocated to the project is consistent  
32 with applicable California Tax Credit Allocation Committee rules  
33 and regulations for the purposes of making the certification  
34 required pursuant to subparagraph (A).

35 (iii) If the California Tax Credit Allocation Committee issues  
36 a certification pursuant to subparagraph (A) that is inconsistent  
37 with the taxpayer certification upon which a credit has been  
38 claimed, the taxpayer shall amend any previously filed tax returns  
39 to reflect the credit amount certified by the California Tax Credit  
40 Allocation Committee pursuant to subparagraph (A).

(iv) For purposes of this subparagraph, “taxpayer certification” means a certified statement from the certified public accountant of the housing sponsor. The taxpayer certification shall contain the amount of the credit the project is eligible for, the taxable year the building is placed in service, and the taxable year in which the federal credit period for the building has commenced.

(v) The taxpayer shall, upon request, provide a copy of the taxpayer certification pursuant to clause (iv) or the California Tax Credit Allocation Committee’s certification pursuant to subparagraph (A), as applicable, to the Department of Insurance.

(vi) In the case of a failure to provide a copy of the taxpayer certification pursuant to clause (iv) or the California Tax Credit Allocation Committee’s certification pursuant to subparagraph (A), if the Department of Insurance so requires, no credit under this section shall be allowed for that taxable year until a copy of that certification is provided.

(vii) The changes made to this subparagraph by the act adding this clause shall apply for taxable years beginning on or after January 1, 2023.

(D) All elections made by the taxpayer pursuant to Section 42 of the Internal Revenue Code, relating to low-income housing credit, shall apply to this section.

(E) (i) Except as described in clause (ii) or (iii), for buildings located in designated difficult development areas (DDAs) or qualified census tracts (QCTs), as defined in Section 42(d)(5)(B) of the Internal Revenue Code, relating to increase in credit for buildings in high-cost areas, credits may be allocated under this section in the amounts prescribed in subdivision (c), provided that the amount of credit allocated under Section 42 of the Internal Revenue Code, relating to low-income housing credit, is computed on 100 percent of the qualified basis of the building.

(ii) Notwithstanding clause (i), the California Tax Credit Allocation Committee may allocate the credit for buildings located in DDAs or QCTs that are restricted to having 50 percent of the building’s occupants be special needs households, as defined in the California Code of Regulations by the California Tax Credit Allocation Committee, or receiving an allocation pursuant to subparagraph (B) of paragraph (1) of subdivision (g), even if the taxpayer receives federal credits pursuant to Section 42(d)(5)(B) of the Internal Revenue Code, relating to increase in credit for

1 buildings in high-cost areas, provided that the credit allowed under  
2 this section shall not exceed 30 percent of the eligible basis of the  
3 building.

4 (iii) On and after January 1, 2018, notwithstanding clause (i),  
5 the California Tax Credit Allocation Committee may allocate the  
6 credit pursuant to paragraph (6) of subdivision (c) even if the  
7 taxpayer receives federal credits, pursuant to Section 42(d)(5)(B)  
8 of the Internal Revenue Code, relating to increase in credit for  
9 buildings in high-cost areas.

10 (F) (i) The California Tax Credit Allocation Committee may  
11 allocate a credit under this section in exchange for a credit allocated  
12 pursuant to Section 42(d)(5)(B) of the Internal Revenue Code,  
13 relating to increase in credit for buildings in high-cost areas, in  
14 amounts up to 30 percent of the eligible basis of a building if the  
15 credits allowed under Section 42 of the Internal Revenue Code,  
16 relating to low-income housing credit, are reduced by an equivalent  
17 amount.

18 (ii) An equivalent amount shall be determined by the California  
19 Tax Credit Allocation Committee based upon the relative amount  
20 required to produce an equivalent state tax credit to the taxpayer.

21 (c) Section 42(b) of the Internal Revenue Code, relating to  
22 applicable percentage: 70 percent present value credit for certain  
23 new buildings; 30 percent present value credit for certain other  
24 buildings, shall be modified as follows:

25 (1) In the case of any qualified low-income building that receives  
26 an allocation after 1989 and is a new building not federally  
27 subsidized, the term “applicable percentage” means the following:

29 by the Secretary of the Treasury for new buildings that are not  
30 federally subsidized for the taxable year, determined in accordance  
31 with the requirements of Section 42(b)(2) of the Internal Revenue  
32 Code, relating to temporary minimum credit rate for nonfederally  
33 subsidized new buildings, in lieu of the percentage prescribed in  
34 Section 42(b)(1)(A) of the Internal Revenue Code.

35 (B) For the fourth year, the difference between 30 percent and  
36 the sum of the applicable percentages for the first three years.

38 new building and is federally subsidized and receiving an allocation  
39 pursuant to subparagraph (B) of paragraph (1) of subdivision (g),  
40 the term “applicable percentage” means for the first three years,

1 9 percent of the qualified basis of the building, and for the fourth  
2 year, 3 percent of the qualified basis of the building.

9 by the Secretary of the Treasury for new buildings that are federally  
10 subsidized for the taxable year.

12 the sum of the applicable percentages for the first three years.

13 (4) In the case of any qualified low-income building that meets  
14 all of the requirements of subparagraphs (A) through (D), inclusive,  
15 the term “applicable percentage” means 30 percent for each of the  
16 first three years and 5 percent for the fourth year. A qualified  
17 low-income building receiving an allocation under this paragraph  
18 is ineligible to also receive an allocation under paragraph (2).

19 (A) The qualified low-income building is at least 15 years old.

20 (B) The qualified low-income building is either:

25 more than 45 percent of the area median gross income, as  
26 determined under Section 42 of the Internal Revenue Code, relating  
27 to low-income housing credit, adjusted by household size, and a  
28 tax credit regulatory agreement is entered into for a period of not  
29 less than 55 years restricting the average targeted household income  
30 to no more than 45 percent of the area median income.

31 (ii) Financed under Section 514 or 521 of the National Housing  
32 Act of 1949 (42 U.S.C. Sec. 1485).

34 credits under paragraphs (2) and (3) to complete substantial  
35 rehabilitation due to a low appraised value.

36 (D) The qualified low-income building will complete the  
37 substantial rehabilitation in connection with the credit allocation

13 paragraph (1) to reduce the rent on rent-restricted units or to  
14 increase the number of rent-restricted units subject to the tests of  
15 Section 42(g)(1) of the Internal Revenue Code, relating to ~~in~~  
16 ~~general~~ *qualified low-income housing project requirements*.

17 (e) The provisions of Section 42(f) of the Internal Revenue  
18 Code, relating to definition and special rules relating to credit  
19 period, shall be modified as follows:

20 (1) The term “credit period” as defined in Section 42(f)(1) of  
21 the Internal Revenue Code, relating to credit period defined, is  
22 modified by substituting “four taxable years” for “10 taxable  
23 years.”

24 (2) The special rule for the first taxable year of the credit period  
25 under Section 42(f)(2) of the Internal Revenue Code, relating to  
26 special rule for 1st year of credit period, shall not apply to the tax  
27 credit under this section.

28 (3) Section 42(f)(3) of the Internal Revenue Code, relating to  
29 determination of applicable percentage with respect to increases  
30 in qualified basis after 1st year of credit period, is modified to  
31 read:

32 If, as of the close of any taxable year in the compliance period,  
33 after the first year of the credit period, the qualified basis of any  
34 building exceeds the qualified basis of that building as of the close  
35 of the first year of the credit period, the housing sponsor, to the  
36 extent of its tax credit allocation, shall be eligible for a credit on  
37 the excess in an amount equal to the applicable percentage  
38 determined pursuant to subdivision (c) for the four-year period  
39 beginning with the later of the taxable years in which the increase  
40 in qualified basis occurs.

1 (f) The provisions of Section 42(h) of the Internal Revenue  
2 Code, relating to limitation on aggregate credit allowable with  
3 respect to projects located in a state, shall be modified as follows:

4 (1) Section 42(h)(2) of the Internal Revenue Code, relating to  
5 allocated credit amount to apply to all taxable years ending during  
6 or after credit allocation year, does not apply and instead the  
7 following provisions apply:

8 The total amount for the four-year credit period of the housing  
9 credit dollars allocated in a calendar year to any building shall  
10 reduce the aggregate housing credit dollar amount of the California  
11 Tax Credit Allocation Committee for the calendar year in which  
12 the allocation is made.

13 (2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I),  
14 (7), and (8) of Section 42(h) of the Internal Revenue Code, relating  
15 to limitation on aggregate credit allowable with respect to projects  
16 located in a state, do not apply to this section.

17 (g) The aggregate housing credit dollar amount that may be  
18 allocated annually by the California Tax Credit Allocation  
19 Committee pursuant to this section, Section 17058, and Section  
20 23610.5 shall be an amount equal to the sum of all the following:

21 (1) (A) Seventy million dollars (\$70,000,000) for the 2001  
22 calendar year, and, for the 2002 calendar year and each calendar  
23 year thereafter, seventy million dollars (\$70,000,000) increased  
24 by the percentage, if any, by which the Consumer Price Index for  
25 the preceding calendar year exceeds the Consumer Price Index for  
26 the 2001 calendar year. For the purposes of this paragraph, the  
27 term “Consumer Price Index” means the last Consumer Price Index  
28 for All Urban Consumers published by the federal Department of  
29 Labor.

30 (B) Five hundred million dollars (\$500,000,000) for the 2020  
31 calendar year, and up to five hundred million dollars  
32 (\$500,000,000) for the 2021 calendar year and every year  
33 thereafter. Allocations shall only be available pursuant to this  
34 subparagraph in the 2021 calendar year and thereafter if the annual  
35 Budget Act, or if any bill providing for appropriations related to  
36 the Budget Act, specifies an amount to be available for allocation  
37 in that calendar year by the California Tax Credit Allocation  
38 Committee, after the California Tax Credit Allocation Committee  
39 and the California Debt Limit Allocation Committee have adopted  
40 regulations, rules, or guidelines to align the programs of both

1 committees with the objective of increasing production and  
2 containing costs as described in clause (iii). The California Tax  
3 Credit Allocation Committee shall accept applications for the 2021  
4 calendar year not sooner than 30 days after these regulations, rules,  
5 or guidelines have been adopted. The California Debt Limit  
6 Allocation Committee shall not accept applications for the 2021  
7 calendar year for bond allocations for an eligible project under this  
8 section prior to issuing, reviewing, and publishing a new  
9 tax-exempt private activity bond demand survey. A housing  
10 sponsor receiving a nonfederally subsidized allocation under  
11 subdivision (c) shall not be eligible for receipt of the housing credit  
12 allocated from the increased amount under this subparagraph.  
13 Except as provided in clause (vi), a housing sponsor receiving a  
14 nonfederally subsidized allocation under subdivision (c) shall  
15 remain eligible for receipt of the housing credit allocated from the  
16 credit ceiling amount under subparagraph (A).

17 (i) Eligible projects for allocations under this subparagraph  
18 include any new building, as defined in Section 42(i)(4) of the  
19 Internal Revenue Code, relating to ~~newly constructed buildings;~~  
20 *new building*, and the regulations promulgated thereunder,  
21 excluding rehabilitation expenditures under Section 42(e) of the  
22 Internal Revenue Code, relating to rehabilitation expenditures  
23 treated as separate new building, and is federally subsidized.  
24 Eligible projects for allocations under this subparagraph also  
25 include any retrofitting and repurposing of existing nonresidential  
26 structures, including, but not limited to, hotels and motels, that  
27 were converted to residential use within the previous five years  
28 from the date of the application.

29 (ii) Notwithstanding any other provision of this section, for  
30 allocations pursuant to this subparagraph for the 2020 calendar  
31 year, the California Tax Credit Allocation Committee shall consider  
32 projects located throughout the state and shall allocate housing  
33 credits, subject to the minimum federal requirements as set forth  
34 in Sections 42 and 142 of the Internal Revenue Code, the minimum  
35 requirements set forth in Sections 5033 and 5190 of the California  
36 Debt Limit Allocation Committee regulations, and the minimum  
37 set forth in Section 10326 of the Tax Credit Allocation Committee  
38 regulations, for projects that can begin construction within 180  
39 days from award, subject to availability of funds.

(iii) (I) Notwithstanding any other provision of this section, for allocations pursuant to this subparagraph for the 2021 calendar year and thereafter, the California Tax Credit Allocation Committee and the California Debt Limit Allocation Committee shall develop and prescribe regulations, rules, or guidelines necessary to implement a new allocation methodology that is aimed at increasing production and containing costs, which would include a scoring system that maximizes the efficient use of public subsidy and benefit created through the private activity bond and low-income housing tax credit programs. The factors for determining the efficient use of public subsidy and benefit shall include, but not be limited to, all of the following:

(ia) The number and size of units developed including local incentives provided to increase density.

(ib) The proximity to amenities, jobs, and public transportation.

(ic) The location of the development.

(id) The delivery of housing affordable to very low and extremely low income households by the development.

(II) The efficient use of public subsidy and benefit criteria specified in this clause shall take into account the total state subsidy provided and prioritize cost containment and increased unit production. These regulations, rules, or guidelines developed pursuant to this subparagraph shall also consider updated definitions for at-risk preservation and new construction.

(III) For bond allocations for the 2021 calendar year to projects eligible for an allocation under this subparagraph, the California Debt Limit Allocation Committee may adopt emergency regulations.

(IV) The California Tax Credit Allocation Committee shall consider amending the regulations establishing a scoring system, as required by this clause, to also grant, for farmworker housing as defined in subdivision (h) of Section 50199.7 of the Health and Safety Code, maximum points to farmworker housing projects under the housing needs category, and an initial five points in the category for site amenities beyond those required as additional thresholds.

(iv) Of the amount available pursuant to this subparagraph, and notwithstanding any other requirement of this section, the California Tax Credit Allocation Committee may allocate up to two hundred million dollars (\$200,000,000) for housing financed

1 by the California Housing Finance Agency under its Mixed-Income  
2 Program.

3 (v) (I) For the calendar years of 2024 to 2034, inclusive, of the  
4 amount available pursuant to this subparagraph, the lesser of 5  
5 percent of that amount or twenty-five million dollars (\$25,000,000)  
6 per calendar year shall be set aside for projects to provide  
7 farmworker housing, as defined in subdivision (h) of Section  
8 50199.7 of the Health and Safety Code, and administered consistent  
9 with the credits available pursuant to paragraph (4).

10 (II) Any credits pursuant to this clause that remain unallocated  
11 following the conclusion of a funding round shall roll over to  
12 consecutive subsequent funding rounds in that calendar year with  
13 the exception that any credits that remain unallocated after the  
14 final funding round in that calendar year shall be added back to  
15 the aggregate amount of credits that may be allocated pursuant to  
16 this subparagraph.

17 (III) For the 2035 calendar year, and every year thereafter, of  
18 the amount available pursuant to this subparagraph, a portion of  
19 the amount allocated shall be set aside for projects to provide  
20 farmworker housing, as defined in subdivision (h) of Section  
21 50199.7 of the Health and Safety Code. The amount set aside shall  
22 be determined by the Legislature upon consideration of the  
23 comprehensive strategy, or most recent update thereof, provided  
24 by the Department of Housing and Community Development  
25 pursuant to subdivision (c) of Section 50408.5 of the Health and  
26 Safety Code.

27 (vi) (I) For any calendar year in which the California Debt  
28 Limit Allocation Committee has declared a competition for the  
29 award of tax-exempt bond authority for qualified residential rental  
30 projects, the California Tax Credit Allocation Committee may  
31 allocate some or all of the credits allocated under this subparagraph,  
32 except for any credits allocated for housing financed by the  
33 California Housing Finance Agency under its Mixed-Income  
34 Program, for nonfederally subsidized buildings eligible for credits  
35 under Section 42 of the Internal Revenue Code, relating to  
36 low-income housing credit, and shall allocate the remainder of  
37 these credits for new buildings, as defined in Section 42(i)(4) of  
38 the Internal Revenue Code, relating to new buildings, that are  
39 federally subsidized and that can begin construction within a

1 reasonable time, as determined by the California Tax Credit  
2 Allocation Committee.

3 (II) For any calendar year in which the California Debt Limit  
4 Allocation Committee has not declared a competition for the award  
5 of tax-exempt bond authority for qualified residential rental  
6 projects, projects receiving an award of credits pursuant to this  
7 subparagraph shall begin construction within a reasonable time,  
8 as determined by the California Tax Credit Allocation Committee.

9 (III) Notwithstanding subclauses (I) and (II), if credits available  
10 under this subparagraph remain unallocated after the final  
11 California Debt Limit Allocation Committee round for qualified  
12 residential rental projects in a given calendar year, the California  
13 Tax Credit Allocation Committee may allocate some or all of the  
14 remaining credits for nonfederally subsidized buildings eligible  
15 for credits under Section 42 of the Internal Revenue Code, relating  
16 to low-income housing credit.

17 (2) The unused housing credit ceiling, if any, for the preceding  
18 calendar years.

19 (3) The amount of housing credit ceiling returned in the calendar  
20 year. For purposes of this paragraph, the amount of housing credit  
21 dollar amount returned in the calendar year equals the housing  
22 credit dollar amount previously allocated to any project that does  
23 not become a qualified low-income housing project within the  
24 period required by this section or to any project with respect to  
25 which an allocation is canceled by mutual consent of the California  
26 Tax Credit Allocation Committee and the allocation recipient.

27 (4) Five hundred thousand dollars (\$500,000) per calendar year  
28 for projects to provide farmworker housing, as defined in  
29 subdivision (h) of Section 50199.7 of the Health and Safety Code.

30 (5) The amount of any unallocated or returned credits under  
31 former Sections 17053.14, 23608.2, and 23608.3, as those sections  
32 read prior to January 1, 2009, until fully exhausted for projects to  
33 provide farmworker housing, as defined in subdivision (h) of  
34 Section 50199.7 of the Health and Safety Code.

35 (h) The term “compliance period” as defined in Section 42(i)(1)  
36 of the Internal Revenue Code, relating to compliance period, is  
37 modified to mean, with respect to any building, the period of 30  
38 consecutive taxable years beginning with the first taxable year of  
39 the credit period with respect thereto.

1 (i) (1) Section 42(j) of the Internal Revenue Code, relating to  
2 recapture of credit, shall not be applicable and the provisions in  
3 paragraph (2) shall be substituted in its place.

4 (2) The requirements of this section shall be set forth in a  
5 regulatory agreement between the California Tax Credit Allocation  
6 Committee and the housing sponsor, and the regulatory agreement  
7 shall be subordinated, when required, to any lien or encumbrance  
8 of any banks or other institutional lenders to the project. The  
9 regulatory agreement entered into pursuant to subdivision (f) of  
10 Section 50199.14 of the Health and Safety Code, shall apply,  
11 provided that the agreement includes all of the following  
12 provisions:

13 (A) A term not less than the compliance period.

14 (B) A requirement that the agreement be recorded in the official  
15 records of the county in which the qualified low-income housing  
16 project is located.

17 (C) A provision stating which state and local agencies can  
18 enforce the regulatory agreement in the event the housing sponsor  
19 fails to satisfy any of the requirements of this section.

20 (D) A provision that the regulatory agreement shall be deemed  
21 a contract enforceable by tenants as third-party beneficiaries thereto  
22 and that allows individuals, whether prospective, present, or former  
23 occupants of the building, who meet the income limitation  
24 applicable to the building, the right to enforce the regulatory  
25 agreement in any state court.

26 (E) A provision incorporating the requirements of Section 42  
27 of the Internal Revenue Code, relating to low-income housing  
28 credit, as modified by this section.

29 (F) A requirement that the housing sponsor notify the California  
30 Tax Credit Allocation Committee or its designee and the local  
31 agency that can enforce the regulatory agreement if there is a  
32 determination by the Internal Revenue Service that the project is  
33 not in compliance with Section 42(g) of the Internal Revenue Code,  
34 relating to qualified low-income housing project.

35 (G) A requirement that the housing sponsor, as security for the  
36 performance of the housing sponsor's obligations under the  
37 regulatory agreement, assign the housing sponsor's interest in rents  
38 that it receives from the project, provided that until there is a  
39 default under the regulatory agreement, the housing sponsor is  
40 entitled to collect and retain the rents.

1 (H) A provision that the remedies available in the event of a  
2 default under the regulatory agreement that is not cured within a  
3 reasonable cure period include, but are not limited to, allowing  
4 any of the parties designated to enforce the regulatory agreement  
5 to collect all rents with respect to the project; taking possession of  
6 the project and operating the project in accordance with the  
7 regulatory agreement until the enforcer determines the housing  
8 sponsor is in a position to operate the project in accordance with  
9 the regulatory agreement; applying to any court for specific  
10 performance; securing the appointment of a receiver to operate  
11 the project; or any other relief as may be appropriate.

12 (j) (1) The committee shall allocate the housing credit on a  
13 regular basis consisting of two or more periods in each calendar  
14 year during which applications may be filed and considered. The  
15 committee shall establish application filing deadlines, the maximum  
16 percentage of federal and state low-income housing tax credit  
17 ceiling that may be allocated by the committee in that period, and  
18 the approximate date on which allocations shall be made. If the  
19 enactment of federal or state law, the adoption of rules or  
20 regulations, or other similar events prevent the use of two allocation  
21 periods, the committee may reduce the number of periods and  
22 adjust the filing deadlines, maximum percentage of credit allocated,  
23 and the allocation dates.

24 (2) The committee shall adopt a qualified allocation plan, as  
25 provided in Section 42(m)(1) of the Internal Revenue Code, relating  
26 to plans for allocation of credit among projects. In adopting this  
27 plan, the committee shall comply with the provisions of Sections  
28 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code,  
29 relating to qualified allocation plan and relating to certain selection  
30 criteria must be used, respectively.

31 (3) Notwithstanding Section 42(m) of the Internal Revenue  
32 Code, relating to responsibilities of housing credit agencies, the  
33 California Tax Credit Allocation Committee shall allocate housing  
34 credits in accordance with the qualified allocation plan and  
35 regulations, which shall include the following provisions:

36 (A) All housing sponsors, as defined by paragraph (3) of  
37 subdivision (a), shall demonstrate at the time the application is  
38 filed with the committee that the project meets the following  
39 threshold requirements:

1 (i) The housing sponsor shall demonstrate there is a need and  
2 demand for low-income housing in the community or region for  
3 which it is proposed.

4 (ii) The project's proposed financing, including tax credit  
5 proceeds, shall be sufficient to complete the project and that the  
6 proposed operating income shall be adequate to operate the project  
7 for the extended use period.

8 (iii) The project shall have enforceable financing commitments,  
9 either construction or permanent financing, for at least 50 percent  
10 of the total estimated financing of the project.

11 (iv) The housing sponsor shall have and maintain control of the  
12 site for the project.

13 (v) The housing sponsor shall demonstrate that the project  
14 complies with all applicable local land use and zoning ordinances.

15 (vi) The housing sponsor shall demonstrate that the project  
16 development team has the experience and the financial capacity  
17 to ensure project completion and operation for the extended use  
18 period.

19 (vii) The housing sponsor shall demonstrate the amount of tax  
20 credit that is necessary for the financial feasibility of the project  
21 and its viability as a qualified low-income housing project  
22 throughout the extended use period, taking into account operating  
23 expenses, a supportable debt service, reserves, funds set aside for  
24 rental subsidies and required equity, and a development fee that  
25 does not exceed a specified percentage of the eligible basis of the  
26 project prior to inclusion of the development fee in the eligible  
27 basis, as determined by the committee.

28 (B) The committee shall give a preference to those projects  
29 satisfying all of the threshold requirements of subparagraph (A)  
30 if both of the following apply:

31 (i) The project serves the lowest income tenants at rents  
32 affordable to those tenants.

33 (ii) The project is obligated to serve qualified tenants for the  
34 longest period.

35 (C) In addition to the provisions of subparagraphs (A) and (B),  
36 the committee shall use the following criteria in allocating housing  
37 credits:

38 (i) Projects serving large families in which a substantial number,  
39 as defined by the committee, of all residential units are low-income  
40 units with three or more bedrooms.

1 (ii) Projects providing single-room occupancy units serving  
2 very low income tenants.

3 (iii) Existing projects that are “at risk of conversion,” as defined  
4 by paragraph (5) of subdivision (c).

5 (iv) Projects for which a public agency provides direct or indirect  
6 long-term financial support for at least 15 percent of the total  
7 project development costs or projects for which the owner’s equity  
8 constitutes at least 30 percent of the total project development  
9 costs.

10 (v) Projects that provide tenant amenities not generally available  
11 to residents of low-income housing projects.

12 (D) Subparagraphs (B) and (C) shall not apply to projects  
13 receiving an allocation pursuant to subparagraph (B) of paragraph  
14 (1) of subdivision (g).

15 (4) For purposes of allocating credits pursuant to this section,  
16 the committee shall not give preference to any project by virtue  
17 of the date of submission of its application except to break a tie  
18 when two or more of the projects have an equal rating.

19 (k) Section 42(l) of the Internal Revenue Code, relating to  
20 certifications and other reports to secretary, shall be modified as  
21 follows:

22 The term “secretary” shall be replaced by the term “Franchise  
23 Tax Board.”

24 (l) In the case in which the credit allowed under this section  
25 exceeds the “tax,” the excess may be carried over to reduce the  
26 “tax” in the following year, and succeeding years if necessary,  
27 until the credit has been exhausted.

28 (m) The provisions of Section 11407(a) of Public Law 101-508,  
29 relating to the effective date of the extension of the low-income  
30 housing credit, apply to calendar years after 1993.

31 (n) The provisions of Section 11407(c) of Public Law 101-508,  
32 relating to election to accelerate credit, shall not apply.

33 (o) (1) (A) For a project that receives a preliminary reservation  
34 under this section beginning on or after January 1, 2016, a taxpayer  
35 may elect in its application to the California Tax Credit Allocation  
36 Committee to sell all or any portion of any credit allowed under  
37 this section to one or more unrelated parties for each taxable year  
38 in which the credit is allowed, subject to subparagraphs (B) and  
39 (C). The taxpayer may, only once, revoke an election to sell  
40 pursuant to this subdivision at any time before the California Tax

1 Credit Allocation Committee allocates a final credit amount for  
2 the project pursuant to this section, at which point the election  
3 shall become irrevocable.

4 (B) A credit that a taxpayer elects to sell all or a portion of  
5 pursuant to this subdivision shall be sold for consideration that is  
6 not less than 80 percent of the amount of the credit.

7 (C) A taxpayer shall not elect to sell all or any portion of any  
8 credit pursuant to this subdivision if the taxpayer did not make  
9 that election in its application submitted to the California Tax  
10 Credit Allocation Committee.

11 (2) (A) The taxpayer that originally received the credit shall  
12 report to the California Tax Credit Allocation Committee within  
13 10 days of the sale of the credit, in the form and manner specified  
14 by the California Tax Credit Allocation Committee, all required  
15 information regarding the purchase and sale of the credit, including  
16 the social security or other taxpayer identification number of the  
17 unrelated party or parties to whom the credit has been sold, the  
18 face amount of the credit sold, and the amount of consideration  
19 received by the taxpayer for the sale of the credit.

20 (B) The California Tax Credit Allocation Committee shall  
21 provide an annual listing to the Franchise Tax Board, in a form  
22 and manner agreed upon by the California Tax Credit Allocation  
23 Committee and the Franchise Tax Board, of the taxpayers that  
24 have sold or purchased a credit pursuant to this subdivision.

25 (3) A credit may be sold pursuant to this subdivision to more  
26 than one unrelated party.

27 (4) Notwithstanding any other law, the taxpayer that originally  
28 received the credit that is sold pursuant to paragraph (1) shall  
29 remain solely liable for all obligations and liabilities imposed on  
30 the taxpayer by this section with respect to the credit, none of  
31 which shall apply to a party to whom the credit has been sold or  
32 subsequently transferred. Parties that purchase credits pursuant to  
33 paragraph (1) shall be entitled to utilize the purchased credits in  
34 the same manner in which the taxpayer that originally received  
35 the credit could utilize them.

36 (p) The California Tax Credit Allocation Committee may  
37 prescribe rules, guidelines, or procedures necessary or appropriate  
38 to carry out the purposes of this section, including any guidelines  
39 regarding the allocation of the credit allowed under this section.

40 Chapter 3.5 (commencing with Section 11340) of Part 1 of Division

3 of Title 2 of the Government Code shall not apply to any rule, guideline, or procedure prescribed by the California Tax Credit Allocation Committee pursuant to this section.

(q) This section shall remain in effect for as long as Section 42 of the Internal Revenue Code, relating to low-income housing credit, remains in effect.

25 *Tax Cuts and Jobs Act (Public Law 115-97) to Section*  
26 *47(c)(2)(B)(iv) of the Internal Revenue Code, relating to certified*  
27 *historic structure, shall not apply.*

28 (c) (1) To be eligible for the credit allowed by this section, a  
29 taxpayer shall request a tax credit allocation from the California  
30 Tax Credit Allocation Committee, in conjunction with the Office  
31 of Historic Preservation.

32 (2) To obtain a tax credit allocation, the taxpayer shall provide  
33 necessary information, as determined by the Office of Historic  
34 Preservation and the California Tax Credit Allocation Committee.

35 (3) A tax credit allocation provided to a taxpayer shall not  
36 constitute a determination by the California Tax Credit Allocation  
37 Committee with respect to any of the requirements of this section  
38 regarding a taxpayer’s eligibility for the credit authorized by this  
39 section.

(4) The Office of Historic Preservation shall establish in regulations the time period that a taxpayer who receives a tax credit allocation must commence rehabilitation after the issuance of the tax credit allocation. If rehabilitation is not commenced within the time period established by the office, the tax credit allocation shall be forfeited and the credit amount associated with the tax credit allocation shall be treated as an unused allocation tax credit amount.

(d) A deduction shall not be allowed under this part for any expense for which a credit for that expense is allowed by this section.

(e) If a credit is allowed under this section with respect to any property, the basis of that property shall be reduced by the amount of the credit allowed.

(f) (1) A credit allowed under this section shall be claimed in the first taxable year in which the structure is placed in service.

(2) In the case where the credit allowed by this section exceeds the “net tax,” the excess may be carried over to reduce the “net tax” in the following year, and the seven succeeding years, if necessary, until the credit is exhausted.

(g) For purposes of this section, the Office of Historic Preservation shall do all of the following:

(1) Adopt regulations to implement the requirements of this section. The regulations shall comply with the requirements of the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(2) Establish a written application, on a form jointly prescribed by the office and the California Tax Credit Allocation Committee, for the allocation of the tax credit. The written application shall require the applicant to include a summary of the expected economic benefits of the project. The economic benefits shall include, but are not limited to, all of the following:

(A) The number of jobs created by the rehabilitation project, both during and after the rehabilitation of the structure.

(B) The expected increase in state and local tax revenues derived from the rehabilitation project, including those from increased wages and property taxes.

(C) Any additional incentives or contributions included in the rehabilitation project from federal, state, or local governments.

1 (D) For the qualified rehabilitation expenditures with respect  
2 to a qualified residence, the rehabilitation has a public benefit, as  
3 determined jointly with the Office of Historic Preservation.

4 (3) Establish a process to determine that applicants meet the  
5 requirements of this section and to ensure that the rehabilitation  
6 project meets the Secretary of the Interior's Standards for  
7 Rehabilitation, as found in Part 67 of Title 36 of the Code of  
8 Federal Regulations.

9 (4) Establish a process to approve, or reject, all tax credit  
10 allocation applications.

11 (h) For purposes of this section, the California Tax Credit  
12 Allocation Committee shall do all of the following:

13 (1) Establish a process jointly with the Office of Historic  
14 Preservation to implement the provisions of this section.

15 (2) (A) Subject to the annual cap established as provided in  
16 subdivision (i), allocate on a first-come-first-served basis an  
17 aggregate amount of credits under this section and Section 23691,  
18 and allocate any carryover of unallocated credits from prior years.

19 (B) A taxpayer shall be allocated a tax credit pursuant to the  
20 taxpayer's tax credit allocation upon receipt by the California Tax  
21 Credit Allocation Committee of a cost certification for the qualified  
22 rehabilitation expenditures. For projects with qualified  
23 rehabilitation expenditures in excess of two hundred fifty thousand  
24 dollars (\$250,000), the cost certification shall be issued by a  
25 licensed certified public accountant.

26 (3) Certify tax credits allocated to taxpayers.

27 (4) Provide the Franchise Tax Board an annual list of the  
28 taxpayers that were allocated a credit pursuant to this section and  
29 Section 23691, including each taxpayer's taxpayer identification  
30 number, and the amount allocated to each taxpayer.

31 (5) Establish procedures for the recapture of amounts allocated  
32 for a tax credit allowed to a taxpayer for the rehabilitation of a  
33 qualified residence if the taxpayer does not use the qualified  
34 residence as their principal residence within two years after the  
35 rehabilitation of the residence.

36 (i) (1) The aggregate amount of credits that may be allocated  
37 in any calendar year pursuant to this section and Section 23691  
38 shall be an amount equal to the sum of all of the following:

1 (A) Fifty million dollars (\$50,000,000) in tax credits for the  
2 2021 calendar year and each calendar year thereafter, through and  
3 including the 2027 calendar year.

4 (B) The unused allocation tax credit amount, if any, for the  
5 preceding calendar year.

6 (2) Notwithstanding the foregoing, the California Tax Credit  
7 Allocation Committee shall set aside ten million dollars  
8 (\$10,000,000) of tax credits that may be allocated each calendar  
9 year for taxpayers in the aggregate, pursuant to this paragraph and  
10 paragraph (2) of subdivision (i) of Section 23691, as follows:

11 (A) Two million dollars (\$2,000,000) of tax credits, in the  
12 aggregate, for taxpayers with qualified rehabilitation expenditures  
13 for a certified historic structure that is a qualified residence. To  
14 the extent that this amount is not fully allocated in any calendar  
15 year, the unused portion shall become available in subsequent  
16 calendar years for allocation to other taxpayers with qualified  
17 rehabilitation expenditures for a certified historic structure that is  
18 a qualified residence.

19 (B) Eight million dollars (\$8,000,000) of tax credits, in the  
20 aggregate, for taxpayers with qualified rehabilitation expenditures  
21 of less than one million dollars (\$1,000,000) for any other certified  
22 historic building that is not a qualified residence. To the extent  
23 that this amount is not fully allocated in any calendar year, the  
24 unused portion shall become available in subsequent calendar years  
25 for allocation to other taxpayers, except those taxpayers subject  
26 to subparagraph (A).

27 (j) In the case of any application for tax credits by an entity  
28 treated as a partnership for income tax purposes:

29 (1) Credits awarded to a partnership shall be allocated to the  
30 partners of that partnership in accordance with the partnership  
31 agreement, regardless of how the federal historic rehabilitation tax  
32 credit with respect to the project is allocated to the partners, or  
33 whether the allocation of the credit under the terms of the  
34 partnership agreement has substantial economic effect, within the  
35 meaning of Section 704(b) of the Internal Revenue Code.

36 (2) To the extent the allocation of the credit to a partner under  
37 this section lacks substantial economic effect, any loss or deduction  
38 otherwise allowable under this part that is attributable to the sale  
39 or other disposition of that partner's partnership interest made prior  
40 to the expiration of the tax credit recapture period for the project

described in paragraph (1) shall not be allowed in the taxable year in which the sale or other disposition occurs, but shall instead be deferred until, and treated as if, it occurred in the first taxable year immediately following the taxable year in which the tax credit recapture period expires for the project described in paragraph (1). The credits awarded to a partnership shall be allocated to the partners of that partnership in accordance with the partnership agreement.

(k) For purposes of this section, the provisions of subsection (a) of Section 50 of the Internal Revenue Code shall apply.

(l) Notwithstanding any other provision of this part, a credit allowed pursuant to this section may reduce the tax imposed under Section 17041 or 17048 plus the tax imposed under Section 17504, relating to the separate tax on lump-sum distributions, below the tentative minimum tax.

(m) This section shall remain in effect regardless of the expiration or repeal of Section 47 of the Internal Revenue Code, relating to rehabilitation credit.

(n) The California Tax Credit Allocation Committee and the Office of Historic Preservation may charge a reasonable fee in an amount that does not exceed the reasonable costs incurred by the California Tax Credit Allocation Committee and the Office of Historic Preservation in fulfilling the responsibilities described in paragraphs (4) and (5) of subdivision (g) and subdivision (h) and paragraphs (4) and (5) of subdivision (g) and subdivision (h) of Section 23691.

(o) (1) This section shall remain in effect only until December 1, 2027, and as of that date is repealed.

(2) Unless otherwise specified in any bill providing for appropriations related to the Budget Act, for taxable years beginning on or after January 1, 2021, and before January 1, 2027, the amount of credit allowed pursuant to this section shall be zero dollars (\$0).

*SEC. 6. Section 17058 of the Revenue and Taxation Code is amended to read:*

17058. (a) (1) There shall be allowed as a credit against the “net tax,” defined in Section 17039, a state low-income housing tax credit in an amount equal to the amount determined in subdivision (c), computed in accordance with Section 42 of the

1 Internal Revenue Code, relating to low-income housing credit,  
2 except as otherwise provided in this section.

3 (2) “Taxpayer,” for purposes of this section, means the sole  
4 owner in the case of an individual, the partners in the case of a  
5 partnership, and the shareholders in the case of an “S” corporation.

6 (3) “Housing sponsor,” for purposes of this section, means the  
7 sole owner in the case of an individual, the partnership in the case  
8 of a partnership, and the “S” corporation in the case of an “S”  
9 corporation.

10 (b) (1) The amount of the credit allocated to any housing  
11 sponsor shall be authorized by the California Tax Credit Allocation  
12 Committee, or any successor thereof, based on a project’s need  
13 for the credit for economic feasibility in accordance with the  
14 requirements of this section.

15 (A) The low-income housing project shall be located in  
16 California and shall meet either of the following requirements:

17 (i) Except for projects to provide farmworker housing, as defined  
18 in subdivision (h) of Section 50199.7 of the Health and Safety  
19 Code, that are allocated credits solely under the set-aside described  
20 in subdivision (c) of Section 50199.20 of the Health and Safety  
21 Code, the project’s housing sponsor has been allocated by the  
22 California Tax Credit Allocation Committee a credit for federal  
23 income tax purposes under Section 42 of the Internal Revenue  
24 Code, relating to low-income housing credit.

25 (ii) It qualifies for a credit under Section 42(h)(4)(B) of the  
26 Internal Revenue Code, relating to special rule where 50 percent  
27 or more of building is financed with tax-exempt bonds subject to  
28 volume cap.

29 (B) The California Tax Credit Allocation Committee shall not  
30 require fees for the credit under this section in addition to those  
31 fees required for applications for the tax credit pursuant to Section  
32 42 of the Internal Revenue Code, relating to low-income housing  
33 credit. The committee may require a fee if the application for the  
34 credit under this section is submitted in a calendar year after the  
35 year the application is submitted for the federal tax credit.

36 (C) (i) For a project that receives a preliminary reservation of  
37 the state low-income housing tax credit, allowed pursuant to  
38 subdivision (a), on or after January 1, 2009, the credit shall be  
39 allocated to the partners of a partnership owning the project in  
40 accordance with the partnership agreement, regardless of how the

1 federal low-income housing tax credit with respect to the project  
2 is allocated to the partners, or whether the allocation of the credit  
3 under the terms of the agreement has substantial economic effect,  
4 within the meaning of Section 704(b) of the Internal Revenue  
5 Code, relating to determination of distributive share.

6 (ii) To the extent the allocation of the credit to a partner under  
7 this section lacks substantial economic effect, any loss or deduction  
8 otherwise allowable under this part that is attributable to the sale  
9 or other disposition of that partner's partnership interest made prior  
10 to the expiration of the federal credit shall not be allowed in the  
11 taxable year in which the sale or other disposition occurs, but shall  
12 instead be deferred until and treated as if it occurred in the first  
13 taxable year immediately following the taxable year in which the  
14 federal credit period expires for the project described in clause (i).

15 (iii) This subparagraph shall not apply to a project that receives  
16 a preliminary reservation of state low-income housing tax credits  
17 under the set-aside described in subdivision (c) of Section 50199.20  
18 of the Health and Safety Code unless the project also receives a  
19 preliminary reservation of federal low-income housing tax credits.

20 (2) (A) The California Tax Credit Allocation Committee shall  
21 certify to the housing sponsor the amount of tax credit under this  
22 section allocated to the housing sponsor for each credit period.

23 (B) In the case of a partnership or an "S" corporation, the  
24 housing sponsor shall provide a copy of the California Tax Credit  
25 Allocation Committee certification to the taxpayer.

26 (C) (i) A taxpayer shall be eligible to claim the credit  
27 commencing in the taxable year the building is placed in service  
28 and the federal credit period commences, notwithstanding that the  
29 certification pursuant to subparagraph (A) has not been issued by  
30 the California Tax Credit Allocation Committee, provided that the  
31 housing sponsor has filed a taxpayer certification with the  
32 California Tax Credit Allocation Committee and delivered a copy  
33 to the taxpayer. The amount of credit claimed by the taxpayer shall  
34 not exceed the pro rata share with respect to the amount of credit  
35 that the taxpayer purchased or is allocated per the partnership  
36 agreement, as applicable, of the lesser of either of the following:

37 (I) The applicable percentages for each of the four credit years,  
38 as specified in subdivision (c), multiplied by the qualified basis of  
39 the building set forth in the preliminary reservation.

1 (II) The amount of credit the project is eligible for as stated in  
2 the taxpayer certification.

3 (ii) The California Tax Credit Allocation Committee may, but  
4 is not required to, review the taxpayer certification and other  
5 information provided by the housing sponsor to confirm both of  
6 the following:

7 (I) The calculations set forth in the taxpayer certification.

8 (II) The amount of credits allocated to the project is consistent  
9 with applicable California Tax Credit Allocation Committee rules  
10 and regulations for the purposes of making the certification  
11 required pursuant to subparagraph (A).

12 (iii) If the California Tax Credit Allocation Committee issues  
13 a certification pursuant to subparagraph (A) that is inconsistent  
14 with the taxpayer certification upon which a credit has been  
15 claimed, the taxpayer shall amend any previously filed tax returns  
16 to reflect the credit amount certified by the California Tax Credit  
17 Allocation Committee pursuant to subparagraph (A).

18 (iv) For purposes of this subparagraph, “taxpayer certification”  
19 means a certified statement from the certified public accountant  
20 of the housing sponsor. The taxpayer certification shall contain  
21 the amount of the credit the project is eligible for, the taxable year  
22 the building is placed in service, and the taxable year in which the  
23 federal credit period for the building has commenced.

24 (v) The taxpayer shall, upon request, provide a copy of the  
25 taxpayer certification pursuant to clause (iv) or the California Tax  
26 Credit Allocation Committee’s certification pursuant to  
27 subparagraph (A), as applicable, to the Franchise Tax Board.

28 (vi) In the case of a failure to provide a copy of the taxpayer  
29 certification pursuant to clause (iv) or the California Tax Credit  
30 Allocation Committee’s certification pursuant to subparagraph  
31 (A), if the Franchise Tax Board so requires, no credit under this  
32 section shall be allowed for that taxable year until a copy of that  
33 certification is provided.

34 (vii) The changes made to this subparagraph by the act adding  
35 this clause shall apply for taxable years beginning on or after  
36 January 1, 2023.

37 (D) All elections made by the taxpayer pursuant to Section 42  
38 of the Internal Revenue Code, relating to low-income housing  
39 credit, apply to this section.

1 (E) (i) Except as described in clause (ii) or (iii), for buildings  
2 located in designated difficult development areas (DDAs) or  
3 qualified census tracts (QCTs), as defined in Section 42(d)(5)(B)  
4 of the Internal Revenue Code, relating to increase in credit for  
5 buildings in high-cost areas, credits may be allocated under this  
6 section in the amounts prescribed in subdivision (c), provided that  
7 the amount of credit allocated under Section 42 of the Internal  
8 Revenue Code, relating to low-income housing credit, is computed  
9 on 100 percent of the qualified basis of the building.

10 (ii) Notwithstanding clause (i), the California Tax Credit  
11 Allocation Committee may allocate the credit for buildings located  
12 in DDAs or QCTs that are restricted to having 50 percent of the  
13 building's occupants be special needs households, as defined in  
14 the California Code of Regulations by the California Tax Credit  
15 Allocation Committee, or receiving an allocation pursuant to  
16 subparagraph (B) of paragraph (1) of subdivision (g), even if the  
17 taxpayer receives federal credits pursuant to Section 42(d)(5)(B)  
18 of the Internal Revenue Code, relating to increase in credit for  
19 buildings in high-cost areas, provided that the credit allowed under  
20 this section shall not exceed 30 percent of the eligible basis of the  
21 building.

22 (iii) On and after January 1, 2018, notwithstanding clause (i),  
23 the California Tax Credit Allocation Committee may allocate the  
24 credit pursuant to paragraph (7) of subdivision (c) even if the  
25 taxpayer receives federal credits, pursuant to Section 42(d)(5)(B)  
26 of the Internal Revenue Code, relating to increase in credit for  
27 buildings in high-cost areas.

28 (F) (i) The California Tax Credit Allocation Committee may  
29 allocate a credit under this section in exchange for a credit allocated  
30 pursuant to Section 42(d)(5)(B) of the Internal Revenue Code,  
31 relating to increase in credit for buildings in high-cost areas, in  
32 amounts up to 30 percent of the eligible basis of a building if the  
33 credits allowed under Section 42 of the Internal Revenue Code,  
34 relating to low-income housing credit, are reduced by an equivalent  
35 amount.

36 (ii) An equivalent amount shall be determined by the California  
37 Tax Credit Allocation Committee based upon the relative amount  
38 required to produce an equivalent state tax credit to the taxpayer.

39 (c) Section 42(b) of the Internal Revenue Code, relating to  
40 applicable percentage: 70 percent present value credit for certain

1 new buildings; 30 percent present value credit for certain other  
2 buildings, shall be modified as follows:

3 (1) In the case of any qualified low-income building placed in  
4 service by the housing sponsor during 1987, the term “applicable  
5 percentage” means 9 percent for each of the first three years and  
6 3 percent for the fourth year for new buildings (whether or not the  
7 building is federally subsidized) and for existing buildings.

8 (2) In the case of any qualified low-income building that receives  
9 an allocation after 1989 and is a new building not federally  
10 subsidized, the term “applicable percentage” means the following:

11 (A) For each of the first three years, the percentage prescribed  
12 by the Secretary of the Treasury for new buildings that are not  
13 federally subsidized for the taxable year, determined in accordance  
14 with the requirements of Section 42(b)(2) of the Internal Revenue  
15 Code, relating to temporary minimum credit rate for nonfederally  
16 subsidized new buildings, in lieu of the percentage prescribed in  
17 Section 42(b)(1)(A) of the Internal Revenue Code.

18 (B) For the fourth year, the difference between 30 percent and  
19 the sum of the applicable percentages for the first three years.

20 (3) In the case of any qualified low-income building that is a  
21 new building that is federally subsidized and receiving an allocation  
22 pursuant to subparagraph (B) of paragraph (1) of subdivision (g),  
23 the term “applicable percentage” means for the first three years,  
24 9 percent of the qualified basis of the building, and for the fourth  
25 year, 3 percent of the qualified basis of the building.

26 (4) In the case of any qualified low-income building that receives  
27 an allocation after 1989 pursuant to subparagraph (A) of paragraph  
28 (1) of subdivision (g) and that is a new building that is federally  
29 subsidized or that is an existing building that is “at risk of  
30 conversion,” the term “applicable percentage” means the following:

31 (A) For each of the first three years, the percentage prescribed  
32 by the Secretary of the Treasury for new buildings that are federally  
33 subsidized for the taxable year.

34 (B) For the fourth year, the difference between 13 percent and  
35 the sum of the applicable percentages for the first three years.

36 (5) In the case of any qualified low-income building that meets  
37 all of the requirements of subparagraphs (A) through (D), inclusive,  
38 the term “applicable percentage” means 30 percent for each of the  
39 first three years and 5 percent for the fourth year. A qualified

1 low-income building receiving an allocation under this paragraph  
2 is ineligible to also receive an allocation under paragraph (3).

3 (A) The qualified low-income building is at least 15 years old.

4 (B) The qualified low-income building is either:

5 (i) Serving households of very low income or extremely low  
6 income such that the average maximum household income as  
7 restricted, pursuant to an existing regulatory agreement with a  
8 federal, state, county, local, or other governmental agency, is not  
9 more than 45 percent of the area median gross income, as  
10 determined under Section 42 of the Internal Revenue Code, relating  
11 to low-income housing credit, adjusted by household size, and a  
12 tax credit regulatory agreement is entered into for a period of not  
13 less than 55 years restricting the average targeted household income  
14 to no more than 45 percent of the area median income.

15 (ii) Financed under Section 514 or 521 of the National Housing  
16 Act of 1949 (42 U.S.C. Sec. 1485).

17 (C) The qualified low-income building would have insufficient  
18 credits under paragraphs (2) and (3) to complete substantial  
19 rehabilitation due to a low appraised value.

20 (D) The qualified low-income building will complete the  
21 substantial rehabilitation in connection with the credit allocation  
22 herein.

23 (6) *Section 42(b)(3) of the Internal Revenue Code, relating to*  
24 *minimum credit rate, shall not apply.*

8 area plans, pursuant to Chapter 4.3 (commencing with Section  
9 65915) of Division 1 of Title 7 of the Government Code.

10 (B) As used in subparagraph (A), “government assistance” shall  
11 not include the use of tenant-based housing choice vouchers under  
12 subsection (o) of Section 1437f of Title 42 of the United States  
13 Code, excluding paragraph (13) relating to project-based assistance.  
14 Restrictions shall not include any rent control or rent stabilization  
15 ordinance imposed by a county or city.

16 (C) If the development is subject to restrictions on rent and  
17 income levels, 50 percent of the units are also restricted to initial  
18 occupancy by lower income households, as defined in Section  
19 50079.5 of the Health and Safety Code.

20 (D) The restrictions on rent and income levels, excluding any  
21 restrictions recorded pursuant to paragraph (2) of subdivision (e)  
22 of Section 65863.11 or Section 65863.13 of the Government Code  
23 or in connection with interim or acquisition financing, will  
24 terminate or the federally insured mortgage or rent subsidy contract  
25 on the property is eligible for prepayment or termination any time  
26 within five years before or after the date of application to the  
27 California Tax Credit Allocation Committee.

28 (E) The entity acquiring the property enters into a regulatory  
29 agreement that requires the property to be operated in accordance  
30 with the requirements of Section 42 of the Internal Revenue Code  
31 and any further requirements added by the California Tax Credit  
32 Allocation Committee to implement the low-income housing tax  
33 credit established by Section 42 of the Internal Revenue Code (26  
34 U.S.C. Sec. 42), this section, and Sections 12206 and 23610.5  
35 pursuant to Chapter 3.6 (commencing with Section 50199.4) of  
36 Part 1 of Division 31 of the Health and Safety Code.

37 (F) The property satisfies the requirements of Section 42(e) of  
38 the Internal Revenue Code, relating to rehabilitation expenditures  
39 treated as separate new building, except that the provisions of  
40 Section 42(e)(3)(A)(ii)(I) shall not apply.

1     ~~(7)~~

2     (8) On and after January 1, 2018, in the case of any qualified  
3 low-income building that is (A) farmworker housing, as defined  
4 by paragraph (2) of subdivision (h) of Section 50199.7 of the  
5 Health and Safety Code, and (B) is federally subsidized, the term  
6 “applicable percentage” means for each of the first three years, 20  
7 percent of the qualified basis of the building, and for the fourth  
8 year, 15 percent of the qualified basis of the building.

9     (d) The term “qualified low-income housing project” as defined  
10 in Section 42(c)(2) of the Internal Revenue Code, relating to  
11 qualified low-income building, is modified by adding the following  
12 requirements:

13     (1) The taxpayer shall be entitled to receive a cash distribution  
14 from the operations of the project, after funding required reserves,  
15 that, at the election of the taxpayer, is equal to:

16     (A) An amount not to exceed 8 percent of the lesser of:

17     (i) The owner equity, which shall include the amount of the  
18 capital contributions actually paid to the housing sponsor and shall  
19 not include any amounts until they are paid on an investor note.

20     (ii) Twenty percent of the adjusted basis of the building as of  
21 the close of the first taxable year of the credit period.

22     (B) The amount of the cashflow from those units in the building  
23 that are not low-income units. For purposes of computing cashflow  
24 under this subparagraph, operating costs shall be allocated to the  
25 low-income units using the “floor space fraction,” as defined in  
26 Section 42 of the Internal Revenue Code, relating to low-income  
27 housing credit.

28     (C) Any amount allowed to be distributed under subparagraph  
29 (A) that is not available for distribution during the first 5 years of  
30 the compliance period may be accumulated and distributed any  
31 time during the first 15 years of the compliance period but not  
32 thereafter.

33     (2) The limitation on return shall apply in the aggregate to the  
34 partners if the housing sponsor is a partnership and in the aggregate  
35 to the shareholders if the housing sponsor is an “S” corporation.

36     (3) The housing sponsor shall apply any cash available for  
37 distribution in excess of the amount eligible to be distributed under  
38 paragraph (1) to reduce the rent on rent-restricted units or to  
39 increase the number of rent-restricted units subject to the tests of

1 Section 42(g)(1) of the Internal Revenue Code, relating to—in  
2 ~~general~~ *qualified low-income housing project requirements*.

3 (e) The provisions of Section 42(f) of the Internal Revenue  
4 Code, relating to definition and special rules relating to credit  
5 period, shall be modified as follows:

6 (1) The term “credit period” as defined in Section 42(f)(1) of  
7 the Internal Revenue Code, relating to credit period defined, is  
8 modified by substituting “four taxable years” for “10 taxable  
9 years.”

10 (2) The special rule for the first taxable year of the credit period  
11 under Section 42(f)(2) of the Internal Revenue Code, relating to  
12 special rules for 1st year of credit period, shall not apply to the tax  
13 credit under this section.

14 (3) Section 42(f)(3) of the Internal Revenue Code, relating to  
15 determination of applicable percentage with respect to increases  
16 in qualified basis after 1st year of credit period, is modified to  
17 read:

18 If, as of the close of any taxable year in the compliance period,  
19 after the first year of the credit period, the qualified basis of any  
20 building exceeds the qualified basis of that building as of the close  
21 of the first year of the credit period, the housing sponsor, to the  
22 extent of its tax credit allocation, shall be eligible for a credit on  
23 the excess in an amount equal to the applicable percentage  
24 determined pursuant to subdivision (c) for the four-year period  
25 beginning with the taxable year in which the increase in qualified  
26 basis occurs.

27 (f) The provisions of Section 42(h) of the Internal Revenue  
28 Code, relating to limitation on aggregate credit allowable with  
29 respect to projects located in a state, shall be modified as follows:

30 (1) Section 42(h)(2) of the Internal Revenue Code, relating to  
31 allocated credit amount to apply to all taxable years ending during  
32 or after credit allocation year, does not apply and instead the  
33 following provisions apply:

34 The total amount for the four-year credit period of the housing  
35 credit dollars allocated in a calendar year to any building shall  
36 reduce the aggregate housing credit dollar amount of the California  
37 Tax Credit Allocation Committee for the calendar year in which  
38 the allocation is made.

39 (2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I),  
40 (7), and (8) of Section 42(h) of the Internal Revenue Code, relating

1 to limitation on aggregate credit allowable with respect to projects  
2 located in a state, do not apply to this section.

3 (g) The aggregate housing credit dollar amount that may be  
4 allocated annually by the California Tax Credit Allocation  
5 Committee pursuant to this section, Section 12206, and Section  
6 23610.5 shall be an amount equal to the sum of all the following:

7 (1) (A) Seventy million dollars (\$70,000,000) for the 2001  
8 calendar year, and, for the 2002 calendar year and each calendar  
9 year thereafter, seventy million dollars (\$70,000,000) increased  
10 by the percentage, if any, by which the Consumer Price Index for  
11 the preceding calendar year exceeds the Consumer Price Index for  
12 the 2001 calendar year. For the purposes of this paragraph, the  
13 term “Consumer Price Index” means the last Consumer Price Index  
14 for All Urban Consumers published by the federal Department of  
15 Labor.

16 (B) Five hundred million dollars (\$500,000,000) for the 2020  
17 calendar year, and up to five hundred million dollars  
18 (\$500,000,000) for the 2021 calendar year and every year  
19 thereafter. Allocations shall only be available pursuant to this  
20 subparagraph in the 2021 calendar year and thereafter if the annual  
21 Budget Act, or if any bill providing for appropriations related to  
22 the Budget Act, specifies an amount to be available for allocation  
23 in that calendar year by the California Tax Credit Allocation  
24 Committee, and after the California Tax Credit Allocation  
25 Committee and the California Debt Limit Allocation Committee  
26 have adopted regulations, rules, or guidelines to align the programs  
27 of both committees with the objective of increasing production  
28 and containing costs as described in clause (iii). The California  
29 Tax Credit Allocation Committee shall accept applications for the  
30 2021 calendar year not sooner than 30 days after these regulations,  
31 rules, or guidelines have been adopted. The California Debt Limit  
32 Allocation Committee shall not accept applications for the 2021  
33 calendar year for bond allocations for an eligible project under this  
34 section prior to issuing, reviewing, and publishing a new  
35 tax-exempt private activity bond demand survey. A housing  
36 sponsor receiving a nonfederally subsidized allocation under  
37 subdivision (c) shall not be eligible for receipt of the housing credit  
38 allocated from the increased amount under this subparagraph.  
39 Except as provided in clause (vi), a housing sponsor receiving a  
40 nonfederally subsidized allocation under subdivision (c) shall

1 remain eligible for receipt of the housing credit allocated from the  
2 credit ceiling amount under subparagraph (A).

3 (i) Eligible projects for allocations under this subparagraph  
4 include any new building, as defined in Section 42(i)(4) of the  
5 Internal Revenue Code, relating to ~~newly constructed buildings,~~  
6 *new building*, and the regulations promulgated thereunder,  
7 excluding rehabilitation expenditures under Section 42(e) of the  
8 Internal Revenue Code, relating to rehabilitation expenditures  
9 treated as separate new building, and is federally subsidized.  
10 Eligible projects for allocations under this subparagraph also  
11 include any retrofitting and repurposing of existing nonresidential  
12 structures, including, but not limited to, hotels and motels, that  
13 were converted to residential use within the previous five years  
14 from the date of the application.

15 (ii) Notwithstanding any other provision of this section, for  
16 allocations pursuant to this subparagraph for the 2020 calendar  
17 year, the California Tax Credit Allocation Committee shall consider  
18 projects located throughout the state and shall allocate housing  
19 credits, subject to the minimum federal requirements as set forth  
20 in Sections 42 and 142 of the Internal Revenue Code, the minimum  
21 requirements set forth in Sections 5033 and 5190 of the California  
22 Debt Limit Allocation Committee regulations, and the minimum  
23 set forth in Section 10326 of the Tax Credit Allocation Committee  
24 regulations, for projects that can begin construction within 180  
25 days from award, subject to availability of funds.

26 (iii) (I) Notwithstanding any other provision of this section, for  
27 allocations pursuant to this subparagraph for the 2021 calendar  
28 year and thereafter, the California Tax Credit Allocation Committee  
29 and the California Debt Limit Allocation Committee shall develop  
30 and prescribe regulations, rules, or guidelines necessary to  
31 implement a new allocation methodology that is aimed at  
32 increasing production and containing costs, which would include  
33 a scoring system that maximizes the efficient use of public subsidy  
34 and benefit created through the private activity bond and  
35 low-income housing tax credit programs. The factors for  
36 determining the efficient use of public subsidy and benefit shall  
37 include, but not be limited to, all of the following:

38 (ia) The number and size of units developed including local  
39 incentives provided to increase density.

40 (ib) The proximity to amenities, jobs, and public transportation.

1 (ic) The location of the development.

2 (id) The delivery of housing affordable to very low and  
3 extremely low income households by the development.

4 (II) The efficient use of public subsidy and benefit criteria  
5 specified in this clause shall take into account the total state subsidy  
6 provided and prioritize cost containment and increased unit  
7 production. These regulations, rules, or guidelines developed  
8 pursuant to this subparagraph shall also consider updated  
9 definitions for at-risk preservation and new construction.

10 (III) For bond allocations for the 2021 calendar year to projects  
11 eligible for an allocation under this subparagraph, the California  
12 Debt Limit Allocation Committee may adopt emergency  
13 regulations.

14 (IV) The California Tax Credit Allocation Committee shall  
15 consider amending the regulations establishing a scoring system,  
16 as required by this clause, to also grant, for farmworker housing  
17 as defined in subdivision (h) of Section 50199.7 of the Health and  
18 Safety Code, maximum points to farmworker housing projects  
19 under the housing needs category, and an initial five points in the  
20 category for site amenities beyond those required as additional  
21 thresholds.

22 (iv) Of the amount available pursuant to this subparagraph, and  
23 notwithstanding any other requirement of this section, the  
24 California Tax Credit Allocation Committee may allocate up to  
25 two hundred million dollars (\$200,000,000) for housing financed  
26 by the California Housing Finance Agency under its Mixed-Income  
27 Program.

28 (v) (I) For the calendar years of 2024 to 2034, inclusive, of the  
29 amount available pursuant to this subparagraph, the lesser of 5  
30 percent of that amount or twenty-five million dollars (\$25,000,000)  
31 per calendar year shall be set aside for projects to provide  
32 farmworker housing, as defined in subdivision (h) of Section  
33 50199.7 of the Health and Safety Code, and administered consistent  
34 with the credits available pursuant to paragraph (4).

35 (II) Any credits pursuant to this clause that remain unallocated  
36 following the conclusion of a funding round shall roll over to  
37 consecutive subsequent funding rounds in that calendar year with  
38 the exception that any credits that remain unallocated after the  
39 final funding round in that calendar year shall be added back to

1 the aggregate amount of credits that may be allocated pursuant to  
2 this subparagraph.

3 (III) For the 2035 calendar year, and every year thereafter, of  
4 the amount available pursuant to this subparagraph, a portion of  
5 the amount allocated shall be set aside for projects to provide  
6 farmworker housing, as defined in subdivision (h) of Section  
7 50199.7 of the Health and Safety Code. The amount set aside shall  
8 be determined by the Legislature upon consideration of the  
9 comprehensive strategy, or most recent update thereof, provided  
10 by the Department of Housing and Community Development  
11 pursuant to subdivision (c) of Section 50408.5 of the Health and  
12 Safety Code.

13 (vi) (I) For any calendar year in which the California Debt  
14 Limit Allocation Committee has declared a competition for the  
15 award of tax-exempt bond authority for qualified residential rental  
16 projects, the California Tax Credit Allocation Committee may  
17 allocate some or all of the credits allocated under this subparagraph,  
18 except for any credits allocated for housing financed by the  
19 California Housing Finance Agency under its Mixed-Income  
20 Program, for nonfederally subsidized buildings eligible for credits  
21 under Section 42 of the Internal Revenue Code, relating to  
22 low-income housing credit, and shall allocate the remainder of  
23 these credits for new buildings, as defined in Section 42(i)(4) of  
24 the Internal Revenue Code, relating to new buildings, that are  
25 federally subsidized and that can begin construction within a  
26 reasonable time, as determined by the California Tax Credit  
27 Allocation Committee.

28 (II) For any calendar year in which the California Debt Limit  
29 Allocation Committee has not declared a competition for the award  
30 of tax-exempt bond authority for qualified residential rental  
31 projects, projects receiving an award of credits pursuant to this  
32 subparagraph shall begin construction within a reasonable time,  
33 as determined by the California Tax Credit Allocation Committee.

34 (III) Notwithstanding subclauses (I) and (II), if credits available  
35 under this subparagraph remain unallocated after the final  
36 California Debt Limit Allocation Committee round for qualified  
37 residential rental projects in a given calendar year, the California  
38 Tax Credit Allocation Committee may allocate some or all of the  
39 remaining credits for nonfederally subsidized buildings eligible

1 for credits under Section 42 of the Internal Revenue Code, relating  
2 to low-income housing credit.

3 (2) The unused housing credit ceiling, if any, for the preceding  
4 calendar years.

5 (3) The amount of housing credit ceiling returned in the calendar  
6 year. For purposes of this paragraph, the amount of housing credit  
7 dollar amount returned in the calendar year equals the housing  
8 credit dollar amount previously allocated to any project that does  
9 not become a qualified low-income housing project within the  
10 period required by this section or to any project with respect to  
11 which an allocation is canceled by mutual consent of the California  
12 Tax Credit Allocation Committee and the allocation recipient.

13 (4) Five hundred thousand dollars (\$500,000) per calendar year  
14 for projects to provide farmworker housing, as defined in  
15 subdivision (h) of Section 50199.7 of the Health and Safety Code.

16 (5) The amount of any unallocated or returned credits under  
17 former Sections 17053.14, 23608.2, and 23608.3, as those sections  
18 read prior to January 1, 2009, until fully exhausted for projects to  
19 provide farmworker housing, as defined in subdivision (h) of  
20 Section 50199.7 of the Health and Safety Code.

21 (h) The term “compliance period” as defined in Section 42(i)(1)  
22 of the Internal Revenue Code, relating to compliance period, is  
23 modified to mean, with respect to any building, the period of 30  
24 consecutive taxable years beginning with the first taxable year of  
25 the credit period with respect thereto.

26 (i) Section 42(j) of the Internal Revenue Code, relating to  
27 recapture of credit, shall not be applicable and the following  
28 requirements of this section shall be set forth in a regulatory  
29 agreement between the California Tax Credit Allocation Committee  
30 and the housing sponsor, and the regulatory agreement shall be  
31 subordinated, when required, to any lien or encumbrance of any  
32 banks or other institutional lenders to the project. The regulatory  
33 agreement entered into pursuant to subdivision (f) of Section  
34 50199.14 of the Health and Safety Code shall apply, provided that  
35 the agreement includes all of the following provisions:

36 (1) A term not less than the compliance period.

37 (2) A requirement that the agreement be recorded in the official  
38 records of the county in which the qualified low-income housing  
39 project is located.

1 (3) A provision stating which state and local agencies can  
2 enforce the regulatory agreement in the event the housing sponsor  
3 fails to satisfy any of the requirements of this section.

4 (4) A provision that the regulatory agreement shall be deemed  
5 a contract enforceable by tenants as third-party beneficiaries thereto  
6 and that allows individuals, whether prospective, present, or former  
7 occupants of the building, who meet the income limitation  
8 applicable to the building, the right to enforce the regulatory  
9 agreement in any state court.

10 (5) A provision incorporating the requirements of Section 42  
11 of the Internal Revenue Code, relating to low-income housing  
12 credit, as modified by this section.

13 (6) A requirement that the housing sponsor notify the California  
14 Tax Credit Allocation Committee or its designee if there is a  
15 determination by the Internal Revenue Service that the project is  
16 not in compliance with Section 42(g) of the Internal Revenue Code,  
17 relating to qualified low-income housing project.

18 (7) A requirement that the housing sponsor, as security for the  
19 performance of the housing sponsor's obligations under the  
20 regulatory agreement, assign the housing sponsor's interest in rents  
21 that it receives from the project, provided that until there is a  
22 default under the regulatory agreement, the housing sponsor is  
23 entitled to collect and retain the rents.

24 (8) A provision that the remedies available in the event of a  
25 default under the regulatory agreement that is not cured within a  
26 reasonable cure period include, but are not limited to, allowing  
27 any of the parties designated to enforce the regulatory agreement  
28 to collect all rents with respect to the project; taking possession of  
29 the project and operating the project in accordance with the  
30 regulatory agreement until the enforcer determines the housing  
31 sponsor is in a position to operate the project in accordance with  
32 the regulatory agreement; applying to any court for specific  
33 performance; securing the appointment of a receiver to operate  
34 the project; or any other relief as may be appropriate.

35 (j) (1) The committee shall allocate the housing credit on a  
36 regular basis consisting of two or more periods in each calendar  
37 year during which applications may be filed and considered. The  
38 committee shall establish application filing deadlines, the maximum  
39 percentage of federal and state low-income housing tax credit  
40 ceiling that may be allocated by the committee in that period, and

1 the approximate date on which allocations shall be made. If the  
2 enactment of federal or state law, the adoption of rules or  
3 regulations, or other similar events prevent the use of two allocation  
4 periods, the committee may reduce the number of periods and  
5 adjust the filing deadlines, maximum percentage of credit allocated,  
6 and the allocation dates.

7 (2) The committee shall adopt a qualified allocation plan, as  
8 provided in Section 42(m)(1) of the Internal Revenue Code, relating  
9 to plans for allocation of credit among projects. In adopting this  
10 plan, the committee shall comply with the provisions of Sections  
11 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code,  
12 relating to qualified allocation plan and relating to certain selection  
13 criteria must be used, respectively.

14 (3) Notwithstanding Section 42(m) of the Internal Revenue  
15 Code, relating to responsibilities of housing credit agencies, the  
16 California Tax Credit Allocation Committee shall allocate housing  
17 credits in accordance with the qualified allocation plan and  
18 regulations, which shall include the following provisions:

19 (A) All housing sponsors, as defined by paragraph (3) of  
20 subdivision (a), shall demonstrate at the time the application is  
21 filed with the committee that the project meets the following  
22 threshold requirements:

23 (i) The housing sponsor shall demonstrate that there is a need  
24 and demand for low-income housing in the community or region  
25 for which it is proposed.

26 (ii) The project's proposed financing, including tax credit  
27 proceeds, shall be sufficient to complete the project and that the  
28 proposed operating income shall be adequate to operate the project  
29 for the extended use period.

30 (iii) The project shall have enforceable financing commitments,  
31 either construction or permanent financing, for at least 50 percent  
32 of the total estimated financing of the project.

33 (iv) The housing sponsor shall have and maintain control of the  
34 site for the project.

35 (v) The housing sponsor shall demonstrate that the project  
36 complies with all applicable local land use and zoning ordinances.

37 (vi) The housing sponsor shall demonstrate that the project  
38 development team has the experience and the financial capacity  
39 to ensure project completion and operation for the extended use  
40 period.

(vii) The housing sponsor shall demonstrate the amount of tax credit that is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the extended use period, taking into account operating expenses, a supportable debt service, reserves, funds set aside for rental subsidies and required equity, and a development fee that does not exceed a specified percentage of the eligible basis of the project prior to inclusion of the development fee in the eligible basis, as determined by the committee.

(B) The committee shall give a preference to those projects satisfying all of the threshold requirements of subparagraph (A) if both of the following apply:

(i) The project serves the lowest income tenants at rents affordable to those tenants.

(ii) The project is obligated to serve qualified tenants for the longest period.

(C) In addition to the provisions of subparagraphs (A) and (B), the committee shall use the following criteria in allocating housing credits:

(i) Projects serving large families in which a substantial number, as defined by the committee, of all residential units are low-income units with three or more bedrooms.

(ii) Projects providing single-room occupancy units serving very low income tenants.

(iii) Existing projects that are “at risk of conversion,” as defined by paragraph (6) of subdivision (c).

(iv) Projects for which a public agency provides direct or indirect long-term financial support for at least 15 percent of the total project development costs or projects for which the owner’s equity constitutes at least 30 percent of the total project development costs.

(v) Projects that provide tenant amenities not generally available to residents of low-income housing projects.

(4) For purposes of allocating credits pursuant to this section, the committee shall not give preference to any project by virtue of the date of submission of its application.

(D) Subparagraphs (B) and (C) shall not apply to projects receiving an allocation pursuant to subparagraph (B) of paragraph (1) of subdivision (g).

(k) Section 42(l) of the Internal Revenue Code, relating to certifications and other reports to secretary, shall be modified as follows:

The term “secretary” shall be replaced by the term “Franchise Tax Board.”

(l) In the case in which the credit allowed under this section exceeds the “net tax,” the excess may be carried over to reduce the “net tax” in the following year, and succeeding years, if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) (1) (A) For a project that receives a preliminary reservation under this section beginning on or after January 1, 2016, a taxpayer may elect in its application to the California Tax Credit Allocation Committee to sell all or any portion of any credit allowed, subject to subparagraphs (B) and (C). (4) In the case of any trade or business activity conducted by a partnership or “S” corporation paragraphs (1) and (2) shall be applied to the partnership or “S” corporation.

(f) For purposes of this section, in determining whether a trade or business activity qualifies as a new business under paragraph (2) of subdivision (e), the following rules apply:

(1) In any case where a taxpayer purchases or otherwise acquires all or any portion of the assets of an existing trade or business (irrespective of the form of entity) that is doing business in this state (within the meaning of Section 23101), the trade or business thereafter conducted by the taxpayer (or any related person) shall not be treated as a new business if the aggregate fair market value of the acquired assets (including real, personal, tangible, and intangible property) used by the taxpayer (or any related person) in the conduct of its trade or business exceeds 20 percent of the aggregate fair market value of the total assets of the trade or business being conducted by the taxpayer (or any related person). For purposes of this paragraph only, the following rules apply:

(A) The determination of the relative fair market values of the acquired assets and the total assets shall be made as of the last day of the first taxable year in which the taxpayer (or any related

1 person) first uses any of the acquired trade or business assets in  
2 its business activity.

3 (B) Acquired assets that constituted property described in  
4 Section 1221(a)(1) of the Internal Revenue Code in the hands of  
5 the transferor shall not be treated as assets acquired from an  
6 existing trade or business, unless those assets also constitute  
7 property described in Section 1221(a)(1) of the Internal Revenue  
8 Code in the hands of the acquiring taxpayer (or related person).

9 (2) In a case in which a taxpayer (or any related person) is  
10 engaged in one or more trade or business activities in this state, or  
11 has been engaged in one or more trade or business activities in this  
12 state within the preceding 36 months (“prior trade or business  
13 activity”), and thereafter commences an additional trade or business  
14 activity in this state, the additional trade or business activity shall  
15 only be treated as a new business if the additional trade or business  
16 activity is classified under a different division of the Standard  
17 Industrial Classification (SIC) Manual published by the United  
18 States Office of Management and Budget, 1987 edition, than are  
19 any of the taxpayer’s (or any related person’s) current or prior  
20 trade or business activities.

21 (3) In a case in which a taxpayer, including all related persons,  
22 is engaged in trade or business activities wholly outside of this  
23 state and the taxpayer first commences doing business in this state  
24 (within the meaning of Section 23101) after December 31, 1993  
25 (other than by purchase or other acquisition described in paragraph  
26 (1)), the trade or business activity shall be treated as a new business  
27 under paragraph (2) of subdivision (e).

28 (4) In a case in which the legal form under which a trade or  
29 business activity is being conducted is changed, the change in form  
30 shall be disregarded and the determination of whether the trade or  
31 business activity is a new business shall be made by treating the  
32 taxpayer as having purchased or otherwise acquired all or any  
33 portion of the assets of an existing trade or business under the rules  
34 of paragraph (1).

35 (5) “Related person” shall mean any person that is related to  
36 the taxpayer under either Section 267 or 318 of the Internal  
37 Revenue Code.

38 (6) “Acquire” shall include any gift, inheritance, transfer incident  
39 to divorce, or any other transfer, whether or not for consideration.

(7) (A) For taxable years beginning on or after January 1, 1997, the term “new business” shall include any taxpayer that is engaged in biopharmaceutical activities or other biotechnology activities that are described in Codes 2833 to 2836, inclusive, of the Standard Industrial Classification (SIC) Manual published by the United States Office of Management and Budget, 1987 edition, and as further amended, and that has not received regulatory approval for any product from the Food and Drug Administration.

(B) For purposes of this paragraph:

(i) “Biopharmaceutical activities” means those activities that use organisms or materials derived from organisms, and their cellular, subcellular, or molecular components, in order to provide pharmaceutical products for human or animal therapeutics and diagnostics. Biopharmaceutical activities make use of living organisms to make commercial products, as opposed to pharmaceutical activities that make use of chemical compounds to produce commercial products.

(ii) “Other biotechnology activities” means activities consisting of the application of recombinant DNA technology to produce commercial products, as well as activities regarding pharmaceutical delivery systems designed to provide a measure of control over the rate, duration, and site of pharmaceutical delivery.

(h) The Franchise Tax Board may prescribe appropriate regulations to carry out the purposes of this section, including any regulations necessary to prevent the avoidance of the purposes of this section through splitups, shell corporations, partnerships, tiered ownership structures, or otherwise.

(i) The Franchise Tax Board may reclassify any net operating loss carryover determined under either paragraph (2) or (3) of subdivision (b) as a net operating loss carryover under paragraph (1) of subdivision (b) upon a showing that the reclassification is necessary to prevent evasion of the purposes of this section.

(j) Except as otherwise provided, the amendments made by Chapter 107 of the Statutes of 2000 apply to net operating losses for taxable years beginning on or after January 1, 2000.

13    by Part 10 (commencing with Section 17001) on estates and trusts  
14    to be other than on paper forms supplied by the Franchise Tax  
15    Board. In prescribing those regulations, the Franchise Tax Board  
16    shall take into account, among other relevant factors, the ability  
17    of the taxpayer to comply at a reasonable cost with that filing  
18    requirement.

19    (b) (1) Subdivision (a) is applicable only to taxpayers required  
20    to file returns on magnetic media or in other machine-readable

31    Service under Section 6011(e) of the Internal Revenue Code and

35    media or other machine-readable form returns filed with the

1 18622.5. (a) Notwithstanding Section 18622, if any item  
2 required to be shown on a federal partnership return, including  
3 ~~any gross income, deduction, penalty, credit, or tax for any year~~  
4 ~~of any partnership, including any amount of any partner's~~  
5 ~~distributive share, partnership-related item,~~ is changed or corrected  
6 by the Commissioner of Internal Revenue or other officer of the  
7 United States or other competent authority, and the partnership is  
8 issued an adjustment under Section 6225 of the Internal Revenue  
9 Code or makes a federal election for alternative payment with the  
10 Internal Revenue Service as part of a Partnership Level Audit, the  
11 partnership shall report each change or correction to the Franchise  
12 Tax Board for the reviewed year within six months after the date  
13 of each final federal determination. The report of adjustments or  
14 return reporting the adjustments shall be sufficiently detailed to  
15 allow computation of the California tax change resulting from the  
16 federal adjustment and shall be reported in the form and manner  
17 as prescribed by the Franchise Tax Board.

18 (b) For purposes of this section the following terms have the  
19 following meanings:

37 Revenue Service, including a Partnership Level Audit, or the filing  
38 of a federal refund claim, or an Administrative Adjustment Request  
39 by the partnership. A Federal Adjustment is positive to the extent  
40 that it increases taxable income as determined under Part 10

(commencing with Section 17001) or net income as determined under Part 11 (commencing with Section 23001) and is negative to the extent that it decreases taxable income as determined under Part 10 (commencing with Section 17001) or net income as determined under Part 11 (commencing with Section 23001).

63 of the Internal Revenue Code (commencing with Section ~~6221~~;  
as in effect January 1, 2018, 6221) shall be applicable for purposes  
of Part 10 (commencing with Section 17001), this part, and Part  
11 (commencing with Section 23001), and a separate election shall  
not be allowed.

(2) In the case of any unitary partner whose distributive share  
of a partnership's income and apportionment factors would  
properly be included in the computation of that partner's business  
income (within the meaning of subdivision (a) of Section 25120)  
apportioned to California on that partner's original California  
franchise or income tax return, subparagraph (A) of paragraph (1)

of this section and that partner shall file an amended return to  
separately report its California share of the adjustments under  
Section 18622.

(3) (A) Notwithstanding paragraph (1), and subject to the  
requirement of paragraph (2), a partnership may file a request, in  
the form and manner specified by the Franchise Tax Board, to  
make an election different from their federal election under this  
section, and the Franchise Tax Board shall grant such requests as  
specified in subparagraphs (B) and (C).

(B) In the case where an audited partnership or a tiered  
partnership makes a federal election for alternative payment, which

2 provisions specified in paragraph (2) of subdivision (d).

3 (4) (A) Each tiered partner and each indirect partner of an  
4 audited partnership shall be subject to the applicable election,  
5 reporting and payment requirements for audited partnerships and

7 (B) Each tiered partner and indirect partner must make all reports  
8 and payments required to be made by such partners under this  
9 section no later than 90 days after the time for filing and furnishing  
10 statements to tiered partners and their partners, as required under  
11 Section 6226 of the Internal Revenue Code and any regulations  
12 thereunder.

13 (d) (1) (A) If the change or correction described in subdivision  
14 (a) results in an increase of the amount of tax payable under Part  
15 10 (commencing with Section 17001), this part, or Part 11  
16 (commencing with Section 23001), and if paragraph (2) does not  
17 apply, then a tax is hereby imposed on the partnership determined  
18 as follows, in lieu of taxes owed by its direct partners and indirect  
19 partners:

20 (i) Exclude from federal adjustments and any positive  
21 reallocation adjustments the distributive share of these adjustments  
22 made to a tax-exempt partner that is not unrelated business taxable  
23 income within the meaning of Section 23731.

24 (ii) Exclude from federal adjustments and any positive  
25 reallocation adjustments the distributive share of the adjustments  
26 made to a partner that has previously filed an amended return under  
27 Section 18622 reporting the distributive share and paid any  
28 additional state tax liability due.

29 (iii) With respect to any corporate partner or tax-exempt partner  
30 that is not excluded under paragraph (2) of subdivision (c) or  
31 clauses (i) or (ii), determine the total distributive share of all federal  
32 adjustments and positive reallocation adjustments, and apportion  
33 and allocate the adjustments as provided in Chapter 17  
34 (commencing with Section 25101) of Part 11, and multiply that  
35 amount by the highest marginal tax rate provided in Sections 23151  
36 or 23501, as applicable, for the reviewed year.

37 (iv) With respect to all tiered partners, nonresident individual  
38 partners, or nonresident fiduciary partners not excluded under  
39 paragraph (2) of subdivision (c) or clause (i) or (ii) or taken into  
40 account under clause (iii), determine the total distributive share of

1 all federal adjustments and positive reallocation adjustments and  
2 compute the amount of California source income attributable to  
3 the adjustments as provided in Chapter 11 (commencing with  
4 Section 17951) of Part 10 and the provisions of Chapter 17  
5 (commencing with Section 25101) of Part 11, and multiply that  
6 amount by the highest marginal tax rate applicable to individuals  
7 for the reviewed year.

8 (v) With respect to all resident partners, resident fiduciary  
9 partners, or any other partners not excluded under paragraph (2)  
10 of subdivision (c) or clauses (i) or (ii) or taken into account under  
11 clauses (iii) or (iv), determine the total distributive share of all  
12 federal adjustments and positive reallocation adjustments that are  
13 subject to tax under subdivisions (a) or (c) of Section 17041, and  
14 multiply that amount by the highest marginal tax rate applicable  
15 to individuals for the reviewed year.

16 (vi) The total tax imposed under this paragraph shall be equal  
17 to the sum of the amounts determined under clauses (iii), (iv), and  
18 (v). The tax imposed under this subdivision shall be due and  
19 payable as provided in Section 19001 and treated as if imposed  
20 under Part 10 (commencing with Section 17001).

21 (B) Penalties and interest, as applicable, shall be imposed under  
22 Article 6 of Chapter 4 (commencing with Section 19101) and  
23 Article 7 of Chapter 4 (commencing with Section 19131) from the  
24 original due date of the partnership return for the reviewed year.

25 (2) If the partnership makes a federal election for alternative  
26 payment under Section 6226 of the Internal Revenue Code, then  
27 the partnership shall file an amended California Nonresident Group  
28 Return for all nonresident direct partners under Section 18535 and  
29 pay the additional amount of tax due that would have been due  
30 had the federal adjustments been reported properly as required.  
31 For any partners not included in the amended California  
32 Nonresident Group Return, the amount reported to each partner  
33 shall be an adjustment to the partner's share of partnership items  
34 as a result of the change or correction in subdivision (a) and each  
35 partner shall report any adjustments in accordance with Section  
36 18622.

37 (e) Subject to the approval of the Franchise Tax Board, an  
38 audited partnership or tiered partner may enter into an alternative  
39 agreement with the Franchise Tax Board regarding any issue  
40 resulting from a federal audit adjustment, amended federal return,

or administrative adjustment that would otherwise be subject to this section, including, but not limited to, the reporting and payment of tax, applicable time requirements, or any other provision that will provide, to the satisfaction of the Franchise Tax Board, for the reporting and payment of any taxes, penalties, and interest due pursuant to this section.

(f) (1) If a partnership files a report or return as required under subdivision (a) after the six-month period specified in subdivision (a) or if the partnership or partner does not pay the tax required under subdivision (c) when due and payable, the Franchise Tax Board shall mail notice to the partnership of the deficiency proposed to be assessed pursuant to Section 19033. The deficiency proposed to be assessed must be mailed within four years from the date the change or correction was reported pursuant to subdivision (a), the return or payment was due, or within four years from the date the return was filed, whichever period expires later.

(2) If a partnership files a report, or files a return required under subdivision (a) within six months of the final federal determination, the Franchise Tax Board shall mail notice to the partnership of the deficiency proposed to be assessed pursuant to Section 19033. The deficiency proposed to be assessed must be mailed within two years from the date the change or correction was reported pursuant to subdivision (a).

(3) If the partnership fails to file a report or return as required by subdivision (a), a notice of proposed deficiency assessment resulting from the federal determination may be made at any time.

(g) (1) Nothing in this section is intended to prevent the Franchise Tax Board from assessing direct partners or indirect partners for taxes they owe in the event that an audited partnership or tiered partner fails to timely make any report or payment required by this section for any reason.

(2) If a partnership's report of the California tax changes resulting from the adjustments filed pursuant to subdivision (a) results in an overstatement of California taxable or net income, the adjustment shall be applied as follows:

(A) If the original adjustments were passed through to the partners under paragraph (2) of subdivision (c), the revised adjustment shall be passed through to the partners. The partnership shall file or amend the return as described in subdivision (a).

(B) If the tax on the adjustments was originally paid by the partnership under paragraph (1) of subdivision (c), the partnership may amend the return filed under paragraph (1) of subdivision (c) to claim a refund of that overpayment within the time periods provided by Section 19311. This subparagraph shall not allow a partnership to claim an overpayment for amounts not actually paid by the partnership.

(3) If properly reported and paid by the partnership or tiered partner, the amount determined in subparagraph (A) of paragraph (1) of subdivision (d) or similarly under an optional election, will be treated as paid in satisfaction of taxes owed by its direct and indirect partners on the same federal adjustments. The direct partners or indirect partners may not take any deduction or credit for this amount or claim a refund of the amount in this state. Nothing in this subdivision shall preclude a partner from claiming a credit against taxes paid to this state pursuant to Chapter 12 (commencing with Section 18001) of Part 10 of Division 2, with respect to any amount paid by the partnership, or any amount paid by any tiered partnership that is a direct partner or indirect partner in the partnership, on that partner's behalf to another state.

(h) (1) Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code shall not apply to any standard, criterion, procedure, determination, rule, notice, or guideline established or issued by the Franchise Tax Board pursuant to this section, including any requirements or procedures necessary to seek a written consent under paragraph (3) of subdivision (g).

(2) The Franchise Tax Board may prescribe regulations necessary or appropriate to implement the purposes of this section, including regulations to determine the California share of adjustments.

(i) A publicly traded partnership that is otherwise in compliance with this section shall not be subject to paragraph (2) of subdivision (d). For purposes of the reporting requirements set forth in subdivision (a), a publicly traded partnership shall only be required to report their direct partners' distributive share of a federal adjustment to the Franchise Tax Board. A publicly traded partnership shall be deemed to have made a federal election for alternative payment pursuant to Section 6226 of the Internal Revenue Code unless the publicly traded partnership files a request

1 to make an election different from their federal election pursuant  
2 to paragraph (3) of subdivision (c).

3 (j) In order to reduce the administrative burden on taxpayers  
4 that may be imposed by additional filings and payments that do  
5 not contribute materially to revenue, the Franchise Tax Board shall  
6 convene a meeting or meetings of interested parties for the purpose  
7 of determining appropriate de minimis partner reporting and  
8 payment requirements as the result of a partnership level audit.

9 (k) (1) With respect to an action required or permitted to be  
10 taken by a partnership under this section and a proceeding under  
11 this part with respect to federal adjustments arising from a  
12 partnership level audit or an administrative adjustment request,  
13 the state partnership representative for the reviewed year shall  
14 have the sole authority to act on behalf of the partnership, and its  
15 partners and indirect partners shall be bound by those actions.

16 (2) The state partnership representative for the reviewed year  
17 is the partnership's federal partnership representative, unless the  
18 partnership designates in writing another person as its state  
19 partnership representative.

20 (3) The Franchise Tax Board may establish reasonable  
21 qualifications for and procedures for designating a person, other  
22 than the federal partnership representative, to be the state  
23 partnership representative.

24 (l) This section shall apply to final federal determinations  
25 assessed pursuant to amendments made to Subchapter C of Chapter  
26 63 of the Internal Revenue Code as in effect January 1, 2018.

27 *SEC. 63. Section 18631.7 of the Revenue and Taxation Code*  
28 *is amended to read:*

29 18631.7. (a) Any check casher engaged in the trade or business

35 is amended to read:

36 23610.5. (a) (1) There shall be allowed as a credit against the  
37 "tax," defined in Section 23036, a state low-income housing tax  
38 credit in an amount equal to the amount determined in subdivision  
39 (c), computed in accordance with Section 42 of the Internal

1 Revenue Code, relating to low-income housing credit, except as  
2 otherwise provided in this section.

3 (2) “Taxpayer,” for purposes of this section, means the sole  
4 owner in the case of a “C” corporation, the partners in the case of  
5 a partnership, and the shareholders in the case of an “S”  
6 corporation.

7 (3) “Housing sponsor,” for purposes of this section, means the  
8 sole owner in the case of a “C” corporation, the partnership in the  
9 case of a partnership, and the “S” corporation in the case of an “S”  
10 corporation.

11 (b) (1) The amount of the credit allocated to any housing  
12 sponsor shall be authorized by the California Tax Credit Allocation  
13 Committee, or any successor thereof, based on a project’s need  
14 for the credit for economic feasibility in accordance with the  
15 requirements of this section.

16 (A) The low-income housing project shall be located in  
17 California and shall meet either of the following requirements:

18 (i) Except for projects to provide farmworker housing, as defined  
19 in subdivision (h) of Section 50199.7 of the Health and Safety  
20 Code, that are allocated credits solely under the set-aside described  
21 in subdivision (c) of Section 50199.20 of the Health and Safety  
22 Code, the project’s housing sponsor has been allocated by the  
23 California Tax Credit Allocation Committee a credit for federal  
24 income tax purposes under Section 42 of the Internal Revenue  
25 Code, relating to low-income housing credit.

26 (ii) It qualifies for a credit under Section 42(h)(4)(B) of the  
27 Internal Revenue Code, relating to special rule where 50 percent  
28 or more of building is financed with tax-exempt bonds subject to  
29 volume cap.

30 (B) The California Tax Credit Allocation Committee shall not  
31 require fees for the credit under this section in addition to those  
32 fees required for applications for the tax credit pursuant to Section  
33 42 of the Internal Revenue Code, relating to low-income housing  
34 credit. The committee may require a fee if the application for the  
35 credit under this section is submitted in a calendar year after the  
36 year the application is submitted for the federal tax credit.

37 (C) (i) For a project that receives a preliminary reservation of  
38 the state low-income housing tax credit, allowed pursuant to  
39 subdivision (a), on or after January 1, 2009, the credit shall be  
40 allocated to the partners of a partnership owning the project in

1 accordance with the partnership agreement, regardless of how the  
2 federal low-income housing tax credit with respect to the project  
3 is allocated to the partners, or whether the allocation of the credit  
4 under the terms of the agreement has substantial economic effect,  
5 within the meaning of Section 704(b) of the Internal Revenue  
6 Code, relating to determination of distributive share.

7 (ii) To the extent the allocation of the credit to a partner under  
8 this section lacks substantial economic effect, any loss or deduction  
9 otherwise allowable under this part that is attributable to the sale  
10 or other disposition of that partner's partnership interest made prior  
11 to the expiration of the federal credit shall not be allowed in the  
12 taxable year in which the sale or other disposition occurs, but shall  
13 instead be deferred until and treated as if it occurred in the first  
14 taxable year immediately following the taxable year in which the  
15 federal credit period expires for the project described in clause (i).

16 (iii) This subparagraph shall not apply to a project that receives  
17 a preliminary reservation of state low-income housing tax credits  
18 under the set-aside described in subdivision (c) of Section 50199.20  
19 of the Health and Safety Code unless the project also receives a  
20 preliminary reservation of federal low-income housing tax credits.

21 (2) (A) The California Tax Credit Allocation Committee shall  
22 certify to the housing sponsor the amount of tax credit under this  
23 section allocated to the housing sponsor for each credit period.

24 (B) In the case of a partnership or an "S" corporation, the  
25 housing sponsor shall provide a copy of the California Tax Credit  
26 Allocation Committee certification to the taxpayer.

27 (C) (i) A taxpayer shall be eligible to claim the credit  
28 commencing in the taxable year the building is placed in service  
29 and the federal credit period commences, notwithstanding that the  
30 certification pursuant to subparagraph (A) has not been issued by  
31 the California Tax Credit Allocation Committee, provided that the  
32 housing sponsor has filed a taxpayer certification with the  
33 California Tax Credit Allocation Committee and delivered a copy  
34 to the taxpayer. The amount of credit claimed by the taxpayer shall  
35 not exceed the pro rata share with respect to the amount of credit  
36 that the taxpayer purchased or is allocated per the partnership  
37 agreement, as applicable, of the lesser of either of the following:

38 (I) The applicable percentages for each of the four credit years,  
39 as specified in subdivision (c), multiplied by the qualified basis of  
40 the building set forth in the preliminary reservation.

1 (II) The amount of credit the project is eligible for as stated in  
2 the taxpayer certification.

3 (ii) The California Tax Credit Allocation Committee may, but  
4 is not required to, review the taxpayer certification and other  
5 information provided by the housing sponsor to confirm both of  
6 the following:

7 (I) The calculations set forth in the taxpayer certification.

8 (II) The amount of credits allocated to the project is consistent  
9 with applicable California Tax Credit Allocation Committee rules  
10 and regulations for the purposes of making the certification  
11 required pursuant to subparagraph (A).

12 (iii) If the California Tax Credit Allocation Committee issues  
13 a certification pursuant to subparagraph (A) that is inconsistent  
14 with the taxpayer certification upon which a credit has been  
15 claimed, the taxpayer shall amend any previously filed tax returns  
16 to reflect the credit amount certified by the California Tax Credit  
17 Allocation Committee pursuant to subparagraph (A).

18 (iv) For purposes of this subparagraph, “taxpayer certification”  
19 means a certified statement from the certified public accountant  
20 of the housing sponsor. The taxpayer certification shall contain  
21 the amount of the credit the project is eligible for, the taxable year  
22 the building is placed in service, and the taxable year in which the  
23 federal credit period for the building has commenced.

24 (v) The taxpayer shall, upon request, provide a copy of the  
25 taxpayer certification pursuant to clause (iv) or the California Tax  
26 Credit Allocation Committee’s certification pursuant to  
27 subparagraph (A), as applicable, to the Franchise Tax Board.

28 (vi) In the case of a failure to provide a copy of the taxpayer  
29 certification pursuant to clause (iv) or the California Tax Credit  
30 Allocation Committee’s certification pursuant to subparagraph  
31 (A), if the Franchise Tax Board so requires, no credit under this  
32 section shall be allowed for that taxable year until a copy of that  
33 certification is provided.

34 (vii) The changes made to this subparagraph by the act adding  
35 this clause shall apply for taxable years beginning on or after  
36 January 1, 2023.

37 (D) All elections made by the taxpayer pursuant to Section 42  
38 of the Internal Revenue Code, relating to low-income housing  
39 credit, shall apply to this section.

1 (E) (i) Except as described in clause (ii) or (iii), for buildings  
2 located in designated difficult development areas (DDAs) or  
3 qualified census tracts (QCTs), as defined in Section 42(d)(5)(B)  
4 of the Internal Revenue Code, relating to increase in credit for  
5 buildings in high-cost areas, credits may be allocated under this  
6 section in the amounts prescribed in subdivision (c), provided that  
7 the amount of credit allocated under Section 42 of the Internal  
8 Revenue Code, relating to low-income housing credit, is computed  
9 on 100 percent of the qualified basis of the building.

10 (ii) Notwithstanding clause (i), the California Tax Credit  
11 Allocation Committee may allocate the credit for buildings located  
12 in DDAs or QCTs that are restricted to having 50 percent of the  
13 building's occupants be special needs households, as defined in  
14 the California Code of Regulations by the California Tax Credit  
15 Allocation Committee, or receiving an allocation pursuant to  
16 subparagraph (B) of paragraph (1) of subdivision (g), even if the  
17 taxpayer receives federal credits pursuant to Section 42(d)(5)(B)  
18 of the Internal Revenue Code, relating to increase in credit for  
19 buildings in high-cost areas, provided that the credit allowed under  
20 this section shall not exceed 30 percent of the eligible basis of the  
21 building.

22 (iii) On and after January 1, 2018, notwithstanding clause (i),  
23 the California Tax Credit Allocation Committee may allocate the  
24 credit pursuant to paragraph (7) of subdivision (c) even if the  
25 taxpayer receives federal credits, pursuant to Section 42(d)(5)(B)  
26 of the Internal Revenue Code, relating to increase in credit for  
27 buildings in high-cost areas.

28 (F) (i) The California Tax Credit Allocation Committee may  
29 allocate a credit under this section in exchange for a credit allocated  
30 pursuant to Section 42(d)(5)(B) of the Internal Revenue Code,  
31 relating to increase in credit for buildings in high-cost areas, in  
32 amounts up to 30 percent of the eligible basis of a building if the  
33 credits allowed under Section 42 of the Internal Revenue Code,  
34 relating to low-income housing credit, are reduced by an equivalent  
35 amount.

36 (ii) An equivalent amount shall be determined by the California  
37 Tax Credit Allocation Committee based upon the relative amount  
38 required to produce an equivalent state tax credit to the taxpayer.

39 (c) Section 42(b) of the Internal Revenue Code, relating to  
40 applicable percentage: 70 percent present value credit for certain

1 new buildings; 30 percent present value credit for certain other  
2 buildings, shall be modified as follows:

3 (1) In the case of any qualified low-income building placed in

15 Code, relating to temporary minimum credit rate for nonfederally  
16 subsidized new buildings, in lieu of the percentage prescribed in  
17 Section 42(b)(1)(A) of the Internal Revenue Code.

18 (B) For the fourth year, the difference between 30 percent and  
19 the sum of the applicable percentages for the first three years.

20 (3) In the case of any qualified low-income building that is a  
21 new building and is federally subsidized and receiving an allocation  
22 pursuant to subparagraph (B) of paragraph (1) of subdivision (g),  
23 the term “applicable percentage” means for the first three years,  
24 9 percent of the qualified basis of the building, and for the fourth  
25 year, 3 percent of the qualified basis of the building.

26 (4) In the case of any qualified low-income building that receives  
27 an allocation after 1989 pursuant to subparagraph (A) of paragraph  
28 (1) of subdivision (g) and that is a new building that is federally  
29 subsidized or that is an existing building that is “at risk of

38 the term “applicable percentage” means 30 percent for each of the  
39 first three years and 5 percent for the fourth year. A qualified

low-income building receiving an allocation under this paragraph is ineligible to also receive an allocation under paragraph (3).

(A) The qualified low-income building is at least 15 years old.

(B) The qualified low-income building is either:

(i) Serving households of very low income or extremely low income such that the average maximum household income as restricted, pursuant to an existing regulatory agreement with a federal, state, county, local, or other governmental agency, is not more than 45 percent of the area median gross income, as determined under Section 42 of the Internal Revenue Code, relating to low-income housing credit, adjusted by household size, and a tax credit regulatory agreement is entered into for a period of not less than 55 years restricting the average targeted household income to no more than 45 percent of the area median income.

23 the excess in an amount equal to the applicable percentage  
24 determined pursuant to subdivision (c) for the four-year period  
25 beginning with the later of the taxable years in which the increase  
26 in qualified basis occurs.

27 (f) The provisions of Section 42(h) of the Internal Revenue  
28 Code, relating to limitation on aggregate credit allowable with  
29 respect to projects located in a state, shall be modified as follows:

30 (1) Section 42(h)(2) of the Internal Revenue Code, relating to  
31 allocated credit amount to apply to all taxable years ending during  
32 or after credit allocation year, does not apply and instead the  
33 following provisions apply:

34 The total amount for the four-year credit period of the housing  
35 credit dollars allocated in a calendar year to any building shall  
36 reduce the aggregate housing credit dollar amount of the California  
37 Tax Credit Allocation Committee for the calendar year in which  
38 the allocation is made.

39 (2) Paragraphs (3), (4), (5), (6)(E)(i)(II), (6)(F), (6)(G), (6)(I),  
40 (7), and (8) of Section 42(h) of the Internal Revenue Code, relating

1 to limitation on aggregate credit allowable with respect to projects  
2 located in a state, do not apply to this section.

3 (g) The aggregate housing credit dollar amount that may be  
4 allocated annually by the California Tax Credit Allocation  
5 Committee pursuant to this section, Section 12206, and Section  
6 17058 shall be an amount equal to the sum of all the following:

7 (1) (A) Seventy million dollars (\$70,000,000) for the 2001  
8 calendar year, and, for the 2002 calendar year and each calendar  
9 year thereafter, seventy million dollars (\$70,000,000) increased  
10 by the percentage, if any, by which the Consumer Price Index for  
11 the preceding calendar year exceeds the Consumer Price Index for  
12 the 2001 calendar year. For the purposes of this paragraph, the  
13 term “Consumer Price Index” means the last Consumer Price Index  
14 for All Urban Consumers published by the federal Department of  
15 Labor.

16 (B) Five hundred million dollars (\$500,000,000) for the 2020  
17 calendar year, and up to five hundred million dollars  
18 (\$500,000,000) for the 2021 calendar year and every year  
19 thereafter. Allocations shall only be available pursuant to this  
20 subparagraph in the 2021 calendar year and thereafter if the annual  
21 Budget Act, or if any bill providing for appropriations related to  
22 the Budget Act, specifies an amount to be available for allocation  
23 in that calendar year by the California Tax Credit Allocation  
24 Committee, and after the California Tax Credit Allocation  
25 Committee and the California Debt Limit Allocation Committee  
26 have adopted increasing production and containing regulations,  
27 rules, or guidelines to align the programs of both committees with  
28 the objective of increasing production and containing costs as  
29 described in clause (iii). The California Tax Credit Allocation  
30 Committee shall accept applications for the 2021 calendar year  
31 not sooner than 30 days after these regulations, rules, or guidelines  
32 have been adopted. The California Debt Limit Allocation  
33 Committee shall not accept applications for the 2021 calendar year  
34 for bond allocations for an eligible project under this section prior  
35 to issuing, reviewing, and publishing a new tax-exempt private  
36 activity bond demand survey. Except as provided in clause (vi), a  
37 housing sponsor receiving a nonfederally subsidized allocation  
38 under subdivision (c) shall not be eligible for receipt of the housing  
39 credit allocated from the increased amount under this subparagraph.  
40 A housing sponsor receiving a nonfederally subsidized allocation

under subdivision (c) shall remain eligible for receipt of the housing credit allocated from the credit ceiling amount under subparagraph (A).

(i) Eligible projects for allocations under this subparagraph include any new building, as defined in Section 42(i)(4) of the Internal Revenue Code, relating to ~~newly constructed buildings,~~ *new building*, and the regulations promulgated thereunder, excluding rehabilitation expenditures under Section 42(e) of the Internal Revenue Code, relating to rehabilitation expenditures treated as separate new building, and is federally subsidized. Eligible projects for allocations under this subparagraph also include any retrofitting and repurposing of existing nonresidential structures, including, but not limited to, hotels and motels, that were converted to residential use within the previous five years from the date of the application.

(ii) Notwithstanding any other provision of this section, for allocations pursuant to this subparagraph for the 2020 calendar year, the California Tax Credit Allocation Committee shall consider projects located throughout the state and shall allocate housing credits, subject to the minimum federal requirements as set forth in Sections 42 and 142 of the Internal Revenue Code, the minimum requirements set forth in Sections 5033 and 5190 of the California Debt Limit Allocation Committee regulations, and the minimum set forth in Section 10326 of the Tax Credit Allocation Committee regulations, for projects that can begin construction within 180 days from award, subject to availability of funds.

(iii) (I) Notwithstanding any other provision of this section, for allocations pursuant to this subparagraph for the 2021 calendar year and thereafter, the California Tax Credit Allocation Committee and the California Debt Limit Allocation Committee shall develop and prescribe regulations, rules, or guidelines, necessary to implement a new allocation methodology that is aimed at increasing production and containing costs, which would include a scoring system that maximizes the efficient use of public subsidy and benefit created through the private activity bond and low-income housing tax credit programs. The factors for determining the efficient use of public subsidy and benefit shall include, but not be limited to, all of the following:

(ia) The number and size of units developed including local incentives provided to increase density.

1 (ib) The proximity to amenities, jobs, and public transportation.

2 (ic) The location of the development.

3 (id) The delivery of housing affordable to very low and  
4 extremely low income households by the development.

5 (II) The efficient use of public subsidy and benefit criteria  
6 specified in this clause shall take into account the total state subsidy  
7 provided and prioritize cost containment and increased unit  
8 production. These regulations, rules, or guidelines developed  
9 pursuant to this subparagraph shall also consider updated  
10 definitions for at-risk preservation and new construction.

11 (III) For bond allocations for the 2021 calendar year to projects  
12 eligible for an allocation under this subparagraph, the California  
13 Debt Limit Allocation Committee may adopt emergency  
14 regulations.

15 (IV) The California Tax Credit Allocation Committee shall  
16 consider amending the regulations establishing a scoring system,  
17 as required by this clause, to also grant, for farmworker housing  
18 as defined in subdivision (h) of Section 50199.7 of the Health and  
19 Safety Code, maximum points to farmworker housing projects  
20 under the housing needs category, and an initial five points in the  
21 category for site amenities beyond those required as additional  
22 thresholds.

23 (iv) Of the amount available pursuant to this subparagraph, and  
24 notwithstanding any other requirement of this section, the  
25 California Tax Credit Allocation Committee may allocate up to  
26 two hundred million dollars (\$200,000,000) for housing financed  
27 by the California Housing Finance Agency under its Mixed-Income  
28 Program.

29 (v) (I) For the calendar years of 2024 to 2034, inclusive, of the  
30 amount available pursuant to this subparagraph, the lesser of 5  
31 percent of that amount or twenty-five million dollars (\$25,000,000)  
32 per calendar year shall be set aside for projects to provide  
33 farmworker housing, as defined in subdivision (h) of Section  
34 50199.7 of the Health and Safety Code, and administered consistent  
35 with the credits available pursuant to paragraph (4).

36 (II) Any credits pursuant to this clause that remain unallocated  
37 following the conclusion of a funding round shall roll over to  
38 consecutive subsequent funding rounds in that calendar year with  
39 the exception that any credits that remain unallocated after the  
40 final funding round in that calendar year shall be added back to

1 the aggregate amount of credits that may be allocated pursuant to  
2 this subparagraph.

3 (III) For the 2035 calendar year, and every year thereafter, of  
4 the amount available pursuant to this subparagraph, a portion of  
5 the amount allocated shall be set aside for projects to provide  
6 farmworker housing, as defined in subdivision (h) of Section  
7 50199.7 of the Health and Safety Code. The amount set aside shall  
8 be determined by the Legislature upon consideration of the  
9 comprehensive strategy, or most recent update thereof, provided  
10 by the Department of Housing and Community Development  
11 pursuant to subdivision (c) of Section 50408.5 of the Health and  
12 Safety Code.

13 (vi) (I) For any calendar year in which the California Debt  
14 Limit Allocation Committee has declared a competition for the  
15 award of tax-exempt bond authority for qualified residential rental  
16 projects, the California Tax Credit Allocation Committee may  
17 allocate some or all of the credits allocated under this subparagraph,  
18 except for any credits allocated for housing financed by the  
19 California Housing Finance Agency under its Mixed-Income  
20 Program, for nonfederally subsidized buildings eligible for credits  
21 under Section 42 of the Internal Revenue Code, relating to  
22 low-income housing credit, and shall allocate the remainder of  
23 these credits for new buildings, as defined in Section 42(i)(4) of  
24 the Internal Revenue Code, relating to new buildings, that are  
25 federally subsidized and that can begin construction within a  
26 reasonable time, as determined by the California Tax Credit  
27 Allocation Committee.

28 (II) For any calendar year in which the California Debt Limit  
29 Allocation Committee has not declared a competition for the award  
30 of tax-exempt bond authority for qualified residential rental  
31 projects, projects receiving an award of credits pursuant to this  
32 subparagraph shall begin construction within a reasonable time,  
33 as determined by the California Tax Credit Allocation Committee.

34 (III) Notwithstanding subclauses (I) and (II), if credits available  
35 under this subparagraph remain unallocated after the final  
36 California Debt Limit Allocation Committee round for qualified  
37 residential rental projects in a given calendar year, the California  
38 Tax Credit Allocation Committee may allocate some or all of the  
39 remaining credits for nonfederally subsidized buildings eligible

1 for credits under Section 42 of the Internal Revenue Code, relating  
2 to low-income housing credit.

3 (2) The unused housing credit ceiling, if any, for the preceding  
4 calendar years.

5 (3) The amount of housing credit ceiling returned in the calendar  
6 year. For purposes of this paragraph, the amount of housing credit  
7 dollar amount returned in the calendar year equals the housing  
8 credit dollar amount previously allocated to any project that does  
9 not become a qualified low-income housing project within the  
10 period required by this section or to any project with respect to  
11 which an allocation is canceled by mutual consent of the California  
12 Tax Credit Allocation Committee and the allocation recipient.

13 (4) Five hundred thousand dollars (\$500,000) per calendar year  
14 for projects to provide farmworker housing, as defined in  
15 subdivision (h) of Section 50199.7 of the Health and Safety Code.

16 (5) The amount of any unallocated or returned credits under  
17 former Sections 17053.14, 23608.2, and 23608.3, as those sections  
18 read prior to January 1, 2009, until fully exhausted for projects to  
19 provide farmworker housing, as defined in subdivision (h) of  
20 Section 50199.7 of the Health and Safety Code.

21 (h) The term “compliance period” as defined in Section 42(i)(1)  
22 of the Internal Revenue Code, relating to compliance period, is  
23 modified to mean, with respect to any building, the period of 30  
24 consecutive taxable years beginning with the first taxable year of  
25 the credit period with respect thereto.

26 (i) Section 42(j) of the Internal Revenue Code, relating to  
27 recapture of credit, shall not be applicable and the following shall  
28 be substituted in its place:

29 The requirements of this section shall be set forth in a regulatory  
30 agreement between the California Tax Credit Allocation Committee  
31 and the housing sponsor, and the regulatory agreement shall be  
32 subordinated, when required, to any lien or encumbrance of any  
33 banks or other institutional lenders to the project. The regulatory  
34 agreement entered into pursuant to subdivision (f) of Section  
35 50199.14 of the Health and Safety Code shall apply, provided that  
36 the agreement includes all of the following provisions:

37 (1) A term not less than the compliance period.

38 (2) A requirement that the agreement be recorded in the official  
39 records of the county in which the qualified low-income housing  
40 project is located.

1 (3) A provision stating which state and local agencies can  
2 enforce the regulatory agreement in the event the housing sponsor  
3 fails to satisfy any of the requirements of this section.

4 (4) A provision that the regulatory agreement shall be deemed  
5 a contract enforceable by tenants as third-party beneficiaries thereto  
6 and that allows individuals, whether prospective, present, or former  
7 occupants of the building, who meet the income limitation  
8 applicable to the building, the right to enforce the regulatory  
9 agreement in any state court.

10 (5) A provision incorporating the requirements of Section 42  
11 of the Internal Revenue Code, relating to low-income housing  
12 credit, as modified by this section.

13 (6) A requirement that the housing sponsor notify the California  
14 Tax Credit Allocation Committee or its designee if there is a  
15 determination by the Internal Revenue Service that the project is  
16 not in compliance with Section 42(g) of the Internal Revenue Code,  
17 relating to qualified low-income housing project.

18 (7) A requirement that the housing sponsor, as security for the  
19 performance of the housing sponsor's obligations under the  
20 regulatory agreement, assign the housing sponsor's interest in rents  
21 that it receives from the project, provided that until there is a  
22 default under the regulatory agreement, the housing sponsor is  
23 entitled to collect and retain the rents.

24 (8) A provision that the remedies available in the event of a  
25 default under the regulatory agreement that is not cured within a  
26 reasonable cure period include, but are not limited to, allowing  
27 any of the parties designated to enforce the regulatory agreement  
28 to collect all rents with respect to the project; taking possession of  
29 the project and operating the project in accordance with the  
30 regulatory agreement until the enforcer determines the housing  
31 sponsor is in a position to operate the project in accordance with  
32 the regulatory agreement; applying to any court for specific  
33 performance; securing the appointment of a receiver to operate  
34 the project; or any other relief as may be appropriate.

35 (j) (1) The committee shall allocate the housing credit on a  
36 regular basis consisting of two or more periods in each calendar  
37 year during which applications may be filed and considered. The  
38 committee shall establish application filing deadlines, the maximum  
39 percentage of federal and state low-income housing tax credit  
40 ceiling that may be allocated by the committee in that period, and

1 the approximate date on which allocations shall be made. If the  
2 enactment of federal or state law, the adoption of rules or  
3 regulations, or other similar events prevent the use of two allocation  
4 periods, the committee may reduce the number of periods and  
5 adjust the filing deadlines, maximum percentage of credit allocated,  
6 and allocation dates.

7 (2) The committee shall adopt a qualified allocation plan, as  
8 provided in Section 42(m)(1) of the Internal Revenue Code, relating  
9 to plans for allocation of credit among projects. In adopting this  
10 plan, the committee shall comply with the provisions of Sections  
11 42(m)(1)(B) and 42(m)(1)(C) of the Internal Revenue Code,  
12 relating to qualified allocation plan and relating to certain selection  
13 criteria must be used, respectively.

14 (3) Notwithstanding Section 42(m) of the Internal Revenue  
15 Code, relating to responsibilities of housing credit agencies, the  
16 California Tax Credit Allocation Committee shall allocate housing  
17 credits in accordance with the qualified allocation plan and  
18 regulations, which shall include the following provisions:

19 (A) All housing sponsors, as defined by paragraph (3) of  
20 subdivision (a), shall demonstrate at the time the application is  
21 filed with the committee that the project meets the following  
22 threshold requirements:

23 (i) The housing sponsor shall demonstrate there is a need and  
24 demand for low-income housing in the community or region for  
25 which it is proposed.

26 (ii) The project's proposed financing, including tax credit  
27 proceeds, shall be sufficient to complete the project and that the  
28 proposed operating income shall be adequate to operate the project  
29 for the extended use period.

30 (iii) The project shall have enforceable financing commitments,  
31 either construction or permanent financing, for at least 50 percent  
32 of the total estimated financing of the project.

33 (iv) The housing sponsor shall have and maintain control of the  
34 site for the project.

35 (v) The housing sponsor shall demonstrate that the project  
36 complies with all applicable local land use and zoning ordinances.

37 (vi) The housing sponsor shall demonstrate that the project  
38 development team has the experience and the financial capacity  
39 to ensure project completion and operation for the extended use  
40 period.

1 (vii) The housing sponsor shall demonstrate the amount of tax  
2 credit that is necessary for the financial feasibility of the project  
3 and its viability as a qualified low-income housing project  
4 throughout the extended use period, taking into account operating  
5 expenses, a supportable debt service, reserves, funds set aside for  
6 rental subsidies and required equity, and a development fee that  
7 does not exceed a specified percentage of the eligible basis of the  
8 project prior to inclusion of the development fee in the eligible  
9 basis, as determined by the committee.

10 (B) The committee shall give a preference to those projects  
11 satisfying all of the threshold requirements of subparagraph (A)  
12 if both of the following apply:

13 (i) The project serves the lowest income tenants at rents  
14 affordable to those tenants.

15 (ii) The project is obligated to serve qualified tenants for the  
16 longest period.

17 (C) In addition to the provisions of subparagraphs (A) and (B),  
18 the committee shall use the following criteria in allocating housing  
19 credits:

20 (i) Projects serving large families in which a substantial number,  
21 as defined by the committee, of all residential units are low-income  
22 units with three or more bedrooms.

23 (ii) Projects providing single-room occupancy units serving  
24 very low income tenants.

25 (iii) Existing projects that are “at risk of conversion,” as defined  
26 by paragraph (6) of subdivision (c).

27 (iv) Projects for which a public agency provides direct or indirect  
28 long-term financial support for at least 15 percent of the total  
29 project development costs or projects for which the owner’s equity  
30 constitutes at least 30 percent of the total project development  
31 costs.

32 (v) Projects that provide tenant amenities not generally available  
33 to residents of low-income housing projects.

34 (D) Subparagraph (B) and (C) shall not apply to projects  
35 receiving an allocation pursuant to subparagraph (B) of paragraph  
36 (1) of subdivision (g).

37 (4) For purposes of allocating credits pursuant to this section,  
38 the committee shall not give preference to any project by virtue  
39 of the date of submission of its application except to break a tie  
40 when two or more of the projects have an equal rating.

(5) Not less than 20 percent of the low-income housing tax credits available annually under this section, Section 12206, and Section 17058 shall be set aside for allocation to rural areas as defined in Section 50199.21 of the Health and Safety Code. Any amount of credit set aside for rural areas remaining on or after October 31 of any calendar year shall be available for allocation to any eligible project. No amount of credit set aside for rural areas shall be considered available for any eligible project so long as there are eligible rural applications pending on October 31.

(k) Section 42(l) of the Internal Revenue Code, relating to certifications and other reports to secretary, shall be modified as follows:

The term “secretary” shall be replaced by the term “Franchise Tax Board.”

(l) In the case in which the credit allowed under this section exceeds the “tax,” the excess may be carried over to reduce the “tax” in the following year, and succeeding years, if necessary, until the credit has been exhausted.

(m) A project that received an allocation of a 1989 federal housing credit dollar amount shall be eligible to receive an allocation of a 1990 state housing credit dollar amount, subject to all of the following conditions:

(1) The project was not placed in service prior to 1990.

(2) To the extent the amendments made to this section by the Statutes of 1990 conflict with any provisions existing in this section prior to those amendments, the prior provisions of law shall prevail.

(3) Notwithstanding paragraph (2), a project applying for an allocation under this subdivision shall be subject to the requirements of paragraph (3) of subdivision (j).

(n) The credit period with respect to an allocation of credit in 1989 by the California Tax Credit Allocation Committee of which any amount is attributable to unallocated credit from 1987 or 1988 shall not begin until after December 31, 1989.

(o) The provisions of Section 11407(a) of Public Law 101-508, relating to the effective date of the extension of the low-income housing credit, apply to calendar years after 1989.

(p) The provisions of Section 11407(c) of Public Law 101-508, relating to election to accelerate credit, shall not apply.

(q) (1) A corporation may elect to assign any portion of any credit allowed under this section to one or more affiliated

1 corporations for each taxable year in which the credit is allowed.  
2 For purposes of this subdivision, “affiliated corporation” has the  
3 meaning provided in subdivision (b) of Section 25110, as that  
4 section was amended by Chapter 881 of the Statutes of 1993, as  
5 of the last day of the taxable year in which the credit is allowed,  
6 except that “100 percent” is substituted for “more than 50 percent”  
7 wherever it appears in the section, as that section was amended by  
8 Chapter 881 of the Statutes of 1993, and “voting common stock”  
9 is substituted for “voting stock” wherever it appears in the section,  
10 as that section was amended by Chapter 881 of the Statutes of  
11 1993.

12 (2) The election provided in paragraph (1):

13 (A) May be based on any method selected by the corporation  
14 that originally receives the credit.

15 (B) Shall be irrevocable for the taxable year the credit is allowed,  
16 once made.

17 (C) May be changed for any subsequent taxable year if the  
18 election to make the assignment is expressly shown on each of the  
19 returns of the affiliated corporations that assign and receive the  
20 credits.

21 (r) (1) (A) For a project that receives a preliminary reservation  
22 under this section beginning on or after January 1, 2016, a taxpayer  
23 may elect in its application to the California Tax Credit Allocation  
24 Committee to sell all or any portion of any credit allowed, subject  
25 to subparagraphs (B) and (C). The taxpayer may, only once, revoke  
26 an election to sell pursuant to this subdivision at any time before  
27 the California Tax Credit Allocation Committee allocates a final  
28 credit amount for the project pursuant to this section, at which  
29 point the election shall become irrevocable.

30 (B) A credit that a taxpayer elects to sell all or a portion of  
31 pursuant to this subdivision shall be sold for consideration that is  
32 not less than 80 percent of the amount of the credit.

33 (C) A taxpayer shall not elect to sell all or any portion of any  
34 credit pursuant to this subdivision if the taxpayer did not make  
35 that election in its application submitted to the California Tax  
36 Credit Allocation Committee.

37 (2) (A) The taxpayer that originally received the credit shall  
38 report to the California Tax Credit Allocation Committee within  
39 10 days of the sale of the credit, in the form and manner specified  
40 by the California Tax Credit Allocation Committee, all required

1 information regarding the purchase and sale of the credit, including  
2 the social security or other taxpayer identification number of the  
3 unrelated party or parties to whom the credit has been sold, the  
4 face amount of the credit sold, and the amount of consideration  
5 received by the taxpayer for the sale of the credit.

6 (B) The California Tax Credit Allocation Committee shall  
7 provide an annual listing to the Franchise Tax Board, in a form  
8 and manner agreed upon by the California Tax Credit Allocation  
9 Committee and the Franchise Tax Board, of the taxpayers that  
10 have sold or purchased a credit pursuant to this subdivision.

11 (3) A credit may be sold pursuant to this subdivision to more  
12 than one unrelated party.

13 (4) Notwithstanding any other law, the taxpayer that originally  
14 received the credit that is sold pursuant to paragraph (1) shall  
15 remain solely liable for all obligations and liabilities imposed on  
16 the taxpayer by this section with respect to the credit, none of  
17 which shall apply to a party to whom the credit has been sold or  
18 subsequently transferred. Parties that purchase credits pursuant to  
19 paragraph (1) shall be entitled to utilize the purchased credits in  
20 the same manner in which the taxpayer that originally received  
21 the credit could utilize them.

22 (5) A taxpayer shall not sell a credit allowed by this section if  
23 the taxpayer was allowed the credit on any tax return of the  
24 taxpayer.

25 (s) The California Tax Credit Allocation Committee may  
26 prescribe rules, guidelines, or procedures necessary or appropriate  
27 to carry out the purposes of this section, including any guidelines  
28 regarding the allocation of the credit allowed under this section.  
29 Chapter 3.5 (commencing with Section 11340) of Part 1 of Division  
30 3 of Title 2 of the Government Code shall not apply to any rule,  
31 guideline, or procedure prescribed by the California Tax Credit  
32 Allocation Committee pursuant to this section.

33 (t) Any unused credit may continue to be carried forward, as  
34 provided in subdivision (l), until the credit has been exhausted.

35 (u) This section shall remain in effect on and after December  
36 1, 1990, for as long as Section 42 of the Internal Revenue Code,  
37 relating to low-income housing credit, remains in effect.

38 (v) The amendments to this section made by Chapter 1222 of  
39 the Statutes of 1993 shall apply only to taxable years beginning  
40 on or after January 1, 1994, except that paragraph (1) of subdivision

(q), as amended, shall apply to taxable years beginning on or after January 1, 1993.

*SEC. 83. Section 23691 of the Revenue and Taxation Code is amended to read:*

23691. For each taxable year beginning on or after January 1, 2021, and before January 1, 2027, there shall be allowed to a taxpayer that receives a tax credit allocation a credit against the “tax,” as defined in Section 23036, in an amount determined in accordance with Section 47 of the Internal Revenue Code, except as follows: *otherwise provided in this section.*

(a) (1) In lieu of the ~~percentage specified in amount of credit computed pursuant to~~ Section 47(a) of the Internal Revenue Code, except as provided in paragraph (2), the ~~applicable percentage amount of credit for the taxable year~~ shall be 20 percent of the qualified rehabilitation expenditures with respect to a certified historic structure.

(2) The applicable percentage shall be 25 percent of the qualified rehabilitation expenditures with respect to a certified historic structure if that certified historic structure meets one of the following criteria:

7 without regard to whether any portion of the building is or is

38 aggregate amount of credits under this section and Section  
39 17053.91, and allocate any carryover of unallocated credits from  
40 prior years.

(B) A taxpayer shall be allocated a tax credit pursuant to the taxpayer's tax credit allocation upon receipt by the California Tax Credit Allocation Committee of a cost certification for the qualified rehabilitation expenditures. For projects with qualified rehabilitation expenditures in excess of two hundred fifty thousand dollars (\$250,000), the cost certification shall be issued by a licensed certified public accountant.

(3) Certify tax credits allocated to taxpayers.

To the extent that this amount is not fully allocated in any calendar year, the unused portion shall become available in subsequent calendar years for allocation to other taxpayers, except those taxpayers subject to subparagraph (A) of paragraph (2) of subdivision (i) of Section 17053.91.

(j) In the case of any application for tax credits by an entity treated as a partnership for income tax purposes:

(1) Credits awarded to a partnership shall be allocated to the partners of that partnership in accordance with the partnership agreement, regardless of how the federal historic rehabilitation tax credit with respect to the project is allocated to the partners, or whether the allocation of the credit under the terms of the partnership agreement has substantial economic effect, within the meaning of Section 704(b) of the Internal Revenue Code.

(2) To the extent the allocation of the credit to a partner under this section lacks substantial economic effect, any loss or deduction otherwise allowable under this part that is attributable to the sale or other disposition of that partner's partnership interest made prior to the expiration of the tax credit recapture period for the project described in paragraph (1) shall not be allowed in the taxable year in which the sale or other disposition occurs, but shall instead be deferred until, and treated as if, it occurred in the first taxable year immediately following the taxable year in which the tax credit recapture period expires for the project described in paragraph (1). The credits awarded to a partnership shall be allocated to the partners of that partnership in accordance with the partnership agreement.

(k) For purposes of this section, the provisions of subsection (a) of Section 50 of the Internal Revenue Code shall apply.

(l) Notwithstanding any other provision of this part, a credit allowed pursuant to this section may reduce the "tax" below the tentative minimum tax, as defined by paragraph (1) of subdivision (a) of Section 23455.

(m) This section shall remain in effect regardless of the expiration or repeal of Section 47 of the Internal Revenue Code, relating to rehabilitation credit.

(A) By one year for a net operating loss attributable to taxable years beginning in 1991.

(B) By two years for a net operating loss attributable to taxable years beginning prior to January 1, 1991.

(4) The net operating loss attributable to taxable years beginning on or after January 1, 1987, and before January 1, 1994, shall be a net operating loss carryover to each of the 10 taxable years following the year of the loss if it is incurred by a corporation that was either of the following:

(A) Under the jurisdiction of the court in a Title 11 or similar case at any time prior to January 1, 1994. The loss carryover provided in the preceding sentence shall not apply to any loss incurred in an income year after the taxable year during which the corporation is no longer under the jurisdiction of the court in a Title 11 or similar case.

(B) In receipt of assets acquired in a transaction that qualifies as a tax-free reorganization under Section 368(a)(1)(G) of the Internal Revenue Code.

(f) For purposes of this section:

(1) “Eligible small business” means any trade or business that has gross receipts, less returns and allowances, of less than one million dollars (\$1,000,000) during the income year.

(2) Except as provided in subdivision (g), “new business” means any trade or business activity that is first commenced in this state on or after January 1, 1994.

(3) “Title 11 or similar case” shall have the same meaning as in Section 368(a)(3) of the Internal Revenue Code.

(4) In the case of any trade or business activity conducted by a partnership or an “S” corporation, paragraphs (1) and (2) shall be applied to the partnership or “S” corporation.

(g) For purposes of this section, in determining whether a trade or business activity qualifies as a new business under paragraph (2) of subdivision (e), the following rules shall apply:

(1) In any case where a taxpayer purchases or otherwise acquires all or any portion of the assets of an existing trade or business (irrespective of the form of entity) that is doing business in this state (within the meaning of Section 23101), the trade or business

1 thereafter conducted by the taxpayer (or any related person) shall  
2 not be treated as a new business if the aggregate fair market value  
3 of the acquired assets (including real, personal, tangible, and  
4 intangible property) used by the taxpayer (or any related person)  
5 in the conduct of its trade or business exceeds 20 percent of the  
6 aggregate fair market value of the total assets of the trade or  
7 business being conducted by the taxpayer (or any related person).

8 For purposes of this paragraph only, the following rules shall apply:

9 (A) The determination of the relative fair market values of the  
10 acquired assets and the total assets shall be made as of the last day  
11 of the first taxable year in which the taxpayer (or any related  
12 person) first uses any of the acquired trade or business assets in  
13 its business activity.

14 (B) Any acquired assets that constituted property described in  
15 Section 1221(a)(1) of the Internal Revenue Code in the hands of  
16 the transferor shall not be treated as assets acquired from an  
17 existing trade or business, unless those assets also constitute  
18 property described in Section 1221(a)(1) of the Internal Revenue  
19 Code in the hands of the acquiring taxpayer (or related person).

20 (2) In any case where a taxpayer (or any related person) is  
21 engaged in one or more trade or business activities in this state, or  
22 has been engaged in one or more trade or business activities in this  
23 state within the preceding 36 months (“prior trade or business  
24 activity”), and thereafter commences an additional trade or business  
25 activity in this state, the additional trade or business activity shall  
26 only be treated as a new business if the additional trade or business  
27 activity is classified under a different division of the Standard  
28 Industrial Classification (SIC) Manual published by the United  
29 States Office of Management and Budget, 1987 edition, than are  
30 any of the taxpayer’s (or any related person’s) current or prior  
31 trade or business activities.

32 (3) In a case in which a taxpayer, including all related persons,  
33 is engaged in trade or business activities wholly outside of this  
34 state and the taxpayer first commences doing business in this state  
35 (within the meaning of Section 23101) after December 31, 1993  
36 (other than by purchase or other acquisition described in paragraph  
37 (1)), the trade or business activity shall be treated as a new business  
38 under paragraph (2) of subdivision (e).

39 (4) In a case in which the legal form under which a trade or  
40 business activity is being conducted is changed, the change in form

1 shall be disregarded and the determination of whether the trade or  
2 business activity is a new business shall be made by treating the  
3 taxpayer as having purchased or otherwise acquired all or any  
4 portion of the assets of an existing trade or business under the rules  
5 of paragraph (1).

6 (5) “Related person” shall mean any person that is related to  
7 the taxpayer under either Section 267 or 318 of the Internal  
8 Revenue Code.

9 (6) “Acquire” shall include any transfer, whether or not for  
10 consideration.

11 (7) (A) For taxable years beginning on or after January 1, 1997,  
12 the term “new business” shall include any taxpayer that is engaged  
13 in biopharmaceutical activities or other biotechnology activities  
14 that are described in Codes 2833 to 2836, inclusive, of the Standard  
15 Industrial Classification (SIC) Manual published by the United  
16 States Office of Management and Budget, 1987 edition, and as  
17 further amended, and that has not received regulatory approval for  
18 any product from the Food and Drug Administration.

19 (B) For purposes of this paragraph:

20 (i) “Biopharmaceutical activities” means those activities that  
21 use organisms or materials derived from organisms, and their  
22 cellular, subcellular, or molecular components, in order to provide  
23 pharmaceutical products for human or animal therapeutics and  
24 diagnostics. Biopharmaceutical activities make use of living  
25 organisms to make commercial products, as opposed to  
26 pharmaceutical activities that make use of chemical compounds  
27 to produce commercial products.

28 (ii) “Other biotechnology activities” means activities consisting  
29 of the application of recombinant DNA technology to produce  
30 commercial products, as well as activities regarding pharmaceutical  
31 delivery systems designed to provide a measure of control over  
32 the rate, duration, and site of pharmaceutical delivery.

33 (h) For purposes of corporations whose net income is determined  
34 under Chapter 17 (commencing with Section 25101), Section  
35 25108 applies to each of the following:

36 (1) The amount of net operating loss incurred in any taxable  
37 year that may be carried forward to another taxable year.

38 (2) The amount of any loss carry forward that may be deducted  
39 in any taxable year.

1 (i) The Franchise Tax Board may prescribe appropriate  
2 regulations to carry out the purposes of this section, including any  
3 regulations necessary to prevent the avoidance of the purposes of  
4 this section through splitups, shell corporations, partnerships, tiered  
5 ownership structures, or otherwise.

6 (j) The Franchise Tax Board may reclassify any net operating  
7 loss carryover determined under either paragraph (2) or (3) of  
8 subdivision (b) as a net operating loss carryover under paragraph  
9 (1) of subdivision (b) upon a showing that the reclassification is  
10 necessary to prevent evasion of the purposes of this section.

11 (k) Except as otherwise provided, the amendments made by  
12 Chapter 107 of the Statutes of 2000 apply to net operating losses  
13 for taxable years beginning on or after January 1, 2000.

1     *SEC. 104. Section 24465 of the Revenue and Taxation Code*  
2     *is amended to read:*

3     24465. (a) (1) If, in connection with any exchange described  
4     in Section 332, 351, 354, 356, or 361 of the Internal Revenue Code,  
5     a taxpayer transfers property to an insurer, the insurer shall not,  
6     for purposes of determining the extent to which gain shall be  
7     recognized on that transfer, be considered to be a corporation for  
8     purposes of this part.

9     (2) Paragraph (1) shall not apply to any of the following types  
10    of transactions, unless that transaction has the effect (directly or  
11    indirectly) of transferring appreciated property from a taxpayer  
12    subject to tax under this part (or a member of the taxpayer's  
13    combined reporting group) to an insurer:

14    (A) An exchange or transfer pursuant to Section 368(a)(2)(D)  
15    or Section 368(a)(2)(E) of the Internal Revenue Code.

16    (B) A transfer of stock in an 80 percent-owned insurer for the  
17    purpose of filing a consolidated tax return or for financial or  
18    regulatory reporting.

19    (C) A transfer or exchange of publicly owned stock of the parent  
20    corporation.

21    (3) If a transaction described in paragraph (2) would qualify  
22    under that paragraph but for the fact that the transaction has the  
23    effect (directly or indirectly) of transferring appreciated property  
24    from a taxpayer subject to tax under this part (or a member of the  
25    taxpayer's combined reporting group) to an insurer, then, if the  
26    property is used in the active trade or business of the insurer,  
27    subdivision (b) shall be deemed to apply to that transfer.

28    (4) For purposes of this subdivision, "appreciated property"  
29    means property whose fair market value, as of the date of the  
30    transfer subject to this section, exceeds its adjusted basis as of that  
31    date.

32    (b) (1) Except as provided in subdivision (c), or as otherwise  
33    provided by regulations prescribed by the Franchise Tax Board,  
34    if property subject to paragraph (1) of subdivision (a) or to  
35    subdivision (g) is transferred to an insurer for use in the active  
36    conduct of a trade or business of the insurer, then any gain  
37    otherwise required to be recognized under that subdivision shall  
38    be deferred until the date that the property is no longer owned by  
39    an insurer in the taxpayer's commonly controlled group (or a  
40    member of the taxpayer's combined reporting group), or the

1 property is no longer used in the active conduct of the insurer's  
2 trade or business (or the trade or business of another member in  
3 the taxpayer's combined reporting group), or the holder of the  
4 property is no longer held by an insurer in the commonly controlled  
5 group of the transferor (or a member of the taxpayer's combined  
6 reporting group).

7 (2) Any of the events described in paragraph (1) shall be treated  
8 as a disposition of the property under this subdivision, irrespective  
9 of whether any other provision in this part or in the Internal  
10 Revenue Code would otherwise permit nonrecognition treatment  
11 of the transaction described in this subdivision.

12 (3) Notwithstanding paragraph (2) of this subdivision, an insurer  
13 that becomes a member of the taxpayer's commonly controlled  
14 group or a corporation that becomes a member of the taxpayer's  
15 combined reporting group, as a result of a transaction of which a  
16 transfer referred to in this subdivision is a part, shall be treated as  
17 a member of the taxpayer's commonly controlled group or a  
18 member of the taxpayer's combined reporting group at the time  
19 of the transfer for purposes of this subdivision.

20 (4) For purposes of this subdivision, stock of an insurance  
21 subsidiary constitutes property used in the active trade or business  
22 of the insurer.

23 (5) If the deferred gain required to be taken into account under  
24 this subdivision is business income (as defined by subdivision (a)  
25 of Section 25120), the gain shall be apportioned using the  
26 apportionment percentage for the taxable year that the gain is  
27 required to be taken into account under this subdivision. Except  
28 as provided in regulations under Section 25137, for purposes of  
29 the sales factor for that taxable year, the transaction giving rise to  
30 that gain shall be treated as a sale occurring in the taxable year the  
31 gain is taken into account. The amount of any gain required to be  
32 recognized under this subdivision upon any disposition described  
33 in this subdivision shall not exceed the lesser of the deferred gain  
34 or the gain realized in the transaction in which gain is required to  
35 be recognized under this subdivision.

36 (6) For purposes of computing the amount of gain required to  
37 be recognized under this subdivision, appropriate adjustments may  
38 be made, pursuant to regulations issued by the Franchise Tax  
39 Board, to the basis of stock to reflect the disallowance of any  
40 expenses under paragraph (2) of subdivision (b) of Section 24425.

(c) The Franchise Tax Board may prescribe regulations providing for an annual reporting requirement in the form of a statement or other form, to be attached to the transferor taxpayer's return, regarding the current ownership of any property for which any gains were previously deferred pursuant to subdivision (b). If the transferor taxpayer fails to provide any information required by the Franchise Tax Board pursuant to the preceding sentence, the Franchise Tax Board may, in lieu of the year described by subdivision (b), require that the transferor taxpayer take those gains into account in the first taxable year in which the current ownership of the property is not reported. The preceding sentence shall not apply so long as the property is still owned by the transferee and the failure to provide the information was due to reasonable cause and not willful neglect. Notwithstanding any other provision of law, if a taxpayer fails to satisfy the reporting requirements of this subdivision, then a notice of proposed deficiency assessment resulting from adjustments attributable to gains previously deferred pursuant to subdivision (b) with respect to which the reporting requirements were not satisfied may be mailed to the taxpayer within four years from the date on which the reporting requirements are satisfied by the taxpayer.

(d) Subdivision (b) shall not apply to any property described by Section 367(a)(3)(B) of the Internal Revenue Code. *Code as it read on January 1, 2015.*

(e) Except as provided by regulations prescribed by the Franchise Tax Board, a transfer by a taxpayer of an interest in a partnership to an insurer in a transaction described in subdivision (a) shall be treated as a transfer to that insurer of the taxpayer's pro rata share of the assets of the partnership.

(f) For purposes of this section, any distribution described by Section 355 of the Internal Revenue Code (or so much of Section 356 of the Internal Revenue Code as it relates to Section 355 of the Internal Revenue Code) shall be treated as an exchange under this section, whether or not the distribution is an exchange. This subdivision shall not apply to any distribution in which either of the following applies:

- (1) The distributing corporation is an insurer.
- (2) The distributee is a person other than an insurer.

(g) For purposes of this part, any transfer of property to an insurer as a contribution to capital of that insurer by one or more

1 persons who, immediately after the transfer, own (within the  
2 meaning of Section 318 of the Internal Revenue Code) stock  
3 possessing at least 80 percent of the total combined voting power  
4 of all classes of stock of that insurer that are entitled to vote shall  
5 be treated as an exchange of that property for stock of the insurer  
6 equal in value to the fair market value of the property transferred.

7 (h) (1) In the case of any distribution described in Section 355  
8 of the Internal Revenue Code (or so much of Section 356 of the  
9 Internal Revenue Code as it relates to Section 355 of the Internal  
10 Revenue Code) by a taxpayer to an insurer, to the extent provided  
11 in regulations prescribed by the Franchise Tax Board, gain shall  
12 be recognized under principles similar to the principles of this  
13 section.

14 (2) In the case of any liquidation to which Section 332 of the  
15 Internal Revenue Code applies, except as provided in regulations  
16 prescribed by the Franchise Tax Board, both of the following shall  
17 apply:

18 (A) Sections 337(a) and 337(b)(1) of the Internal Revenue Code  
19 shall not apply, where the 80 percent distributee is an insurer.

20 (B) Where the distributor is an insurer, the distributee shall treat  
21 the distribution as a distribution from the insurer's earnings and  
22 profits, to the extent thereof.

23 (3) For purposes of the preceding paragraph, the deemed  
24 distribution from earnings and profits shall be treated as a dividend  
25 eligible for a deduction, to the extent otherwise provided in Section  
26 24410, as if actually distributed as a dividend.

27 (i) For purposes of this section, the following definitions shall  
28 apply:

29 (1) An insurer is any insurer within the meaning of Section 28  
30 of Article XIII of the California Constitution, whether or not the  
31 insurer is engaged in business in California.

32 (2) The phrase "commonly controlled group" shall have the  
33 same meaning as that phrase has under Section 25105.

34 (3) The phrase "combined reporting group" means those  
35 corporations whose income is required to be included in the same  
36 combined report pursuant to Section 25101 or 25110.

37 (j) The Franchise Tax Board may prescribe any regulations that  
38 may be appropriate to carry out the purpose of this section, which  
39 purpose is to prevent the removal of gain inherent in property at  
40 the time of a transfer from taxation under this part. Those

1 regulations may provide for appropriate adjustments to the amount  
2 of deferred income described in subdivision (b) to avoid the double  
3 inclusion of income for situations, including but not limited to,  
4 the property transferred to an insurer member of the commonly  
5 controlled group is later acquired by a noninsurer member of the  
6 taxpayer's combined reporting group.

7 (k) Upon an adequate showing by a taxpayer that a transaction  
8 referred to in subdivision (a) or (h) would not violate the purposes  
9 of this section to prevent the removal of gain inherent in property  
10 at the time of a transfer from taxation under this part, the Franchise  
11 Tax Board may grant relief from the application of this section.  
12 In an appeal filed with the State Board of Equalization, or an action  
13 filed under Section 19382 or 19385, the State Board of Equalization  
14 or the court, as the case may be, shall have jurisdiction to grant  
15 that relief only upon a specific finding that the transfer did not  
16 remove gain inherent in property at the time of transfer from  
17 taxation under this part.

18 (l) This section applies to transactions entered into on or after  
19 June 23, 2004, or transactions entered into after June 23, 2004,  
20 pursuant to a binding written contract in existence on June 23,  
21 2004. For purposes of this subdivision, transactions entered into  
22 on or after June 23, 2004, that were given final approval by a  
23 regulatory insurance commissioner before June 23, 2004, shall be  
24 considered a transaction entered into before June 23, 2004, pursuant  
25 to a binding written contract in existence on June 23, 2004.
