AN ACT to amend the insurance law, in relation to coverage for the detection of breast cancer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1  Section 1. Subparagraph (A) of paragraph 11 of subsection (i) of section 3216 of the insurance law, as amended by chapter 414 of the laws of 2017, is amended and a new subparagraph (G) is added to read as follows:

(A) Every policy that provides coverage for hospital, surgical or medical care shall provide the following coverage for mammography screening for occult breast cancer:

(i) upon the recommendation of a physician, a mammogram, which may be provided by breast tomosynthesis, at any age for covered persons having a prior history of breast cancer or who have a first degree relative with a prior history of breast cancer;

(ii) a single baseline mammogram, which may be provided by breast tomosynthesis, for covered persons aged [thirty-five] twenty-five through [thirty-nine] twenty-nine, inclusive; and

(iii) an annual mammogram, which may be provided by breast tomosynthesis, for covered persons aged [forty] thirty and older.

(G) Coverage shall also be provided, upon the recommendation of a physician, for follow-up diagnostic testing for the detection of breast cancer, including breast biopsies, in the event that a physician determines that a covered person has had an abnormal mammogram. Such follow-up diagnostic testing shall not be subject to annual deductibles or coinsurance.

§ 2. Subparagraph (A) of paragraph 11 of subsection (l) of section 3221 of the insurance law, as amended by chapter 143 of the laws of 2019, is amended and a new subparagraph (G) is added to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [−] is old law to be omitted.

LBD07272-01-1
(A) Every insurer delivering a group or blanket policy or issuing a

group or blanket policy for delivery in this state that provides cover-
age for hospital, surgical or medical care shall provide the following
coverage for mammography screening for occult breast cancer:

(i) upon the recommendation of a physician, a mammogram, which may be
provided by breast tomosynthesis, at any age for covered persons having
a prior history of breast cancer or who have a first degree relative
with a prior history of breast cancer;

(ii) a single baseline mammogram, which may be provided by breast
tomosynthesis, for covered persons aged [thirty-five] twenty-five
through [thirty-nine] twenty-nine, inclusive;

(iii) an annual mammogram, which may be provided by breast tomosynthe-
sis, for covered persons aged [forty] thirty and older; and

(iv) for large group policies that provide coverage for hospital, surgical
or medical care, an annual mammogram for covered persons aged
[thirty-five] twenty-five through [thirty-nine] twenty-nine, inclusive,
upon the recommendation of a physician, subject to the insurer's deter-
mination that the mammogram is medically necessary.

(G) Coverage shall also be provided, upon the recommendation of a
physician, for follow-up diagnostic testing for the detection of breast
cancer, including breast biopsies, in the event that a physician deter-
mines that a covered person has had an abnormal mammogram. Such follow-
up diagnostic testing shall not be subject to annual deductibles or
coinsurance.

§ 3. Subparagraphs (B), (C) and (D) of paragraph 1 of subsection (p)
of section 4303 of the insurance law, as amended by chapter 143 of the
laws of 2019, are amended and a new paragraph 6 is added to read as
follows:

(B) a single baseline mammogram, which may be provided by breast tomo-
synthesis, for covered persons aged [thirty-five] twenty-five through
[thirty-nine] twenty-nine, inclusive;

(C) an annual mammogram, which may be provided by breast tomosynthesis,
for covered persons aged [forty] thirty and older;

(D) for large group contracts offered by a medical expense indemnity

corporation, a hospital service corporation or a health service corpo-
ration that provide coverage for hospital, surgical or medical care, an
annual mammogram for covered persons aged [thirty-five] twenty-five
through [thirty-nine] twenty-nine, inclusive, upon the recommendation of
a physician, subject to the corporation's determination that the mammo-
gram is medically necessary; and

(6) Coverage shall also be provided, upon the recommendation of a
physician, for follow-up diagnostic testing for the detection of breast
cancer, including breast biopsies, in the event that a physician deter-
mines that a covered person has had an abnormal mammogram. Such follow-
up diagnostic testing shall not be subject to annual deductibles or
coinsurance.

§ 4. This act shall take effect on the ninetieth day after it shall
have become a law and shall apply to all policies and contracts issued,
renewed, modified, altered or amended on or after such date.
