F. 1. Any violation of subsections B or C of this section shall be considered unprofessional conduct and shall, upon an
adverse ruling by the appropriate licensing board, result in
immediate revocation of the license or certificate of the physician,
mental health professional, or other health care professional for a
period of one (1) year.

2. Disciplinary proceedings against the physician, mental

H. To the extent the state or any private party is enjoined
from enforcing any part or application of this act, all other parts
or applications of that subsection and all other subsections are
severable and enforceable. It is the Legislature's intent that any
lawful subsection, application, or part of a subsection remain
enforceable no matter the number of subsections, parts of
subsections, or applications deemed unenforceable. Under no
circumstance should a court conclude the Legislature intended that
the state or private party be enjoined from enforcing any
subsection, application, or part of a subsection not deemed
independently unenforceable.

SECTION 2. It being immediately necessary for the preservation
of the public peace, health or safety, an emergency is hereby
declared to exist, by reason whereof this act shall take effect and
