This chapter is known as the "Fairness in Women's Sports Act".

§ 8402. Findings; purpose.

(a) The General Assembly finds as follows:

(1) Historically, males participate in interscholastic athletics at a higher rate than females, and a noticeable disparity continues between the athletic participation rates of students who are female and students who are male in sports tracked by the Delaware Interscholastic Athletic Association.

Section 1681 et seq.).

(3) Courts have recognized that classification by sex is the only feasible classification to promote the governmental interest of providing for interscholastic athletic opportunities for females.

(b) The purpose of this chapter is to do all of the following:

(1) Provide opportunities for female athletes to demonstrate their skill, strength, and athletic abilities while also providing them with opportunities to obtain recognition and accolades, college scholarships, and numerous other long-term benefits that result from success in athletic endeavors.

(2) Promote sex equality by requiring the designation of separate sex-specific athletic teams or sports.

§ 8403. Definitions.

(a) For purposes of this chapter:

(1) “Charter school” means a public school established under Chapter 5 of this title.

(2) “Department” means the Department of Education.

(3) “Higher education institution” means Delaware State University, the University of Delaware, and Delaware Technical and Community College.

(4) “Member school” means as defined under § 302 of this title.

(5) “School district” means a clearly defined geographic subdivision of this State organized for the purpose of administering public education in that area and includes a district specifically created to administer a system of vocational or technical education.

§ 8404. Designation of athletic teams or sports based on sex of athlete; prohibitions.

(a) A school district, charter school, member school, or higher education institution shall designate an athletic team or sport sponsored by the school district, charter school, member school, or higher education institution as one of the following based on biological sex:

(1) Males, men’s, or boys.

(2) Females, women’s, or girls.

(3) Coed or mixed.

(b)(1) Except as provided under subsection (c) of this section, a school district, charter school, member school, or higher education institution may not allow a student to compete for an athletic team or in a sport designated for the biological sex opposite to the student’s biological sex as correctly stated on one of the following:

a. It was entered at or near the time of the student’s birth.

b. It was modified to correct a scrivener or clerical error in the student’s biological sex.

(c) A school district, charter school, member school, or higher education institution may allow a female student to compete for an athletic team or in a sport designated for male students if a corresponding athletic team or sport for female students is not offered or available.

§ 8405. Protections for compliance with this chapter.

51 A governmental entity, licensing or accrediting organization, or athletic association or organization may not
52 entertain a complaint, open an investigation, or take any other adverse action against a school district, charter school,
53 member school, or higher education institution for complying with this chapter.

54 § 8406. Cause of action; civil remedies.

55 (a) A student who is deprived of an athletic opportunity or who suffers a direct or indirect harm as a result of a

60 this title to an employee or representative of the school district, charter school, member school, higher education institution,

79 school year.

SYNOPSIS

This Act generally requires a student athlete to compete for athletic teams or in sports associated with their biological sex, as determined at or near birth and based on the student's birth certificate or other government record if a birth certificate is unobtainable. An exception is permitted to allow female athletes to compete in male sports if a corresponding female sport is not available.

To facilitate this Act, a school district, charter school, Delaware Interscholastic Athletic Association member school, or higher education institution must designate an athletic team or sport sponsored by the school district, charter school, Delaware Interscholastic Athletic Association member school, or higher education institution based on the biological sex of students.
