A BILL

FOR AN ACT ENTITLED

"An Act relating to physician assistants; relating to physicians; and relating to health care insurance policies."

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 08.64.107 is amended to read:

Sec. 08.64.107. Licensure and scope of practice [REGULATION] of physician assistants. The board shall adopt regulations regarding the licensure of physician assistants and the medical services that they may perform, including the

(1) educational and other qualifications, including education in pain management and opioid use and addiction;

(2) application and licensing procedures;

(3) scope of activities authorized in this section; and

(4) responsibilities of a [THE] supervising or training physician.

* Sec. 2. AS 08.64.107 is amended by adding new subsections to read:

(b) A physician assistant may
(1) perform a comprehensive health history and physical examination of a patient;

(2) evaluate, diagnose, manage, and treat disease and injury;

(3) order, perform, and interpret diagnostic studies and therapeutic procedures;

(4) educate patients on health promotion and disease prevention;

(5) provide consultation upon request;

(6) write medical orders;

(7) supervise and delegate therapeutic and diagnostic measures to licensed or unlicensed personnel, in compliance with regulations adopted under AS 08.64.106;

(8) request, receive, and sign for professional samples and distribute professional samples to patients;

(9) authenticate by signature, certification, stamp, verification, affidavit, or endorsement a document that a physician would be authorized to authenticate by signature, certification, stamp, verification, affidavit, or endorsement;

(10) prescribe, dispense, order, administer, and procure drugs and medical devices;

(11) prescribe, dispense, order, and administer a schedule II, III, IV, or V controlled substance under federal law if the physician assistant has a valid federal Drug Enforcement Administration registration number;

(12) plan and initiate a therapeutic regimen that includes ordering and prescribing non-pharmacological interventions, including durable medical equipment, nutrition, blood, blood products, home health care, hospice, physical or occupational therapy, and other diagnostic support services; and

(13) perform any other medical service that the physician assistant is competent to perform based on education, training, and experience.

(c) A physician assistant with less than 2,000 hours of practice experience may practice only under a collaborative agreement in a hospital, clinic, or other clinical setting in which the physician assistant works with one or more collaborating physicians to provide patient care. A collaborating physician or physicians shall
oversee the performance, practice, and activities of the physician assistant, and the physician assistant must be able to communicate with at least one collaborating physician during work hours in person or by telephone or another telecommunications device. The collaborative agreement must

(1) be in writing;
(2) describe how collaboration will occur in accordance with this chapter;
(3) describe the methods to be used for evaluating the physician assistant's competency, knowledge, and skills;
(4) establish that the physician assistant and collaborating physician have knowledge of the physician assistant's qualifications and limitations in caring for patients;
(5) require the physician assistant to consult with the collaborating physician while remaining responsible for care provided by the physician assistant; and
(6) require the collaborating physician to give direction and guidance to the physician assistant.

(d) The physician assistant or collaborating physician shall provide a copy of the collaborative agreement, along with documentation of compliance, to the board upon request of the board.

(e) In this section, "collaborative agreement" means a plan that is mutually agreed on by a physician assistant and a collaborating physician that designates the scope of services the physician assistant may provide to patients.

* Sec. 3. AS 08.64.170(a) is amended to read:

(a) A person may not practice medicine, podiatry, or osteopathy in the state unless the person is licensed under this chapter, except that

(1) a physician assistant may examine, diagnose, or treat persons as authorized in AS 08.64.107 [UNDER THE SUPERVISION, CONTROL, AND RESPONSIBILITY OF EITHER A PHYSICIAN LICENSED UNDER THIS CHAPTER OR A PHYSICIAN EXEMPTED FROM LICENSING UNDER AS 08.64.370];
(2) a person who is licensed or authorized under another law of the
state may engage in a practice that is authorized under that law; and
(3) a person may perform routine medical duties delegated under
AS 08.64.106.

* Sec. 4. AS 11.71.900(20) is amended to read:

(20) "practitioner" means

(A) a physician, physician assistant, dentist, advanced practice
registered nurse, optometrist, veterinarian, scientific investigator, or other
person licensed, registered, or otherwise permitted to distribute, dispense,
conduct research with respect to, or to administer or use in teaching or
chemical analysis a controlled substance in the course of professional practice
or research in the state;

(B) a pharmacy, hospital, or other institution licensed,
registered, or otherwise permitted to distribute, dispense, conduct research with
respect to, or to administer a controlled substance in the course of professional
practice or research in the state;

* Sec. 5. AS 21.07.010(b) is amended to read:

(b) A contract between a participating health care provider and a health care
insurer that offers a health care insurance policy may not contain a provision that

(1) has as its predominant purpose the creation of direct financial
incentives to the health care provider for withholding covered medical care services
that are medically necessary; nothing in this paragraph shall be construed to prohibit a
contract between a participating health care provider and a health care insurer from
containing incentives for efficient management of the utilization and cost of covered
medical care services;

(2) requires the provider to contract for all products that are currently
offered or that may be offered in the future by the health care insurer; [OR]

(3) requires the health care provider to be compensated for medical
care services performed at the same rate as the health care provider has contracted
with another health care insurer; or

(4) imposes a practice, education, or collaboration requirement on
physician assistants that is inconsistent with or more restrictive than the
requirements imposed under AS 08.64.107 or a regulation adopted by the State
Medical Board.

* Sec. 6. AS 23.30.395(3) is amended to read:

(3) "attending physician" means one of the following designated by the
employee under AS 23.30.095(a) or (b):

(A) a licensed medical doctor;
(B) a licensed doctor of osteopathy;
(C) a licensed dentist or dental surgeon;
(D) a licensed physician assistant [ACTING UNDER
SUPERVISION OF A LICENSED MEDICAL DOCTOR OR DOCTOR OF
OSTEOPATHY];
(E) a licensed advanced practice registered nurse; or
(F) a licensed chiropractor;

* Sec. 7. AS 33.30.901(10) is amended to read:

(10) "health care provider" means

(A) a physician assistant licensed to practice in the state [AND
WORKING UNDER THE DIRECT SUPERVISION OF A LICENSED
PHYSICIAN OR PSYCHIATRIST];
(B) a mental health professional as defined in AS 47.30.915; or
(C) an advanced practice registered nurse as defined in
AS 08.68.850;
