

SENATE AMENDMENTS

2nd Printing

By: McLaughlin

H.B. No. 4341

A BILL TO BE ENTITLED

1 AN ACT
2 relating to critical infrastructure facility emergency response
3 maps and the critical infrastructure emergency response map grant
4 program.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Chapter 424, Government Code, is amended by
7 adding Subchapter D to read as follows:

8 SUBCHAPTER D. EMERGENCY RESPONSE MAP AND GRANT PROGRAM

9 Sec. 424.151. DEFINITIONS. In this subchapter:

10 (1) "Department" means the Department of Public Safety
11 of the State of Texas.

12 (2) "Fund" means the critical infrastructure
13 emergency response map fund created under Section 424.155.

14 (3) "Grant program" means the critical infrastructure
15 emergency response map grant program established under Section
16 424.154.

17 (4) "Public safety agency" and "public safety
18 answering point" have the meanings assigned by Section 771.001,
19 Health and Safety Code.

20 Sec. 424.152. APPLICABILITY. This subchapter applies only
21 to a critical infrastructure facility that is:

22 (1) a public or private airport depicted in any
23 current aeronautical chart published by the Federal Aviation
24 Administration; or

1 (2) a military installation owned or operated by or
2 for this state or another governmental entity.

3 Sec. 424.153. EMERGENCY RESPONSE MAP AND TOUR. (a) Each
4 critical infrastructure facility to which this subchapter applies
5 shall provide to the department and appropriate public safety
6 agencies:

7 (1) an accurate emergency response map of the facility
8 that is developed in accordance with the standards described by
9 Subsection (b); and

10 (2) an opportunity to tour the facility using the map
11 described by Subdivision (1) to verify the map's accuracy.

12 (b) An emergency response map must:

13 (1) include:

14 (A) an accurate floor plan overlaid on current,
15 verified aerial imagery of the facility and its surrounding land
16 and a site-specific label for each building of the facility;

17 (B) a label for each:

18 (i) room;

19 (ii) named hallway; and

20 (iii) external door or stairwell number;

21 and

22 (C) the location of each:

23 (i) known hazard;

24 (ii) critical utility;

25 (iii) key box;

26 (iv) automated external defibrillator; and

27 (v) trauma kit;

1 (2) conform to, integrate with, and be accessible by
2 software used by the department, entities operating a local public
3 safety answering point, or appropriate public safety agencies
4 without imposing a fee or requiring the purchase of additional
5 software to access the map and associated data;

6 (3) be in a format capable of being printed, shared
7 electronically, or integrated into an interactive software
8 application; and

9 (4) be in a format easily modified or updated.

10 (c) A critical infrastructure facility to which this
11 subchapter applies may only provide an emergency response map to
12 the department and appropriate public safety agencies for purposes
13 of developing a verified source of critical infrastructure mapping
14 data in this state and ensuring efficient emergency response for
15 the facility.

16 (d) A critical infrastructure facility to which this
17 subchapter applies may not provide or make available to the public
18 an emergency response map.

19 Sec. 424.154. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE
20 MAP GRANT PROGRAM. (a) The department shall establish and
21 administer a grant program to provide mapping services for critical
22 infrastructure facilities to which this subchapter applies to
23 develop emergency response maps required under Section 424.153.

24 (b) A grant awarded under this section may only be used to
25 obtain mapping services for a critical infrastructure facility to
26 which this subchapter applies to provide the emergency response map
27 required under Section 424.153.

1 (c) A mapping service provider who is a recipient of grant
2 money shall provide an emergency response map to the critical
3 infrastructure facility, the department, and appropriate public
4 safety agencies and may only charge a fee for the initial production
5 cost for the map.

6 (d) The department shall adopt rules to administer the grant
7 program established under this section, including eligibility
8 standards and procedures for applying for a grant under this
9 section.

10 (e) The department may award a grant under the grant program
11 only in accordance with a contract between the department and a
12 grant recipient. The contract must include provisions under which
13 the department is granted sufficient control to ensure the public
14 purpose of providing emergency response mapping services to
15 critical infrastructure facilities to which this subchapter
16 applies is accomplished and the state receives a return benefit.

17 Sec. 424.155. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE
18 MAP FUND. (a) The critical infrastructure emergency response map
19 fund is a dedicated account in the general revenue fund
20 administered by the department.

21 (b) The fund consists of:

22 (1) legislative appropriations of money to the
23 department for deposit to the credit of the fund for purposes of
24 this subchapter;

25 (2) any revenue that by law is dedicated for deposit to
26 the fund;

27 (3) interest or other earnings on money credited to or

1 allocable to the fund; and

2 (4) gifts, grants, including federal grants, or
3 donations received by the department for the fund.

4 (c) Money in the fund may be appropriated only to the
5 department to administer the grant program and award grants under
6 Section 424.154.

7 SECTION 2. As soon as practicable after the effective date
8 of this Act, the Department of Public Safety of the State of Texas
9 shall establish the grant program required under Section 424.154,
10 Government Code, as added by this Act.

11 SECTION 3. This Act takes effect September 1, 2025.

ADOPTED

H.B. No. 4341

Substitute the following for H.B. No. 4341:

By: [Signature]

C.S. H.B. No. 4341

A BILL TO BE ENTITLED

AN ACT

1
2 relating to critical infrastructure facility emergency response
3 maps and the critical infrastructure emergency response map grant
4 program.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Chapter 424, Government Code, is amended by
7 adding Subchapter D to read as follows:

8 SUBCHAPTER D. EMERGENCY RESPONSE MAP AND GRANT PROGRAM

9 Sec. 424.151. DEFINITIONS. In this subchapter:

10 (1) "Division" means the criminal justice division in
11 the governor's office established under Section 772.006.

12 (2) "Fund" means the critical infrastructure
13 emergency response map fund created under Section 424.155.

14 (3) "Grant program" means the critical infrastructure
15 emergency response map grant program established under Section
16 424.154.

17 (4) "Public safety agency" and "public safety
18 answering point" have the meanings assigned by Section 771.001,
19 Health and Safety Code.

20 Sec. 424.152. APPLICABILITY. (a) This subchapter applies
21 only to a critical infrastructure facility that is:

22 (1) a public or private airport depicted in any
23 current aeronautical chart published by the Federal Aviation
24 Administration; or

1 (2) a military installation owned or operated by or
2 for this state or another governmental entity.

3 (b) A critical infrastructure facility to which this
4 subchapter applies is required to comply with the requirements of
5 this subchapter only if the facility is awarded a grant under
6 Section 424.154.

7 Sec. 424.153. EMERGENCY RESPONSE MAP AND TOUR. (a) Each
8 critical infrastructure facility to which this subchapter applies
9 shall provide to the division and appropriate public safety
10 agencies:

11 (1) an accurate emergency response map of the facility
12 that is developed in accordance with the standards described by
13 Subsection (b); and

14 (2) an opportunity to tour the facility using the map
15 described by Subdivision (1) to verify the map's accuracy.

16 (b) An emergency response map must:

17 (1) include:

18 (A) an accurate floor plan overlaid on current,
19 verified aerial imagery of the facility and its surrounding land
20 and a site-specific label for each building of the facility;

21 (B) a label for each:

22 (i) room;

23 (ii) named hallway; and

24 (iii) external door or stairwell number;

25 and

26 (C) the location of each:

27 (i) known hazard;

1 (ii) critical utility;

2 (iii) key box;

3 (iv) automated external defibrillator; and

4 (v) trauma kit;

5 (2) conform to, integrate with, and be accessible by
6 software used by the division, entities operating a local public
7 safety answering point, or appropriate public safety agencies
8 without imposing a fee or requiring the purchase of additional
9 software to access the map and associated data;

10 (3) be in a format capable of being printed, shared
11 electronically, or integrated into an interactive software
12 application; and

13 (4) be in a format easily modified or updated.

14 (c) A critical infrastructure facility to which this
15 subchapter applies may only provide an emergency response map to
16 the division and appropriate public safety agencies for purposes of
17 developing a verified source of critical infrastructure mapping
18 data in this state and ensuring efficient emergency response for
19 the facility.

20 (d) A critical infrastructure facility to which this
21 subchapter applies may not provide or make available to the public
22 an emergency response map.

23 Sec. 424.154. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE
24 MAP GRANT PROGRAM. (a) The division shall establish and administer
25 a grant program to provide mapping services for critical
26 infrastructure facilities to which this subchapter applies to
27 develop emergency response maps required under Section 424.153.

1 (b) A grant awarded under this section may only be used to
2 obtain mapping services for a critical infrastructure facility to
3 which this subchapter applies to provide the emergency response map
4 required under Section 424.153.

5 (c) A mapping service provider who is a recipient of grant
6 money shall provide an emergency response map to the critical
7 infrastructure facility, the division, and appropriate public
8 safety agencies and may only charge a fee for the initial production
9 cost for the map.

10 (d) The division shall adopt rules to administer the grant
11 program established under this section, including eligibility
12 standards and procedures for applying for a grant under this
13 section.

14 (e) The division may award a grant under the grant program
15 only in accordance with a contract between the division and a grant
16 recipient. The contract must include provisions under which the
17 division is granted sufficient control to ensure the public purpose
18 of providing emergency response mapping services to critical
19 infrastructure facilities to which this subchapter applies is
20 accomplished and the state receives a return benefit.

21 Sec. 424.155. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE
22 MAP FUND. (a) The critical infrastructure emergency response map
23 fund is a dedicated account in the general revenue fund
24 administered by the division.

25 (b) The fund consists of:

26 (1) legislative appropriations of money to the
27 division for deposit to the credit of the fund for purposes of this

1 subchapter;

2 (2) any revenue that by law is dedicated for deposit to
3 the fund;

4 (3) interest or other earnings on money credited to or
5 allocable to the fund; and

6 (4) gifts, grants, including federal grants, or
7 donations received by the division for the fund.

8 (c) Money in the fund may be appropriated only to the
9 division to administer the grant program and award grants under
10 Section 424.154.

11 SECTION 2. As soon as practicable after the effective date
12 of this Act, the criminal justice division in the office of the
13 governor shall establish the grant program required under Section
14 424.154, Government Code, as added by this Act.

15 SECTION 3. This Act takes effect September 1, 2025.

ADOPTED

Lacey Law
Secretary of the Senate

FLOOR AMENDMENT NO. 1

BY: Phil King

1 Amend C.S.H.B. No. 4341 (senate committee report) as
2 follows:

3 (1) In SECTION 1 of the bill, in added Section 424.151(1),
4 Government Code (page 1, lines 25 and 26), strike "criminal justice
5 division in the governor's office established under Section
6 772.006" and substitute "Texas Division of Emergency Management".

7 (2) In SECTION 2 of the bill, in the transition language
8 (page 3, lines 3 and 4), strike "criminal justice division in the
9 office of the governor", and substitute "Texas Division of
10 Emergency Management".

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

May 23, 2025

TO: Honorable Dustin Burrows, Speaker of the House, House of Representatives

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4341 by McLaughlin (Relating to critical infrastructure facility emergency response maps and the critical infrastructure emergency response map grant program.), **As Passed 2nd House**

The fiscal implications of the bill cannot be determined at this time. There would be an indeterminate cost related to the grant program authorized by the bill which would be dependent on the number of grant applications and appropriations made for this purpose.

The bill would amend the Government Code to establish the Emergency Response Map and Grant Program to be administered by the Texas Division of Emergency Management (TDEM)

The bill would also establish the Critical Infrastructure Emergency Response Map Fund as a dedicated account in the General Revenue Fund administered by TDEM. The fund would consist of legislative appropriations; any dedicated revenues; and gifts, grants, including federal, or donations. Money in the fund could only be appropriated to TDEM to administer the grant program and award grants under the new subchapter.

It is assumed that any TDEM administrative cost associated with the bill could be absorbed within existing resources.

Note: This legislation would do one or more of the following: create or recreate a dedicated account in the General Revenue Fund, create or recreate a special or trust fund either in, with, or outside the Treasury, or create a dedicated revenue source. The fund, account, or revenue dedication included in this bill would be subject to funds consolidation review by the current Legislature.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.

FISCAL NOTE, 89TH LEGISLATIVE REGULAR SESSION

May 20, 2025

TO: Honorable Phil King, Chair, Senate Committee on Economic Development

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4341 by McLaughlin (Relating to critical infrastructure facility emergency response maps and the critical infrastructure emergency response map grant program.), **Committee Report 2nd House, Substituted**

The fiscal implications of the bill cannot be determined at this time. There would be an indeterminate cost related to the grant program authorized by the bill which would be dependent on the number of grant applications and appropriations made for this purpose.

The bill would amend the Government Code to establish the Emergency Response Map and Grant Program to be administered by the Criminal Justice Division within the Trusteed Programs Within the Office of the Governor (OOG).

The bill would also establish the Critical Infrastructure Emergency Response Map Fund as a dedicated account in the General Revenue Fund administered by OOG. The fund would consist of legislative appropriations; any dedicated revenues; and gifts, grants, including federal, or donations. Money in the fund could only be appropriated to OOG to administer the grant program and award grants under the new subchapter.

It is assumed that any OOG administrative cost associated with the bill could be absorbed within existing resources.

Note: This legislation would do one or more of the following: create or recreate a dedicated account in the General Revenue Fund, create or recreate a special or trust fund either in, with, or outside the Treasury, or create a dedicated revenue source. The fund, account, or revenue dedication included in this bill would be subject to funds consolidation review by the current Legislature.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.

TO: Honorable Phil King, Chair, Senate Committee on Economic Development

FROM: Jerry McGinty, Director, Legislative Budget Board

IN RE: HB4341 by McLaughlin (Relating to critical infrastructure facility emergency response maps and the critical infrastructure emergency response map grant program.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would establish certain procedures related to critical infrastructure facilities. The bill would also create the critical infrastructure emergency response map account in the general revenue fund, to be administered by DPS. The account would consist of legislative appropriations; any dedicated revenues; and gifts, grants (including federal), or donations. Account money could be appropriated only to the DPS to administer the grant program and award grants under the new subchapter.

According to the Department of Public Safety, any costs associated with the bill could be absorbed using existing resources.

Note: This legislation would do one or more of the following: create or recreate a dedicated account in the General Revenue Fund, create or recreate a special or trust fund either in, with, or outside the Treasury, or create a dedicated revenue source. The fund, account, or revenue dedication included in this bill would be subject to funds consolidation review by the current Legislature.
