

FLOOR AMENDMENT NO. 2

BY: Patterson

1 Amend S.B. No. 2477 (house committee report) on page 6 by
2 striking lines 2 through 4 and substituting the following:

3 multifamily residential use unless:

4 (1) the land on which the building is located was already
5 subject to an impact fee before a building permit related to the
6 conversion was filed with the municipality; and

7 (2) for an impact fee related to water and wastewater
8 facilities, the conversion increases the demand for water and
9 wastewater service for the building.
