General Assembly Of North Carolina Session 2025 exercised its rulemaking authority in a manner that is beyond the scope and purposes of the 1 2 Compact, or the powers granted hereunder, or based upon another applicable standard of review. The rules of the Commission shall have the force of law in each member state, 3 (b) provided, however, that where the rules of the Commission conflict with the laws of the member 4 5 state that establish the member state's laws, regulations, and applicable standards that govern the 6 practice of social work as held by a court of competent jurisdiction, the rules of the Commission 7 shall be ineffective in that state to the extent of the conflict. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth 8 (c) 9 in this section and the rules adopted thereunder. Rules shall become binding on the day following adoption or the date specified in the rule or amendment, whichever is later. 10 If a majority of the legislatures of the member states rejects a rule or a portion of a 11 (d) 12 rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect 13 14 in any member state. 15 (e) Rules or amendments to the rules shall be adopted at a regular or special meeting of 16 the Commission. 17 Prior to adoption of a proposed rule, the Commission shall hold a public hearing and (f)18 allow persons to provide oral and written comments, data, facts, opinions, and arguments. 19 Prior to promulgation and adoption of rule by the Commission, and at least 30 days (g) 20 in advance of the meeting at which the Commission will hold a public hearing on the proposed 21 rule, the Commission shall provide a notice of proposed rulemaking (i) on the website of the Commission or other publicly accessible platform, (ii) to persons who have requested notice of 22 the Commission's notices of proposed rulemaking, and (iii) in such other ways as the Commission 23 24 may, by rule, specify. 25 The notice of proposed rulemaking shall include all of the following: (h) The time, date, and location of the public hearing at which the Commission 26 (1) will hear public comments on the proposed rule and, if different, the proposed 27 time, date, and location of the meeting in which the rule will be considered 28 29 and voted upon. If the hearing is held via telecommunication, video conference, or other 30 (2)electronic means, the Commission shall include the mechanism for access to 31 32 the hearing in the notice of proposed rulemaking. The text of the proposed rule or amendment and the reason for the proposed 33 (3) 34 rule. 35 (4) A request for comments on the proposed rule from any interested person. The manner in which interested persons may submit written comments. 36 (5) 37 (i) All hearings will be recorded. A copy of the recording and all written comments and documents received by the Commission in response to the proposed rule shall be available to the 38 public. 39 40 Nothing in this section shall be construed as requiring a separate hearing on each rule. (i) Rules may be grouped for the convenience of the Commission at hearings required by this 41 42 section. The Commission shall, by majority vote of all members, take final action on the 43 (k) proposed rule based on the rulemaking record and the full text of the rule. 44 The Commission may adopt changes to the proposed rule provided the 45 (1)46 changes do not enlarge the original purpose of the proposed rule. The Commission shall provide an explanation of the reasons for substantive 47 <u>(2)</u> changes made to the proposed rule as well as reasons for substantive changes 48 not made that were recommended by commenters. 49

50(3)The Commission shall determine a reasonable effective date for the rule.51Except for an emergency as provided in this section, the effective date of the

3	(1) Upon determination that an emergency exists, the Commission may consider and

5	usual rulemaking procedures provided in the Compact and in this section shall be retroactively
6	applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective
7	date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted
8	immediately in order to (i) meet an imminent threat to public health, safety, or welfare, (ii)
9	prevent a loss of Commission or member state funds, (iii) meet a deadline for the promulgation
10	of an administrative rule that is established by federal law or rule, or (iv) protect public health
11	and safety.
12	(m) The Commission or an authorized committee of the Commission may direct revisions
13	to a previously adopted rule or amendment for purposes of correcting typographical errors, errors
14	in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be
15	posted on the website of the Commission. The revision shall be subject to challenge by any
16	person for a period of 30 days after posting. The revision may be challenged only on grounds
17	that the revision results in a material change to a rule. A challenge shall be made in writing and
18	delivered to the chair of the Commission prior to the end of the notice period. If no challenge is
19	made, the revision will take effect without further action. If the revision is challenged, the
20	revision may not take effect without the approval of the Commission.

27	competent jurisdiction where the principal office of the Commission is located. The Commission
28	may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in
29	alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or
30	propriety of venue in any action against a licensee for professional malpractice, misconduct, or
31	any such similar matter.
32	(c) <u>The Commission shall be entitled to receive service of process in any proceeding</u>
33	regarding the enforcement or interpretation of the Compact and shall have standing to intervene

36	(d) If the Commission determines that a member state has defaulted in the performance
37	of its obligations or responsibilities under this Compact or the promulgated rules, the
38	<u>Commission shall do all of the following:</u>

45 46	from the Compact upon an affirmative vote of a majority of delegates of the member states, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective
40 47	date of termination. A cure of the default does not relieve the offending state of obligations or
47 48	liabilities incurred during the period of default.
40 49	(f) Termination of membership in the Compact shall be imposed only after all other
49 50	means of securing compliance have been exhausted. Notice of intent to suspend or terminate
51	shall be given by the Commission to the governor, the majority and minority leaders of the

1 defaulting state's legislature, the defaulting state's state licensing authority and each of the member states' state licensing authority. A state that has been terminated is responsible for all 2 assessments, obligations, and liabilities incurred through the effective date of termination, 3 including obligations that extend beyond the effective date of termination. 4 5 Upon the termination of a state's membership from this Compact, that state shall (g) 6 immediately provide notice to all licensees within that state of such termination. The terminated 7 state shall continue to recognize all licenses granted pursuant to this Compact for a minimum of 8 six months after the date of said notice of termination. 9 The Commission shall not bear any costs related to a state that is found to be in default (h) or that has been terminated from the Compact, unless agreed upon in writing between the 10 11 Commission and the defaulting state. 12 (i) The defaulting state may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its 13 14 principal offices. The prevailing party shall be awarded all costs of such litigation, including 15 reasonable attorneys' fees. 16 (j) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember 17 18 states. The relief sought may include both injunctive relief and 23 24 damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all 25 costs of such litigation, including reasonable attorneys' fees. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies 26 available under federal or the defaulting member state's law. 27 A member state may initiate legal action in the U.S. District Court for the District of 28 (l)Columbia or the federal district where the Commission has its principal offices against the 29 Commission to enforce compliance with the provisions of the Compact and its promulgated rules 30 and bylaws. A charter member state whose enactment is found to be materially different from the 42 (b) model Compact statute shall be entitled to the default process set forth in this Article. If any 43 member state is found to be in default, or is terminated or withdraws from the Compact, the 44 Commission shall remain in existence and the Compact shall remain in effect even if the number 45 46 of member states should be less than seven. Member states enacting the Compact subsequent to the seven initial charter member 47 (c) states shall be subject to the process set forth in this Article to determine if their enactments are 48 materially different from the model Compact statute and whether they qualify for participation 49 in the Compact. 50

1	(d) <u>All actions taken for the benefit of the Commission or in furtherance of the purposes</u>

4	repudiated by the Commission.
5	(e) Any state that joins the Compact subsequent to the Commission's initial adoption of
6	the rules shall be subject to the rules as they exist on the date on which the Compact becomes
7	law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.
8 9	(f) Any member state may withdraw from this Compact by enacting a statute repealing

12	the repealing statute. Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting
12	requirements of this act prior to the effective date of withdrawal. Upon the enactment of a statute
13 14	withdrawing from this Compact, a state shall immediately provide notice of such withdrawal to
14	all licensees within that state. Notwithstanding any subsequent statutory enactment to the
15 16	contrary, such withdrawing state shall continue to recognize all licenses granted pursuant to this
17	Compact for a minimum of six months after the date of such notice of withdrawal.
18	(g) Nothing contained in this Compact shall be construed to invalidate or prevent any
19	licensure agreement or other cooperative arrangement between a member state and a nonmember
20	state that does not conflict with the provisions of this Compact.
21	(h) This Compact may be amended by the member states. No amendment to this Compact
22	shall become effective and binding upon any member state until it is enacted into the laws of all
23	member states.
24	"§ 90B-34. Construction and severability.
25	This Compact and the Commission's rulemaking authority shall be liberally construed so as
26	to effectuate the purposes, and the implementation and administration of the Compact. Provisions
27	of the Compact expressly authorizing or requiring the promulgation of rules shall not be
28	construed to limit the Commission's rulemaking authority solely for those purposes. The
29	provisions of this Compact shall be severable, and if any phrase, clause, sentence, or provision
30	of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of
31	any member state, a state seeking participation in the Compact, or the United States, or the
32	applicability thereof to any government, agency, person, or circumstance is held to be
33	unconstitutional by a court of competent jurisdiction, the validity of the remainder of this
34	Compact and the applicability thereof to any other government, agency, person, or circumstance
35	shall not be affected thereby.
36	Notwithstanding this section, the Commission may deny a state's participation in the Compact
37	or, in accordance with the requirements of this Article, terminate a member state's participation
38	in the Compact, if it determines that a constitutional requirement of a member state is a material
39	departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the
40	constitution of any member state, the Compact shall remain in full force and effect as to the
41	remaining member states and in full force and effect as to the member state affected as to all
42	severable matters.

46	the remote state where the client is located at the time care is rendered. Nothing herein prevents
47	the enforcement of any other law of a member state that is not inconsistent with the Compact.
48	Any laws, statutes, regulations, or other legal requirements in a member state in conflict with the
49	Compact are superseded to the extent of the conflict. All permissible agreements between the
50	Commission and the member states are binding in accordance with their terms."
