SB115

214109-1

By Senators Shelnutt and Allen

RFD: Judiciary

First Read: 18-JAN-22
SYNOPSIS: Under existing law, the crime of assault in the second degree is committed when a person, with an intent to prevent a peace officer, detention or correctional officer, emergency medical personnel, or firefighter from performing a lawful duty, intends to cause physical injury and causes physical injury to any person.

This bill would establish the crimes of assault against a first responder in the first and second degrees and would also further provide for the crime of assault in the second degree to reflect the creation of the crimes of assault against a first responder in the first and second degrees.

This bill would amend the crimes of riot and inciting to riot and would establish the crimes of aggravated riot and unlawful traffic interference. This bill would include a mandatory period of incarceration to serve that is not subject to probation or parole.
Under existing law, a person arrested for a crime of domestic violence or elder abuse is required to be held in custody until brought before the court within 48 hours for the purpose of consideration of bail.

This bill would also provide that if a person is arrested for committing a crime of assault against a first responder, riot, inciting to riot, aggravated riot, or unlawful traffic interference, the person would be required to be held in custody until brought before the court within 24 hours for the purpose of consideration of bail, or if not brought before the court within 24 hours, would be subject to bail according to the Alabama Rules of Criminal Procedure.

Under existing law, local law enforcement agencies are primarily funded by the political subdivisions of the state that the agencies serve.

This bill would also provide that if a political subdivision of the state dissolves or defunds a local law enforcement agency, the political subdivision may not receive any state grant or aid money and may not receive any allocation of any state revenues directly shared with local governments that is not otherwise required by the Constitution of Alabama of 1901,
until the local law enforcement agency is fully restored and funded, with exceptions.

Amendment 621 of the Constitution of Alabama of 1901, as amended by Amendment 890, now appearing as Section 111.05 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, prohibits a general law whose purpose or effect would be to require a new or increased expenditure of local funds from becoming effective with regard to a local governmental entity without enactment by a 2/3 vote unless: it comes within one of a number of specified exceptions; it is approved by the affected entity; or the Legislature appropriates funds, or provides a local source of revenue, to the entity for the purpose.

The purpose or effect of this bill would be to require a new or increased expenditure of local funds within the meaning of the amendment. However, the bill does not require approval of a local governmental entity or enactment by a 2/3 vote to become effective because it comes within one of the specified exceptions contained in the amendment.

A BILL

Section 8. (a)(1) As used in this section, the term defunded jurisdiction means a political subdivision of the state that is certified by the Attorney General as having abolished or disbanded, or substantially abolished or disbanded, the law enforcement agency of the political subdivision without an intention to immediately reconstitute the agency.

(2) A rebuttable presumption arises that a political subdivision has substantially abolished or disbanded the law enforcement agency of the political subdivision if the political subdivision reduces by 50 percent or more the budget of the law enforcement agency of the political subdivision.
without reallocating a substantial majority of that money to another community policing program.

(3) A political subdivision may rebut the presumption by proving by clear and convincing evidence that the budget reduction was a fiscally appropriate decision as a result of a decrease in revenues in the previous fiscal year, or by proving that, the budget reduction notwithstanding, the law enforcement agency of the political subdivision is sufficiently funded to provide law enforcement services to the political subdivision.

(b) A defunded jurisdiction is not eligible for and may not receive any of the following:

(1) A state grant, gift, endowment, or any other sum of money or aid from the State of Alabama or a department, board, or agency thereof.

(2) Any allocation of state revenues directly shared with local governing bodies not otherwise guaranteed by the Constitution of Alabama of 1901, including, but not limited to, revenue from the Rebuild Alabama Act, Act 2019-2, 2019 1st Special Session; and the net profits derived from the proceeds of the Alabama liquor stores as provided under Section 28-3-74, Code of Alabama 1975.

(c) Upon certification by the Attorney General that a political subdivision of the state is a defunded jurisdiction, the state Comptroller shall withhold the distribution of the revenue described under subsection (b) to which the defunded jurisdiction would otherwise be entitled.
into a special fund within the State Treasury until the
Attorney General certifies that the political subdivision has
restored funding to the political subdivision's law
enforcement agency.

(d) This section does not apply to a political
subdivision of the state which, as of the effective date of
this act, employs less than 20 full-time law enforcement
officers.

Section 9. Although this bill would have as its
purpose or effect the requirement of a new or increased
expenditure of local funds, the bill is excluded from further
requirements and application under Amendment 621, as amended
by Amendment 890, now appearing as Section 111.05 of the
Official Recompilation of the Constitution of Alabama of 1901,
as amended, because the bill defines a new crime or amends the
definition of an existing crime.

Section 10. This act shall become effective on the
first day of the third month following its passage and
approval by the Governor, or its otherwise becoming law.
