 - (e) The contractor does not pay wages and benefits to its most highly compensated executive and managerial employees that are significantly higher than the rates that would be paid to public employees performing similar job duties.
 - (f) The county has consulted with the court prior to entering into a contract for the provision of these services.

- (f) The State Department of Health Care Services may contract with public and private entities in order to implement this provision. Contracts entered into or amended pursuant to this provision shall be exempt from Chapter 1 (commencing with Section 14600) of Part 5.5 of Division 3 of Title 2 of the Government Code, Chapter 6 (commencing with Section 14825) of Part 5.5 of Division 3 of Title 2 of the Government Code, Article 4 (commencing with Section 19130) of Chapter 5 of Part 2 of Division 5 of Title 2 of the Government Code, Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code, the State Contracting Manual, and the

State Administrative Manual, and shall be exempt from the review or approval of any division of the State Department of General Services.

Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the State Department of Health Care Services may implement, interpret, or make specific this provision, in whole or in part, by means of provider bulletin or similar instructions, without taking any further regulatory action.

21. (a) The department may enter into exclusive or nonexclusive contracts on a bid, non-bid, or negotiated basis with a drug rebate aggregator or another entity that provides rebate aggregation services to consolidate and manage drug rebate negotiation, invoicing, collection, dispute resolution, and other related activities with manufacturers, distributors, dispensers, or suppliers of single-source and multiple source drugs, appliances, durable medical equipment, medical supplies, and other product type health care services. Contracts entered into or amended pursuant to this section shall be exempt from Chapter 6 (commencing with Section 14825) of Part 5.5 of Division 3 of Title 2 of the Government Code, Article 4 (commencing with Section 19130) of Chapter 5 of Part 2 of Division 5 of Title 2 of the Government Code, Part 2 (commencing with Section 10100)

of Division 2 of the Public Contract Code, the State Contracting Manual and the State Administrative Manual and shall be exempt from review or approval of any division of the State Department of General Services.

- (b) Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the department may implement, interpret, or make specific this section, in whole or in part, by means of plan or county letters, information notices, plan or provider bulletins, or other similar instructions without taking any further regulatory action.
22. Notwithstanding Section 16531.1 of the Government Code, the General Fund cash loans made to the Medical Providers Interim Payment Fund in fiscal years 2024–25 and 2025–26 are available over the 2024–25 and 2025–26 fiscal years for programs funded within this item. No later than June 30, 2034, an allocation from the General Fund shall be made to recognize for budgetary financial reporting the cost of the loans made to the Medical Providers Interim Payment Fund in the 2024–25 and 2025–26 fiscal years. The Director of Finance may order the repayment of all or a portion of the loans sooner if the Department of Finance, in consultation with the Department of Health Care Services, determines that the funds appropriated in this item exceed the required costs for programs funded within the item.
24. (a) Of the amounts appropriated in Schedule (2), \$15,000,000 shall be made available for Title X family planning funding to maintain and support

the delivery of equitable, affordable, high quality, client-centered family planning services to eligible patients with low-incomes across the state.

- (b) The State Department of Health Care Services shall receive and provide the funds to Essential Access Health, the designated statewide federal Title X grantee, no later than September 30, 2025.
- (c) Funding provided to Essential Access Health may be used for the following purposes:
 - (1) Funding administration and distribution to current members of the 2024–25 statewide federal Title X provider network to prevent any disruption in the delivery of family planning and related services during the 2025–2026 state fiscal year.
 - (2) Technical assistance, training, and other capacity-building support for subrecipients to ensure quality of care.
 - (3) Provider network meetings.
 - (4) Linking community members to family planning services provided by subrecipients.
 - (5) Data collection and evaluation.
 - (6) Drafting and submission of a final report under subprovision (d).

- (e) The State Department of Health Care Services shall submit the report to the Legislature no later than October 1, 2026.
- (f) Eighty-five percent of funding shall be distributed to current members of the 2024–25 statewide Title X provider network that includes federally qualified health centers, city and county health departments, Urban Indian Health Centers, universities, hospitals, Planned Parenthood affiliates, and other

stand-alone family planning and women’s health centers, and to fund activities to support subrecipients and patient access outlined in (c) 2- 4.

- (g) Fifteen percent of funds allocated may be used by Essential Access Health to cover administrative costs related to completing activities consistent with this provision.
25. The Legislature finds that the total funds appropriated in this item exceeds the amount of General Fund revenue appropriated to support the Medi-Cal program prior to the effective date of Chapter 7.5 (commencing with Section 14199.100) of Part 3 of Division 9 of the Welfare and Institutions Code (Proposition 35). The Legislature further finds that, for purposes of Proposition 35, increases in Medi-Cal base managed care capitation rates reflect an expansion of healthcare benefits, healthcare services, healthcare workforce, and payment rates above and beyond those already in effect or in existence as of January 1, 2024, and are in addition to existing reimbursement rates and any other payments made by the department as of January 1, 2024, and do not supplant amounts that would otherwise be payable by a Medi-Cal managed care plan or the department, as applicable, to a recipient of moneys provided by Article 4 (commencing with Section 141900.109) of Chapter 7.5 of Part 3 of Division 9 of the Welfare and Institutions Code.
26. (a) Of the amount appropriated in Schedule (2), a one-time \$50,000,000 allocation shall be available for the Department of Health Care Services (DHCS) to provide non-competitive grants to county behavioral health departments to support the implementation of Proposition 36 (2024).
- (b) Grants shall be provided to counties according to an allocation methodology determined by DHCS, in consultation with the Judicial Council.
- (c) Counties shall spend at least 50 percent of the funds allocated pursuant to this provision to support planning and capacity building activities to expand and accelerate services, including, but not

limited to, capital for housing and treatment, including recovery housing; hiring, training, and development of policies and procedures; support for information technology infrastructure costs, including, but not limited to, changes needed to electronic medical record systems; and changes needed for reporting data, and case tracking. No matching funds are required for any portion of a county's allocation that is expended solely on planning and capacity building activities.

- (d) Any portion of a county's allocation expended on behavioral health treatment services shall be matched by a 25 percent match from local funding sources. County behavioral health departments must maximize federal reimbursements for eligible services, in collaboration with the courts and other partners. Funding allocated under this provision may not be used to pay for services that are covered by an individual's commercial insurance coverage. These provisions are not intended to replace or relieve current county funding obligations required to draw down federal matching funds for Medi-Cal covered services.
- (e) Funding spent on services pursuant to subprovision (d) may be used to cover costs associated with Proposition 36 (2024) that are not Medi-Cal reimbursable, including workload and behavioral health evaluations related to court proceedings and treatment not covered by Medi-Cal, or private commercial insurance.
- (f) As a condition of receiving funds pursuant to this provision, county behavioral health departments shall provide data and outcomes, including, but not limited to, information on how funds were expended and the number of people served, in a manner determined by DHCS, in consultation with the Judicial Council. DHCS shall coordinate with the Judicial Council to ensure that the data is collected and reported necessary for the Judicial

Council to comply with the reporting requirement in Provision 20 of Item 0250-101-0001.

- (g) Up to 5 percent of this funding may be retained by DHCS for administering this funding.
 - (h) The funding allocated in this provision shall be available for expenditure or encumbrance until June 30, 2028.
 - (i) In providing the funding allocated in this provision, it is the intent of the Legislature to help offset county responsibilities related to the initial implementation of Proposition 36 (2024).
 - (j) For purposes of implementing this section, the State Department of Health Care Services may enter into exclusive or nonexclusive contracts, or amend existing contracts, on a bid or negotiated basis. Notwithstanding any other law, contracts entered into or amended pursuant to this section shall be exempt from Chapter 6 (commencing with Section 14825) of Part 5.5 of Division 3 of Title 2 of the Government Code, Section 19130 of the Government Code, and Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code, and shall be exempt from the review or approval of any division of the Department of General Services.
 - (k) Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, the State Department of Health Care Services, without taking any further regulatory action, shall implement, interpret, and make specific this section by means of all-county letters, plan letters, information notices, or similar instructions.
27. Of the amount appropriated in Schedule (2), \$2,000,000 is available for encumbrance or expenditure for the State Department of Health Care Services to support the urgent needs and emergent issues of children and youth, including the promotion and enhancement of next generation digital support tools for mental health as a component of the Children and

Youth Behavioral Health Initiative, as well as the development of single-session interventions and tools to support children, youth and families affected by wildfires.

The department shall post the notice by October 1, 2025, and applications shall be submitted within 60 days from the date posted. Following receipt of applications, the department shall determine eligibility and provide notice to organizations regarding their eligibility determination within 90 days. In all cases where a

program is determined to not meet the eligibility requirements, the department shall offer a 30-day window in which the community-based organization may resubmit their proposed program for a possible later determination of eligibility. After this 30-day period, the department shall then issue grant funds to eligible grantees within 90 days.

2. Individual grant amounts shall be subject to the total number of qualifying applications that are received by the Department of Corrections and Rehabilitation.
4. No more than 3 percent of the amount appropriated in this item may be used by the Department of Corrections and Rehabilitation to administer this grant.

The Director of Finance may collectively transfer \$1,500,000,000 from various special funds or any other state borrowable funds to the General Fund as budgetary loans during the 2025–26 fiscal year. The specific special funds or other state funds to borrow from will only be from idle resources not required for currently projected operational or programmatic purposes. The loans will be repaid in a future year when the fund or account from which the loan was made has a need for the moneys or there is no longer a need for the moneys in the General Fund.

SEC. 243. Section 19.56 is added to the Budget Act of 2025, to read:

SEC. 19.56. (a) (1) The amounts appropriated pursuant to this section reflect legislative priorities:

(2) For allocations in this section that include a designated state entity, the state entity shall allocate the funds to the recipients identified in the paragraphs following each designation. The state entity shall determine the best method for allocation to ensure the funds are used for the purposes specified in this section. Self-attestation by the receiving entity is an acceptable method of verification of the use of funds, if determined appropriate by the state entity.

(3) Notwithstanding any other law, allocations pursuant to this section are exempt from the personal services contracting requirements of Article 4 (commencing with Section 19130) of Chapter 5 of Part 2 of Division 5 of Title 2 of the Government Code, Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code, and the State Contracting Manual, and are not subject to the approval of the Department of General Services, including the requirements of Chapter 6 (commencing with Section 14825) of Part 5.5 of Division 3 of the Title 2 of the Government Code.

(4) If an item number for the appropriate department for a state entity does not exist, and an item number is required in order to

make the specified allocations, the Department of Finance may create an item number for this purpose.

(5) Notwithstanding any other law, a designated state entity administering an allocation pursuant to this section may provide the allocation as an advance lump sum payment, and the allocation may be used to pay for costs incurred prior to the effective date of this section.

Any state entity that allocates funds may, in consultation with the Department of Finance, use an alternative local fiscal agent that is not identified in this section instead of the fiscal agent designated in this section if necessary to achieve the intended legislative purpose. Any change to the allocating state entity or fiscal agent made pursuant to this paragraph shall be reported to the Joint Legislative Budget Committee in writing at least 30 days prior to the change, or no sooner than whatever lesser time after that notification the chairperson of the joint committee, or the chairperson's designee, may determine. It is the intent of the Legislature to revise this section during the 2025–26 fiscal year to reflect any changes necessary to achieve the intended legislative purpose.

(7) Unless otherwise specified in this section, funds allocated pursuant to this section shall be available for encumbrance or expenditure through June 30, 2027, and liquidation until June 30, 2029.

(8) Unless otherwise specified, the funds appropriated in this section shall not be disbursed for any project prior to September 30, 2025. Future legislation may, but is not required to, specify further details concerning the manner of disbursement of these funds.

(9) Funding provided in this section shall not be used for a purpose subject to Section 8 of Article XVI of the California Constitution.
