13 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

**SECTION 1.**

Chapter 34 of Title 43 of the Official Code of Georgia Annotated, relating to physicians, assistants, and others, is amended by revising subsection (a) of Code Section 43-34-11, relating to continuing education requirement and required training for physicians, as follows:

"(a)(1) The board shall be authorized to require persons seeking renewal of a license, certificate, or permit under this chapter to complete board approved continuing education of not less than 40 hours biennially. The board shall be authorized to approve courses offered by institutions of higher learning, specialty societies, or professional organizations, including, but not limited to, the American Medical Association, the National Medical Association, and the American Osteopathic Association, the number of hours required, and the category in which these hours should be earned. This paragraph shall not apply to respiratory care professionals, persons seeking renewal of certification as respiratory care professionals, clinical perfusionists, persons seeking renewal of licensure as a clinical perfusionist, licensed orthotists or prosthetists, persons seeking renewal of licensure as an orthotist or prosthetist, genetic counselors, ~~or persons seeking renewal of licensure as a genetic counselor, radiologist assistants, or persons seeking renewal of licensure as a radiologist assistant.~~

(2) The board shall be authorized to require persons seeking renewal of certification as respiratory care professionals under Article 6 of this chapter to complete board approved continuing education. The board shall be authorized to establish the number of hours of continuing education required biennially for renewal of certification as a respiratory care professional and the categories in which these hours should be earned. The board shall be authorized to approve courses offered by institutions of higher learning, specialty societies, or professional organizations. Any action taken by the board pursuant to this paragraph shall be taken in conformity with the provisions of Code Section 43-34-143.

(3) The board shall be authorized to require persons seeking renewal of licensure as clinical perfusionists under Article 7 of this chapter to complete board approved

41 continuing education. The board shall be authorized to establish the number of hours of  
42 continuing education required biennially for renewal of licensure as a clinical perfusionist  
43 and the categories in which these hours should be earned. The board shall be authorized  
44 to approve courses offered by institutions of higher learning, specialty societies, or  
45 professional organizations. Any action taken by the board pursuant to this paragraph  
46 shall be taken in conformity with the provisions of Code Section 43-34-172.

47 (4) The board shall be authorized to require persons seeking renewal of licensure to  
48 practice orthotics or prosthetics under Article 8 of this chapter to complete board  
49 approved continuing education. The board shall be authorized to establish the number  
50 of hours of continuing education required biennially for renewal of licensure to practice  
51 orthotics or prosthetics and the categories in which these hours should be earned,  
52 provided that the maximum number of hours of continuing education required for  
53 renewal of licensure shall not exceed 40 hours. The board shall be authorized to approve  
54 courses offered by institutions of higher learning, specialty societies, or professional  
55 organizations. Any action taken by the board pursuant to this paragraph shall be taken  
56 in conformity with the provisions of subsection (a) of Code Section 43-34-200.

57 (5) The board shall be authorized to require persons seeking renewal of licensure to  
58 practice genetic counseling under Article 12 of this chapter to complete board approved  
59 continuing education. The board shall be authorized to establish the number of hours of  
60 continuing education required biennially for renewal of licensure to practice genetic  
61 counseling and the categories in which these hours should be earned, provided that the  
62 number of hours of continuing education required for renewal of licensure shall not be  
63 less than 30 hours biennially. The board shall be authorized to approve courses offered  
64 by institutions of higher learning, specialty societies, or professional organizations. Any  
65 action taken by the board pursuant to this paragraph shall be taken in conformity with the  
66 provisions of subsection (b) of Code Section 43-34-313.

67 (6) The board shall be authorized to require persons seeking renewal of licensure to  
68 practice as a radiologist assistant under Article 13 of this chapter to complete board  
69 approved continuing education. The board shall be authorized to establish the number  
70 of hours of continuing education required biennially for renewal of licensure to practice  
71 as a radiologist assistant and the categories in which these hours should be earned. The  
72 board shall be authorized to approve courses offered by institutions of higher learning,  
73 specialty societies, or professional organizations. Any action taken by the board pursuant  
74 to this paragraph shall be taken in conformity with the provisions of subsection (b) of  
75 Code Section 43-34-334.

76 ~~(6)~~(7) On and after January 1, 2022, all physicians shall be required to receive one-time  
77 education and training, for a minimum of two hours, regarding professional boundaries  
78 and physician sexual misconduct. Such education and training shall include subject  
79 matter relating to how to proceed with basic as well as sensitive or intimate examinations  
80 and the communication with patients that is required as a component of such  
81 examinations. Such education and training shall be established by the board and shall be  
82 informed by members of the public, as best possible."

## 83 **SECTION 2.**

84 Said chapter is further amended by repealing Code Section 43-34-12, relating to radiologist  
85 assistant defined.

## 86 **SECTION 3.**

87 Said chapter is further amended by adding a new article to read as follows:

88 "ARTICLE 13

89 43-34-330.

90 This article shall be known and may be cited as the 'Radiologist Assistant Act.'

91 43-34-331.

92 As used in this article, the term:

93 (1) 'Board' means the Georgia Composite Medical Board.

94 (2) 'Radiologist' means a physician who is licensed to practice medicine pursuant to  
95 Article 2 of this chapter and who is certified by the American Board of Radiology, the  
96 American Osteopathic Board of Radiology, or the Royal College of Physicians and  
97 Surgeons of Canada.

98 (3) 'Radiologist assistant' means an advanced level certified diagnostic radiologic  
99 technologist who assists radiologists under the on site direct supervision of a radiologist  
100 as defined by the Georgia Composite Medical Board in performing advanced diagnostic  
101 imaging procedures as determined by board rule, according to levels of supervision as  
102 defined by the Centers for Medicare and Medicaid Services including, but not limited to,  
103 enteral and parenteral procedures when performed under the on site direct supervision of  
104 the radiologist and may include injecting diagnostic agents to sites other than intravenous,  
105 performing diagnostic aspirations and localizations, and assisting radiologists with other  
106 invasive procedures, according to levels of supervision as defined by the Centers for  
107 Medicare and Medicaid Services.

108 43-34-332.

109 A person shall be qualified for licensure as a radiologist assistant and the board may issue  
110 a license if that person:

(1) Has applied in writing in form and substance satisfactory to the board and is at least 21 years of age;

(2) Has not engaged in conduct or activities which would constitute grounds for discipline under this article;

(3) Is registered and credentialed as a radiographer with the American Registry of Radiologic Technologists;

(4) Is certified and registered:

(A) As a radiologist assistant with the American Registry of Radiologic Technologists;  
or

(B) As a radiology practitioner assistant with the Certification Board for Radiology Practitioner Assistants and the American Registry of Radiologic Technologists;

(5) Has paid the fees required by rule; and

(6) Has met any other requirements established by rule.

43-34-333.

(a) Licenses issued by the board pursuant to this article shall be subject to renewal and shall be valid for up to two years unless otherwise specified by this article and shall be renewable biennially on the renewal date established by the board.

(b) The board shall be authorized to, in conformance with paragraph (6) of subsection (a) of Code Section 43-34-11:

(1) Require persons seeking renewal of licensure under this article to complete board approved continuing education; and

(2) Establish the number of hours of continuing education to be completed as well as the categories in which the continuing education is to be completed.

(c) A person who has permitted his or her license to expire or who has had his or her license on inactive status may have his or her license restored by:

(1) Making application to the board;

(2) Filing proof acceptable to the board of his or her fitness to have his or her license restored, including, but not limited to, sworn evidence certifying to active practice in another jurisdiction satisfactory to the board; and

(3) Paying the required restoration fee.

If the person has not maintained an active practice in another jurisdiction satisfactory to the board, the board shall determine, by an evaluation program established by rule, such person's fitness to resume active status and may require such person to complete a period of evaluated clinical experience and successful completion of an examination.

(d) A person who notifies the board on forms prescribed thereby may elect to place his or her license on an inactive status and shall, subject to rules of the board, be excused from payment of renewal fees until he or she notifies the board of his or her desire to resume active status. A person requesting restoration from inactive status shall be required to pay the current renewal fee and shall be required to restore his or her license as provided in subsection (c) of this Code section. A radiologist assistant whose license is on inactive status shall not engage in the scope of practice for radiologist assistants in this state.

(e) A person whose license expired while he or she was:

(1) In federal service on active duty within the armed forces of the United States or with the state militia and called into service or training; or

(2) In training or education under the supervision of the United States preliminary to induction into military service

may have his or her license renewed or restored without paying a lapsed renewal fee if, within two years after termination from the service, training, or education except under conditions other than honorable, he or she furnishes the board with satisfactory evidence that he or she has been so engaged and that his or her service, training, or education has been terminated.

43-34-334.

(a) On and after July 1, 2025, a person shall not engage in the scope of practice for radiologist assistants in this state without a valid license issued by the board pursuant to this article.

(b) A person shall not hold himself or herself out as a radiologist assistant unless he or she holds a license issued by the board in accordance with this article. A person not licensed by the board pursuant to this article shall not use in connection with his or her name or place of business the terms 'radiologist assistant' or any words, letters, abbreviations, or insignia indicating or implying that the person holds a license as a radiologist assistant.

(c) A person who verifies to the board that he or she is employed in this state as a radiologist assistant as of the effective date of this article shall by operation of law be licensed to practice as a radiologist assistant in this state on July 1, 2025.

43-34-335.

(a) A radiologist may use the services of a radiologist assistant under the on site direct supervision of such radiologist, provided that such radiologist assistant is duly qualified and licensed pursuant to this article.

(b) A radiologist assistant shall not interpret images, make diagnoses, or prescribe medications or therapies.

(c) Any rules and regulations adopted by the board pertaining to the scope of practice as a radiologist assistant in this state shall be consistent with guidelines adopted by the American College of Radiology, the American Society of Radiologic Technologists, the American Registry of Radiologic Technologists, or any other entity deemed appropriate by the board.

43-34-336.

The board shall have the power and responsibility to:

187 (1) Determine the qualifications and fitness of applicants for licensure and renewal of  
188 licensure;

189 (2) Adopt and revise rules consistent with the laws of the State of Georgia that are  
190 necessary to conduct its business, carry out its duties, and administer this article;

191 (3) Examine for, approve, issue, deny, revoke, suspend, sanction, and renew the licenses  
192 of applicants and radiologist assistants under this article and conduct hearings in  
193 connection with these actions;

194 (4) Conduct hearings on complaints concerning violations of this article and the rules  
195 adopted under this article and cause the prosecution and enjoinder of the violations;

196 (5) Establish application, examination, and certification fees;

197 (6) Establish continuing education requirements; and

198 (7) Establish the number of radiologist assistants that may be supervised by a radiologist  
199 according to levels of supervision as defined by the Centers for Medicare and Medicaid  
200 Services.

201 43-34-337.

202 The board shall appoint an advisory committee. The advisory committee shall consist of  
203 no fewer than five individuals and shall include at least one licensed physician who  
204 practices radiology, three licensed radiologist assistants, and one consumer representative.

205 Members shall receive no compensation for service on the committee. The committee shall  
206 have such advisory duties and responsibilities as the board may determine, including, but  
207 not limited to, consulting with the board on the issuance, denial, suspension, and revocation  
208 of licenses and the promulgation of rules and regulations under this article. The initial  
209 members of the advisory committee may include persons eligible for licensing under this  
210 article. Subsequent advisory committee members must be licensed pursuant to this article.

211 43-34-338.

212 Nothing in this article shall be construed to prohibit:

213 (1) The performance of any tasks or responsibilities by any student engaged in clinical  
214 training in a general hospital, provided such practice is limited to clinical training that  
215 shall be carried out under the direct supervision of a radiologist;

216 (2) The performance of any tasks or responsibilities by any person licensed under this  
217 title, provided such tasks or responsibilities are permitted by the article governing the  
218 profession pursuant to which such person is licensed; or

219 (3) The performance of any tasks or responsibilities by any legally qualified radiologist  
220 assistants of any other state or territory who is serving in the armed forces or the Public  
221 Health Service of the United States or who is employed by the United States Department  
222 of Veterans Affairs, while engaged in the performance of his or her duties."

223 **SECTION 4.**

224 This Act shall become effective upon its approval by the Governor or upon its becoming law  
225 without such approval.

226 **SECTION 5.**

227 All laws and parts of laws in conflict with this Act are repealed.
